MINUTES (CAC-2019-02)

2019-02/1 INTRODUCTION

2019-02/1a Call to Order
BEASLEY: Called the meeting to order at 5:05pm.

2019-02/1b Approval of Agenda
BOSE/HADDOUCHE MOVED to approve the agenda.
7/0/0 - CARRIED

2019-02/1c Approval of Minutes
HADDOUCE/BOSE MOVED to approve the minutes of CAC-2019-01-M.
6/0/1 - CARRIED
Bhatnagar abstains.
BHATNAGAR: Suggested that the current UofA Students’ Council FaceBook Page is poorly run. Proposed identifying a member of the Committee to summarize the Council meeting or order paper and send it to the UASU social media team for publication. Clarified that the social media managers will not create Council content. Considered that all councillors could use the communal Council page in future. Expressed concern that, in past, UASU dollars were used to drive followership on members’ personal pages.

SUNDAY: Noted that Section 31 Annex 7 of the Students’ Council includes a Social Media Policy that provides for the selection of a Committee member as a social media administrator.

BOSE: Expressed concern that students often cannot differentiate between the Students’ Union and faculty associations.

BHATNAGAR: Proposed profiling councillors on social media to improve student engagement. Confirmed that councillors can get free photos from SUBphoto.

BOSE: Proposed streaming the Council meetings via Facebook Live in order to improve engagement.

VARGAS ALBA: Noted that meetings have been streamed on Facebook Live in past.

BHATNAGAR: Indicated that the University of Prince Edward Island Student Union uses an excellent streaming platform and has a graphic that comes up when their Council is in camera.

SUNDAY: Suggested that Council stopped using Facebook Live due to issues with the public commenting. Noted that commenting is permitted on the current Adobe system. Expressed concern that there is no means by which to authenticate the identity of users purporting to be councillors for the purposes of in-camera sessions or attendance.

BOSE: Proposed only enabling Facebook live commenting during question periods.

BHATNAGAR: Clarified that the social media staff people Sarah (who focuses on strategic communications) and Logan (who focuses on engaging communications) are working on consolidating UASU pages.

SUNDAY: Clarified that there is an absent CAC social media secondary administrator.
HADDOUCHE: Determined to act as the social media coordinator on behalf of the Committee.

2019-02/2b  By-Elections

2019-02/2c  Reusable Dish Program

BEASLEY: Clarified that Council is not using the Program at present as councillors were not washing their dishes, a requirement of the Program.

SUNDAY: Volunteered to transport and clean the dishes for each meeting.

BHANDAR: Determined to investigate whether the catering staff can transport the reusable dishes when they bring the food.

VARGAS ALBA: Expressed concern at using the catering staff to transport the dishes as other users of the Program do not have this privilege.

BHANDAR: Suggested that the staff are already transporting the food from SUB to the meeting room and, therefore, it would be simple for them to bring the plates.

BEASLEY: Noted that the Committee could use spreadsheets, group chat notices, or sign-up sheets to assign responsibility for transporting and handling the dishes. Determined to invite the Program to present to Council.

BHANDAR: Requested that this presentation include information concerning how to encourage faculty associations to use the Program.

BOSE: Suggested engaging the emerging Sustainability Committee in using the reusable dishes. Suggested that each member should be responsible for cleaning their dishes.

2019-02/2d  Council Jackets

BEASLEY: Inquired into whether councillors identified sustainable or local manufactures from whom to purchase the jackets.

BOSE: Inquired into whether there will be funds set aside for purchasing jackets for those members of Council that will be elected in the forthcoming by-elections.

BEASLEY: Responded that funds may or may not be set aside depending upon the cost of the items that the Committee selects.

BHANDAR: Expressed concern that councillors, in past, did not claim their jackets. Noted that about six jackets were left unclaimed in the 2018-2019 session.

HADDOUCHE: Suggested that members elected in by-elections need not have jackets
ordered for them as the events at which councillors are supposed to wear their jackets will have passed by the end of the by-elections.

BHATNAGAR: Proposed requiring councillors to submit a deposit in order to get a jacket in order to incentivise pickups. Emphasised that the jackets should inspire pride. Expressed concern that councillors do not understand the intent of the jackets.

BOSE: Expressed concern at the quality of the jackets of the 2018-2019 session.

SUNDAY: Proposed asking councillors as a whole whether they would like to have a deposit. Suggested that the jacket deposit could serve similarly to the room-key deposit.

BHATNAGAR: Noted that she ordered nice cardigan sweaters recently. Proposed bringing a different catalog to the Committee. Inquired into whether the issue with the StormTech jackets was cost.

BEASLEY: Responded that the budget for this session is $2000 and that, last term, the Committee went over budget in spending $2400.

BHATNAGAR: Proposed ordering generic jackets, without the embroidery, in advance for councillors being elected in by-elections. Proposed connecting with Elizabeth Taylor to investigate alternative clothing options.

BEASLEY: Determined to contact Taylor.

2019-02/2e Priorities List

SUNDAY: Proposed creating a Council conflict resolution procedure.

HADDOUCHE: Suggested that the Committee of last session believed that the Speaker was the most appropriate individual to mediate conflicts.

SUNDAY: Proposed investigating the composition of Council seats, such as adding one seat for an international student among other options.

HADDOUCHE: Determined to contact the Marketing Department to investigate what plans exist for the promotion of Council at TAWOW.

BEASLEY: Determined to investigate what promotional materials, such as brochures, are available to the Committee.
