   c. ECOS AD
   
   HUDEMA/SHARMA MOVED that the Executive Committee approve Operating policy 9.26 relating to ECOS AD

   IRB has recommended that all AD positions be removed from bylaw and put into policy. It is essential that ECOS has an AD, this is not an extreme expense

   RAE: this year has been spent establishing base operations in preparation for the coming year. Large projects are up coming as well as a growing volunteer base that needs to be managed.

   COFFIN: the cost of the AD position is $7638.00 for one year. After proposed changes go through in the services area there will be saving in student groups area that could be put toward this position resulting in a net expense of $3060.00. This position can be utilized in the ECOS office, would prefer to not make the decision to hire AD and then have FAB decide differently.

   B.SMITH: believe that when this service was introduced last fall the plan was for it to be lightly staffed for the first few years. The coming few years will be very tight budget wise. Why not put this position through as an additional request for next years budget?

   BRECHTEL: this is a valuable position but it needs to come as part of the budget process. Now is the wrong time to do this.

   ROSS: Bill is right regarding the preliminary budget, would like to hear Steve Smith’s comments on this.

   ROSS/HUDEMA MOVED TO postpone to the next meeting

   VOTE ON MOTION 3/1 BRECHTEL/0 CARRIED
d. CCSA

BRECHTEL/SHARMA MOVED THAT the Executive Committee approve a budgeted expense not to exceed $2469.00 for the General Manager to attend the CCSA/AMICCUS-C Conference

SHARMA: have reviewed the expense, wondering about the ability to stay at a cheaper hotel.
B.SMITH: this is the conference hotel, it is important to stay there
ROSS: it is important that tenure track people attend these conferences. It is essential that Bill attend to get a feel for trends etc.
HUDEMA: have problems with the way the conference has been organized, specifically the way the location for this year’s conference was “rigged”

Discussion ensued regarding the “rigged “ term.

B.SMITH: AMICCUS-C is a great conference the networking opportunities are very important and very useful
HUDEMA: networking is not important (my opinion), would like more information on the sessions.
B.SMITH: HUDEMA had the opportunity to see AMICCUS-C last year but chose not to attend. Due diligence has been done on costs.

HUDEMA/SHARMA MOVED TO postpone to the next meeting
