   c. In the event the C.R.O. is incapacitated and can not complete the duties of the office, C.A.C. shall assign those duties to another member of the elections staff in the interim.

3. Duties of the elections staff to be found in Bylaw include but are not limited to;
   a. conducting the balloting process; and
   b. conducting the elections; and
   c. the advertisement of elections; and
   d. submitting to the Speaker, as soon as practically possible, a report containing the results of any election of members to Students’ Council; and

Bylaw 100

12 Standing Committee Membership

1. Change the name of the Translation Committee to **French Equity Committee**.
   a. This allows the committee to take a holistic care of matters regarding the French community. As the committee stands now it is objectively not as useful for the French student community as it could be. This change would allow for more French representation.
   b. The Committee will do more work for French Advocacy on North Campus by consulting with Campus Saint Jean and French Groups on Campus, and report back to the council.
   c. Work on making SU advertisements more French friendly through translation and representation.
   d. Translation will still be an important part of the committee
2. The committee shall consist of **7 voting members** instead of 5. **4** of which would be students at large, 2 seats from those 4 seats for students at large would have to be recruited from Campus Saint Jean.
   a. For this type of committee it is important to have representation from students at large as it will increase SU student engagement and bring important and diverse perspectives. It will also avoid being in an echo chamber.
   b. Furthermore, it enhances the translation aspect of the committee.

Bill 7 First Principles

Due to the unforeseen changes caused by CO-VID 19, the nature of student council election campaigns will undoubtedly be different from previous years. The C.R.O has suggested changes that are necessary in order to make sure that we not only attract candidates in this upcoming by-election as well as the general election but also to make sure that the procedure is easy and makes as much sense as possible. Such changes include:

- No list/signatures of nominators
- Replacing the letter of eligibility signed by faculty with an unofficial transcript (from beartracks) *(Need to check if we can actually do this)*
- An online candidates meeting (or maybe in-person as well as online)

The Bylaw committee proposes the creation of an emergency bylaw which shall temporarily override bylaw 2300 and shall include a clause enabling the extension of this emergency bylaw in the event that return to the current procedure is not recommended.
