2018-04/2 QUESTION/DISCUSSION PERIOD

2018-04/2a Audit Re-Allocation

THIBAUDEAU: Established that there are fourteen faculty associations and seven residents associations and, therefore, each member is to complete two FA’s and one RA. Noted that members cannot audit their own FA or RA.

LEY: Advised that the division of audit responsibilities account for the varying sizes of faculty associations.

THIBAUDEAU: Noted that the Engineering Students’ Society, Interdepartmental Science Students’ Society, and Education Students’ Association are the largest faculty associations to audit.

LEY: Noted that those without Faculty Association Membership Fees have far fewer expenses relative to the aforementioned larger associations.

THIBAUDEAU: Suggested pairing the Engineering Students’ Society with the Native Studies Students’ Association. Suggested pairing the Interdepartmental Science Students’ Society with the Faculty of ALES Undergraduate Association.

CUTARM: Determined to audit the Engineering Students’ Society, Native Studies...
Students’ Association, and Graduate Students Association.

LEY: Determined to audit the Interdepartmental Science Students' Society, Faculty of ALES Undergraduate Association, and Michener Park Residence.

STATT: Determined to audit the Organization for Arts Students and Interdisciplinary Studies, Alberta Pharmacy Students’ Association and Newton Place Residence.

KOBES: Inquired into whether the Committee must retroactively complete the spring and summer audits.

THIBAUDEAU: Determined to get back to the Committee with a response, at the next meeting, as to the scope of their work. Noted that, if the spring and summer must also be completed, those already identified as the auditors will complete the work.

LEY: Noted that he has yet to complete the Nursing Undergraduate Association audit which was intended to be complete for September 1st.

THIBAUDEAU: Clarified that Ley is to complete the audit.

KOBES: Noted that she was assigned to audit two parties but never received the materials to audit.

BOSE: Determined to audit Kinesiology, Sport, and Recreation Student Society, Law Students’ Association, and Lister Hall Students’ Association.

CHUNG: Determined to audit Augustana Students’ Association, Medical Students' Association, and International House.

THIBAUDEAU: Determined to audit Nursing Undergraduate Association and HUB.

**2018-04/2b**  
Audit Process

THIBAUDEAU: Established that the Committee audits faculty and residence associations to ensure their expenditure is responsible and properly accounted. Clarified that the Committee does not consider the propriety of expenses, but their validity. Clarified the audit process: Discover Governance will send the budget line to the chair, who will send it to the relevant committee member, who will complete the audit by cross-referencing receipts on a given budget line, and then, finally, report back to the chair. Noted that members can call audited groups to a hearing, and if appropriate, deny funds.
KOBES: Inquired into whether a member can select multiple budget lines in their audit.

THIBAUDEAU: Responded in the positive. Clarified that the scope of the audit is at the discretion of the member.

KOBES: Inquired into whether a member can request explanations for a given expense.

THIBAUDEAU: Responded in the positive. Clarified that, in cases which are highly questionable, a member can inquire into the nature of the expense. Determined to send the budget lines in the near future.
