2015-06/4 DISCUSSION

2015-06/4a Council Street Team at WoW

KWAN had a meeting last week and suggested having street team at different location during WoW to have one-on-one discussion with
constituents. She would like to listen to the committee's opinion.

FLAMAN asked what would happen to some of the faculties that do not have a specific area on campus and suggested bigger faculties to split up while smaller faculties can combine together. KWAN agreed and suggested some content of discussion.

ADEMAJ suggested mixing up the councilors as there will be a lot of 1st year students. HANWELL agreed and he also reminded the committee that by-election is coming up so it is a good time to promote.

DEJONG and RAHAMAN supported the idea of engaging students at WoW as many of the councilors stressed to engage with students in their platform. BONDARCHUK agreed and suggested making it a requirement for councilors to participate.

ADEMAJ asked about the sign up process. KWAN answered that it is still in preliminary stage but it will be discussed later.

KWAN will bring the feedback to Execs and discuss. She will also check up on WoW for timeline. As for the content, it is up to the Council for decision.

2015-06/4b Councilor Birthday Cards

KWAN talked with Marketing and Communication officers and came up with this idea of appreciation. She worked out the timeline and is waiting for the design of the birthday card. She asked for opinion from the committee.

ADEMAJ asked about the progress of SU's new logo design. KWAN informed the committee that KHINDA will discuss it with Council and solicit its feedback next Council meeting.

The committee supported this idea.

2015-06/4c Students' Council Survey

BONDARCHUK explained that this survey will be given to councilors.
HANWELL thought it is a good idea to review Council’s goals and put them into perspective. RAHMAN agreed and spotted an error.

BONDARCHUK liked this idea and suggested translating it into Google form.

FLAMAN suggested adding a textbox for any comments. He also asked if the survey will be anonymous. And RAHMAN added that questions about faculty association might be problematic as they might reveal councilor’s identity if there is only a small number of councilors.

The committee agreed to have this completed in Summer.

2015-06/4d

Town Halls

ADEMAJ pointed out that a lot of councilors think that student engagement is their priority and some suggested having town hall with constituents. The purpose is to let students know they have representatives.

He suggested having the town hall once a year in September as it is a great time when students do not need to worry about their study and have more free time. He planned to use leftover from CAC fund for refreshment to attract students to attend. With faculties of larger student population, he planned to have individual town hall with these faculties. As for smaller faculties, he planned to combine them into one town hall. He asked for the opinion from the committee.

HANWELL thinks it is a good idea and agreed to ADEMAJ’s suggestion of how to organize the town hall. But he concerned that not many students will show up. ADEMAJ do not worry about the attendance of these town halls as the point is to engage students with an interest in governance.

KWAN asked about the date of the town halls. ADEMAJ suggested that the first two weeks would be ideal as students are more engaged with the university.

BONDARCHUK likes the idea and stated that there will be funding available for organizing these town halls. And he asked about the budget. ADEMAJ estimated having 5 town halls in September.
BONDARCHUK suggested pizza as cheaper option for refreshment.

FLAMAN agreed to the time, and suggested having one town hall first to see the turnout. KWAN concerned the turnout might be low as it will compete with all student groups which usually have their meeting in the first week of September.

BONDARCHUK suggested having the town hall together with Faculty Associations. ADEMAJ agreed. BONDARCHUK asked RAHMAN about this probability. RAHMAN answered that LSA will definitely have town hall, while other FAs will most likely to have their Annual General Meetings. He suggested communicating with the FAs to take some time in AGM for town halls. ADEMAJ agreed to this suggestion. BONDARCHUK also agreed and suggested co-hosting the event for smaller budget.

ADEMAJ will talk to FAs about the budget and venue of town halls. BONDARCHUK suggested bringing it to different committee to discuss first.

ADEMAJ also asked for opinion on merging several smaller faculties with similar needs into one big town hall. KWAN concerned that some of the faculties still do not have representatives, so students could not ask them questions. FLAMAN pointed out that the town halls should include unrepresented students.

BONDARCHUK recommended ADEMAJ drawing up something to lay out the details and bring it back to CAC for further discussion.

**2015-06/4e**

Radio Show

FLAMAN mentioned that CJSR had an idea for students to call in during the show. They can also have weekly guest. The purpose is to get students interested.

HANWELL stated that if CJSR is interested he can join in the discussion. He revealed that he is planning a video podcast of all of the Execs.

BONDARCHUK concerned about the cost of airtime as it can be expensive. FLAMAN can look into it, but he did not think cost will be associated. KWAN suggested comparing the cost of past production to figure out the estimate cost of this show.
ADMAJ asked about the content of podcast. HANWELL answered that it will be about the strategy of reaching out to students and commented that it is a lot of work in creating the content, so it is not likely to be a 40-minute podcast. He also pointed out that CJSR might be looking for more commitment, and the airtime might not be very good as well.

FLAMAN will look into it and come back to the committee with more background.
