2019-12/3a  Bill 4 - Second Principles

DRAPER: Outlined that Bill 4 concerns splitting Bylaw 2200 into two separate sections governing executive committee and board of governors representative elections and plebiscites and referenda of the Students’ Union, respectively. Emphasised that he is proposing no substantive changes to these bylaws. Determined to send the Committee the Second Principles for approval via email.

2019-12/3b  Bill 5 - Second Principles

2019-12/3c  Bylaw 3000 Schedule Updates

STAT: Outlined that Bylaw 3000 needs to be updated to include new dedicated fee units from the Aboriginal Student Council, Student Legal Services, Engineering Students’ Society and CJSR. Recommended that Bylaw Committee reviews Bylaw 3000 annually as to whether it references all groups receiving dedicated fee unit funds. Determined to bring Second Principles for these updates at the next meeting of Bylaw Committee.

BEASLY/MCKENZIE MOVED to approve Bylaw 3000 First Principles.
CARRIED

2019-12/3d  Bylaw 8100 Schedule Updates

DRAPER: Outlined that the Committee needs to amend Bylaw 8100 to recognise Aboriginal Student Council as a new form of student representative association as. Noted that, currently, SRA’s exist only as faculty or residence associations, neither of which describes the ASC.

STAT: Proposed, in addition, amending Bylaw 8100 to re-list the Michener Park Resident Association as a residence association.

MCKENZIE: Considered that it may be unnecessary to amend the Bylaw to specifically include Aboriginal Student Council as Section 5(1)e provides for their inclusion.
STATT: Noted that, in addition, the Bylaw does not specifically recognise (differentiate between) faculty and resident associations.

DRAPER: Suggested that the Bylaw must address whether Aborginal Student Council is a member of the Council of Residence Associations, Council of Faculty Associations, both, or neither.

STATT: Proposed including the Aborginal Student Council in a few select locations within the Bylaw and providing definition of their organisation. Noted that all student representative organisations the same authority within the Post-Secondary Learning Act. Noted that the Act does not allow for a given constituency to be served by multiple representative associations.

DRAPER: Clarified that Aborginal Student Council and the Aborginal Students’ Association are serving distinct constituencies as the former serves all Indgious students where the latter only the students studying as part of a certain faculty.

STATT: Proposed adding Aborginal Student Council as a new form of student representative association defined under Section 3.

DRAPER: Considered that adding another defined association form may be unnecessary as Aborginal Student Council would fall within the definition of Student Representative Association as per Section 3(e) which includes any association of undergraduate students that represents a definable and enumerable constituency, to which Students’ Council exclusively delegates its representative authority;

STATT: Suggested that Aborginal Student Council would prefer its own association definition.

MCKENZIE: Proposed defining ASC as an ethnic or cultural association. Suggested setting the association’s membership to those students who declared the Aboriginal status via First People’s House.

BEASLEY: Considered establishing a new Section 3 association category for underrepresented groups.

MCKENZIE: Expressed concern that this categorisation would be overbroad.

BEASLEY: Suggested that this is unproblematic as Council can review and define associations on a case-by-case basis. Considered establishing a new Section 3 association category for political communities.

MCKENZIE: Proposed soliciting ideas from Council as a whole for how best to establish a new Section 3 association category for Aboriginal Student Council.

STATT: Expressed concern that the term ‘ethic’ has negative connotations.
BEASLEY: Proposed requesting Aboriginal Student Council propose their own Section 3 association category.

DRAPER: Expressed concern at creating an association category particular to Aboriginal Student Council as it should apply to more than one group. Noted, however, that ASC should be consulted.

BEASLEY: Suggested that the ‘political community’ association category better applies because ‘ethnic’ would not apply to international or queer students.

MCKENZIE: Proposed defining the ‘political community’ association category as ‘an association of students based on involvement in a political community that is recognised as such under this bylaw.’

BEASLEY: Emphasised that the Bylaw should make clear that this association category does not cover partisan groups.

DRAPER: Expressed concern that this association category may homogenise different political communities.

STATT: Proposed creating a ‘demographic community’ or ‘demographic peoples’ association category.

DRAPER/MCKENZIE MOVED to table 2019-12/3d and 2019-12/3e to the next meeting.
