ORDER PAPER (SC 2013-01)

2013-01/1  SPEAKER’S BUSINESS

2013-01/1a  Installation Ceremony

I am not here for me.
I am here for the people that lent me their power in exchange for a promise.
I will keep that promise to make decisions with their interest in mind.
I will vote after knowing the facts, not before.
I will use Robert’s rules for their purpose, not my own.
I will oppose ideas, not people.
I will think before I speak, not speak just to think.
I will take the job seriously or not take the job at all.
I will represent my students interests, not my own.
I am not here for me.

DIE Board Ruling 2012-2

Style of Cause: Kochikuzhyil v. CAC

Hearing Date: April 8th, 2013

Hearing Number: Ruling # 12 2012/2013

DIE Board Panel Members: Sean Wallace, Chief Tribune

Rena Chen, Tribune

Becky Gormley, Tribune

Background:

[1] This hearing dealt with a complaint regarding an in-camera meeting of the Students’ Union Council Administration Committee. As a confidential matter, this ruling will exclude the specific circumstances and instead be directed at the broad principles implicated in the hearing.

Issues:

[2] Is Bylaw 0100 (19) violated where Students’ Union councillors vote despite having a personal conflict-of-interests?

[3] Is section 3.24 (Code of Ethics) of the Students’ Union Operating Policies violated in similar instances?

[4] What is the appropriate remedy if a violation can be found under either?

Relevant Legislation:

[5] From Bylaw 0100 § 19:

(5) If a councilor has a conflict of interest and votes on a motion in Students’ Council or any one of its standing committees
(a) they will report that immediately to the Speaker of the Association

(b) if unreported, any member of Students’ Council may send a petition to DIE Board within four (4) months or before the conclusion of the session of Students’ Council, whichever is longer. Petitions made are subject to Bylaw 1500.

[6] From Students’ Union Operating Policies § 3.24

(b) Employees are expected in all regards to conduct their duties with impartiality, and are required to disclose to their immediate supervisor any situation involving them that is a conflict or an apparent conflict of interest.

... 

(l) Employees who do not comply with any provisions of this Code of Ethics may be subject to disciplinary action, up to and including dismissal.

Decision:

The Panel was unanimous in their decision

[7] The Panel agrees that in instances where a councillor has a perceived or actual personal conflict-of-interests, there is nothing in Bylaw 0100(19)(5) or elsewhere to suggest that said councillor is compelled to vote or abstain.

[8] This is unlike Bylaw 0100(19)(4), where it is explicitly stated that “[n]o member of Students’ Council shall vote on a motion relating to a student group or organization of which he/she is a member unless that organization is a faculty association.” Stated otherwise, a councillor must abstain on motions relating to student groups of which they are a member, due to a conflict-of-interests.
[9] Without explicit wording in Bylaw 0100(19)(5) compelling a councillor with a conflict-of-interests to abstain, the Panel finds that it is entirely within a councillor’s discretion to vote or abstain in these circumstances, subject to other relevant subsections of Bylaw 0100(19).

[10] The Panel also agrees that section 3.24 of the Students’ Union Operating Policies does not apply to Students’ Union councillors, as they are not employees of the Students’ Union. While councillors should generally be guided by similar principles, in particular, the notions of impartiality and good faith, they are not bound by this particular Code of Ethics. This is especially evident in section (l), as dismissal is not an appropriate remedy for councillors.

[11] The Panel acknowledges that there is no stated remedy if a conflict-of-interests is found. As a result, the confidential issue in question is a moot point, as the potential conflict-of-interests did not relate to a student-group motion, and thus the individual would not be compelled to abstain. The Panel elects not to comment on the professionalism of the Council Administration Committee.

**Recommendations:**

[12] The Panel agrees that the wording of Bylaw 0100(19)(4) is unclear with respect to appropriate courses of action if members of Students’ Council have perceived or actual conflicts-of-interests. Subsection (a) directs a degree of responsibility towards the Speaker, presumably to provide (non-binding & impartial) advice as to the best course of action. Subsection (b) allows for complainants to petition DIE Board to objectively determine whether an individual has a conflict-of-interests. However, with the exception of student-group related conflicts, there is no policy
on an appropriate remedy should a conflict-of-interests in fact exist.

[13] While the DIE Board has broad plenary jurisdiction over these issues, it is best left to Bylaw Committee and Students’ Council to develop appropriate policy regarding the conduct of its members.
Addendum to Memorandum of Agreement and Understanding

PREAMBLE

Whereas the Students’ Union, University of Alberta (SU) is satisfied that studentcare.net/works has met or exceeded all Performance Standards as per section 11.0 of the original agreement, with respect to the overall operations, services to SU members, communications and outreach, and financial management of the SU Health and Dental Plan,

Whereas the SU has asked studentcare.net/works to undertake renovations and move to new premises as part of the SUB Renovation Project in Summer 2013, representing a renewed investment in this partnership,

Whereas studentcare.net/works has proposed to undertake certain projects and improvements which the SU feels would be of value to its members,

Whereas the SU has determined to continue to contract with studentcare.net/works for the provision of consulting and administrative services and management of the plan,

Therefore the following addendum to the original agreement represents any additional understanding and responsibilities of the parties:

B.1. studentcare.net/works will initiate discussions with the appropriate contacts at the University of Alberta to provide compelling arguments which would encourage the University to update the data programming pertaining to the SU Health and Dental Plan fees to accommodate:
   1) Variable Credits
   2) Automatic Fees Assessment and enrolment of eligible students who begin their academic year in Winter Term (January)

   It is understood that the SU will be involved in these discussions as much as necessary, and will have final right of approval of any documentation provided during these discussions. However, studentcare.net/works accepts full responsibility for initiating and managing this process and will absorb any reasonable costs that may be required should this project move forward.

B.2. studentcare.net/works’ professional fees shall remain fixed up to a maximum of $8.45 per participant (as per 2009 Agreement, Schedule B, B1) for the duration of this extended term. In accordance with Schedule B, B2, both parties, acting reasonably and in good faith, agree that the additional fees for Promotion & Awareness and Campus Office Administration should approximately reflect the cost of producing and delivering these services. If these fees do not reasonably and approximately reflect the costs of providing these services, costs may be increased and/or decreased or services decreased and/or decreased in the subsequent policy year by mutual agreement of both parties.

B.3. Schedules will be reviewed and updated with all appropriate changes no later than August 31st, 2013. Any changes shall be for clarification, and will not contradict the terms agreed to in this Addendum.

B.4. This agreement will be in effect until August 31, 2018 if either party provides written notice of intent to terminate to the other party prior to February 1, 2018. If such notice of intent to terminate is not provided, the agreement will automatically renew and will be
effective on its present terms for an additional two years terminating on August 31, 2020. A notice of intent to terminate does not preclude the parties from entering a new agreement on mutually agreed terms to take effect subsequent to the termination of the present agreement. It is understood that renewal of this agreement may be negotiated prior to the termination date.

B.5. At the request of the SU, studentcare.net/works will move into new space in the Student Union Building (SUB) as allocated in the current SUB Renovation Project. This space will be finished with drywall, electrical, flooring and ceiling at the cost of the SU, with design input from studentcare.net/works. It is understood that should studentcare.net/works choose to use sustainable or other materials which may be at a higher than base cost for any components which the SU is required to provide, studentcare.net/works shall pay the difference. studentcare.net/works will absorb all other costs for design, paint, fixtures, lighting and appropriate millwork at a cost estimated at $60,000 to $100,000.

B.5.a. The above detailed space shall be made available by the SU no later than July 1st, 2013 to facilitate finished renovations and a fully functioning Student Health & Dental Plan Office by September 1, 2013. Should this timeline change, the SU guarantees studentcare.net/works the right to remain in their current space through the end of the September Change of Coverage Period.

All other provisions, clauses and appendices of the original agreement (2009-2014) shall remain in force for the duration of this addendum.

Agreed to this ______ day of ________________, 2013.

Hello all,

I feel I must resign from my membership in the Grant Allocation Committee. I am over committed, as it were. I feel that I will not be able to contribute my best work to all of the jobs I want to do this year, and I need to be more selective. Please forgive my rash self-nomination to the GAC at last Council meeting and forward my apologies to the other Council members of GAC.

Yours truly,

Chloe Speakman
Hello Craig,

Please accept this, my resignation from the office of the Chief Returning Officer effective April 30th. It's been a pleasure serving Students' Council.

\textbf{To:} Students’ Council
\textbf{From:} The 2013-2014 Executive Committee
\textbf{Re:} Report to Students’ Council (for May 7\textsuperscript{th}, 2013 Meeting)

Hello Council!

Let me start off by saying that we are beyond excited for Students’ Council this year. Not only do we have a stellar executive team this year but it also seems that got a high caliber of representatives on Council, too. We sincerely hope finals went good for all of you. With that being said, here is a joint-report from the Executive Committee.

\textbf{I. Lister Judicial Review}

The Executive Committee is very proud to announce that after hours of meetings and deliberations we have settled with the University over the Lister judicial review case. Many thanks to last year’s executive team and the SU’s staff for the time and energy put into helping us find a mutually agreed upon resolution with the University. The work that was done last year was extremely challenging and it employed a lot of resources but it all paid off in the end for the benefit of all students.

With that being said, there is much work that needs to be done going forward to meet the requirements of our agreement but I am confident that our team will overcome. Details of the settlement will be shared publically (most likely) on Monday, May 6\textsuperscript{th} on a joint-press release statement with the University. Overall this is a great achievement for both of our parties and the University community moving forward.

\textbf{II. Executive Retreat Transition}

Our term as the 2013-2014 Executive Committee began officially on May 1st. We have a long road ahead of us but I am confident that we will perceive through this monumental and transformative year for post-secondary education in Alberta. Our incoming executive team has been shadowing our outgoing team over the past month and we have all been participating in almost daily transition meetings to ensure that we have a highly competent incoming team that can utilize our outgoing executive’s institutional knowledge. From Monday, April 29\textsuperscript{th} to Sunday, May 5\textsuperscript{th}, we will be going on our annual executive retreat out in the woods.

Well that’s it for now, folks! Once things somewhat settle, we hope to sit down and meet with all of you individually. Not only will this be a good time so we can get to know each other a little bit better, but I’d love to hear some of your own passions, ideas, feedback, and thoughts on ways to move our union forward.

Signing off,
The 2013-2014 Executive Committee

**APIRG Website** - [http://apirg.org/setup/board-introduction-section.html](http://apirg.org/setup/board-introduction-section.html)

The Board of Directors steer and guide APIRG. They have meetings and make decisions on what APIRG funds, what APIRG’s programming theme will be, set our overall budget, make policy, amend our bylaws and manage the 3 staff members. They also have hands on roles known as portfolios and work with specific staff members to set direction or do hands on specified and skilled tasks, such as building the website. They sit on committees and have bi-weekly meetings. Through board meetings, retreats and sub-committees APIRG board members provide the vision, long term planning and policies of APIRG.

For an undergraduate, sitting on the APIRG board is a valuable experience in coordinating projects, consensus decision making, and non-hierarchical leadership. In addition to being a general board member, directors also hold specific portfolios.

Student Legal Services Website - [http://www.slsedmonton.com/about/sls-governance/](http://www.slsedmonton.com/about/sls-governance/)

Our mission is to enable University of Alberta law students to provide free legal information and assistance to the low income community in Edmonton and to contribute to legal reform and legal education efforts as they impact on poverty law issues.

Belief Statement

- We believe that law students can provide legal information and assistance to individuals who otherwise would be unable to obtain assistance with legal problems.

- We believe that law students gain valuable experience by applying their education in assisting individuals with legal problems.

- We believe that law students must not attempt to do legal work that should be done by a lawyer.

---

Student Legal Services is overseen by a twelve member Board of Directors. The majority of the members of the Board are former SLS volunteers who are now practicing lawyers or students-at-law. Four members of the Board are directly elected by SLS volunteers.

The day-to-day operation of SLS is supervised by a student Management Committee, elected annually by and from SLS volunteers. The Management Committee is made up of the following seven positions:

- Executive Coordinator
- Civil Law Project Coordinator
- Family Law Project Coordinator
- Two Criminal Law Project Coordinators
- Legal Education and Reform Project Coordinator
- Pro Bono Students Canada Project Coordinator

Volunteer caseworkers are advised and supervised by our advising lawyers.
Office duties are handled by our Administrator, and our Bookkeeper ensures that our financials are up to date.

**Health Centre Advisory Group**

The Health Centre Advisory Group brings together student stakeholder groups to facilitate communication on the operations and finances of University Wellness Services units, with a focus on the Health Centre.

Fundamentally, HCAG serves as a forum to disclose the budgets and relevant financial information of units supported by the Health Services fee to students. As a Students’ Council representative on HCAG, you will have the opportunity to learn not only about the finances of the university’s health services, but also gain a detailed understanding about ongoing operations and new initiatives. This will allow you to provide feedback from the student perspective on how student fees are used to return value to students.

HCAG meets with a frequency of up to once per month during the fall/winter terms and meets infrequently over the spring/summer.
