The Elections Office also had the pleasure of simultaneously conducting balloting for the Biological Students' Departmental Association, Chemical Engineering Students' Society, and the Engineering Students' Society.

These elections were held in compliance with both the letter and spirit of Students' Union Bylaws. I am satisfied that our processes were fair and transparent, and that the results reflect the will of the electorate. I am also happy to report that there were only a few minor rulings during the campaign period and one D.I.E board hearing.

I want to explicitly thank Harman Kang and Micah Nakonechny for their fantastic work as our Deputy Returning Officers. I would also like to thank Rebecca Taylor, Jay Ward and the rest of the Students' Union staff for their patience, support, and guidance throughout the election period.

Congratulations to all candidates and campaigns for their hard work!

Muneeb Ahsan
Chief Returning Officer
