We would like to respectfully acknowledge that our University and our Students' Union are located on Treaty 6 Territory. We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students' Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge and work towards the decolonization of Indigenous knowledges and traditions.

Motion

Draper moves on behalf of the UASU nominating committee to ratify the selection of Megan Ciocchetto and Liam Pearce to fill the vacant Undergraduate ALES representative positions on the General Faculties Council for a term ending on May 1st.

Abstract

This motion is the final instalment of off-cycle GFC appointments for the 2020/21 academic year. With the appointment of these two individuals to the General Faculties Council we will officially be setting a record unmatched in university history for student engagement with GFC. A record which most likely will not be beaten unless the PSLA is changed to increase the number of student representatives on GFC.

Biographies for Megan Ciocchetto and Liam ...

Megan Ciocchetto

Megan is a fifth year Conservation Biology student who is deeply involved in their faculty. She has acted as the ALES Communication Apprentice and has spent four years volunteering for the Week of Welcome. With her storied history in ALES Megan has come to see that many people outside of their faculty may not understand the unique culture and importance of ALES. Worried that ALES may be overshadowed by other voices in the new college structure Megan wants to spend her last semester at the University of Alberta fighting for students in the faculty she has dedicated so much time and love to throughout their degree.

The UASU Nominating Committee has selected Megan Ciocchetto to fill one of the two vacant ALES GFC positions, pending UASU Student Council ratification.

Liam Pearce

Liam is in his fourth and final year of a Dietetics Specialization in the Faculty of ALES. Passionate to help those around him, Liam has been involved across the University and the Edmonton communities. With extensive volunteer experience in various aspects of campus life Liam brings a broad understanding of campus life. Liam is also currently on his Practicum, which will allow him to speak to some of the unique experiences of practicum students during the Covid-19 pandemic. Liam sees the opportunity to serve on GFC as an opportunity to bring about institutional policy change to fulsomely help those around him

The UASU Nominating Committee has selected Liam Pearce to fill one of the two vacant ALES GFC positions, pending UASU Student Council ratification.
