- Once you’ve used your credit card, write on the receipt what is was spent on and put in your appropriate folder outside of Robyn’s office
- For food receipts need both receipts
- Missing credit card receipt form outside of Robyn’s office if needed for expenses

9.3 SURO MEETINGS

Points of Discussion:
- When is everybody interested in having a meeting between the two parties? Is December too late?
- How often should we have these group meetings?
- **Action item**: Khinda email back seeing how the start of the year is for them for a meeting

9.4 SPONSORSHIP REQUEST FROM THE CANADIAN INTERN ASSOCIATION

Points of Discussion:
- They are a non-profit who advocates against the exploitation of interns
- Khinda not sure exactly what they want from us so going to call them back after discussing it
- Have they reached out to CASA already?
- It’s a very vague email so try to find out more from them what exactly they are looking for (**action item**: Khinda follow up)

9.5 ESS PLANS

Points of Discussion:
- Rahman spoke with Rebecca about this about different plans of attack
- One is a Geer Week, having Geer Week sponsored by a different FA, have different engineering departments run it, or just do it anyways
- Would be interested in discussing this with Marc in the room
- ESS still wants to be able to do events
- We could appeal to the Provost but are we interested in appealing one more time? Already have appealed twice
- Haven’t had much interaction yet with the new provost and could set a bad tone.
9.6 SAFE SPACES/WASHROOM COMMITTEE CREATION

Points of Discussion:
- The scope has changed a little
- Committee has sort of been created outside of the SU now
- Try to bring the Landing as well and maybe a councilor

9.7 HIRING FEDERAL GOTV CAMPUS CAMPAIGN MANAGER

Points of Discussion:
- Coming back from CASA conference, has been suggested to have a manager for GOTV for the federal election
- Dylan’s role with CASA gives him a more of a national focus during this time, having someone else would help
- Be a volunteer over the summer, election workshop August 10-12 in Ottawa. Campaign manager would go to this to get trained.
- Come September they would come on as staff until October 19th
- For money, not sure how to do it. Hanwell could use it as one of his PAs

- Would be okay with doing that on a Saturday
- Make sure it’s a good space for conversation

9.12 COUNCILOR ATTENDANCE

Points of Discussion:
- As a start for the idea of better transparency/accountability
- CAC would be interested on having a tab on the webpage where the attendance PDF is available instead of just the end of the order papers
- This would be more for students not just councilors. It is a symbolic step towards working on the problem of councilor attendance
- There isn’t much harm to it for a councilor and it does have strengths
