8. Discussion Period
a. RALLY
MORIN: have received an email from the VP External at King College regarding a rally for Omar Khadar. I don’t believe that the SU should be supporting this, how does the rest of the exec. feel?
Executive Committee do not feel this is something that they should be supporting either. Morin will contact the VP External to let her know.

b. French Language Campaigns

BRAGA: would like to see a protocol regarding French language in our advocacy campaigns and on a small number of posters. It would be best if there were built in mechanisms that would allow this to happen automatically.

EASTHAM: we would need someone who is able to do the translating

DOLLANSKY: there are three possible solutions: ensue that we hire someone bilingual

Contract with a student at the FAQ to translate for us

Use and external translator

The issue seems to be the time line in getting information out.

BRAGA: I understand that Advocacy is responsible for getting the information to Marketing.

DOLLANSKY: we need to document any challenges that we are having.

c. Services Breakfast

FLATH: Please be on time, the meeting will begin at 7:15 am and end at 7:50 am. There will be no icebreakers, updates will be given.

d. Fees Oversight Board

e. Bearscat

BRAGA: the University saw the council forum in the Gateway; they requested a link to that article. Instead the SU will give the University a statement that can be linked to the University website.

f. CPAC
