Audit Committee Report to Students’ Council

Dear Council,

At the July 26/2007 meeting of Audit Committee, the committee reviewed credit card statements from the period May-June, 2007, as well as spending by the Powerplant and L’Express business units.

Certain concerns were noted, including the following:

- Certain receipts were missing.
- Interest was charged on some credit cards – why are balances being carried?
- A handwritten receipt was included in one instance.

There were concerns regarding the Powerplant’s May performance. Notably, the Powerplant was to be shut down and incur only fixed expenses, however variable expenses (such as supplies, etc.) were charged to its accounts.

Yours Truly,

Scott Nicol
Chair, Audit Committee

Summary of Proceedings

1. Call to order at 2009h.
2. Adoption of July 5 minutes.
3. Discussion regarding credit card packages.
4. Discussion regarding Powerplant spending.
5. Discussion regarding L’Express spending.
6. Adjournment at 2035h.
Dear Council,

At the August 9/2007 meeting of Audit Committee, the committee reviewed credit card statements from the period June-July, 2007, as well as spending by the Cram Dunk and Juicy business units for June.

Certain concerns were noted, including the following:

- Again, certain receipts were missing.
- More interest charges have accumulated on credit cards.

In reviewing Cram Dunk, it was noticed that staff costs went up substantially (50%+) while revenues dropped. Regarding Juicy, there was concern about liquor revenues being booked – as to Audit Committee’s knowledge, Juicy does not sell alcohol products.

It was also decided to recommend to Council the removal of Terence Fung as a member of the committee, per the standing orders of Audit Committee, as this was the fourth meeting missed by Terence in this Trimester. It was discussed that there are two main considerations – that summer is a difficult time for some members to attend Council or committee meetings, especially if they work and/or live outside of Edmonton, but also that Councilors are paid for committee work, and may not have earned this pay if they fail to attend a large number of committee meetings. The decision was based on an objective interpretation of our standing orders, and the decision on removal is left with Council, with the caution that we are not seeking a rubber stamp on a decision already made.

Yours Truly,

Scott Nicol
Chair, Audit Committee

Summary of Proceedings

1. Call to order at 2015h.
2. Adoption of July 5 minutes.
3. Discussion regarding credit card packages.
4. Discussion regarding Cram Dunk spending.
5. Discussion regarding Juicy spending.
7. Adjournment at 2048h.

Prem Eruvbetine
Council Administration Committee

Hello Council:

Here are my updates for Council:

- CAC has made a change to Standing Orders - from now on, attendance at Council will be included in the Votes and Proceedings.
  - This was primarily done to satisfy the request made by the Gateway, but was also thoroughly discussed for its merits.
- We discussed the proposed review to Council Remuneration and have forwarded that to Council for its pleasure. We recommend:
  - reducing the yearly freebies to one (instead of two).
  - adding trimester reporting requirements as a condition for receipt of pay
- We also hashed out the procedures for a Councillor Mentorship Program and have that tabled before you too.
  - We hope to have this starting this fall
  - We need people to VOLUNTEER, so please sign up. It isn’t too hard a job, and there will be a presentation about it soon.
- CAC has made a request to have the SU projector and computer available at every meeting of Students’ Council for the purpose of presentations and working through amendments on the Agenda
- CAC has ratified a number of additions to the Students’ Council website:
  - Addition of individual councillor spaces which will include:
    - A picture
    - Name, faculty and email
    - Optional letter to students provided by the councillor
    - Councillor reports
  - Updated Standing Committee websites to include member lists (with link-backs to individual councillor pages)
  - A system to easily update all important aspects of the SU website to ensure that material is no older than one week.
  - A councillor mentorship request form.
- Coming up soon:
  - Discussions about CAC’s new role in the CRO selection and oversight
  - Planning of Council Retreat for the September…. Look out for that one soon!

I’ll be happy to answer any questions.

Yours,

Prem Eruvbetine

Dear Madame Speaker,

A Quick Survival Guide for University Life

As president of the University of Alberta Students’ Union many prospective students coming to university have sent me emails asking for advice as they begin their educational journey.

They weren’t asking me how to get into grad school or get the right classes, but more practical questions like “how do you deal with large classes?” or “What can I do for fun on campus?”.

I thought I might take a moment to share some advice with prospective students and their families:

**Go to orientation**: It’s a great way for you to meet other students, to find out where everything is on campus and become familiar with the vast number of resources here to support you.

**Change it up**: You should not be afraid to take a course in an entirely different field than your own. You never know what you will discover about yourself and your interests. It’s much better to find out in the first year that engineering is not suited to you then waiting four years before realizing that you really wanted to study graphic design.

**Don’t go home on weekends**: While it may be tempting to rush back and see your hometown friends, to truly immerse yourself in the university culture it is much better to save your travels for the holidays and use the time you have on campus to get to know the other students, attend diverse events, and of course to study!

**Join a club or group**: At the U of A for instance there are hundreds of student groups that you can take part in, from debate to the ski club. Student groups will provide you with opportunities to show leadership, attend events, and to build friendships with people who have similar interests.

The Freshman 15 (gaining of an extra 15 lbs in first-year): *it can happen to the best of us, especially if one discovers beer and indulges in the wide array of fast foods on campus. Phys. Ed. class was left at high school so make sure that you find another hobby to help you stay active.*

**Financial Woes**: Just because your parents made it through school with no debt, don’t expect that you will be able to do the same. Unfortunately there are really not that many scholarships available! There are many entrance scholarships available for new students, but it is much harder to get scholarships in your
senior years. You may seriously need to consider a loan or working to finance your education.

**Housing:** Get it early, get it fast. Urban areas in Alberta are facing serious housing crunches, making it is harder than ever for students to find a roof. The housing registry at [www.su.ualberta.ca/housing](http://www.su.ualberta.ca/housing) is an excellent starting point for Edmonton.

**What you put in, you’ll receive back tenfold:** School is expensive, it’s difficult, and sometimes you will be under seemingly insurmountable stress. Fret not - university can be the best time in your life if you get involved. The diverse people you will meet, the ideas and methods you will learn, and the challenges you will overcome will push you in ways you never imagined. University is not about being trained to do a job, it’s about finding out who you are and how you can make our world a better place.

For more information on what University is like check out [www.su.ualberta.ca](http://www.su.ualberta.ca)! I'll see you in September!
To Whom It May Concern,

I Adil Afzal am hereby resigning my position as Science Councillor of the University of Alberta Students' Union Council.

Sincerely,
Adil Afzal

Hey Council,

Sorry about getting this in late to you guys (things have been kind of hectic with school and such). Here’s what went on my side of the Pod in July:

- **High School Leadership Conference (HSLC):** I’ve started hearing back from a couple of faculties regarding sponsorship for the conference. Things are going good so far in that regard. The logo design for the conference has been done, and we are no working on promoting the event. The keynote speaker for the event has been hired as well. His name is Phil Doucette, and you can check out his stuff at www.phillyd.com. I’ve also come up with the session topics, as well as group activities. I am looking for people to host session topics as well as volunteer as group leaders. If you are interested in either of these, please let me know!

- **Student Housing Week (SHW):** We decided to rename Housing Awareness Week to Student Housing Week in order to really shift the focus on student housing issues. Advocacy will be organising the majority of SHW, while I’ll be looking after the Campout in Quad (COQ) on September 27th-28th. The COQ will also be the SU’s fundraising event for the United Way.

- **Campus Planning and Action Committee (CPAC):** I am still in the process of formalising CPAC and will be working on doing so for the next couple of weeks. If you are interested in sitting on the committee or if you know of anyone who is, please let me know.

- **Other:**
  - We’re working on putting material and such for Clubs Fair during the first week of school

If you have any questions or comments on any of the aforementioned points, please feel free to contact me at avpex@su.ualberta.ca or stop by my office in 2-900 to chat.

Cheers,
Pam
Hello Council! Hope the day is treating you well as summer comes to a frightening close. In the interim, here’s what I have been up to in the last little while:

Goals:

Textbooks – We’re meeting with Todd Anderson, the Director of the Book Store, on the Tuesday of Council. Ideally, what I am looking for is information on the top 50 books and how often the edition changes. Using this, we hope to set outcomes with regards to any textbook campaign we engage in.

Reward Involvement – Currently working on drafting a strategy to promote Community Service Learning to other faculties and departments so that there are options with the type of credit you obtain (Science vs. Arts vs. Engineering vs. etc.)

Scholarships & Bursaries – we are waiting on the working group for now and engaging in other types of research.

Technology – We will be meeting with the folks from the formative feedback project by the end of the month to set up a project involving podcasts. I also met with Paul Sorenson, the Vice Provost Information Technology, on technology on campus. A new development was Identity Management System (IMS), check out https://start.ualberta.ca for more details.

Teaching & Learning – We discussed minimum standards with Faculty of Medicine & Dentistry, along with their certification program they created for professors to now teach in the Medicine program. They liked the idea of certification and mandatory classes for new faculty, but they didn’t like minimum standards. Where to from here? Talking to various Deans and faculty, eventually arriving at an idea of a minimum standard for instruction.

Emerging Issues:

Bear Scat – As part of the new upgrade, the University will be comparing the functionality of Bear Scat with PeopleSoft 9.0. From there, they will determine which features they can add.

Faculty Associations – The CoFA Retreat is on August 25 at SUB. In the interim, we are hoping to meet with as many faculty association executives as possible. So far we met with Collective Body for Arts Students, Medicine Students’ Association and Law Students’ Association (and sort of AUFSJ). Upcoming ones include UASUS, Ag For Student Liaison, with the rest coming either on CoFA retreat or in September. This year, we are emphasizing faculty advocacy with the FAs and seeking their help on CSL, teaching, and textbooks.
VP Operations & Finance Report

“Nobody has the intention of building a wall”
I feel like a modern day Walter Ulbricht before the construction of the Berlin Wall, here to announce that the University has built a wall separating the East and West portions of the Powerplant. Marketing plans are coming along very well for the revitalized Dewey’s, including signage for the North door to the coffee bar. Jerry will have the completed menu and marketing strategy finished likely before you have read this. Our events staff are transferring sound and lighting equipment from the ‘plant to Dinwoodie to make it more feasible for hosting concerts. The ATM in the bar will be moved into Dewey’s. Everything is moving along smoothly.

Operating Policies
The deleted policies are attached. Had it not been for an extremely busy executive meeting on Wednesday, all of the amended policies would have been on here as well. Next time.

July PnLs (Profit and Loss statements)
The results are in. July is usually the slowest month of the year for our businesses, and that trend continued. Although year-over-year growth is positive, especially in the Print Centre and SUBmart, and hopefully the rest of the months this year reflect that.

Mission: SUB-tacular
As promised, I am starting to look into ideas and formulating a strategy for future SUB expansions. As I am still in extremely preliminary stages of this process (i.e. a drawing on the white board in my office), I would like to hear from councilors what they think would be good additions to an already beautiful and over used building. To get the ball rolling, maybe a “Gamble’s Sin City” strip joint? If you don’t make suggestions I will assume that you all agree with this take. Remember that our payments on the last expansion don’t conclude until 2011/2012 so anything we come up with this year will be still just planning.

Hello Council,

It has been an absolutely crazy two weeks, but we are finally starting to look caught up and ready to go for the back to school rush. Here is what has been going on.

1. **MEDIA MEDIA MEDIA** - For those of you who don’t know the SU launched a massive media blitz to try and ensure that everyone who is attending school in the fall has a place to live. The response was incredible. Over 500 listings have been added to the housing registry and demand has also spiked. We received the following media hits.
   a. Edmonton Journal (twice on the front page of CityPlus)
   b. CBC TV
   c. Global TV
   d. CTV NEWS
   e. Big Breakfast (CITY TV)
   f. Radio Canada
   g. CBC Radio (Several Times)
   h. Edmonton SUN
   i. Metro News

   ***A big thanks to Colin, Marc, and Don for their extraordinary work and very long hours these past few days keeping our messaging concise and well thought out. Deb Holloway and the University staff have also been very helpful on their end of things.

2. **U-Pass** – We have signed a memorandum of understanding with the University for reimbursement for the fare media distribution. Any questions you may be receiving should be deferred to the U-pass website [www.ualberta.ca/u-pass](http://www.ualberta.ca/u-pass). The stickers are in and ready for distribution. **IF YOU DON’T HAVE ONE PICK ONE UP AT INFOLINK ASAP!!!** We need to test out the system in order to work out any kinks.

3. **Camp Out in Quad** – Our first major event is taking form. Pam, Don, Colin and I have been working to get the ball rolling on an event which will be fun, raise some money for the United Way, and create public awareness of solutions to the housing problems facing students. We will hopefully begin in the afternoon of September 27th with a barbeque, music, and volleyball tournament in quad. This will be followed by a movie night in SUB and a related event in RATT, and will be capped off with a pancake breakfast on Friday morning, free to all those who survived (and anyone who enjoys pancakes). Want to help us out with planning?? Email Pam about CPAC because it should be a lot of fun. ([avpex@su.ualberta.ca](mailto:avpex@su.ualberta.ca)) Get your teams ready and tell your friends.

4. **WOW** – We will have a table set up and have a fancy little handbill prepared for the handbooks. Talk to Pam, [avpex@su.ualberta.ca](mailto:avpex@su.ualberta.ca), if you want to help table for an hour or two!

5. **MP Blitz 07** – 6 down 1 to go. Kudos to the advocacy department for helping prepare the lobby document, Janz and I have been very well received (ask Janz offline about our trip to Edmonton-East). Still waiting on Hon. Rona Ambrose….

6. **Tuition Stunt** - Looks like there will be balloons. Lot s and lots of balloons. If you have an uncanny knack for tying balloons let me know. We will need you in late Sept.

7. **MLA Blitz 07** – 0 down 18 to go. We are preparing a new lobby document for these meetings, which will hopefully start taking place in early September. Our focus will be on the importance of investment in students and quality of education, while describing the new stresses facing students in today’s economy.
8. **Student Finance Board** - I was appointed by the Minister of Advanced Education and Technology to sit on the Student Finance Board for the next three years. Should be very interesting and I am looking forward to it.

9. **Rural Tours** – Our first rural tour will be in late October, we are working out locations and meetings.

10. **EAS** – The Edmonton Alliance of Students is on the roll. With a teaser story in the Edmonton Journal and on CBC radio, word is in the air of a unified student voice. Official launch will be at city hall on August 29 and we are expected several city councilors and a lot of media to show up. The mayor has also been invited.

11. **CAUS** – The campaign development continues… The UASU marketing department has been selected as the CAUS recommendation to produce our provincial election campaign. Congrats to Geoff and his team. ACTISEC has committed to be a partner with a minimum of $10,000. We are hoping that the major schools will contribute in addition to that amount (NAIT, SAIT, Mount Royal, and MacEwan). My goal is for the CAUS campaign to top six figures, and we are on our way to getting there.

12. **Senate** – The Senate position has been posted on the SU website and will be advertised in the Gateway. The application deadline will be Sept. 11, with interviews being held on the 12th and 13th, and the first plenary session is on Sept. 21. The Senate has been very helpful with the high-school leadership conference. They appear to be looking at stepping up their sponsorship, stay tuned for more details.

13. **CPAC** – Campaigns Planning and Action Committee will be getting underway very soon, we hope to have three or four councilors help us out. It is the group that plans events, helps promote advocacy and generally will be a lot of fun. Let me know if you are interested!

14. **Meetings** –
   a. August 15 – Peter Goldring MP Edmonton-East
   b. August 17 – Jaffer Pancake Breakfast (Mmmm)
   c. August 18 – InfoLink Training Lunch
   d. August 20 – Design Team
   e. August 21 – CAUS Teleconference

Have a great meeting! – Steven Dollansky VPX
Hello Council,

Pardon the lack of Student Life updates. I’ve been away on vacation and feel refreshed to be back!

- **Senior Manager of Programming and Venues**: Christine Rogerson has been hired on in this new senior management position. As the title says, this position focuses on campus programming and venues; licensed activities have moved to a different portfolio. Christine’s involvement with the SU began as a volunteer in 1998, and I’m very excited that she continues to work with the SU to enrich the time students spend on campus.

- **Operations Manager – Programming and Venues**: Since Christine has moved to her new position, the SU has hired Jon Lovell as the Operations Manager – Programming and Venues. As a former Programming Assistant, Jon has first-hand experience with the operations of our venues and the various programming initiatives of the Students’ Union. He is passionate about our cultural community and the importance of having vibrant and diverse programming options for our patrons - students, staff and the community - to enjoy.

- **SUB Wall of Gold Events Calendar**: Based on feedback gathered this summer, I found that students groups’ number one wish-list item is increased advertisement for recruitment and events. The SU will have a giant September wall calendar on the Wall of Gold (y’know, where we had the Wall of Debt) to list out exactly where and when such events will happen. We’ve gotten many submissions from student groups, and I anticipate that this will boast attendance at their events.

- **Stage 13: Campus Chaos**: The “unnamed multi-campus concert” that the Exec supported in a previous Exec report is Stage 13: Campus Chaos. The same person who organized Ookfest is producing this event. The SU is happy to support this event as it a premier concert for UofA students. Confirmed bands included Three Days Grace, Hedley, Tupelo Honey, Social Code, Marianas Trench, State of Shock, and illScarlett.

- **Student Groups Review Committee**: Stakeholders in Student Group Services have divided up the task of writing UAPPOL policies and procedures to govern student groups.

- **WoW**: Posters, handbills, and t-shirts have been sent off for production. I’m very excited by the look and theme of everything!

Re: NODAC 2007 (National Orientation Directors Association Conference)

Over the past ten years, the Orientation Manager has been given the opportunity to attend the annual National Orientation Directors Association Conference (NODA). The mandate of the Orientation program is to assist all first year students in their transition to University life and in order to do this it is important that our program remains on the cutting edge in the area of transition programs. The ideas and contacts that have made through NODA have been amazing and have helped improve our Orientation Program immensely.

The University of Alberta Orientation program is unique in that it is the only orientation that is delivered through the Students’ Union. Not only is our program the envy of many schools, but we also have one of the largest student involvement ratios for a school of our size. Organizations like NODA allow us to continue to grow, while providing the opportunity for us to showcase our exceptional Orientation program. It is for these reasons that I feel that the NODA 2007 Conference would again prove to be a valuable experience for Karla Barron (Orientation Manager), our soon to be hired Transition Programs Manager, and myself. At the NODA Regional Conference in 2005, I was elected to the NODA Board of Directors. I am the only Canadian voting member, and I am also the only person representing a student run organization. My term on the Board began at the Spring Board meeting in March 2006 and will conclude at NODAC 2008.

This year the NODA Conference will be held in Dallas, Texas from Oct 27-30. The Board meeting begins on October 24 and runs until the start of the conference. Attached you will found a breakdown of the budgeted amounts and the anticipated actual amounts for the costs associated with this conference. As you can see, this conference is within the budgeted amount.

I feel that our attendance and participation at the NODA 2007 Conference would be invaluable and would allow us to not only bring back numerous ideas but also to showcase our amazing program. If you have any questions please do not hesitate to contact me.

- Please note that all estimated actuals are based on the current currency exchange rate.
- The budgeted accommodation line for 611 is so high because there are 2 managers in the service and the amount would cover us in case we had 2 managers of different genders who needed individual rooms. We are about to hire our Transition Programs Manager and will not know the final situation until that process is complete, but the budget cover either situation.
