2005-09/11  INFORMATION ITEMS
Good Evening Council,

Well, this is it: our last Council meeting for three weeks. The next time we would normally have a Council meeting, many of us will be at the Presidents’ Address in Hawrelak Park, welcoming our brand new SU members for the last time before their classes begin. As the summer draws to a close, take a moment to reflect on what we’ve accomplished thus far, and what we have to look forward to on down the road.

Last Tuesday, with the VPA away from the office and the rest of the Exec on vacation, I was the Acting President for most of the day. Let it be known to Council that this is a rare event that only happens when the VPSL is the only member of the Exec present. It was thrilling, and no disasters occurred, so I consider the operation a success.

**Destination: WOW** —the pieces are quickly falling into place. I approved the final poster proof, and T-shirts/other materials have all been ordered. At our last WOW Planning Committee meeting, we were graced with the presence of 04/05 SAC Tyler Daignault, who inspired us with his words of wisdom. I am investigating proposals from Athletics and ECOS for space in Quad during WOW.

I have been working with ECOS on a few environmentally friendly improvements to Orientation and WOW, including a reusable dish-washing service and special waste collection centres for recycling and composting. There will hopefully be more great plans coming out of this area.

I met with the Sponsorship Coordinator and Transitions Programs Manager to determine a course of action on several different offers for Orientation/WOW. The Labatt prizing order has been the largest project of this nature.

The Revolutionary Speakers Series Committee has continued to meet, receive updates, and deliberate over different possible speakers. It looks like we will have a full roster by the next Council meeting. Different partnership possibilities have been discussed.

The Campus Food Bank Board Retreat was this past Friday. Since my constitutional amendment increased the Board size, we have granted a seat to the University (Dean of Students). The Operating Agreement was signed a few weeks ago. I have been working with the Marketing Department and the CFB to reach an agreement on advertising.

I have put in a guest appearance at several Orientation events, including Crafts Day and possibly Science Camping. Some miscellaneous projects over the last couple weeks included a meeting with Athletics to consider potential cooperative initiatives for the upcoming year, the most interesting meeting so far of the Workplace Health Promotions Advisory Committee, examining the role of volunteers in the SU with

Service Directors, spending some time at CAC, plotting internal advocacy efforts with the VPA and Advocacy Director, approving the final SU Handbook proof, and almost killing my office plant.

This report is two pages because there is a lot I wish to update you on before our three week hiatus. I will endeavor to limit most Council reports to one page for easier reading, as well as getting most of them included in the main agenda package.

The first person who can name for me the artists performing at our WOW Concerts will win a prize from the Office of the Vice President (Student Life). Showing me the tickets that you’ve already bought will guarantee you an even more awesome prize. Since we aren’t meeting for a while, perhaps I’ll get you a sweet deal on tickets. I hope to see you all out at WOW.

Surveys: On Track for the General Survey to be published in the Sept 13th Gateway with the Academic Survey being published later in September.

Information on Upcoming Projects

Textbooks: in our constant battle against textbook prices I am looking to partner with our bookstore and other Students’ Unions around the country to create a just say no to textbooks campaign directed at Professors to make them aware of the cost of textbooks to students and what are cheaper alternatives.

Chairs Presentation: Along with the acting director from University Teaching services, I am planning to present to department chairs about the importance of TA training, and methods to increase the amount of TAs that take training.
