STATEMENT OF RENEWAL
Proposal for the renewal of our Faculty Association Membership Fee (herein, “the Fee”) for the Business Students’ Association (herein, “the BSA”) which serves as the Faculty Association for the University of Alberta School of Business (herein, the “School of Business”).

Purpose: The membership fee is proposed based on the following rationale: The BSA has progressed as a Faculty Association to the point where the organization is currently offering significant academic support and growth opportunities for its members. Therefore, the fee will be used for three purposes.

Firstly, the BSA sees importance of the other business clubs and their ability to provide students with learning opportunities outside of the classroom. Business clubs provide a wide variety of topics for business students to focus on and as a result, a large portion of the Fee is used to support these clubs.

Secondly, the BSA strives to help the School of Business to be well represented to other business schools across the country. As a result, another significant portion of the fee is set up in the form of a conference fund that allows students to access financial support to go on conferences and represent the School of Business.

Lastly, the BSA values the wellness of students at the School of Business. The BSA hopes to include all business students in wellness initiatives in order to assist them in alleviating any stress or tension that is discouraging them from performing in school at their full potential. As a result, the remainder of the Fee will be set up said initiatives within the School of Business.

Amount: The amount of the Fee shall be changed from $7.50 per student per semester for all Business students to $10.00 per student per semester for all Business students starting in Fall 2016.

Timeline: The Fee shall start in Fall 2016 and continue until the maximum of 4 (four) years have elapsed.

Scope: A Business student shall be defined as anyone enrolled in the School of Business and is a member of the BSA as per the BSA Bylaws. The Fee shall
apply to all undergraduate students, both full-time and part-time, in the School of Business. This does not include any semester for which the student is placed in a work term as a part of the School’s Cooperative Education Program.

**Allocation:** The money received from the Fee shall be prioritized for disbursement based on several criteria ranked as the following:
1. Academic benefit
2. Maximizing benefit for the greatest number of individuals
3. Proven financial need
4. Promotion of the School of Business and its Departments
5. Impact and breadth of reach (applicable to wellness initiatives)

Once the Fee is collected, it shall be placed in an account that is separate from the BSA’s operating account and will only be used for the three purposes mentioned above.

**Eligibility:** Any member of the BSA, as dictated by its Bylaws, is eligible to receive moneys from the fund. Business clubs, including departmental and non-departmental, as well as Faculty sponsored conferences and events are also eligible to receive funding. Students who choose to refund their contribution to the Fee will not be eligible for conference funding.

**Refund Mechanism:** The Fee, or any individual’s portion of it, may be refunded upon student request. Refunds will only be provided for the semester in which they are currently enrolled. The student will be required to complete a form by stating that they have received a refund and all refunds will be tracked in order to ensure that double refunds are not granted. All forms will be maintained in a locked filing cabinet for a period of at least one year. Along with the completed form, the student must submit an official proof of enrollment signed by the Office of the Registrar. Refunds may only be granted with signed approval of the BSA VP Finance and the BSA President.

**Management:** All funds are to be managed by the Fund Administrator, known as the Student Activity Fund Director. The Fund Administrator will be responsible for tracking all disbursements, refunds and requests for funds. The BSA President and the BSA VP Finance shall serve as the sole signatories
on the fund’s bank account. The Fund Administrator will be selected by the same process as the other directors of the BSA are selected, which is through an application process, with the final decision coming from the BSA Executive Council. The Fund Administrator will handle requests for funds and all disbursements will require approval of the BSA Executive Council as outlined under the BSA’s bylaws.

The BSA thanks you for your time and commitment regarding the BSA Fee. If you require any additional information with regards to the BSA Faculty Association Membership Fee, please contact the writer, Lindsey Oh, at lindsey.oh@ualberta.ca.

CONFERENCE FUND APPLICATION PACKAGE
BSA Conference Fund
2016/2017 Application

I understand that…

1. The BSA Conference Fund can only be used to reimburse conference related expenses.

2. University of Alberta Bachelor of Commerce students are eligible to access the BSA Conference Fund once a school year. Only the following expenses can be approved (to a maximum of $500 per University of Alberta business student, per school year):
   - Delegate Fee – 100 %
   - Travel Expenses (if not included in Delegate Fee)
     - Flight/Bus Tickets - Up to 75%
   - Accommodation (if not included in Delegate Fee)
     - Hotel/Motel/Hostel – Up to 50%

3. Conferences hosted by the University of Alberta will not be eligible for reimbursement (i.e.: RMBS, EDGE, NEW).

4. Each conference has been limited allocated spots and that eligibility does not guarantee approval. Funds are limited so students are encouraged to apply early. Successful applicants will be chosen based on the strength of their essay responses and evidence of the respective conference aligning with educational or professional aspirations.

5. Inappropriate or unprofessional delegate behaviour gives the BSA the right to revoke reimbursement (refer to Pledge and Code of Conduct, page 2).

6. Approved expenses will only be reimbursed if accompanied by respective receipts that clearly list student name and expense amount.

7. In order to receive reimbursement, students must submit the electronic Conference Fund Application to bsa.finance@ualberta.ca and the post-conference form along with approved expense receipts to the BSA office (2nd floor, Business Building), within 10 days of conference return date. Failure to follow the procedure and/or incomplete applications may result in loss of reimbursement privilege.

I have read and am in accordance with all of the statements above.

BSA Conference Fund
2016/2017 Pledge and Code of Conduct

Students attending a BSA Approved Event or Conference using funding obtained from SAF, BSA Conference Fund, or BSA (hereinafter “BSA Approved Event”) are required to meet all of the standards of this agreement and are bound by the provisions of the University of Alberta Code of Student Behaviour in its entirety.

This Pledge and Code of Conduct applies to all students attending a BSA Approved Event, regardless of their home institution, and applies to any BSA Conference, lodgings, restaurant, or any other venue that is attended by the student.

Students are asked to refer to the entire Code of Student Behaviour at:
http://www.uofaweb.ualberta.ca/gfcpolicymanual/content.cfm?ID_page=37633#38305

Please read all of the following pages and initial every page. You will be held responsible for knowing the expectations and terms of the following pages. These are all excerpts from the General Faculties Council (GFC) Policy Manual – section 30. Code of Student Behaviour combined with the expectations set forth by the BSA 2015-2016 Executive.

These excerpts are chosen based on their relevance and are provided to simplify the Code, not abolish parts of it. Students that agree to the BSA Code of Conduct are agreeing to all parts of the Code and the disciplinary measures as outlined below. Editorial changes that have been made to the Code in the following excerpts are there only to provide direct application to the BSA Approved Event. Students are bound by BOTH the discipline outlined in the Code of Student Behaviour AND by the discipline outlined in this document.

1.6 These bylaws govern the BSAF account and BSAF Director.

2.0 Amount
2.1 The amount of the Fee shall be $10.00 per student per semester for all Business students.

2.2 The FAMF funds will be collected on behalf of the BSA by the University of Alberta Students’ Union.

3.0 Lifetime
3.1 The term of the FAMF is four years, barring any event that would dictate otherwise. Such events include an opposing referendum that adheres to Students’ Union guidelines, the ceasing of the BSA as a Faculty Association, or a clear misuse of funds as determined by Students’ Union or the School of Business.
3.2 Any increases to the amount shall be enacted only upon a referendum that adheres to Students’ Union bylaws. To prevent successive increases and referendums, no referendum shall be held within three years of the current referendum passing.

4.0 **Scope**
4.1 The FAMF shall apply to all undergraduate students, both full-time and part-time, in the School of Business. This does not include any semester for which the student is placed in a work term as part of the School’s Cooperative Education Program.

5.0 **Allocation**
5.1 The moneys received from the fee will be placed in a separate account from the BSA’s normal operating expenses.

5.2 The BSAF Director will review all applications for funding requests from this account and the VP Finance or President will approve all decisions.

5.3 The funds in this account will be disbursed in the following order:
1. An initial equal amount, which is to be determined by the BSA Executive and BSAF Director, will be made available to all clubs registered with both the Students’ Union and the School of Business to support their initiatives. Club Funding shall be made available to all qualifying clubs through an application process with a pre-determined deadline. Funding shall be granted upon the successful review of a supplementary funding application, which must be approved by the BSAF Director, VP Finance and President.
2. Funds will also be allocated for the Conference Fund and will be disbursed through an appropriate application process and review by the BSAF Director.
3. The remaining funds shall be used for Student Wellness Initiatives that will be available to all students in the Faculty who have paid the FAMF. Any activity that is considered to be promoting student wellness is subject to approval by the BSA’s Board of Advisors.
5.4 The allocation of the funds for each of the above categories of disbursements will be at the discretion of the BSA Executive and the BSAF Director and is subject to approval by the BSA’s Board of Advisors.

5.5 Any surplus from the Fee will carry over into the next year and be used as part of that year’s BSAF allocations.

6.0 Eligibility
6.1 Any member of the Business Students’ Association who has paid the FAMF, as dictated by its Bylaws, is eligible to receive money from the Conference Fund, with the following exceptions:
   1. Members of the BSA Executive
   2. Students who are placed on a work term as part of the School’s Cooperative Education Program
   3. Any student who has accessed the Conference Fund in the current school year, as defined by the University (beginning in May and concluding in April)
   4. Any student that has received a FAMF refund in the current term

7.0 Refund Mechanism
7.1 The Fee is available for individual opt-out. The Fee, or any individual’s portion of it, may be refunded upon the request of the student. Refunds will only be provided for the semester in which the student is currently enrolled.

7.2 The student will be required to give the BSA confirmation, in writing, that they have received a refund and all refunds will be tracked by the VP Finance to ensure double refunds are not granted. Additionally, students will be required to present Proof of Enrolment verified by the Office of the Registrar. All forms will be retained for a minimum of one year.

7.3 All refunds must be approved by the VP Finance and President.

8.0 Management
8.1 The funds are to be managed by the BSAF Director, who will be responsible for tracking all disbursements, refunds and requests for funds, which includes both Club Funding and Conference Funding applications. The
VP Finance and President will serve as the sole signatories on the fund’s bank account.

8.2 The BSAF Director will be selected through the interview process set forth by the BSA Executive and their sole task will be to manage the BSAF account. The BSA Executive must approve all decisions made by the BSAF Director before disbursements are given.

9.0 Financial Oversight
9.1 The BSAF Director will compile a statement of disbursements at year-end for the BSAF account. The BSA Executive will approve these statements and compile a report for the Students’ Union indicating how moneys have been spent in accordance with the requirements of Students’ Union bylaws.

10.0 Review of Conference Fund Applications
10.1 The BSAF Director and the BSA Executive will establish the criteria to be used in the review of Club Funding and Conference Funding applications.

10.2 Potential criteria for Conference Funding applications may include, but will not be limited to the following:
   1. A determination of financial need, based on the information provided in the application
   2. Academic and personal benefit to the student
   3. Benefit to the Alberta School of Business and the BSA
   4. Previous reimbursement from the Conference Fund
Hi everyone!

I apologize for not having much to report on since I was away for vacation in Vancouver for the past 10 days during Fall Reading Week. Hope all of you had a wonderful time off :) 

**Advocacy**

Leila (Lister Student Representative) and I were tabling yesterday at Lister to talk to students about any concerns they have with their residence experience! Please help us spread the word, we will be tabling every Monday from 4-5PM.

**Council and Governance**

VP Rahman and I met with some GFC councillors yesterday at GFC Caucus to discuss the agenda of our next upcoming GFC meeting on the 23rd. There were some good discussions going on between everyone on some of the best experiences we’ve had as students, as well as some barriers that has stopped us from getting more involved with our campus. It was nice to hear everyone’s thoughts and great to see that most of us were on the same page.

**Access and Communications**

Microwave orders for Nursing Undergraduate Association and Medical Students’ Association have been submitted. They will be expected to arrive in the next week!

**Student Groups and Associations**

This past Sunday, I’ve had the opportunity to meet with the Residence Hall Association members to discuss the 10 year Residence Strategic Plan document, which includes some major changes in many residences, as well as additional expansions of existing residences such as a new Lister tower. It was also the first meeting where we adopted the new Terms of Reference where the member composition is strictly all student representatives. We had a great 3 hour long meeting with many constructive feedbacks regarding the Strategic Plan document, Residence Feedback Form, and other concerns that have been ongoing within several residences that require immediate attention. We also had the opportunity to rename Residence Hall Association to Council of Residence Associations, an SU advisory committee that is dedicated to advocacy preparation and residence specific concerns.

It has also come to my attention that the President of the International Students’ Association has resigned from her position, the reason was unknown. The treasurer has been appointed as the new President. I am hoping to find a time to sit down with the executive team to chat and figure out if
there are any areas that they would require support in, such as transition and the association’s direction in the next few months. I have met with the staff from University of Alberta International, and discovered that they have had this student advisory committee known as International Students’ Advisory Committee (ISAC) that has been ongoing for 5 years. I am hoping to explore ways that ISA and ISAC can collaborate together in the future and make advocacy more efficient when reaching out to international students.

Events

As I’ve mentioned earlier, I have been on vacation in Vancouver for the past 10 days! It was such a great bonding time for me and Nicholas, my predecessor. We promised not to talk about work on this trip but 90% of the time we ended up talking about work. We even “institution-hopped” to Simon Fraser University to meet with our counterparts and see how the health services/system work overall for post-secondary institutions in British Columbia. I wish we had more time so we can hit up UBC too. Overall, it was an amazing trip. My wallet and bank account cried a little bit but it was worth the time. I hope all of you had an amazing Fall Reading Week as well!
Byeeee now,
