Hello Council,

Here is an update on what has been happening the past couple of weeks.

**Student Groups** – Janelle and I will be meeting with Carl next week to present a proposal that would involve increasing the resources for Student Groups. We will keep you up to date on the status of this proposal.

**Residence** – I met with the RHA President to speak about the Residence Services Accommodation and Programming Study (RSAPS) formerly known as the Residence Masterplan. I will be preparing a presentation to Council, hopefully in time for the next meeting. Over the next few weeks we will also be discussing the Administrative Discipline System.

**Campus Open Spaces** – I met with an advisory committee last week to discuss their plans to make campus easier to navigate. They have some interesting ideas about incorporating more street addresses and breaking campus down into segments to make it easier to navigate.

**Emergency Preparedness System** – I have had several meetings with the University in regards to a system developed to address emergency communication. The system includes lights and sirens throughout campus, as well as the ability to send messages to students who sign up and provide their information. We have discussed how this system operates and how the University can encourage students to sign up.

**Student Life Committees** – We had our fifth meeting last week and went on a retreat over the weekend. The retreat gave the committees a chance to get to know each other better, as well as further develop their goals for the year. At our meeting we discussed the design for WoW and coordinator positions for the volunteers. At SLSAC we had another discussion about containers and decided that if we can find a company that carries the containers we would like, we will proceed with the project. If not, we will leave it alone for now and possibly come back to it later. We also started talking about Styrofoam alternatives with a plan to look into them more for next week.

**Health Plan** – I will be sending the Request for Proposals out this week. The return date for the proposals will be July 25, so in three weeks I will have a chance to look over proposals and get started on evaluating providers.

**Peregrine Falcons** – There is a baby falcon! One of the eggs has hatched and there is one more that we are still waiting for.

Please let me know if you have any questions. Ask during council, stop by the office, or send me an email at vp.studentlife@su.ualberta.ca.
Good evening, council!

This is a written update of the projects that I have been/am working on within the SL portfolio for the remainder of the summer. An update of these will be coming to a council meeting near you at the end of the summer. An outline of my fall term projects will be coming at you in September. Watch yo'selves.

**COCA.** From June 6-11 I attended the Canadian Organization of Campus Activities’ national conference in Ottawa. The conference was informative, educational, and a whole lot of fun. If you have an interest in campus programming and marketing, come see me. I'll be happy to talk shop with you and/or print you a copy of my report.

**Week of Welcome.** The Week of Welcome Planning Committee (WOWPC) has come up with a theme for WOW. This year’s WOW will be named: “100 years from WOW.” The focus will be a retrospective view of student life for the past 100 years, while, at the same time, looking forward to our next 100 years. WOWPC, Kristen, Christine Rogerson (Senior Manager of Programming), myself, and the rest of the SL team will be working hard to bring students some fresh and fun events at this year’s WOW. We’ll be starting our active volunteer recruitment sometime in August. I look forward to seeing you all out for something that I like to call, ‘campus community outreach’ AKA beer gardens security.

**Sustainable 2-900.** One of my major projects for the summer will be to build a report of recommendations to “green up” 2-900. This will include encouraging sustainable behaviours from executive and staff, as well as ethical purchasing.

**Alcohol Awareness.** I am currently working with Christine and Kristen to introduce some alcohol awareness initiatives to our campus. We’d like to assert the importance of having a plan for getting home after a night on the town, and knowing when to draw the line. Also, we’ll work on discouraging people from driving under the influence after on-campus licensed events. This might come in the form of an event at WOW, more promotion of the SU's “dry” events (like movie nights), an informational pamphlet, and increased promotion of Parking Services' “Steer Clear” passes.

That's what has been going on, and what will be going on until September. If you’d like me to elaborate on anything, or have any questions, come and see me up in the pod (2-935 SUB), or fire me off an email at avpsl@su.ualberta.ca
