Bylaw Committee
Transition Manual

Information for the Members of the Bylaw Committee
Last updated: April 2015

Where this transition manual deviates from Standing Orders or Bylaw, the Standing Orders or Bylaw will be taken as correct. You should always read them in addition to this manual in case information in the manual has become out-of-date.

What is Bylaw Committee?

The Bylaw Committee is the steward of the Students’ Union’s bylaws. They are responsible for reviewing bylaws regularly, overseeing the writing of new bylaws or updating of current ones, and writing referenda and plebiscite questions as necessary.

Bylaw Committee’s duties are outlined in its Standing Orders and in Bylaw, and they're summarized here so they'll be more readily accessible to you:

1. Draft referendum and plebiscite questions.

   Proposals may be received from the Chief Returning Officer or from Students’ Council for referendum or plebiscite questions. Bylaw Committee is responsible for drafting the question that will be seen on the ballot. If the referendum is being initiated by a petition, Bylaw Committee must also draft the petition question within 14 days of receiving the intent of the question. Referendum and plebiscite questions must reflect the original intent of the proposal, and may be challenged or sent back for re-drafting if they do not. Upon receiving a referendum or plebiscite proposal or petition, Bylaw Committee must draft, approve, and forward to Council a petition question within 14 days.

2. Drafting bylaws.

   When new bylaws are to be introduced, or major changes are to be made to existing bylaws, Bylaw Committee will draft a first principles bill to send to Council. First principles explains the intent of the bylaw or the changes to be made. Once Council has approved the first principles, Bylaw Committee then appoints one of its members to draft the bylaw or changes, and then sends a draft to Council for approval. The bylaw may then go back and forth between Council several times should Council require many edits before approving it. Bylaw Committee sometimes creates bylaw drafts in conjunction with SU staff, Executives, or other committees as needed. The full process can be found in Standing Orders.

   Bylaw Committee is responsible for reading and understanding all bylaws, and may in the process of doing so discover recommendations on those bylaws that should be forwarded to Council for consideration.
4. **Make editorial amendments to bylaws.**

Bylaw Committee may make small editorial changes (like correcting spelling, punctuation, grammar, formatting, etc) provided those changes do not alter the meaning of the bylaw.

5. **Report activities to Students’ Council.**

This report should follow each meeting, and should consist of a summary of proceedings, a list of motions, and an appendix of documents voted on. This report is usually handled by the Chair, and may be compiled with the help of Discover Governance if necessary.

**Duties of Chair**

Generally, your duties as the Chair involve making sure that the duties of Bylaw Committee are fulfilled. This can mean handling them yourself, delegating them to other Councillors or SU staff, or facilitating the entire committee in carrying them out, depending on the situation. However you get things done, everything should be discussed and approved at Bylaw Committee first.

In addition to making sure Bylaw Committee fulfills its mandate, the Chair also has some more specific duties outlined under the Standing Orders:

1. Preside over debate at meetings of the Bylaw Committee.
2. Submit report to Students’ Council.
3. Assign tasks to committee members engaged in drafting bylaws.
4. Work with Speaker and SU staff to ensure the logistical needs of Bylaw Committee are met.
5. Recommend to Students’ Council the removal of any member who is not fulfilling their responsibilities to the Bylaw Committee.
6. Designating an alternate Chair should they be unable to attend.

Being a Chair can be stressful and time-consuming, so don’t be afraid to ask for support from SU administrative staff, Discover Governance, fellow Councillors, or SU Executives.
So, you’ve just become Bylaw Committee Chair…

If you’re starting at the beginning of the year, SU staff should have coordinated the first meeting of Bylaw Committee at which you were elected Chair. Now you have a set Standing Orders for the year and a meeting schedule, so it’s time to get to work on Bylaw stuff. Your first meeting as Chair should include some kind of strategic planning and goal-setting session to keep the Committee on track during the year. Your plan/goals should reflect your mandate, the broader goals of Council, and the SU’s strategic plan.

If you’ve taken this position in the middle of the year, you should read the Standing Orders to better understand the committee and check up on the following:

1. Does Bylaw Committee have a strategic plan for the year and, if so, what is its progress? If it doesn’t, consider creating one at your first meeting as Chair. It will help you get into the leadership role, and give you an idea of how you should be directing the committee.
2. When was Bylaw Committee’s last progress check on the activities of Council and its Committees? Does one need to be done?
3. Who is your recording secretary, and have all minutes been received, approved, and updated on the committee page of the SU website? Discover Governance should be able to help you with this.
4. Has Bylaw Committee missed any important deadlines, and have all time-sensitive duties of Bylaw Committee been fulfilled up to the current date? Check the timeline below for important dates and deadlines.
5. What projects has Bylaw Committee been working on, and what’s the progress so far? Ask other committee members, or check past meeting minutes.

Bylaw Committee Timeline

Bylaw Committee has a much less strict timeline than most other committees, as its work is largely determined by the activities of Council, the Executive, and the initiative of members of the Committee. However, there are a few important deadlines you should keep in mind:

May:
   • Create a strategic plan for Bylaw Committee’s activities and goals for the year.
   • Do an overview of all bylaws and ensure that all members understand them.
   • Attend GovCamp at the end of the month.

August:
   • End of August is the deadline for Councillors to resign their position if it is to be filled in the September by-election.

September:
   • Week of Welcome
   • By-elections

October:
   • If Faculty Associations wish to create a Faculty Association Membership Fee (FAMF) they must send a letter of intent (usually to the VP Academic) by the end of October. If any FAMFs are about to expire, it’s a good idea to communicate with the VPA and Discover Governance about that FA and whether or not they wish to reapply for their FAMF.
January:
  • At your first meeting in January, you should check in on last semester’s business to ensure that all business is on track to be finished by the end of the year.
  • FAMF proposals are due January 15, at which point Bylaw Committee will have to draft a referendum question and send it to Council for approval.
  • Most petitions or other proposals for plebiscite and referendum questions will be received during January.

February:
  • Nominations for SU General Elections are due, and Campaigning begins.

March:
  • At your first meeting in March, check in on the progress of your goals and business.
  • General Elections and Councillor/GFC elections are held.

April:
  • Ensure that all necessary documents, such as committee goals tracking documents and survey results, are prepared to be passed on to the next Bylaw Committee Chair.

Subject: BC-Report #3 - Transition Report

Dear Students’ Council:

The following written report shall serve as the transition document for Bylaw Committee as outlined in Bylaw 100(16) - Written Reports.

1) Structure & Function
Bylaw Committee is composed of seven (7) standing members. The committee's main duties include drafting and amending bylaws, drafting plebiscite and referendum questions, and making recommendations to Students’ Council regarding bylaws.

For a second year, most first readings of bills originated at Bylaw Committee. While this is not legally required in the legislative framework for the Students’ Union, it was beneficial and ensured robust discussion from the very start of the bill. First reading of bills involves Students’ Council considering general principles, rather than specific changes. All bills that cleared first reading at Students’ Council came to Bylaw Committee for second reading, where the actual, concrete wording changes to bylaw were considered and drafted. Following successful drafting of second reading, each bill proceeded to Students’ Council for final approval. According to bylaw, first and second reading cannot happen at the same meeting of Students’ Council.

2) Responsibilities of the Chair
As the chair of Bylaw Committee one is expected to help set the schedule for the committee each semester, draft agendas with the Students’ Council administrative assistant, moderate debate/discussion at the committee, submit business to the Students’ Council order paper, and provide oral and written reports to Students’ Council, as needed. In addition, the chair may also help draft legislation and help it migrate through the convoluted framework of Students’ Council. In the last two years, I have taken a more active role than my predecessors with respect to drafting bills because of my personal interest in the process. The committee's standing orders lay out a formal structure including assigning draftspeople.

The chair is responsible for communicating with other committees, particularly the Council Administration Committee (CAC) and occasionally Finance Committee, among others. The chair may also attend meetings of the informal Committee of Chairs trimesterly. Unfortunately, this year the Committee of Chairs was never convened which was disappointing.

3) Review of Bylaw Committee 2017/2018

Accomplishments
This year the committee was once again quite productive, albeit less so than during my previous term as chair last year. This year there were less suggested ideas for changes as we had addressed numerous concerns in the 2016/2017 year.

Bill #1 - Elections Forums (Complete)
This bill addressed the concerns of the the Discipline, Interpretation and Enforcement Board during the 2017 election cycle regarding forum interference and heckling (See DIE Ruling 2016-01). Bill #1 addressed these concerns and also updated the regulations surrounding the requirement of forums across the Executive and Students’ Council elections.
Bill #2 - Joke Candidates (Completed)
This bill addresses a perceived error in bylaw surrounding what would happen if a joke candidate were to ‘win.’ The bill also addresses how joke candidates are defined in bylaw and the process for a joke candidate to become a real candidate.

Bill #3 - Universal Materials (Completed)
This bill addresses an ongoing point of confusion for Students’ Union elections, Universal Materials. The goal if this bill is to simplify the elections processes and ensure there are explicit provisions regarding said materials.

Bill #4 - Removing Student Group Operating Policy Requirements (Completed)
This bill removed the need for operating policy to include policies on student groups. This change was made because Operating Policy is designed for internal Students’ Union employees.

Bill #5 - Students’ Council Legislative and Committee Structure Reform (Completed)
This bill addressed a number of concerns with Bylaw 100 that have been identified as part of the general bylaw review described below. The largest point of contention has been around the new committee structure proposed. Under the new framework, all committees formalized under the Bill would serve as Students’ Council committees and have full administrative support of SU/Discover Governance. The change in structure created 4 different committee subtypes including Legislative, Oversight, Ad Hoc and Operational. The latter 3 committee types, with students-at-large positions, were placed within the Bylaw 100 Schedule B to delineate committees with unelected members, to allow for easier creation and change of mandate. Legislative committee are the remnant of the now obsolete “Standing Committees” but have been defined as having a delegated, legislative function.

Bill #6 - SERC Restructuring (Completed)
This bill removed SERC from the executive committee Bylaw 1100. This was done as the committee no longer functions as a branch of the executive committee and is now engrained within a business entity of the Students’ Union called SustainSU.

Bill #7 - Withdrawn

Bill #8 - Attendance Regulation Amendment (Completed)
With the advent in 2017 of the Students’ Council attendance regulations we saw participation and attendance increase dramatically compared to all previous Students’ Councils. After years of struggling with creating a balanced attendance policy in 2016/2017 these rules were passed and this was the first year of them being in place. Although a balanced policy, Students’ Council sought to mildly tighten the regulations around attendance. Notably, the most substantive change Bill #8 brought was a shift from members being given 100% attendance per meet for
attending one role call to now requiring members to attend all roll calls to get 100% attendance. The benchmark for removal from Students' Council is still less than 50% attendance.

**DFU & Faculty Association Membership Fee Plebiscite/ Referendum Questions**

The committee drafted the following successful DFU questions: Campus Recreation Enhancement Fund renewal.

The committee drafted the following FAMF questions: Engineering Students' Society (FAILED), Education Students' Society (PASSED), Organization for Arts and Interdisciplinary Studies (PASSED).

The committee also drafted the Student Events Initiative Referendum Question to renovate the Myer Horowitz Theatre. This referendum FAILED.

**Full Bylaw Editorial Review**

Bylaw Committee successfully reviewed all nineteen (19) bylaws vetting for syntax, grammar, and general wording improvements.

**Summary of the Term**

Although a similar member-driven approach to legislation was used this year, there were less ideas brought forth by committee members. As such, in my capacity as Chair I took initiative over many of the pieces of legislation.

I have found that completing both readings at Bylaw Committee to be tremendously useful. Not only does this allow the committee to become more familiar with the legislation before it comes to Council but also does it allow for more thorough discussion and buy in from committee members.

<td><strong>CHRISTENSEN/HOWIE MOVE</strong> to approve the first reading of Bill #1 - Elections Forums, on the recommendation of Bylaw Committee, based on the following first principles:**</td>
<td>6/0/0 - CARRIED</td>
</tr>
</tbody>
</table>

**First Principles**

1. Formal regulation of elections forums under Bylaw 2200 is limited to only the Myer Horowitz Forum. There is no regulation of forums under Bylaw 2300.
2. In light of DIE Board ruling 2016-01, additional and clarifying regulations are required, in order for the Chief Returning Officer
(CRO) most effectively perform their job.

3. Bylaw 2200 shall be amended to broaden the rules of forums to extend to all forums organized by the elections office, not just the Myer Horowitz Forum.

4. Bylaw 2300 shall be amended to include rules regarding the conduct of forums under that Bylaw, if applicable.

5. The new regulations shall include, but not be limited to, the following, in addition to those already listed in Bylaw:
   a. No candidate or side, or a volunteer representing their campaign, shall interfere, attempt to stop, limit, or otherwise dissuade a member from asking a question during an elections office organized forum.
   b. The CRO shall prioritize audience questions from members who have not already submitted a question orally or electronically.
   c. The CRO shall be permitted to set a time limit restricting the length of individual questions and answers during forums, at their discretion, so long as these details are provided to the candidates and sides in advance and verbalized at the start of the forum.

6. The legislative structure for Bylaw 2300 will follow the same framework as Bylaw 2200, except not mandating the CRO host a forum.

5) Recommendations for Bylaw Committee 2018/2019
In the coming year it is recommended that the committee follow up on the implementation of Bylaw 600 (Bilingualism). Bylaw 600 mandates all Bylaws are to be available in french by April 30, 2018. I have attempted to encourage this be accomplished but little progress has been made.

Discussion at the final meeting of Bylaw Committee brought up ideas around bringing back paper ballots, which is an idea I personally disagree with as utilization of paper ballots was minimal during the last election in which it happened (2013/2014). Secondly, the committee discussed enhancing the ballots for referendum questions by reducing extraneous ‘legal’ information and having that information available as a link to another page. This would not require a legal change but rather consultation with Jay Ward of Whitematter, who runs the voting software to make referendum questions less onerous with more information being available in a pop-up window or something like that. A final idea brought forward was to change the turnaround time for DFU renewals. Currently, DFUs need to be renewed every 5 years. One idea was to extend the renewal period from 5 years to 7-10 years. In addition, an automatic renewal process would be mandated if a DFU forgot to submit any documents. Again, I disagree with this proposal as I believe the current 5 year renewal process is sufficient as it allows for essentially every undergrad completing a 4-year degree to vote on each fee they are expected to pay at least once. However, I find the automatic renewal requirement if proper documents are not submitted quite appealing.

In the future, I recommend continuing to formalize committees under the new committee structure defined in the Bylaw 100 Schedule B. There are multiple committees within the SU that need to be categorized and inserted within the Bylaw 100 Schedule B.

6) Advice for future
It is recommended the committee have a blueprint for the year, established early on in the term to track accomplishments throughout the year. In addition, Google Drive was an excellent platform to track bylaw changes and amendments, we found this to be exceedingly useful during meetings. Finally, it is recommended that the committee adhere to the requirements outlined in the committee’s standing orders.

Generally, the committee can meet between once a month and twice a month. I recommend meeting twice a month at the start of the summer to establish a timeline, twice a month in
October/November to draft DFU questions, and twice in January for referendum and FAMF question drafting.

Additionally, as Discover Governance is stretched to its maximum it is often important to follow up to ensure changes to standing orders, bylaws, and changes are actually reflected within the SU’s wiki system. As chair, I found this important to ensure things were done in a timely manner.

7) Acknowledgements
Finally, I want to thank Students’ Council for the honor of serving on Bylaw Committee for the last three years and as Chair for the last two. I could not be more proud of the accomplishments of this committee. I’d like to thank the standing and other members for their hard work, long nights, and dedication this year including Councillors Alannah Piasecki, Delane Howie, Nicole Jones, James (Jimmy) Thibaudeau, Sandy Brophy, and Vice President Robyn Paches. It was a distinct pleasure to share Tuesday nights with them for the last 11 months.

In addition, I would also like to thank the previous minute taker Sachitha Kusaladharma and Parikshit (Perry) Mukerjee for their robust, accurate, and prompt minutes for this term. It was greatly appreciated.

Should you have any questions about the committee, please feel free to contact me at any time by e-mail at blchrist@ualberta.ca.

All the best,

Brandon Christensen
