2. Faculty Association Financial Reporting to Audit Committee.

Liang: This was brought up last week; we have four FA’s that have not submitted their financial reporting documents. What does the committee think about emailing our meeting schedule to FA’s and SGA?

Nicol: There have been no procedural problems with FA’s that have held off for this long, it’s really their problem. Maybe we should talk to Council about putting in a deadline for FA’s to get in their stuff to Audit Committee.

Kelly: I’ve only been on Audit committee for a short time but if we do have to schedule another meeting I will make sure to come to it.

Ferguson: I think we should send the emails to the FA’s.

MacGillivary: I agree with the emails.

Liang: I will draft the email and send it out tonight.

3. Review of credit card statements January to February.

Liang: In Peter’s cc statement, there was a payment to the U of A residence for a WUSCU student but there is no receipt. There is however a chail email, showing that Peter attempted to obtain the receipt but were unsuccessful. There is also a missing receipts form filled out for it.

Nicol: I’m not too worried about it because it was internal.

Audit Committee notes that the missing receipt was properly reported and Audit Committee is satisfied with the submitted credit card packages.
