5. REVIEW OF ACTION ITEMS
   The committee is collaborating on an Elections Survey. The development of this project is on-going.

6. OLD BUSINESS
   Many friendly amendments were made to the Survey using Google Docs.
   Dawson raised the question of intent for a gender-identification question. It was ultimately changed from “I am female (Y/N)” to “My gender is ______”
The section soliciting respondent demographic information was moved from the beginning to the end of the survey.

Dawson, Marina, and Chloe agreed that keeping one section of the survey about Executive elections and one section about General elections is the way to go.

Chloe suggested inviting CRO Shane Crawford to the next meeting(s) of ERC because he is a non-voting member and his input would be valuable.

Chloe suggested presenting the Survey to Students’ Council. Marina and Dawson suggested ERC revise it some more before making a presentation in order to allow the rest of the members of ERC to get primary input. Chloe agreed this was wise.
