SUB 0-55

We would like to respectfully acknowledge that our University and our Students’ Union are located on Treaty 6 Territory. We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students’ Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge and work towards the decolonization of Indigenous knowledges and traditions.

Summary discussion regarding recommendation forty-nine (Aboriginal Achievement Strategic Plan).

Committee members discussed whether the Faculty Specific Strategic plan was sufficient and on how hard it is to locate it. Members discussed the need to have a stand-alone plan for Indigenous Initiatives as opposed to being a subsection in the University’s all encompassing Strategic Plan, hence the recommendation.

Summary discussion regarding recommendation fifty (Aboriginal Awareness Week).

Committee members discussed the need for an Awareness Week for Indigenous students that is not clumped into other awareness events such as International Week. Committee members discussed the issue of only two Aboriginal groups being on campus and how that may drain their members if all the planning of this week is given to them. The members discussed the idea of beginning plans but not to actually have it this year. The members favoured the idea of having SU lead this event and other Indigenous agencies would work in collaboration to organize it.

I was just wondering how many spots are allocated for NSSA?

SUNDAY:
Currently the way its structured is that there are three seats available for Aboriginal Organizations, so we are just discussing NSSA taking up one of those seats.

ASC President BELCOURT:
In regards to vacancies, if someone is not in an Indigenous Student group, could they secure a seat?
