1. Ask if a change occurred in the way ESS handles its finances.

2019-13/3b Review Spring/Summer 2019 Reports

BADESHA: Proposed, to comply with best practices, that all statements be held by Students' Union staff and not members of the Committee outside meetings.

KIDD: Proposed that the Committee meet again next week to review these Reports.

TSE: Determined to schedule a meeting. Directed the Committee to identify which audits they will complete in the tracking Google Document. Determined to follow up with the Native Studies Students' Association and inquire into why they have not submit a report to the Committee.

SUNDAY: Noted that the NSSA has not submit reports in the past. Expressed concern that it is unreasonable that the Committee audits student representative associations that do not collect fees via the Students' Union.

TSE: Suggested that it is appropriate for the Committee to audit all student representative associations irrespective of whether they receive fees in order to keep them accountable. Considered that, by April 2020, the Committee needs to review Students' Union Administration credit card statements, Fall Reports, and transition new Committee members. Identified that there are eight meetings remaining. Suggested that the Committee, preferably, should complete these tasks by December 31.

SUNDAY: Proposed that the Committee receive an honorarium for its work.

TSE: Determined audit the Spring/Summer 2019 Reports at the next meeting. Noted that student representative associations are waiting for their funds.
SUNDAY: Expressed concern that the Students' Union is not subject to the rigorous standards applied to student representative associations and is never delayed in using its funds.

TSE: Determined to fill the Committee's vacancy at the next meeting of Council. Determined that the Committee will review student representative association audit reports by its December 10 meeting.
