President’s Report

Meeting date: Thursday, March 23, 2006

EXECUTIVE SUMMARY:

There has been a flurry of action in the media around the provincial budget, the PC leadership race, and the ongoing affordability policy. CAUS, the UASU, and our provincial counterparts have continued to push for a long-term tuition policy with a long-term strategy for funding.

SPECIFICS:

- Summer Student Conference

Samantha and I are assisting Bryan Hicks, the President of Brock’s SA, to develop and host a student conference this June at Centennial College in Toronto. Our input has been well received and the conference is shaping up to be much more productive and engaging than last summer’s affair in Vancouver.

- Post-Secondary Panel: West Edmonton Mall

This past Saturday I spoke at a youth conference hosted at Red’s about the excitement and opportunity that a University experience holds. A number of eager youths were quick to ask questions about their chances of being accepted, and about the academic and other supports available to them as university students.

- U-Pass

Our advocacy team met with Grant MacEwan leaders on Monday, 20 March to discuss joint plans for a transit pass. The UASU is pursuing strategies to secure City and University funding for the pass after our $60 mandate expires this spring.

- Liz Ingram: Fine Arts department chair

On Tuesday, 21 March, I met with Liz Ingram to discuss possibilities for displaying undergraduate art works in SUB. She expressed interest in coordinating undergraduate art to be displayed in SUB on a rotating basis. I have to do some leg work to see what the numbers look like, so we’ll see how this unfolds in the future.

- UHC Proposal

Justin, Jason and I have been in discussions with Gord McInroy and Kevin Friese from the University Health Centre over the development of a process to provide Council with
an ongoing understanding of the collection and usage of the Health Services fee and to maximize the quality and capacity of health service for students.

• Academic Plan

Mat Johnson and I continue to work to develop a submission to the Academic Plan. Never a dull moment, Mat and I have 4 hours booked off this upcoming week to sit down and put our heads together.

• Provincial Budget

The budget dropped on Wednesday, 22 March. Some interesting news, though no long-term money directed towards a long-term affordability strategy for students. Science councilors may be elated, or bitter, or somewhere in between about the announcement of a new science building—to replace V-Wing and the Physics building—named the Centennial Centre for Interdisciplinary Science: it won’t be fully completed until 2010.
Horowitz Forum: As some of you may remember, earlier there was been some pressure from some university officials to no longer cancel classes for the Horowitz forum. So the SU has been asked to consider alternatives and come back with a course of action. This was discussed at University Policy Committee and it was decided to reaffirm our commitment to the forum by simulating it not only at Augustana and Sub Stage but in smart classrooms on Riverview campus as well as campus Saint Jean.

Academic Plan Submission PartII: The president and myself are engaged in reviewing our original academic Plan Submission and developing a response for the second call for feedback into the process.

Other then that there is not a whole lot of excitingness going on in the academic portfolio. Working on hiring for positions and transitions with Amanda.
1. There were no motions passed at the March 10, 2006 Executive Meeting.

2. There were no motions passed at the March 14, 2006 Executive Meeting.

3. There were no motions passed at the March 16, 2006 Executive Meeting.

4. The following motions were passed at the March 21, 2006 Executive Meeting:

   VOTE ON MOTION 5/0/0 CARRIED
Audit Committee

Thursday, March 9, 2006

ATTENDANCE: Theresa Chapman
Bryce Kustra
Cam Lewis

CALL TO ORDER: 7:31 pm

NEW BUSINESS:

• Motion by Kustra/Lewis to hire Watson-Aberant as the SU Auditors for the 2005-2006 fiscal year (3-0-0)
  After receiving recommendations from the Students’ Union staff, Audit Committee quickly hired Watson Aberant as the SU Auditor. If only everything was that easy.

• Audit Committee once again discussed the APIRG DFU. We have received their Audit and are awaiting information/assurances on other issues we were concerned with. Since we had received one of our three requests the chair suggested releasing one third of the DFU. Councillor Chapman noted that if we released one third of the DFU there was the potential that Audit Committee to be taken to Die Board for the release of the rest of the funds (a strict interpretation of the bylaw indicates that this is a possibility). What was supposed to be a fun 15 minute meeting had now turned into 45 minutes.

• Motion by Kustra/Lewis to adjourn (3-0-0)

NEXT MEETING: TBA

ADJOURNMENT: 8:18 pm
03 February 2006 @ 15:30 - SUB 306

Present: Amanda Henry, Omer Yusuf, Nancy Jacobsen, Joanna Jagiello, Simina Ionescu-Mocanu, Cameron Elliott, James Montgomery

Attached: 2005/06 SU Award Winners

Meeting begins at 3:24

1. Review of Procedure

HENRY: Hopefully everyone has given a read over the criteria for the awards. We are still missing the criteria for the Subway Award. Also, we have another SALUTE nomination. Is that acceptable to the committee?

(-unanimously accepted).

The Royal Bank Involvement award is only ONE award for $500, not two.
The awards that have a GPA requirement are met for those that are in the binder.
The transcript binder contains all the transcripts and might not be in alphabetical order. We will refer to them as needed.

There were 5 applications that were disqualified right away because some people checked more than three awards. There were also a handful of applications with more than 2 ref letters. We’ll address them when the time comes.

Simina: I have to leave at 7:00 and I’ll be back in 2 or 3 hours.

Henry: How late do we want to go tonight? Seems like we’ll be going late. Do we want to start at 9:00 tomorrow morning?

(unanimously agreed to go until midnight)

Nancy: We should divide into groups to figure out who we like the most, and then debate on them

(unanimously agreed to use this strategy for awards with larger applicant pools, with the exception of the Award for Excellence)

Henry: We can still move them around too.

(unanimously recognized the committee’s right to consider applicants for awards that they did not apply for but were eligible to win)

Also, Omer and I will be non-voting members

(Committee accepts our non-voting status, and are willing to hear our thoughts and opinions until we actually come to a vote).

2. Awards Selection

Do we want to start with a smaller award?
Went in camera at 3:36

Recessed for sleep

February 4, 2006
Award selection process continued at approximately 10:30 am

Out of camera at 12:54pm.

3. Assessment and Wrap-Up

Henry: what can be improved regarding this process? Any general comments about how things went?
- strictly follow the 3 awards ONLY check
- doing the small awards first (so that we can eliminate them from the larger ones)
- doing the ones with overlapping criteria one after another
- starting early on Friday afternoon was great
- Tighten up the descriptions between bylaw (as part of bylaw 4000 reconciliation) and the descriptions given to the public.
- Remove the inclusion of the medal from the SU Award for Excellence description
- More food for the later hours (on Friday night).
- Make it so that future meetings will consist of one 8-hour meeting and another 5 hour meeting, occurring on a Friday and subsequent Saturday
- Its certainly easier getting the 8-hour one done on Friday, if possible.
- MUCH better to have selections early in February (before midterms, elections, reading week).
- Binders were great for early perusing
- Email communication/voting is appropriate for the minutes (and last minute changes that need to occur, like the medal).

Awards ceremony on the 27th of March.

Meeting adjourned at 1:07pm.

Report to Students’ Council (BC 2005-14)

Bylaw Committee met on 12 March 2006 at 14:00. Councillor Lewis, the Chair of Bylaw Committee, called this meeting with less than 72 hours notice but obtained unanimous consent from the voting members on the committee. At 14:10, Councillor Kirkham was elected by the committee to serve as Interim Chair due to the Chair failing to be in attendance.

The committee attempted to begin approving drafts of legislation for several outstanding bills. Unfortunately, due to the delinquency of the Chair, no hard copies of these drafts were available. Furthermore, no draft of any kind was available for Bill 10.

Confusion ensued surrounding the draft for Bill 3 as it was unclear why a second draft had taken place when an initial draft had been submitted to Students’ Council several months earlier. After taking several minutes to track down the particular meeting in which a second reading of Bill 3 had been debated, it was discovered that this bill had been directed back to the committee. However, the principles from first reading that the committee had been provided with remained unchanged.

Additional concerns were raised with respect to how the changes to legislation had been drafted. Councillor Kirkham had requested electronic copies of each of the bylaws in Microsoft Word format. Unfortunately, that request had not been met. Changes to bylaws were drafted by copying sections out of the PDF copies online. The standard practice of striking out content to be removed and underlining new content had not been followed. Furthermore, due to the previous occurrences of outdated bylaws being present online, it was unclear if the latest versions of the bylaws had been used to create the drafts.

The committee ultimately decided to not proceed with the approval of any of its items of business for three reasons. First, it was evident that incorrect or incomplete information from first readings had been provided to the committee. Second, the changes drafted to bylaw were not done so in a proper manner using the necessary strike-through and underline technique. Third, Students’ Council would not deal with any drafts approved by the committee until the 28 March 2006 meeting due to the late addition provisions.

Due to the delinquency of the Chair, the committee unanimously passed a motion removing Councillor Lewis from the committee. Similarly, the committee unanimously passed a motion for Students’ Council to appoint a councillor as his replacement.

The meeting adjourned shortly before 15:00.

Report to Students’ Council (CAC 2005-17)

Council Administration Committee met for the seventeenth time on 21 March 2006 at 17:15. All permanent members of the committee were present, except the Speaker of Students’ Council.

The Chief Returning Officer presented to the committee a salary reform for her position. Upon conclusion of the presentation and a lengthy debate, the committee ultimately decided to decrease the base salary and add four different types of commissions: per candidate in the campus wide election, per plebiscite or referendum, per candidate in the councillor elections, and per by-election. A worst-case scenario was calculated to ensure that the Chief Returning Officer would not be shortchanged. Great care was taken in selecting the values for each commission to ensure fair balance between each condition.

The committee dealt with an order from Students’ Council respecting Augustana councillors. After prioritizing the presence of the Augustana councillor in Edmonton at every meeting as opposed to Council holding at least one meeting in Augstana, it was decided that the committee’s recommendation back to Council would be to direct the Executive Committee to lobby the University for the necessary funds to accommodate transportation for Augustana councillors.

Several standing orders were amended. The committee felt it was important for transcripts of the audio record to be made available electronically for convenience and efficiency. Votes and proceedings now have a publication deadline similar to that of the order paper: the 3rd business day after a Council meeting. The Speaker no longer has the authority to arbitrarily arrange the orders of the day prior to the agenda package being published. Orders will appear chronologically or as they are submitted for inclusion on the order paper. The same criteria necessary for adding a late addition to the order paper has been extended for making an order a special order. Oral reports were also eliminated for efficiency sake. This only affects the 2-minute optional oral report. All written report requirements remain unchanged.
