Council Scholarship

35. There will be a council scholarship awarded at the last council meeting of the summer, fall and winter trimesters. There will be two awards of $500 each trimester, for the nominated councilors who are ranked first and second by students council in the preferential ballot system.

36. The Criteria for the award is:
   a. Excellent attendance;
   b. Are active on committees;
   c. Ambassador of Students' Council in the campus community and attempts to further empower students;
   d. Represents their constituents' opinions and concerns in Students' Council matters.

37. Councillors must be nominated by a fellow voting member of council with two (or more) supporting signatures from council members. Nominators must submit a brief no more than one page, justification why the councilor deserves to be nominated. The Speaker, General Manager, and Executive are not eligible for this scholarship. Councillors may nominate as many other councillors as they wish throughout the year. Councillors may be nominated and may win the award multiple times.

38. Nominations must be presented to the speaker by the end of the second last Students' Council meeting of the year. The selection will take place at the last council meeting of each trimester. After the application deadline, the Speaker will present the names and a copy of the nomination pages to council. The council members will have time to read the nomination forms, but there will be no debate. Council as a whole will vote anonymously by preferential ballot which member should receive the award. The councillors with the first and second highest amount of votes then receive the scholarship. Ties will be decided by a coin toss officiated by the Speaker.

39. All councillors nominated will receive a certificate from the Students' Union as well as a copy of the submitted nomination form. These will also be made available on the council page of the website.
Hello Council:

I would first like to thank everyone that has been coming out to CAC meetings! We have often had 10+ attendees which is great! CAC is an awesome place to bring controversial issues and discuss them in an informal debate setting. It allows those who are particularly interested in or affected by certain issues to really “hash things out” but not be too constrained by formal debate rules. If you have a topic you’d like to bring to CAC e-mail me (also cc Nicole/Catherine) and we’ll get the ball rolling.

CAC unanimously agreed (10/0/0) to recommend to council the two bills you see on the main agenda. The motions on the main agenda package are a bit wonky grammatically so I will be moving to amend the bills to the following:

**DUNN/SETH MOVES THAT** upon the recommendation of CAC, Students’ Council approve Bill #4 in first reading:

---

Principles:

That the definition of a short term proxy be: has attended 1 meeting or has been appointed for 1 meeting.

That the definition of a long term proxy be: has attended at least 1 meeting and has been appointed for at least two consecutive meetings.

Based on the aforementioned definitions, a long term proxy may serve as a proxy at the committee level during their term as a long-term proxy.

**DUNN/SETH MOVES THAT** upon the recommendation of CAC, Students’ Council approve Bill #5 in first reading.

---

Principles:

That voting members be permitted to teleconference/videoconference into committee meetings at the Chair’s discretion, except under conditions in which the committee is in camera.

---

Hope everyone had a wonderful long weekend!

Warmest regards,

Rachel
1. Great Teaching

The work on the academic plan continues. Now, the academic plan features an entire section as a commitment to great teaching.

2. COFA: Council of Faculty Associations

Gold Star for Councilor Chin. As my vision of the Students’ Union acting as a central HUB for the mentorship of Faculty Associations comes further into light, Councilor Chin helped me mentor the NUA as they take their tremendous Faculty Association forward financially. Also, we are at work branding the council of faculty associations, and in dialog with many different stakeholders about developing an infrastructure to support COFA in the long-term.

3. Undergraduate Research

4. Textbook Price Freezes

Excellent progress! This week meeting with UTS to talk about how we can prove that the changes our textbook analyst is showing us that the publishers make, do not contribute to a stronger learning experience. Very, very pleased with this progress.

5. Make the Academic Experience an Access Issue

Sitting down this week with Vice President Eastham to chat about goals, keep me honest on this one, cowpokes.

6. Open the Portfolio

7. Academic Advising

Meeting with all stakeholders considered stakeholders by the registrar to begin talking about the centralization of student services in a ‘welcome centre’ as proposed in our academic plan.
8. Non-Traditional Student Communities

Our conversations around a proper support system and infrastructure quickly moved towards support for international students. Still waiting to hear back from iHouse, but am in the process of arranging a meeting with Britta Baron, Vice President International, to talk about the future of this infrastructure and how we can collaborate.

New!

I am hard at work on, the establishment of a journalism school, a new arts building, and getting free access for students to smart classrooms! Care about these issues! Let me know!
