2021-12/3a Policy Updates
  EDI Policy
  DHILLON: The policy is done, just needs to be submitted to next meeting’s agenda.

  Internationalization Policy
  YEOLA: Received feedback to include student responses. Feedback also noted that the policy name should be changed from Internationalization Policy to International Student Policy.

  FOTANG: The policy is focused more on international students than internationalization (which encompasses subject matter beyond tuition increases and international student experiences), which was the determination for the official name change.

  The policy outlines problems that international students face such as: food security, government aid and culture shock. While the policy previously stated that international students did not have access to as many scholarships or funding options as domestic students, this was found to be false. International students have more scholarship opportunities than domestic students but have less access to renewable scholarships and government funding.
Further notes that the policy outlines how national tuition averages are much higher amongst international students.

YEOLA: Included information about work options for international students—being limited to 20hrs a week during the academic year.

AAMER: Suggests that the policy be reviewed more before approving it.

COMMITTEE: AGREES

**Campus Policing Policy**

DIXON: Had a meeting last week with UAPS that did not provide much information. Once UAPS provides the relevant information, then the policy can move forward.

**Remaining Policy Assignments**

MOTOSKA: Will send out an email to confirm new policies that have been assigned.

MOTOSKA: All groups must meet up and figure out a working schedule before the next policy meeting, divvying up roles as needed. As well, determine a
timeline for the completion of their policies before the first meeting after the winter break. All groups should have a group chat also. Every group should have an update for the next policy meeting.

MONTEIRO: If anybody wants to do consultation for these policies, let me or Courtney know.
