6. OLD BUSINESS

   1. Tabled motion: “That Audit Committee requires all FA financials to
be audited by a chartered Accountant”.

Cory: Bruce Fraser has provided a survey, from a local accounting firm for FAs to ask about Financials. Performance of the FA associations was weak during last years; however, hiring a firm for an audit is impossible unless they know exactly terms, needs and conditions.

In this regard, Cory sent email to some of the accountants. Audit could be free except for some FAs. So, investigating about terms and conditions should be done by the end of August that hopefully auditing for the faculties could be approved by the end of October and would be apply to FA associations on the next year.

HODGSON moved that the motion “That Audit Committee requires all FA financials to be audited by a chartered Accountant” be tabled indefinitely. The motion was seconded by LE.

Vote on Motion 4/0/0. CARRIED.

Josh mentioned that there is a mistake about the year printed in the statements.

Cory: Financial situation was not that great during couple of last years and they do have quite a big money to go out; so, they need accountant but there shouldn’t be rush in this case.

LE moved the motion “Approval of the Financials of the PERCS” be approved.
The motion was seconded by TRUONG.
