Grant Allocation Committee

Hello Council:

As per noted in the score card, more motions and minutes to council make a committee seem to be more effect, thus an update on the wonderful Grant Allocation committee seems in order. To date we have only met four times, twice have been directly after council and quite productive meetings, quick and to the point.

Currently the chair of GAC, I, has written to the RAC about their upcoming event sponsorships, likewise, have met with the athletics governance team to talk about the collection of fees and how the registrar’s office is involved. It was a very straight forward and boring meeting to which great healthy food was provided. (There was more than enough food for each attendant in case anybody was curious, I took home dessert.)

In getting the Eugene L Brody fund (EGLB) online the VP Ops has entailed that the marketing and online “guys” are curious about the requirements for the EGLB fund meaning that this too is progressing alone towards completion for the upcoming year.

Student Groups have been contacting GAC about getting funding for their groups, however, all of these e-mails and claims have been forwarded to the Student Groups director. To date no group has approached about looking for funding beyond the limit of the student groups mandate, and the student group’s director has no approached us on raising this limit in a formal capacity, only the president’s whispers have alerted us to future intentions.

I greatly look forward to needing another meeting, however, we have had more this year than in previous years combined for the first semester so don’t anticipate anything too crazy in the agenda’s of our fun meetings.

Have a wonderful week and make sure to expel all belly button lint,

Ryan Payne

Council Administration Committee

Hello Council:

The last meeting of CAC was rather productive. Apart from a few motions for book keeping purposes, the main points addressed were:

- Stating in Standing Orders that the SU laptop and projector will be booked for any meeting of Students’ Council in which a presentation appears on the main agenda package.
- Discussing getting rid of Council Food. It was approved (9/0/1) that we shall cease to have Council Food (essentially starting November 1st)
- Considering whether or not to have a late policy for Council remuneration. It was decided (4/0/5) that we should not have one for reason of introducing subjectivity into the process.

We talked briefly about goals and it was decided to hold some sort of “So you have goals, now what?” session. The first one is schedule for Friday at 8am. Ask me how it went if you are interested.

I’ll be happy to answer any questions.

Yours,

Prem Eruvbetine

Bylaw Committee

Summary of Proceedings
Well, you might have noticed that this isn’t Bobby. As you will see, the first order of business at our last meeting was electing a new chair. This is something that Bylaw Committee had been planning on doing once the second trimester started and Bobby’s role as VP academic became more demanding.

You will also notice that Councillor Stitt has resigned his seat on Bylaw. We are now looking for a councillor who enjoys reading and drafting bylaws, drafting referendum and plebiscite questions and spending off-council Tuesdays from 5:00 – 6:00 with totally amazing people.

The rest of our meeting was spent talking about Bill #2 and Bill #3. There were some issues with the way that Bill #3 appeared on the late additions last week. We were able to resolve these and the reasons for the changes will be addressed during the introduction at council.

Send any questions/concerns to beastham@ualberta.ca

Hey Council,

Here’s my most memorable statement from the week: “Y’know what’s General Apathy’s battle cry? Meh.” So don’t be like General Apathy, read my exciting Council report, and sign up for the different events!

- **Executive Office Hours:** Come visit me on Tuesdays from 11 am to noon, and on Wednesdays and Thursdays from 4 pm to 5 pm. We can talk about events on campus, student services, or issues you'd like to bring to the University. And if you're looking to pass the time in the most entertaining way possible, I challenge you to a game of Bulls-Eye Ball. You may never leave my office o' fun.

- **Chillin’ For Charity Polar Bear Swim:** In an effort to raise funds for the United Way, I will participate in Chillin’ For Charity and plunge into a pool of icy-cold water wearing my infamous booty shorts from France. This event will happen on 2 November 2007 at 1 pm in Quad. Submit a pledge to support me and the United Way.

- **Free Hockey Game:** The SU and UofA Athletics teamed up to sponsor a free hockey game for you! Last year the Pandas beat the Saskatchewan Huskies, but the Huskies beat the Golden Bears on the way to the Nationals! Come out and cheer on the Golden Bears on 9 November as they play the Huskies in this “playoff rematch,” and we’ll give you a free t-shirt to show off your school spirit. Register with me by 6 November.

- **Student Group Summit:** The SU has been working hard to prepare the Student Group Summit, a training session to equip student group leaders with the essentials for having a successful year with their groups. There are sessions that Councillors may find useful, so sign up! The deadline is 16 November.

- **Health Services Advisory Group:** This group had its first meeting of the year. Dr. Gord McInroy gave an update of HSAG’s work last year, and the group is looking forward to exploring last year’s outstanding issues. We are arranging a meeting with the College of Pharmacists of Alberta to discuss the University Health Centre Pharmacy’s prices.

- **U-Pass Meetings:** Issuing replacement cards and stickers is a complicated issue that the internal U-Pass committee is discussing. We’re gearing up for mass distribution during final exams in December through the InfoLink outlets. I am working to make post-secondary bus passes available to UofA students during the summer.
Campus Got Talent: The second Campus Got Talent event occurred on 24 October – Nerf gun accuracy contest! CGT is a continuation of my effort to have daytime programming for students. Be on the lookout for the next event on 7 November. The final CGT event will be a showcase for any student interested in showing off their talents. Let me know if you or anyone else is interested in participating.

Antifreeze: The Antifreeze Planning Committee is planning events and coming up with a few surprises. Start thinking about forming a team to compete! Antifreeze will run from 7-11 January.

Council on Student Affairs: The big discussion item was student residences. I presented the SU’s two main focuses: increasing residence beds on campus and liberalizing secondary suites. COSA will be a good arena in which to discuss issues like the U-Pass and mandatory non-instructional fees.

Campus Law Review Committee: This committee has recommended the approval of a Practicum Intervention Policy to the General Faculties Council Executive Committee. The PIP is a streamlined guide for Faculties and Departments regarding practicum interventions. I raised concerns that there was not any language in the policy that ensured that the University would support the student financially if the student were required to take classes to improve language, study, and/or interpersonal skills.

Flu Shot Clinic: The SU partnered with the University Health Centre and the Faculty of Nursing to offer a student-specific flu shot clinic on 30 October from 10 am to 3 pm in the Myer Horowitz Lobby. This is the first time that a student-specific clinic was offered, and I hope that this partnership will continue since it is a useful, convenient service to students.

Safewalk: As follow-up to an issue raised during Question Period, I will provide a quick update on Safewalk. SW strives to maintain teams of one male and one female, but this year there are more male volunteers – leading to the creation of teams of two males. If the two-male team is the only one available, then the dispatcher will ask the client if the client is comfortable with walking with a two-male team. If the client is uncomfortable, then Safewalk will turn down the walk. Ultimately, Safewalk has two-male teams so that there are enough patrollers to give walks! Demand for the service is higher this year compared to last year.

The changes in Safewalk last year were tough, but the service is growing steadily. There is a positive vibe in the office, which shows that the Safewalk is moving in a good direction. Safewalk has enough patrollers but needs dispatchers. Encourage people to volunteer for this valuable service!
VP Operations & Finance Report
October 30, 2007

Canadian Students Horizon Group
I spent two entire days with executives and management from UBC, Western, and Queen’s discussing direction for the CSHG (which is a non-profit corporation that owns 24% of Travel Cuts). I am excited to see what we can accomplish this year in the area of promoting travel as a personal growth experience, and help bring these experiences to students country-wide through Cuts. New directors were appointed (myself being one), and officer positions were also assigned (myself being VP).

Wireless in SUB
Is now the responsibility of the university, as their network will go live in SUB on Monday, October 30.

Security Cameras
Executive Committee has approved the installation of security cameras in SUB. They are the small black dome type, and should be very non-intrusive. The only time the tapes will every be reviewed is in the case of a crime in the building.

Website Update
We have set deadlines with Whitematter for the website updates that we are doing this semester at December 20. They include the more interactive council page that can be updated by councilors themselves, a wiki that we will be launching internally to improve inter-departmental communications, and at a later date, be made external so any student can use. Finally we are having them develop a web 2.0-type calendar of events.

Special Project Reserve
The executive committee have been setting goals for the SPR money so that the remaining balance can be spent in the most efficient way. So far, around $12,000 has been apportioned for the year on voice mail in 2-900, cell phone bill reimbursement for certain staff, and SU merchandise. Ideas for the rest include improved online presence for businesses, election campaigns reserve, student groups summit, rural tours, microwaves, wall of gold calendar, among others.

Building Directory
Over the last few years I have come to love SUB, and know where practically everything in it is. So I don’t notice things like a complete absence of a building directory in a visible area. In an overall effort to use SUB more effectively to communicate with students while also maintaining the simple visual appeal of the building, I am developing (along with the marketing department) an overhaul of SUB signage that will hopefully aid new students in finding their way around, and experienced students on finding services that they never knew existed. More on this to come.

That is all
Eamonn Gamble
Hello Council,

I hope the past two weeks have treated you all well. Here’s what I’ve been up to:

1. **High School Leadership Conference** – Pam is still looking for volunteers to assist with this event which will be held on November 3 and 4. Please email avpex@su.ualberta.ca if you are interested.

2. **Campaigns Planning and Action Committee (CPAC)** – will be planning a campaign about the quality of education to be run in January. The advocacy department and I will be working with them to develop the entire campaign from messaging to implementation. This should be fun, so if you are interested email Pam.

3. **Municipal Election 2007** – IS OVER… and you didn’t ask me a question last council so I’m assuming everyone knows who won. The EAS will be meeting with the new council in the new year. Janz and I were invited to the swearing-in ceremony by newly-elected Councillor Iveson. I managed to speak with all councilors except for one about maintaining a strong relationship with the SU and received a positive response.

4. **Residences everywhere!** – Our major lobbying efforts over the summer with regard to student housing has opened a door or two for us to get some movement from the provincial government. We are enjoying the benefits of a very strong relationship with Minister Horner and are working with his office and University administration on a 95 million dollar project that would see 1 000 new residence beds on South Campus. I’m trying to figure out where the hell this is at. I’ll know more by council.

5. **CASA** – Lobby conference Nov. 11 – 18 in Ottawa. They also settled their lawsuit against the UMSU over their withdrawl, which is good news for everyone involved. Some interesting perspectives in the Gateway. I’d be happy to talk to any councilors with questions about CASA and to clarify some inaccuracies which are now floating around. CASA is facing an uphill battle with Millennium renewal, but there have been several pointed questions thus far in the House of Commons about PSE and Minister Solberg continues to affirm the government’s support to higher education. Let’s see if he backs that up with some real funding commitments.

6. **Roles and Mandates** – I have been working with stakeholders and Ministry officials to devise a new funding and access expansion model for PSE institutions. This will be released in January.

7. **CAUS** – meeting in Lethbridge this Sunday. Never getting a real weekend = not cool. Our provincial election campaign taking shape = very cool.

8. **Senate** – More awesomeness…. Very little work.

• My Random Advocacy Stat of the Week! – Did you know that Alberta’s undergraduate tuition went from being 6th most expensive in Canada last year to 4th most expensive this year? We now pay $440 more than the national average and the highest in Western Canada. Shame.

Have a great meeting! – Steven Dollansky VPX
Hello Council! Here’s an update as to what we’ve been up to the last little while.

**Goals:**

**Textbooks** – NART is going incredibly well, right now we are still in the process of gathering information to ensure we go in the room well-informed and coming out with a concrete plan. On the local front, we’ll be presenting to AASUA on the issue of academic materials and highlighting ways they can get involved.

**Reward Involvement** – I did a quick talk with the Services and they were interested in partnering up with CSL. In addition, interest was also placed by some of the student groups into the initiative. Currently, we are looking into how CSL figures into our larger advocacy efforts.

**Scholarships & Bursaries** – No major movement on this issue in the past two weeks.

**Technology** – SMARTs training should be occurring soon for the student groups as we had a couple of logistical issues emerge. More to come.

**Teaching & Learning** – I met with Heather Kanuka, the new director of University Teaching Services to discuss student evaluations. As I mentioned earlier, they will become a major topic in the academic community, especially with regards to their use in Faculty Evaluation Committees.

**Emerging Issues:**

**Bear Scat/Bear Tracks** – The meeting with Stephen went well, as well we met with Shelagh to discuss the possibility of a “shared code framework”, in which we share codes that worked well with other PeopleSoft institutions (Calgary, Simon Fraser University, etc.).

**Faculty Associations** – CoFA is scheduled for October 25. As well, great news in that the Collective Body for Arts Students has elected a new executive. They’re a young bunch, but they’re eager and intelligent and will take it a long way. We’re working on a project to enhance communications with FAs, more to come at a later date.

**GFC** – Follow up on consolidated exams will take place next year, feedback will be solicited from students and administrators as to how they are taking consolidated exams. Currently, follow up will take place in about a year.

**Exam Registry** – The policy was changed this year to allow professors to either place exams on our exam registry or on their individual website. Currently, we are trying to determine how many classes actually abide by this policy and see where we can move from here. The letter will be sent out later this week and we’ll see the response.

**Academic Relations Group (ARG)** – We had our fourth meeting at which we discussed Professor of the Week nominations (there were a lot). It was a lot of fun, but REMEMBER TO SUBMIT NOMINATIONS FOR GREAT TEACHERS!!

**Information Sharing Privacy Agreement** – this allows us to use private information from the University of Alberta (e-mail addresses, phone numbers, etc.) for our purposes.
(elections, orientation, etc.). We are in the process of finalizing it with the University, just going over security details.

**Wireless** – The University is installing wireless in SUB as part of their campus-wide roll-out. It will be handled by AICT and hopefully this will rectify a lot of our current problems with wireless. As you saw, it should be available by October 30.
President Report  
Students’ Council: Oct 30/07

Happy Halloween. Come to Trick or Eat. You’ll never guess my costume…!

Come to “Trick or Eat” or else you’ll get buried alive. Seriously. I know a guy.

The Student Group Summit

We are working on the first, of hopefully many Student Group Summits by the SU. These are aimed to make involvement easy, accessible, and rewarding to students and the student leaders who work hard programming and organizing events on our campus. Nov. 23/24th is the date and anyone who would like to come can, so long as they register in advance. We are expecting 100 executives and will hopefully train many more in future!

CAUS meeting in Lethbridge

UCSU, ULSU and the UASU will be meeting in Lethbridge this weekend to plan for the provincial election. Alberta needs a reminder that investing in education is the smartest choice they can make for our provinces future.

Council Retreat

Anytime you have questions ranging from what we are doing at council, to how to become the next SU President, feel free to come into my office 4-5 TWF.

EAS still ticking

We held an EAS brainstorming meeting and will be working out a lobby doc to present to the new council come January when they have time and are more cognizant of the municipal landscape.

Make Teaching Matter!

Talked with ASSUA about getting students on Faculty Evaluation Committees. We are having an internal visioning session Friday to hammer out the goals that Bobby and I want to see by the end of the year.

Do you swear to tell the truth, the whole truth…
I had the privilege of attending the new swearing in of city council. Pretty sweet.
They had bagpipes.

**Residence Halls Association:**
I went to the RHA meeting where we selected a new VP and had a chance to hear some of the concerns from the group executives, specifically the proposed 8.75% rent increase for main campus residence buildings. It is unfortunate in this time of gouging landlords that our residence rents will be increasing so dramatically. I mean they already increased 10% last year. These buildings are owned by the province and the province should be investing to protect their own assets.

**Other**
Meetings with a few university officials (Carl Betke, Don Hickey, Karen Wichuk) and meetings with a few students about campus concerns. I will be in University Secretary Interviews for the next few days so I may be a bit harder to track down. Email will be better.

**Powerplant Meeting**
We are having an advisory meeting with the architect and going over limitations to the facility as well as the possibilities of repurposing it.

**Revolutionary Speakers Series**
Thank you for the few last minute suggestions everyone. Some of our top list people have had to have been crossed off (Ex. Romeo Dallaire is out cause he’s putting out a big movie and would cost us a fortune.)
