We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students’ Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge and work towards the decolonization of Indigenous knowledges and traditions.

RAITZ: Determined to support Thibaudeau on the Food Policy.

BOURGEOIS: Requested that the Committee review the amendments to the Internationalization Policy. Combined Facts 1 and 2. Proposed removing Fact 4 due to the ambiguity of the term “enhanced campus experience”.

BHATNAGAR: Proposed amending the phrase to read a “well-rounded Campus experience”.

RAITZ: Suggested that the Fact does not have sufficient grounds on which to stand.

PALMER: Inquired into whether there is another provision concerning the retention of international students in Canada.

BOURGEOIS: Responded that there is another provision concerning permanent residency. Noted that there was no data with which to support Fact 4.

THIBAUDEAU: Established that the International Students Association supported the change because a low language proficiency negatively impacts an international students’ quality of education.

LEY: Advised investigating disciplinary hearings to ascertain whether there is a difference in outcomes when comparing international and domestic students.
