We would like to respectfully acknowledge that our University and our Students’ Union are located on Treaty 6 Territory. We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students’ Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge and work towards the decolonization of Indigenous knowledges and traditions.

LARSEN: Noted that no meeting occurred for the Public Transit Policy. Determined to meet in the next week.

AGARWAL: Noted that no meeting occurred for the Scholarships and Bursaries Policy. Determined to meet in the next week. Considered that the first reading could occur July 15 and the scale of revision is medium.

LARSEN: Noted that no meeting occurred for the Sexual Violence Policy. Determined to meet in the next week.

SAYED: Outlined that the Student Spaces Policy has a low scale of revision. Determined to meet soon to determine the timeline and scale of revision. Determined to look into a new building strategy that is being considered at GFC.

VARGAS ALBA: Noted that there has been no progress on the Tuition Policy. Emphasised that the policy teams should have met and prepared timelines of review, scales of revision, and scales of engagement for their respective renewals for the next meeting.

2019-02/2b Reconciliation Policy

VARGAS ALBA: Outlined the the Policy is complete and ready for presentation at Council. Clarified that the Policy was expanded in the last session as it was narrow and connected only with the Truth and Reconciliation Commission. Determined to bring it Policy to Council June 18 if there are no changes.

MARINAKIS: Inquired into whether the members should make comments on the
VARGAS ALBA: Responded in the affirmative.

VARGAS ALBA: Responded that there are links on the Policy website page. Determined to bring a general guide on policy creation and have a discussion on uniform framing in policy. Determined to check whether there would be too much overlap between the information presented at GovCamp and information presented as part of a potential presentation on policy making to the Committee.

TSE: Expressed concern at the ordering of facts within policy.

VARGAS ALBA: Responded that facts are listed in an increasing order of specify in policy. Noted that policy must remain general to provide for flexibility.

AGARWAL: Emphasised that policies do not need to be long.

VARGAS ALBA: Clarified that there is no rush for the approval of this Policy and that members should propose any relevant changes.

AGARWAL: Inquired into the Committee will also hear updates on the new, developing policies.

VARGAS ALBA: Responded that the Committee will not begin working on new policies until after it completes those requiring renewal.
