The Elections Office also had the pleasure of simultaneously conducting balloting for the Alberta Pharmacy Students' Association, Augustana Students' Association, Computer Engineering Club, Chemical Engineering Students' Society, Civil and Environmental Engineering Club, Electrical Engineering Club, Engineering Students' Society, Education Students' Association, Interdisciplinary Science Students' Society, Nursing Undergraduate Association, Organization for Arts Students and Interdisciplinary Studies and the Political Science Undergraduate Association.

These elections were held in compliance with both the letter and spirit of Students' Union Bylaws. I am satisfied that our processes were fair and transparent, and that the results reflect the will of the electorate.

I want to explicitly thank Harman Kang and Micah Nakonechny for their fantastic work as our Deputy Returning Officers. I would also like to thank Rebecca Taylor, Jay Ward and the rest of the Students' Union staff for their patience, support, and guidance throughout this tough election period.

Congratulations to all candidates and campaigns for their hard work!
