2006-10/4  QUESTION PERIOD

2006-10/4a  Question from Councillor Eruvbetine to Vice President Student Life:
Can the VPSL further explain Bylaw 5600, sub 5:
The Vice President (Student Life), in conjunction with the University of Alberta, shall develop and table at Students' Council
a) A list of student groups' privileges; and
b) A procedure through which these privileges can be suspended.

Question from Councillor Eruvbetine to the President:
Bylaw 6000, sub 3, sub (d) states the Gateway shall "devote a portion of any budget surplus to providing scholarships for undergraduate students."

I know last year, the Gateway had a significant surplus which it was keeping for future capital expenses. So did the Gateway devote a portion to scholarships? Can you find out any pertinent details?

Budget and Finance Committee  
August 15, 2006  
Call to Order 5:38pm  

Attendance: Kehoe, Cunningham, Chapman, Cook

Kehoe/Cunningham move to remove the recommended changes to standing orders from the agenda of Students’ Council.  
4/0/0

Chapman/Cunningham motion to adjourn

The Committee Discussed its proposal to Council in regards to changing the budget process and decided to withdraw the motion. This is because it was generally felt that although we liked some of the changes being proposed, the proposal as a whole was not good enough. The Committee will be discussing a new proposal that will go to either Council or CAC in the fall.

The Committee also discussed the Eugene Al Brody fund and the possibility of making the fund a self-sufficient endowment in less than 20 years. A Council should expect a proposal in the fall on this issue as well.
Report to Council:

The Access Fund committee met on August 21, 2006. Members in attendance were Omer, Mike (proxy for Brock), Brendan, Paul, Darren and Sylvia. The first order of business was to set a proration scheme for the upcoming year. After a lengthy discussion on various options, it was decided that the guidelines for proration would be set for individual selection committees, and that there would be continuity throughout the year in the proration scheme used.

The next order of business was the letter to the Dean of Students. We invited a representative from the office to sit on the Access Fund Committee to provide institutional memory, as well as to keep up good relations with the office.

The final thing that was discussed at the meeting was the endowment fund. We have acknowledged that a decision needs to be made what to do with it this year, however we will need more information before doing anything. We will be meeting early in the fall semester to come to a decision as a committee, and then, if necessary, the matter will be brought to council. Adjournment occurred at 18:50.

That’s all for tonight council!

–Sylvia

Appendix A

Student Groups Granting Committee:

The committee will be made of the following individuals:
Director, Student Group Services – Chair, non-voting
Associate Director, Student Group Services – voting
3 Student Group Executive Members – voting
3 Students-at-large – voting

The procedure for Granting Sessions will be as follows:
1. Applications will be due at least a week before the session.
2. Packages will be photocopied for all members and made available to them before the meeting.
3. Quorum for a Granting Session will be 5 voting members of the committee.
4. In the case that a student group executive member or student-at-large is in conflict, they will be asked to leave the room during the debate for that particular club. Conflict of interest arises when an individual is a member of the club applying for a grant, or the individual believes that they are unable to make an objective decision, based on past experience with the club or otherwise.
5. The meetings will be held every second month. At the meetings, the committee will be provided with the policy for Student Group Grants as well as a complete set of the applications. The applications will be reviewed individually and a decision will be made. There will be no representation from the groups applying.
6. In order to pass a decision, a 2/3 majority must be in favor of the motion.
7. Groups will be notified of the decision of the committee, as well as the reasoning behind the decision via a mailed out letter and email.
Dear Mr. Cunningham:

It has come to my attention that the Students’ Union has profited from the sale of tobacco products after 1 May 2006. As you are no doubt aware, the Students’ Union was not permitted to sell tobacco products after this date. I find it somewhat disappointing that my Students’ Union chose to ignore the budget passed by its elected representatives.

As the former science councillor who sponsored the budget amendment to ensure that tobacco products would no longer be sold, I would traditionally send off a draconian complaint to DIE Board pointing out the contravention of numerous bits of legislation. Instead, I want to propose a simple and straightforward alternative.

I am requesting that the Students’ Union donate the gross revenues from the sale of tobacco products on or after 1 May 2006 to the AADAC Memorial Trust Fund. I have enclosed a copy of the AADAC Donor Request Form.

If you would like to discuss this matter further, please do not hesitate to get in touch with me by email at steve.kirkham@ualberta.ca or by phone at 492-8345. Thank you.

Sincerely,

Steve Kirkham

Report to Students’ Council
September 7th, 2006

Updates

1. COFA- The Council of Faculty Associations had a retreat on August 26th. It went very well. Rumour has it there may have been advocacy involved.

2. SMART Classroom Access for Student Groups– This is ticking along. Frantically.
   For those of you who care about more specifics…
   5 Student Groups will be/have been (depends on when you’re reading this and what happens at our selection meeting) selected to participate in a pilot project, pending paperwork & training (yes, I said training. You didn’t think it would be all fun and games, did you?). Others have the potential opportunity to participate if they have special events that qualify…
   The groups participating WILL NOT¹ have to pay the hourly rate for a technician’s presence that is normally charged. They WILL² have to pay $45/hour to rent the actual equipment. And before you ask, I am still working on that. Also, if you don’t know what any of that means, you probably didn’t need to read the specifics part.

3. Committees! – Now you get to find out why no one ever cares to figure out what the VP Academic does. Committees are boring on paper, but I get to inflict my charming self on people so, in actual fact, they’re interesting and fun!
   Anyway… The GFC system kicked off and September showed up at the same time (weird, eh?), which means that ARG (that’s Academic Relations Group. Sheesh) and the GFC Student Caucus (as well as standing committee members – bet you didn’t know they were different things…) will both be commencing their meeting schedules in the near future. Stay tuned for hijinx and ‘schemes.’ I love using brackets to create nearly incomprehensible run-on sentences. I’m sure they’re all kinds of fun to read when you only have a vague idea of what I’m talking about in the first place. I suppose I should try to be more concise… meh.

4. WOW, or something like it (and Orientation…) – Ask Omer. I’m not the fun VP.

Stuff you Expect to See
Meetings!
• The entire executive had meetings with the Augustana Students’ Association and the University Vice-Provost Information and Technology. You’ll be interested to know³ that the Telus Centre is converting into academic/e-learning space this year, with the transformation to be complete by this time in 2007 and that we talked to Augustana about Councilor access. More to come pending the results of the by-election later this month to see if we actually get to have an Augustana Councilor.

¹ I used caps lock to make this clear. Twice (wait for it, the second one is coming). Bet it doesn’t help…
² Told you so.
³ Who am I kidding? None of this stuff actually interests anyone. Well, except maybe me. And maybe the rest of the exec. And maybe the University. Oh, and definitely the trees that die to make this information dissemination possible.
• VP Research Search Committee – restarted its meeting schedule on Thursday. Very interesting.
• Teaching Parties and Money – The University launched an $800,000 Teaching and Learning Fund and held their annual Celebration of Teaching and Learning last week. I attended both occasions, and both were excellent.
• Confusion about Beartracks and Physics Classes?? – As some of you may have heard, there were some classes scheduled for the Physics building and an apparently Beartracks outage on Labour Day. The Physics classes were rescheduled (as far as I know… if you know something different, please advise people to not attend class in the building being demolished and let me know. That’d be peachy). As for Beartracks… I’ll let you know when I know.
• VPAP/ASCSOS – I had a meeting with the Vice-Provost Academic Programs and the first GFC subcommittee meeting of the new term. Both were very informative.
• STLHE Planning – The planning committee for the Society on Teaching and Learning in Higher Education Conference started meeting in the last week of August. Stay tuned… volunteers will be required.

More Stuff You Expect to See

Upcoming Engagements
• GFC, GFC, GFC – In the next two weeks, Exec, FDC, APC (as a proxy) and lunch. I all have a meeting with the Provost to discuss GFC-like things and other sundries.
• Lunch with the Service Directors – that’s right. Lunch. We’re going to use food to fuel our SU schemes.
• Review of the VP Facilities & Operations – The University VP in charge of all things operating and facilitating has an all-day performance review coming up. Our VP Money Bags (come on, you should be able to guess that) and our VP Committee Wonk (see point “GFC, GFC, GFC, above” will be attending. Hopefully there will be punch served.
• WTF –The Writing Task Force (what were you thinking anyway) is reconvening this year. The AVPA will be attending.

Something You Don’t Expect to See
FA Bylaws/Fee Update – A miracle, isn’t it. Too bad I don’t have anything to report! Well, there is something: work continues (sorry to get you all pysched up there, but I couldn’t resist).

Class! - That’s right, I’ll be attending one. Eventually...
