Location Guide

ABOUT OUR LOCATIONS

Advertising for each location is managed separately, so advertisers can run different ads in different locations. We offer discounts to commercial and non-profit advertisers who purchase adverts for a month or longer. Note that due to agreements with other University departments, and/or pre-existing contracts, there may be restrictions on certain advertising in some locations.

We also have screens on our Augustana campus in Camrose, and on Campus Saint-Jean, our francophone campus.
