MINUTES (CAC-2019-12)

2019-12/1  INTRODUCTION

2019-12/1a Call to Order

BEASLEY: Called the meeting to order at 5:04pm.
2019-12/1b  Approval of Agenda  
**STATT/BLONDIN MOVED** to approve the agenda.  
**CARRIED**

2019-12/1c  Approval of Minutes

2019-12/1d  Chair’s Business

BEASLEY: Noted that, following a resignation, the Committee will seek nominations for councillors to join its membership as a permanent member. Confirmed that Administrative Services will provide a quote to the Committee for the cost of having coffee at Council meetings and hiring a knowledge keeper for the Augustana meeting. Determined to source a quote for the costs of buying new jackets.

2019-12/2  QUESTION/DISCUSSION PERIOD

2019-12/2d  Presentation from Administrative Services

STOIK: Outlined that she handles central administration for the Students’ Union as well as for the administration of Council. Clarified that Discover Governance is no longer responsible for the administration of Council. Inquired into whether the Committee has questions.

BHATNAGAR: Inquired as to what questions councillors should send to Administrative Services as opposed to Discover Governance, such as connecting with a faculty association or adding an item to the agenda.

STOIK: Responded that Administrative Services handles tasks such as adding an item to an agenda whereas Discover Governance will provide Council support in regards to student representative associations.

HADDOUCHE: Inquired into who councillors would contact for audit-related requests.

STOIK: Responded that councillors should contact Manpreet with Administrative Services who will then liaise with Discover Governance to bring a resolution to the councillor’s inquiry.

BOSE: Inquired into when councillors will regain access to their office.

STOIK: Responded that the office locking mechanism is in the process of being fixed. Determined to notify Council when the issue has been resolved and they can access the office.

BHATNAGAR: Inquired into whether, if a councillor is unsure who to contact, they can email Stoik who will deal with the matter or pass it onto the proper authority.

STOIK: Responded in the affirmative.
VARGAS ALBA: Inquired into whether Stoik now handles the administration of Council in addition to Students’ Union executive support.

STOIK: Responded in the affirmative.

**2019-12/2b** Discuss allocating funding to the ARRC Recommendations Rollout

STATT: Proposed using $700 from the Committee external outreach budget in order to reduce the deficit run in the process of hosting the Aboriginal Relations & Reconciliation Committee Recommendations Launch.

HADDOUCHE: Inquired into where the Committee will source funds if, in future, there is an external outreach opportunity but its budget line is dissipated.

STATT: Responded that there are other budget lines which can be utilized in circumstances as outlined by Haddouche. Considered increasing the CAC budget in future.

BEASLEY: Proposed saving some of the Committee’s budget for providing an honorarium to the knowledge keeper attending the Augustana meeting.

BHATNAGAR: Proposed, alternatively, taking the full $700 and using ARRC’s budget for this honorarium.

STATT: Noted that ARRC has a reasonably large budget, the large majority of which is currently undedicated.

VARGAS ALBA: Expressed concern at using the ARRC budget for settler learning. Expressed concern that this use of funds would create a bad precedent.

BHATNAGAR: Clarified that the precedent was already set as there was another occasion on which ARRC funds were used to provide an honorarium.

SUNDAY: Noted that, in addition to the honorarium, tobacco must be purchased.

VARGAS ALBA: Noted that Vice Presidente Statt presented the ARRC group responsible for planning the launch of the Recommendations with a budget of $500. Inquired into whether there was planning as to from where these funds would be sourced.

STATT: Responded that it was his intention to draw the funds from either CAC and ARRC.

**BEASLEY/STATT MOVED** to allocate $425 of CAC budget to ARRC Recommendations Launch.

CARRIED

**2019-12/2c** Discuss Meeting Locations
2019-12/3  COMITTTEE BUSINESS

2019-12/3a Presentation from the CRO on the Byelection Report.
See CAC-2019-12.01.

THIBAUDEAU: Expressed concern that only five members of Students’ Council and
three members of General Faculties Council were elected in the by-elections. Proposed
that (a) increasing the budget of the Marketing Department, (b) increasing the pay for
the Chief Returning Officer (CRO) and their Deputy Returning Officers (DRO), (c)
re-assigning the responsibilities of the CRO to a paid staff, (d) improving transitions
between CRO’s, and (e) having the Committee reach out to the CRO prior to the
by-election.

DIXON: Inquired into why Thibaudeau did not use an online poster creation software
instead of typing and distributing the poster as a plain-text word document. Expressed
concern that, despite a conversation in which Councillor Beasley cautioned Thibaudeau
as to the quality of the posters, there was a subsequent release of a job posting done
in the same style.

THIBAUDEAU: Responded that he made the job posting advertisement under time
pressure when, after four months, there were no applicants to the DRO position.

SUNDAY: Concurred with Thibaudeau’s proposal as the marketing department was
perpetually busy.

HADDOUCHE: Inquired into why Thibaudeau proposes that the Committee connect
with the CRO as opposed to vice versa.

THIBAUDEAU: Agreed that the CRO could connect with CAC.

BHATNAGAR: Clarified that the Marketing Department has sufficient funding but that
there was staff who were on medical leave. Noted that the Committee is exploring
restructuring the reporting relationship between the CRO and Students’ Union.
Confirmed that the Committee will review Thibaudeau’s proposals and, where
reasonable, implement them. Expressed concern that Thibaudeau is creating a blame
culture in singling out the Marketing Department for the quality of the by-election
advertising.

THIBAUDEAU: Clarified that the Marketing Department has the technical expertise to
carry out the work he needed but that they did not have the manpower required.

THIBAUDEAU: Noted that he accepted the CRO job without another job but he later
started to work full time.

VARGAS ALBA: Emphasised that Thibaudeau’s Recommendations should be fully
considered and implemented. Inquired into whether Thibaudeau had discussions with
other SU staff apart from his marketing inquiries.
THIBAUDEAU: Responded in the affirmative.

BEASLEY: Inquired into whether Thibaudeau has suggestions as to how the Committee could restructure the Council-CRO reporting relationship.

THIBAUDEAU: Responded that the CRO should have regular meetings with Council Administration Committee, Bylaw Committee, and the President.

VARGAS ALBA: Suggested that CAC should connect with the CRO as it is the role of the employer to direct the employee.
