2017-12/3 COMMITTEE BUSINESS

2017-12/3a Education Students’ Association (ESA) FAMF Referendum Question - Drafting

The Education Students' Association (ESA) is the student Faculty Association for the Faculty of Education, as well as Student Local No.1 of the Alberta Teachers’ Association (ATA). As an undergraduate education student, you are not currently charged a Faculty Association Membership Fee (FAMF). Optional membership to the ESA currently costs $10.00. $9.00 of this fee goes to the ESA and $1.00 goes to the ATA as student membership dues.

The proposed FAMF will reduce the membership fee to $8.00, charged once per year in the fall term. $7.00 of this fee will go to the ESA and $1.00 will go to the ATA as student membership dues. The fee will provide the ESA with more funding for student services and events.

The conditions of the fee shall include:

- It shall be distributed according to the framework approved by the University of Alberta Students’ Union Students’ Council and is subject to the oversight of the Audit Committee.
- This fee will be applied to all undergraduate Education students, except those enrolled in off-campus collaborative programs.
- The same fee will be applied to full-time and part-time students.
- The fee shall not be charged in the Spring/Summer semester.
- Students joining the Faculty of Education after the fee is collected in the Fall term may request a membership by contacting the ESA.
- Students may opt-out of this fee by contacting the ESA before October 31st of the year it is charged.
The fee will have a three (3) year lifetime with an expiry of September 2021.

Do you support a Faculty Association Membership Fee for the Education Students’ Association at $8.00 per student, per year effective September 1, 2018?

**2017-12/3b**  
**Organization for Arts Students and Interdisciplinary Studies (OASIS) FAMF Referendum Question - Drafting**

The Organization for Arts Students and Interdisciplinary Studies (OASIS) is the undergraduate student faculty association for the Faculty of Arts. This proposed Faculty Association Membership Fee (FAMF) will be $2.50 per semester. This will primarily allow for increased granting capabilities for Arts students.

The conditions of the fee shall include:

1. It shall be distributed according to the framework approved by the University of Alberta Students’ Union Students’ Council and is subject to the oversight of the Audit Committee.
2. The same fee will be applied to full-time and part-time students.
3. The fee shall not be charged in the Spring/Summer semester.
4. Students may opt-out of this fee by contacting OASIS before the add/drop deadline of each semester.
5. The fee will have a two (2) year lifetime with an expiry of September 1, 2020.

Do you support the introduction of a $2.50 per student, per semester Faculty Association Membership Fee for the Organization for Arts Students and Interdisciplinary Studies effective September 1, 2018?

2017-11/3a Bill #5 - Students’ Council Legislative and Committee Structure Reform - Second Reading

HOWIE/CHRISTENSEN MOVE to approve the second reading of Bill #5, on the recommendation of Bylaw Committee, based on the first principles listed below.

ORIGINAL VERSION:
First Principles:

1. Bylaw 100 is the premiere piece of legislation of Students’ Council, housing much of the administrative and operational regulations of the body.

2. Legislation within Bylaw 100 is loosely defined with little direction given surrounding the procedures and protocols of the various forms of legislation. There are currently legislative processes for the creation of bylaws, political policies, and the budget that are described in Students’ Council’s standing orders, but are not reflected in bylaw. As these processes do not change year to year and are binding, they should be reflected in bylaw.

3. The legislative process of approving bylaws shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Bylaw Committee.

4. The legislative process of approving policies shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Policy committee.

5. The legislative process of approving the budget shall be clarified in Bylaw 100 to mandate the first reading of budget principles and the itemized budget be drafted by Finance committee.

6. In light of DIE Board Ruling 2017-02, there is a lack of clarity surrounding the timing of the start up meeting and first meeting of Students’ Council as defined in Bylaw 100.

7. Bylaw 100 shall be amended to allow the startup meeting to occur anytime within April.

8. Bylaw 100 shall be amended to relax the mandated timing of the first meeting of each Students’ Council term from before May 7 to before May 15 of each year.

9. In light of recent discussions surrounding committee structure, four new categories of committees will be defined with
definitions including, but not limited to:

a. “Legislative” committees
   i. Committees whose mandate include a delegated, legislative function of Students’ Council.
      1. Audit, Bylaw, Policy, Council Administration, Finance, and Nominating Committee shall be reclassified as “Legislative” committees.
   ii. These committees shall have a closed membership of only elected members of Students’ Council or Designates.
   iii. These committees shall be recurring.
   iv. The list and mandate of these committees shall remain in Bylaw 100.
   v. These committee shall only be created or eliminated through two readings of Students’ Council amending Bylaw 100.

b. “Oversight” committees
   i. Committees whose mandate include providing recommendations on internal and external Students’ Union policies and providing guidance, advice, oversight, or other information to the organization on a general topic.
   ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.
   iii. These committees shall be recurring.
   iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.
   v. These committees may be created, approved, or formalized by a simple majority vote of Students’
vi. These committees shall only be eliminated by two majority votes of Students’ Council amending the Bylaw 100 Schedule B at two separate meetings occurring not less than one week apart.

c. “Ad hoc” committees:
   i. Committees whose mandate is narrow surrounding a particular topic, initiative, project, or investigation.
   
   ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.
   
   iii. Expire at a designated time not to exceed 1 year.
   
   iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.
   
   v. These committees may be created, approved, formalized, eliminated or renewed by a simple majority vote of Students’ Council or the Executive committee.
   
   vi. Ad hoc committees may also be referred to as “task forces.”

d. “Operational” committees:
   i. Committees whose mandate is to serve a specific operational function of the Students’ Union.
   
   ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.
   
   iii. These committees shall be recurring.
   
   iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.
   
   v. These committees may be created, approved, or formalized by a simple majority vote of Students’
vi. These committees shall only be eliminated by a simple majority vote of Students’ Council or the Executive Committee.

10. The definition of “standing committee” shall be eliminated.

11. Under the new classification, all formalized committees shall be eligible for the administrative support of Discover Governance or the Students’ Union, as needed.

12. The current “Bylaw 100 Schedule” shall be renamed “Bylaw 100 Schedule A”.

13. A new “Bylaw 100 Schedule B” shall be created.

**SUMMARY OF DISCUSSION:**

**HOWIE:**
Directed everyone to the google drive where the draft for the Bill 5 reform item was. Emphasised that the job today was not to debate any of the first principles but purely to make sure the first principles are accurately reflected into the final Bylaw 100. They are going to focus mainly on areas of significant addition or removals.

**CHRISTENSEN:**
Instructed to only reject portions that are not approved but do not remove anything because he needs to see the changes that are made so it can be entered into the system.

**THIBAudeau:**
When discussing item h, wondered if there was a distinction that needed to be made between standing and legislative definition of a committee and whether if a committee can decide which type it is. This was asked keeping Policy and Nominating Committee in mind.

**HOWIE:**
Felt that a committee should be able to decide which type it is based on their membership and the type of membership fee. As it stands right now, we need to right the Bylaw for the committee, for which the standing
orders exist and if a committee were to change their standing orders, they could change their designation under this bill and we could amend this section of the bylaw. If we are talking about adding different things, that is a larger change that what the Bylaw committee is tasked with doing.

THIBAudeau:
Asked which standing orders would have to change, for committees to change their designation.

HOWIE:
Clarified that the specific committee would decide to alter their standing orders if they wanted to have some other addition to what their current function is, based on their membership primarily.

CHRISTENSEN:
Added that the actual committee will not necessarily be doing the final drafting under the system because it will be a delegative legislation function, and the actual drafting will happen by another committee, which most naturally will be the Bylaw Committee.

THIBAudeau:
Said he was looking more towards their mandate and wondering if that is a better way to designate the committee’s function.

HOWIE:
Pointed out that regardless of the committee it all has to go through council. She said the reason she was hesitant to move anyone was largely because of membership and in the way their current standing orders is drafted. If we go by the mandate, then committees will be restricted to certain topics which she believes goes against point 1 of the oversight committee which talks about committees being able to go over the whole length and breadth of Student’s Union topics.

THIBAudeau:
Argued against that because he believes even if a committee is mandated to a certain realm, it is still responsible to exploring the whole length and breadth of it and focussing on a lot of different areas. Also added that the many committees do have powers beyond just making recommendation
and advising student’s council by their mandate, whereas some committees, like Policy and Nominating committees, are mainly focussed on making recommendations to the Students Council.

HOWIE:
Agreed with James’ perspective but asserted that it was beyond the scope of the discussion at this point since her earlier point was already passed in the first principles. She did see it being possibly changed to Jame’s view if it did become legislation but at the moment it was outside of discussion.

CHRISTENSEN:
Asked what exactly would Thibaudeau like to see differently.

THIBAUDEAU:
Said he wanted to see Policy and Nominating Committees be moved away from legislative and placed under oversight.

BROPHY:
Added that doing that would make oversight committees be perceived as committees of equal importance as the rest but admitted this was out of scope from today’s topic.

THIBAUDEAU:
Wondered that if this goes through Council, when would be the first opportunity to change the to better reflect the mandates.

CHRISTENSEN:
Responded that the drafting for the change could be begun immediately.

THIBAUDEAU:
Regarding item i, wondered if the wording to distinguish open, and close membership could be written better.

CHRISTENSEN:
Directed James to m which had all the definitions to clarify any doubts.

BROPHY:
Referring to section 22, preferred removing ‘standing’ from the committee
to ensure equality amongst all committee in terms of optics and damage control. This would prevent any perceived idea that oversight committee was somehow secondary. (Piasecki agreed).

CHRISTENSEN:
Said he thought of that when drafting but his concern was then it would become too broad if we just made it ‘committee’, but taking into account the debate around this issue, CHRISTENSEN suggested to table this for now and come back to it.

HOWIE:
Agreed to table it for now and proceeded with other corrections.

CHRISTENSEN:
Regarding the item on budget, said it was newly drafted and wanted to get everyone’s feedback on it.

PACHES:
Disagreed with the statement saying the old budget shall expire when a new one is passed because they can only operate on a budget that has been approved for that specific year and so budgets needed to be created annual and only if they are not, the previous year’s budget can be used.

CHRISTENSEN:
Took point into account and worked with committee to include the phrase in the item.

HOWIE:
After concluding bylaw 100, asked committee to make a decision on the voting of the speaker or the general manager and had the personal opinion of removing ‘legislative’ before committee so it treated all committees equally. Everyone agreed.

CHRISTENSEN:
Regarding point 8 (on having quorum), brought up the need to distinguish between permanent members and elected members as they may not necessarily be the same thing.
HOWIE:  
Suggested using ‘elected members of the Student Council’.

In the ad hoc committee section, all members (primarily Howie, Christensen and Brophy) discussed the option of removing designation before the word ‘committee’ to account for this transitional period, and making sure committees are represented in the way they want to be.

CHRISTENSEN:  
Regarding point 15, said he was of the opinion that no one could be removed from a committee except from when they fall below required attendance.

HOWIE:  
Responded, saying she felt it was too restrictive.

BROPHY:  
Referenced section 41 as being non applicable, as it stated “..Student Councils has authority to remove members”, but in our case the question was regarding committee and its members.

CHRISTENSEN:  
Voiced his concern saying its unlikely that a committee can remove committee members if Student’s Council couldn’t.

BROPHY:  
Responded that having a statement where “no one could be removed from a committee except from when they fall below required attendance”, was perhaps not in line with the first principles.

PIASECKI:  
Asked what would happen in the scenario where a Councillor’s behaviour was deemed unfit to allow him/her to continue on the committee but due to this draft, he/she was still allowed to sit on it as long as their attendance was good.

HOWIE:  
Said you could remove councillor privileges in case a councillor had been
disciplined.

THIBAUDEAU:
Wondered if a member could be allowed to stay if his/her ideals directly opposed the mandate of the committee (like a climate change denier sitting on a committee dealing with protection of the environment.)

CHRISTENSEN:
Clarified that this item was not a change from the current way in which the committees are structured and it is just to formalize that and stated his opinion that no committee should be able to remove a councillor who has been selected by his/her constituency and finally said, a stark difference between a councillor’s ideals and the committee mandate should not be the grounds to remove the councillor.

PACHES:
Asked whether this discussion was within the scope of the first principles.

HOWIE:
Responded that it was perhaps a bit beyond the scope and asked everyone to vote if we should continue on with point 3. Only Christensen wanted to continue so committee came to the end of schedule b, bylaw 100. Howie proceeded to move the motion and bring this back to Student’s Council, after minor follow-up points clarified by members.

**HOWIE/CHRISTENSEN MOVE** to approve the second reading of Bill #5 based on the updated google drive listed above.

2017-11/3b  Engineering Student Society (ESS) FAMF Referendum Question

**ORIGINAL VERSION:**
The Engineering Students' Society (ESS) is the student faculty association for Engineering. As an undergraduate engineering student, you are
currently charged a Faculty Association Membership Fee of $7.00 each semester, which you may opt-out from paying. You are voting in this referendum because the fee must be renewed at least every 5 years. The proposed increased membership fee of $20 per semester will provide engineering student groups/clubs on campus with access to more stable funding.

The conditions of the fee shall include:

1. It shall be distributed according to the framework approved by the University of Alberta Students’ Union Students’ Council and is subject to the oversight of the Audit Committee.

2. The same fee will be applied to full time and part-time students.

3. Students who are not on campus (on a co-op term or study term abroad) will not be charged the membership fee.

4. Students may opt out of this fee by contacting the ESS before the add/drop deadline of each semester.

5. The fee will have a two (2) year lifetime with an expiry of September 1, 2020.

Do you support the increase of the optional Faculty Association Membership Fee (FAMF) from the current $7 per semester to $20 per semester effective September 1st, 2018 for a lifetime of 2 years in an effort to fund more student-run activities?

**SUMMARY OF DISCUSSION:**

HOWIE:
Mentioned that the question already looked pretty good and the draft question was on google drive for everyone look at and might needed some minor changes.

CHRISTENSEN:
Added that the question they saw currently, was the one submitted by ESS.
PIASECKI:
Wanted to replace ‘stable’ in the preamble with ‘more’.

PACHES:
Voiced that the details regarding the fee renewal cycle was redundant.

HOWIE:
Asked shouldn’t the students know that it is a renewal.

THIBAUDEAU:
Asked what happens if this doesn’t pass.

HOWIE:
Answered, that if it fails then ESS will still get the $7.

PACHES:
Agreed but said it was ESS job to advertise why it was being increased and promote their stance, which is why the extensive background to why its being should be removed.

HOWIE:
Agreed that it was upto ESS to communicate and promote the reason for the increase.

THIBAUDEAU:
Asked if the question should include the phrase “Faculty of Engineering” or just ESS.

HOWIE:
Answered just the ESS and said the question should start with “Do you support the fee increase” which makes it more concise than the current wording and also add “per student per semester.”

CHRISTENSEN:
Added that the distinction between Fall/Winter and Spring/Summer fees needed to be made.

**AMENDED VERSION:**
The Engineering Students’ Society (ESS) is the student faculty association for the Faculty of Engineering. As an undergraduate engineering student, you are currently charged a Faculty Association Membership Fee (FAMF)

2017-11/3c Student Events Initiative (SEI) Referendum Question - Drafting Process

PACHES MOVE to approve the referendum question for the Student
Events Initiative, on the recommendation of Bylaw Committee, based on the first principles.

**First Principles:**

1. The fee will be $16.50 per undergraduate student, per semester, in the Fall and Winter semester. The fee will be $8.25 per undergraduate student in the Spring/Summer semester.

2. The fee will be indexed to inflation.

3. Students enrolled in the Faculty of Augustana will be exempt.

4. Students who are enrolled in programs (including, but not limited to, project, thesis, internship, practicum and student abroad) that take exclusively place outside of the Universal Transit Pass service area are eligible to opt-out.

5. The scope of the Student Events Initiative includes the following:
   a. Renovations to the Myer Horowitz Theatre and creation of additional event and support space in the Students’ Union Building (SUB);
   b. An increase in grants for student group events by $100,000 per year, indexed to inflation;
   c. An increase to funding for featured programming - such as, but not limited to, major live acts and speakers - of $100,000 per year, indexed to inflation; and,
   d. An expanded student ticket discount program for events on-campus and in the larger community; and,
   e. Commitments from the University to invest in renovations to the main floor of SUB to create a north entrance, to appropriately invest in necessary building infrastructure, and to continue with student management of common areas through the year 2050.

6. Undergraduate students will pay a reduced fee until the year of substantive project completion. The reduced fee will be 50% of the original fee.
7. Until the renovation reaches substantial completion, undergraduates will pay 50% of the approved fee.

**SUMMARY OF DISCUSSION:**

**HOWIE:**
Informed everyone of the referendum question for the Student Events Initiative, based on the first principles, and directed councillors to the draft question on the google drive that needed to be finalized in this meeting. Howie wondered if there is a list of things we need to double check in the question.

**CHRISTENSEN:**
Responded to Howie saying there wasn’t particularly a list to double check but emphasised that they needed to write it out with proper structure.

**PACHES:**
Started working on the draft and asked which fee they need to put first.

**CHRISTENSEN:**
Answered that the first fee should be the one we will pay eventually and also mentioned that we should do the same format we normally do with the final line being the question that asks “do you approve...with the current fee of ___”.

**HOWIE:**
Commented on the length of the question by highlighting that the final paragraph needs to encompass the whole scope of SEI.

**PACHES:**
Asked why we need to write a paragraph instead of listing them in point forms.

**CHRISTENSEN:**
Responded by saying, that this was how it was always represented in the ballot, in a paragraph for the structure.

**DAIRA:**
Held on to PACHES’ point and wondered if having it in a point/list format
would be more effective in getting the information across to students when they see the ballot form.

CHRISTENSEN:
Voiced that if people wanted, we could have the preamble in the shorter list form instead of a paragraph but he was more concerned with having the proper structure when its displayed on the form.

HOWIE:
Responded that it would be better to have the list in the conditions part rather than the preamble because the preamble deals with the vision statement to which CHRISTENSEN agreed.

PACHES:
Addressed the issue in the edit.

HOWIE:
Suggested trimming down on the length to ensure it doesn’t act as a barrier to students when reading it (or choosing not to because of the length).

PACHES:
Agreed but mentioned he wanted to include all the facts as well as opposed to making it more conversational.

DAIRA:
Voiced her disagreement with PACHES because she wanted it to be closer to a phrase that promoted increasing student involvement.

PACHES:
Responded that it wouldn’t be possible to phrase it like that, as the proposal had to be neutral so it doesn’t sway any votes.

HOWIE:
Clarified Daira’s doubt by stating the goal was to phrase it in a way that is clear/concise and understandable ‘without’ being promotional.
HOWIE:
Suggested the actual questions need to be as clear as possible, because it’s not $16.50 per student per semester, it’s $16.50 per student per Fall and Winter Semester and $8.50 per Student enrolled for Spring and Summer Semester.

HOWIE:
After everyone finished editing, asked for a final critique of the item phrasing.

CHRISTENSEN:
Voiced concern that the paragraph felt a little unnatural and overwhelming when reading and wondered if it could actually be in point form?

HOWIE:
Agreed but mentioned that the paragraph was purely facts which is what was good about it.

PACHES:
Made follow up changes and agreed with Christensen and Howie.

**FINALIZED VERSION:**
The Students Events Initiative (SEI) is defined as follows:

- Renovations to the Myer Horowitz Theatre;
- The creation of additional event and support space in the Students’ Union Building (SUB);
- An increase in grants for student group events by $100,000 per year;
- An increase to funding for featured programming of $100,000 per year;
- An expanded student ticket discount program for events on-campus and in the larger community; and,
- Commitments from the University of Alberta to invest in renovations to the main floor of SUB to create an accessible north entrance, to appropriately invest in necessary building
infrastructure, and, to continue with the student management of common areas through the year 2050.

The conditions of the fee shall include:

1. The fee will be reduced to 50% per semester until substantive project completion.
2. The fee and included grants will be indexed to inflation.
3. Students enrolled in the Faculty of Augustana will be exempt from the fee.
4. Students who are enrolled in programs (including, but not limited to, project, thesis, internship, practicum, and study abroad) that exclusively take place outside of the Universal Transit Pass service area are eligible to opt-out of this fee.

Do you support a fee of $16.50 per undergraduate student per semester in each of the Fall and Winter semesters, and $8.25 per undergraduate student enrolled in the Spring/Summer semester, to support the Student Events Initiative?

PACHES/THIBAUDEAU MOVE to approve the above referendum question for the Student Events Initiative, on the recommendation of Bylaw Committee, based on the above first principles.

2. The regulations were initially created conservatively to help members adjust to the transition.

3. The regulations shall be tightened to continue to improve attendance and engagement.

4. The regulations shall be amended to apply to “regularly scheduled” meetings only, where regularly scheduled is defined as a period of greater than 30 days between the meeting being scheduled and the meeting occurring.

5. Bylaw 100 shall be amended to adjust the definition of attendance from “Attendance is defined as attending for at least one (1) roll call of attendance” to:
   a. “Full attendance” being defined as attending for both roll calls of attendance of a given meeting.
   b. “Partial attendance” being defined as attending for one (1) of the two (2) roll calls of a given meeting.

6. A councillor who is in full attendance will have a 100% attendance record for a given meeting.

7. A councillor who is in partial attendance will have a 50% attendance record for a given meeting.

8. The criteria for councillor removal from Students’ Council shall remain the constant, requiring councillors maintain at least a 50% average attendance record over the course of the given trimester.

9. These changes shall be implemented May 1, 2018.

**SUMMARY OF DISCUSSION:**

FLAMAN:
Began looking at the attendance regulation currently implemented. After the spring and summer term, he did his own calculation and passed it to the speaker to double check. The speaker did some corrections, in that, you only had to make one of the two roll calls to be counted as full attendance for that meeting, it would still be denoted as the 0.5. Since in
the attendance policy, you have to make 50% of the meetings, it means you essentially have to make 25% of the attendance calls to meet the attendance policy requirements. So he wanted to tweak that a little bit and hopefully this change can help heighten it a little bit. He used an observational case for an example, where a student in Spring and Summer was allowed to continue with a minimum of attendance, which in Levi’s opinion should not have happened if the policy was little bit more stringent.

PACHES:
Confirmed that this item attempted to ensure that councillors have to be present for both the roll calls to count as full attendance rather than just make one of the roll calls?

HOWIE:
Confirmed that one could still show up for one half of a meeting, but would have to show up for that one half for every single meeting to make your attendance meet the policy.

CHRISTENSEN:
Added that if you miss one whole meeting, your attendance drops below 50%.

FLAMAN:
Commented that even with this, you still don't have to make one full meeting.

PIASECKI:
Voiced that she wasn’t in favour because it is hard to police attendance for a volunteer position and asked members to consider that Councillors in the spring and summer sessions may have a completely different schedule than the fall and winter sessions. She agreed that attendance was important but was sceptical of the policy change causing an increase in attendance, and may in fact result in more people being taken off the committee.

BROPHY:
Agreed with Piasecki but added that people who do not show up may not
necessarily be doing that in bad faith.

PACHES:
Responded by saying that wasn’t relevant to the conversation because we cannot hypothesize on people’s intention in the realm of creating bylaws. Paches added that he agreed with the volunteer recognition but at the same time, the current amendment still had a lot of flexibility and should be considered as it accounts for individuals who may have to leave early in occasion.

BROPHY:
Agreed with Paches and pointed out that he liked the amendment but just wanted to ensure the earlier comment was heard.

HOWIE:
Commented that the 25% attendance maybe too low given how Councillors are expected to represent their constituency and in order to do so effectively, 50% of attendance is reasonable. She could foresee some potential problems arising like for Augustana Campus representatives but the policy still has the flexibility to account for that.

FLAMAN:
Added that you can always send a proxy if you can’t come in.

PIASECKI:
Added that even if you send proxy, the proxy has to be from the same faculty, which in the case for Augustana, doesn’t solve the problem.

BROPHY:
Wondered whether there was a way to address this problem, whereby we could give exceptions to people who had to leave earlier, but had attended say 90% of the meeting.

FLAMAN:
Responded that they also considered doing a 3rd roll call prior to recess and splitting it down to 33% for the three halves.
Said he really liked that one, where you need to be present for at least two third of the meeting.

CHRISTENSEN:
Pointed out this change has been talked about for almost seven years so it was good to see it finally being drafted into action. He said the current amendment looked good but he would also be in favour of a three tier system in which case, he wondered how that would be defined exactly.

HOWIE:
Responded that it was beyond the scope of the first principles being discussed at the moment but told Levi if he wanted to change it to the three tier system he could table this motion for the next meeting where it could be discussed.

FLAMAN:
Said he also wanted to make it clear the distinction between a “regularly scheduled” meeting in point 4, and any additional meetings and wondered if then the definition of partial attendance could be amended to anything less than two roll calls of a given meeting to better fit the three tier system.

CHRISTENSEN:
Pointed out that there needs to be a more precise definition as loosely worded items will not be passed.

HOWIE:
Suggested tabling it to the next Bylaw meeting and talk to CAC because it has control of standing orders and so if its in favour of the three tier system and we can adjust it and move forward with a quick bylaw change.

FLAMAN:
Agreed and wanted it to be tabled till the next Bylaw meeting.

CHRISTENSEN:
Said this will be put on the agenda for the Jan 30th meeting and if their priority items for that day are done, they can attend to this item. If not, then it will be tabled to regularly scheduled meeting after that.

Bill #5 - Students' Council Legislative and Committee Structure Reform - Second Reading

HOWIE/CHRISTENSEN MOVE to approve the second reading of Bill #5, on the recommendation of Bylaw Committee, based on the first principles listed below.

First Principles:
1. Bylaw 100 is the premiere piece of legislation of Students' Council, housing much of the administrative and operational regulations of the body.
2. Legislation within Bylaw 100 is loosely defined with little direction given surrounding the procedures and protocols of the various forms of legislation. There are currently legislative processes for the creation of bylaws, political policies, and the budget that are described in Students' Council's standing orders, but are not reflected in bylaw. As these processes do not change year to year and are binding, they should be reflected in bylaw.
3. The legislative process of approving bylaws shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Bylaw Committee.
4. The legislative process of approving policies shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Policy committee.
5. The legislative process of approving the budget shall be clarified in Bylaw 100 to mandate the first reading of budget principles and the itemized budget be drafted by Finance committee.
6. In light of DIE Board Ruling 2017-02, there is a lack of clarity surrounding the timing of the start up meeting and first meeting of Students' Council as defined in Bylaw 100.
7. Bylaw 100 shall be amended to allow the startup meeting to occur anytime within April.
8. Bylaw 100 shall be amended to relax the mandated timing of the first meeting of each Students' Council term from before May 7 to before May 15 of each year.
9. In light of recent discussions surrounding committee structure, four new categories of committees will be defined with definitions including, but not limited to:
   a. “Legislative” committees
      i. Committees whose mandate include a delegated, legislative function of Students’ Council.
         1. Audit, Bylaw, Policy, Council Administration, Finance, and Nominating Committee shall be reclassified as “Legislative” committees.
      ii. These committees shall have a closed membership of only elected members of Students’ Council or Designates.
      iii. These committees shall be recurring.
      iv. The list and mandate of these committees shall remain in Bylaw 100.
      v. These committee shall only be created or eliminated through two readings of Students’ Council amending Bylaw 100.
   b. “Oversight” committees
i. Committees whose mandate include providing recommendations on internal and external Students’ Union policies and providing guidance, advice, oversight, or other information to the organization on a general topic.

ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. These committees shall be recurring.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council.

vi. These committees shall only be eliminated by two majority votes of Students’ Council amending the Bylaw 100 Schedule B at two separate meetings occurring not less than one week apart.

c. “Ad hoc” committees:

i. Committees whose mandate is narrow surrounding a particular topic, initiative, project, or investigation.

ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. Expire at a designated time not to exceed 1 year.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, formalized, eliminated or renewed by a simple majority vote of Students’ Council or the Executive committee.

vi. Ad hoc committees may also be referred to as “task forces.”

d. “Operational” committees:

i. Committees whose mandate is to serve a specific operational function of the Students’ Union.

ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. These committees shall be recurring.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council or the Executive committee.

vi. These committees shall only be eliminated by a simple majority vote of Students’ Council or the Executive Committee.

10. The definition of “standing committee” shall be eliminated.

11. Under the new classification, all formalized committees shall be eligible for the administrative support of Discover Governance or the Students’ Union, as needed.

12. The current “Bylaw 100 Schedule” shall be renamed “Bylaw 100 Schedule A”.

13. A new “Bylaw 100 Schedule B” shall be created.
