This system shows only the most recent revisions – they may not have necessarily been approved. The Student’s Union is moving towards a standardized system of edits/changes. Following this presentation, ALLARD will distribute the login information to all voting members of this committee.

**2015-05/2b** Refocusing Discussion (Elections Bylaws)

The discussion focussed on determining the nature of what the changes to the Elections’ Bylaws would/should look like. THRONDSON noted that he believed that any changes should be minor, instead of a total rewrite, as these were the project of previous bylaw committees. As the conversation continued, DUAN noted that re-writes, and major projects would perhaps be better carried out by sub-committees.

**2015-05/2c** Review of Proposed Committee Schedule

Following the open discussion, the committee resolved, as summarized by ALLARD, that they would continue to review election’s bylaws until August 25th and shelf any changes which were not completed.
