5. REVIEW OF ACTION ITEMS

6. OLD BUSINESS
   Speaker Contract
   FERGUSON The legality of the clause is there, and the amount can be changed.
   LIANG I’m uncertain of the legality. The report may take the length of one meeting to write, but it goes over the entire year. I guess it’s whether the
committee feels a report of that nature is worth it.

*BELLINGER* If it’s worth the money to make sure the Speaker works well next year, then the amount of money is very worth it to the Students’ Union. It’s not as if we’re withholding a lot of money. This is a part time job.

*WOODS* I think $250’s a bit steep; we only really need to withhold one paycheck.

*FERGUSON* We may have to take a vote on this; the committee’s a bit divided.

*ZHAO* We mentioned that it’s not really for the money that their doing this job. They will likely do a good job anyways.

*BELLINGER* That report sounds like it’s well worth $250 for Council. If it ensures a good transition, I’d be glad to spend it on a clear transition.

*LIANG* It’s not an additional amount that they’re getting, pay is getting held back.

*BELLINGER* Oh, nevermind, I thought it was in addition. Then it’s definitely too much.

*FERGUSON* Should we reduce the amount to the sum of one meeting or keep it the same?

All: Reduce

*FERGUSON* I’ll let Val know then.

**Council Standing Orders, Appendix 5**

*FERGUSON* I’ll let Adam introduce this one.

*ZHAO* So essentially this is from the resulting section 6 of Bylaw 100 that passed a few months ago. A petition is required by that bylaw, and we ant to have a solid form that people have to follow. I sent the proposed document to Kim and she came up with this Appendix.

*BELLINGER* It makes sense for all the reasons as explained. It makes great reference and a helpful way to outline what physically needs to happen. This is a good thing to have in standing orders.

*FERGUSON* I’ve referenced section 6 because Bylaw trumps standing orders. CAC needs to make sure this is up to date.

*LIANG* I’m in agreement, however I’d like to change section four I don’t believe we need “the submitted petition”.

*FERGUSON* Let’s also scrap the second mention of petition in section 4.

*LIANG* I want to change section three, “the following preamble”. There’s probably a legal term for this.

*FERGUSON* This is the legal term. It’s how you amble along.

---

*BELLINGER* moves to approve the Appendix as amended.

*The motion was seconded by WOODS.*

Vote on Motion 6/0/0

CARRIED.
7. NEW BUSINESS

Appointment to CRO Selection Panel

FERGUSON I’ve put the selection panel together. There is no legislation saying who puts it together, but I’ve taken it into my hands. Previous Bylaw committees wanted CAC to be involved in CRO hiring. There is other legislation about this, and they kind of parallel each other without canceling each other out. We can pursue two options. We either have someone who can go to all the interviews sit on the selection panel (non voting), and report back to CAC with agreement or not. The other option is we request the CRO selection panel come talk to us. I am unable to attend all the interviews. We will ask they will send a designate as no one can make the meetings.

WOODS moves to instruct the chair of CAC to request a member of the Chief Returning Officer selection committee attend a CAC meeting to update the committee on the hiring process.

The motion was seconded by BELLINGER.
