Council Chambers, University Hall

We would like to acknowledge that our University and our Students’ Union are located on Treaty 6 Territory. We are grateful to be on Cree, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students’ Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge continuing colonial violence and respect Indigenous knowledges and traditions.

ORDER PAPER (SC 2016-18)

2016-18/1 SPEAKERS BUSINESS

2016-18/1a Announcements - The next meeting of the Students’ Council will take place on Tuesday, February 7, 2017 at 6:00 PM at the Augustana Campus.

2016-18/2 PRESENTATIONS

2016-18/2a Canadian Alliance of Student Associations Overview. Presented by the CASA Executive Director Michael McDonald.

The Canadian Alliance of Student Associations (CASA) represents the interests of over 250,000 Canadian students across Canada. CASA includes representation from undergraduate, graduate and college students from British Columbia to Prince Edward Island, and advocates to the federal government. It is a democratic, member-driven organization that promotes affordable, accessible, innovative post-secondary education of the highest quality. CASA has demonstrated success in past advocacy efforts, and will give an overview what we are advocating for now.

2016-18/2b SU Executive Goals’ Progress Update to Council. Presented by the SU Executive. Sponsored by President Rahman.

The SU Executive is well over half complete our term, and have taken time to reflect on the progress seen for student priorities this year. We have also identified some obstacles in our initiatives, and will be giving an update on what our focuses will be for the remaining few months of our terms.

2016-18/3 EXECUTIVE COMMITTEE REPORT
BASHIR MOHAMED to VP BANISTER:

In the last open forum, you mentioned that the requirement for the leadership college to reach 1/3 of students was only briefly mentioned in a 2013 presentation.

This is incorrect. The promise was a key aspect of Indira’s pledge and was promised repeatedly by Student Union executives in 2013 - 2014 and 2014 -2015.

Source: 

My question to you are as follows:

1) Why were you unaware of these recent commitments?
2) What is the reasoning for no longer reaching this target?

VP BANISTER’S RESPONSE:

Thank you for the question. As you will recall, at the last council meeting when you inquired about the status of the Peter Lougheed Leadership College’s original claim to reach ⅓ of students, I responded that I have not heard that claim since I have taken office and that it would be best to follow up with PLLC administration.

I was aware that the commitment to reach ⅓ of students was outlined in former President Samerasakera’s pledge as well as the history of the Students’ Union advocacy efforts on this issue. I did not cover the history of PLLC advocacy because that was not within the scope of your oral question.

As mentioned in my oral response, the PLLC administration are best equipped to respond to this question, as they handle the long term strategic outreach plan for the college. As such, I will be sure to raise this point at a future meeting with the PLLC administration.
2016-18/5b  **BASHIR MOHAMED to EXECUTIVE COMMITTEE:**
The Vice Principal of the PLLC said that ‘SU administrators’ meet with students at the college twice every term to gain feedback from students. Who are these administrators and how/when was this agreed to?

**VP BANISTER’S RESPONSE:**
Thank you for the question. The statement made by the Vice-Principal of the PLLC, in an interview with The Gateway, was misleading. The Peter Lougheed Leadership College (PLLC) has hired individuals who work in the Students’ Union leadership portfolio as independent consultants, outside work hours, to facilitate feedback from PLLC students. This process is not affiliated with the Students’ Union as the individuals who facilitate the process are not working in their official capacity as an employee of the Students' Union.

2016-18/5c  **BASHIR MOHAMED to VP SANDARE:**
Have you ever been to a protest? If so, what was it about? (NOT including the rally to re-prioritize post-secondary education)

2016-18/5d  **BASHIR MOHAMED to VP PACHES:**
I don’t have much to ask you tbh. However: Can you name three consecutive days without using the words Wednesday, Friday, or Saturday?

2016-18/5e  **BASHIR MOHAMED to VP GHOSSEIN:**
What is being done to combat the outrageous rent proposed by the PLLC residence?

2016-18/5f  **BASHIR MOHAMED TO COUNCILLOR ANGUS:**
One of your platform points was to raise awareness on scholarships and bursaries by putting it in one central spot. What is the progress on this platform commitment?

2016-18/5h  **BASHIR MOHAMED TO COUNCILLOR NDATIRWA:**
One of your platform commitments was to have a social media campaign to ask students why they were not voting or their general apathy. What is the progress on this platform commitment?

2016-18/5i  **BASHIR MOHAMED TO COUNCILLOR DEJONG:**
One of your platform commitments were to hold regular townhalls with the student body. What is the progress on this platform commitment?

**COUNCILLOR DEJONG’S RESPONSE:**
I have made no progress on this platform point this year.

2016-18/5j  **BASHIR MOHAMED TO COUNCILLOR LILLO:**
As a new member of council, what is one thing you hope to accomplish by the end of your term?
**BASHIR MOHAMED TO COUNCILOR MONDA:**
I wasn’t able to find your platform anywhere. What do you think has been your biggest disappointment this year? (in terms of things that you were not able to accomplish).

**BASHIR MOHAMED TO COUNCILOR LARSEN:**
One of your platform commitments were to make events on campus more large scale. What is the progress on this?

**COUNCILOR LARSEN’S RESPONSE:**
Thank you for the question Bashir. I continuously give my time and ability to reach as many people as possible, especially in the Arts, and to promote Students Union events in particular. I do so by creating novel social media messages, attending events, and making my support vocal. I have remained in contact with OASIS, our faculty association, to attend and promote events they host. I have volunteered time on GovWeek Advisory Group, which reached a significant amount of students. I continue to promote Students Council meetings, pointedly online and through social mediums, and was happy to assist Councillor Monda in setting up an official live stream of Students Council. In short, progress thus far has been slow but consistent, and I will continue to promote our events to the limits of my ability and find ways to grow them in scale.

**QUESTION PERIOD**

**COUNCILLOR MONDA to VP PACHES:**
The Student Group Executive VIP Card grants a discount at SU food & beverage locations in addition to SUBPrint. Why does the Council discount card not include SUBPrint?

**VP PACHES’ RESPONSE:**
Thank you for the question Councillor Monda! The council discount card does not include SUBPrint because none of our discount cards that are intended for personal benefit include SUBPrint. The Student Group Executive VIP Card is intended for clubs as a whole to access discounted printing. Each club only receives two, we do not give one to each club member. The intention is club benefit, not personal. Personal benefit cards include staff, council and volunteer cards. In addition to the intention of these cards being a “thank-you” to those close to the SU, and us viewing food & beverage as the most direct personal benefit, there is a more technical reason as well. There is a real cost behind providing these discounts, and SUBPrint’s point of sale system does not have the capability to charge discounts that do not have a direct budget code (this includes council discounts). Student Group cards are charged to SGS, and staff/volunteer are charged to their respective department. If anyone is looking for cheaper printing at SUBPrint, I encourage you to use the “20% off your next purchase” coupon in the SU student handbook!
2016-18/6b  **COUNCILLOR LARSEN to VP SANDARE:**
Can the VP provide the current budget and expenses incurred for EMPfest?

2016-18/6c  **COUNCILLOR LARSEN to EXECUTIVE COMMITTEE:**
EMPfest was launched on the personal Facebook account of VP Sandare. Can a member of the Executive Committee comment on why this exemption from Operating Policy (as listed online and below) occurred?

7 Communications & Marketing 1(e)
Statements on social media may be made as follows:

The Senior Manager (Marketing & Communications), or designate, may interact on social media on behalf of the Students' Union.

Each department head, or designate, may interact on social media on behalf of their respective department, provided the subject matter pertains to their area of responsibility.

8 Information Technology (a)
Wherever possible, electronic communications to or from Students’ Union staff and volunteers shall take place using official accounts issued by the Students’ Union.

**PRESIDENT RAHMAN’s RESPONSE:**
Hello Councillor Larsen,

We consider each of the executives as a head of their own executive portfolio, each of which are their own department, which is why VP Sandare created a Facebook event through his personal account. This practice was also seen earlier in the year with VP Banister creating an event for the Interdisciplinary Conference, as both of these events were directly tied to their respective executive portfolios. This was also seen during the 2014 - 15 year, where then-VPX Navneet Khinda created a set of Facebook events for the Project Feminist University initiative through her own Facebook account.

Where appropriate, we try to leave social media interactions to our Marketing and Communications department. An example of this was the Facebook event for the US elections party at Dewey’s this year, which was handled in coordination between Marketing and Communications and our Business Development Manager.
COUNCILLOR LARSEN to PRESIDENT RAHMAN as the Executive Committee Chair:
Distinguishing between the public Facebook pages of Executives which are explicitly tied to the Students Union (ex. Marina Banister UASU VP Academic) and personal Facebook accounts:

Are the Executives private Facebook accounts to be considered "official accounts of the Students Union"? If they are not, are they consider official designates of the Students Union?

PRESIDENT RAHMAN's RESPONSE:
Personal accounts of the SU Executives are not official channels or accounts of the Students' Union, even though they have been used heavily in the more recent years to get messaging out to students. All of the executives are aware that comments they post on social media can be taken as representative of the entire organization, regardless of whether that is their intent or not. I do not consider serving as an Executive as a "9 to 5" job, which is one contributing reason to why our personal social media accounts are used to inform students of our organization's activities. That is supplemental all to the official accounts of the Students' Union.

COUNCILLOR LARSEN to PRESIDENT RAHMAN as the Executive Committee Chair:
It was the councillors understanding that Department Heads were Management Positions, not Term Positions, apologies for the misunderstanding:

Can operating policy be updated to make clear that the Department Head description applies to Students Union Executives?

PRESIDENT RAHMAN's RESPONSE:
I will discuss the potential changes to our operating policy suggested here with our General Manager.

COUNCILLOR LARSEN to PRESIDENT RAHMAN as the Executive Committee Chair:
If Executive committee members are to be considered Department Heads, and their personal accounts to be considered "official accounts of the Students Union" or they are to be considered official designates of the Students Union:

Will the Executive Committee be conforming to Students Union political policy in all communications from these accounts? Is there a social media strategy for these accounts, including a method for turnover of official accounts at the end of term?
**PRESIDENT RAHMAN’s RESPONSE:**

Even if an executive makes a comment about an external stakeholder or contradicts policy that is not necessarily within their portfolio, they all understand that, as the official representatives of the Students' Union, their comments can be construed as such. We are encouraged to be responsible with personal social media usage while serving as representatives.

Our official accounts are turned over to incoming executives at the end of term. Personal accounts are not turned over as once the executive transition is complete, they are no longer the account of an official representative for the Students' Union.

Interdepartmental Science Students' Society (ISSS) FAMF Referendum Question

CHRISTENSEN MOVES to approve the ISSS FAMF referendum question, on the recommendation of Bylaw committee, as listed below.

This referendum question is for the renewal of the Sci5 Faculty Association Membership Fee (FAMF). The Interdepartmental Science Students’ Society (ISSS) collects this fee to support science student groups, science specific initiatives, and advocacy efforts within the Faculty of Science.

The conditions of the fee shall include:
1. It shall be distributed according to the framework approved by the University of Alberta Students’ Union, Students’ Council and is subject to the oversight of the Audit Committee.
2. The same fee will be applied to full time and part time students.
3. This fee will not be charged to off-campus students, as defined by the University Calendar.
4. Students may opt out of this fee on the ISSS website with a refund provided by cheque for each semester opted out of.

*Do you support the Sci5, a $5.00 fee per student, per semester in the fall and winter semester?*
Augustana Students' Association (ASA) FAMF Referendum Question

CHRISTENSEN MOVES to approve the ASA FAMF referendum question, on the recommendation of Bylaw Committee, as listed below

The Augustana Students' Association (ASA) is the student representative association for Augustana Campus. As a student at Augustana, you are currently charged a faculty association membership fee of $65.00 in each of the fall and winter semesters. You are voting in this referendum because the fee must be renewed every 5 years.

The conditions of the fee shall include:

1. It shall be distributed according to the framework approved by the University of Alberta Students' Union, Students' Council and is subject to the oversight of the Audit Committee.
2. The same fee will be applied to full time and part time students.
3. Students may opt out of this fee by contacting the ASA.

Do you support the renewal of the Faculty Association Membership Fee for the Augustana Students' Association to be assessed a rate of $65.00 per term for each of the Fall and Winter semesters, with this fee expiring August 31, 2022?

PACHES moves, on recommendation of Bylaw Committee, to amend the UPass Referendum Question as shown:

Edmonton Transit Services (ETS) provides a U-Pass to all students at a lower price than a monthly pass, in order to encourage the use of city transportation among undergraduate students. All undergraduate students pay this U-Pass, and as a result the cost of the U-Pass is lowered for University of Alberta undergraduates.

The current U-Pass deal expires in August 2017, and a referendum is being held to renew the U-Pass. The deal proposed by ETS will see the cost of the U-Pass rise by no more than $5 per year until 2020 - 2021.

The University of Alberta provides a subsidy to further reduce costs to students and has committed to continuing this subsidy. The current cost of the U-Pass to other institutions is $170 while University of Alberta undergraduates pay $141.67.
The U-Pass will cost University of Alberta undergraduates, after subsidy, $145.00 in 2017-18, $148.00 in 2018-19, $153.00 in 2019-20 and $158.00 in 2020-21.

The conditions of this fee shall include:
1. Students can not opt-out of this fee.
2. This fee will not be assessed to Augustana and off-campus students, as defined by the University Calendar.

3. Under certain circumstances, some undergraduate students would be exempt or eligible to opt-out of the U-Pass program. Click here for an excerpt of the draft agreement

Do you support a fee of $145.00 in 2017 - 2018, $148.00 in 2018 - 2019, and $153.00 in 2019 - 2020 and $158.00 in 2020-2021 per term for full time and part time undergraduates to continue the Universal Transit Pass (U-Pass) at the University of Alberta?

The proposal for the renewal of our Faculty Association Membership Fee (herein, “FAMF”) consists of two parts. The first component of the FAMF goes towards the Canadian Nursing Student Association Membership fee (herein, “CNSA Fee”), and the second goes towards the Nursing Undergraduate Association Membership Fee (herein, the “NUA Fee”) in which the Nursing Undergraduate Association (NUA) serves as the faculty association for the University of Alberta Faculty of Nursing (herein, “the Faculty of Nursing”).

**Purpose:** The membership fee is proposed based on the following rationale:

The NUA has exceedingly progressed as a faculty association in accordance with the Canadian Nursing Student Association as a devoted chapter member, offering significant academic support and growth opportunities as well as development in terms of personal leadership potential and social engagement within the Faculty of Nursing and through opportunities with the CNSA. Our current FAMF is divided into paying the CNSA Fee and the NUA Fee. The annual fee is described in the table below:

<table>
<thead>
<tr>
<th>Student Type</th>
<th>Canadian Nursing Student Association Membership Fee</th>
<th>Nursing Undergraduate Association Membership Fee</th>
<th>Total Fee Amount (Annually)</th>

<tbody>
<tr>
<td>Part Time Student</td>

<td>$8.50</td>
</tr>
<tr>
<td>Full Time Student</td>
<td>$10.00</td>
<td>$2.50</td>
<td>$12.50</td>
</tr>
</tbody>
</table>

We propose a $2.50 increase in our NUA fee resulting in an annual total of $5.00. Our CNSA membership will not change. This will result in an annual fee of $15.00 for full time students and $11.00 for part time students. We seek to increase the FAMF for the following purposes. Firstly, the NUA strives to provide nursing students with academic opportunities for student success through educational sessions and events such as our mentorship program. We see the importance in student involvement in nursing conferences including but not exclusive to CNSA in order to promote networking and broaden student learning, engagement, and collaboration. We value the importance of assisting our graduating students financially with temporary loans for graduation planning, as we understand the difficulty in fundraising during the fall semester and would be used to help venue booking with the requirement of being paid back in full, and hope to provide scholarship money for students displaying exceptional leadership capabilities. We hope to continue fostering a healthy relationship with the Graduate Nursing Student Association (herein, GNSA) through future mentorship opportunities. Finally, the NUA strives to positively represent the Faculty of Nursing in light of other nursing schools in the development of exceptional students, citizens, and future nurses.

**Amount and Timeline:** The ‘amount’ of the ‘fee’ shall be increased from $12.50 annually for all Nursing Undergraduate Association full time members to $15.00 and from $8.50 for part time students to $11.00 starting in Fall, 2017 and continuing for a maximum of 4 years.
Scope: A nursing student is anyone enrolled in the Faculty of Nursing and is a member of the NUA as per the NUA bylaws. The fee shall apply to all undergraduate students, both full time and part time in the ‘Faculty of Nursing’. This includes students’ fast tracking and those in their final preceptorship.

Allocation: The money received from the ‘fee’ will be prioritized for disbursement based on the following criteria (see pages 9-10 for breakdown):
1. Academically benefiting programs for students (See Appendix A)
2. Academically benefiting conference opportunities (See Appendix B)
3. Scholarships for demonstrated leadership in nursing (See Appendix C)
4. Donations to worthy philanthropic initiatives

Eligibility: Any member of the NUA as dictated by its bylaws, is eligible to attend the educational sessions, and apply for conferences and scholarships.

Refund mechanism: The ‘fee’ or any individuals’ portion of it may be refunded upon student request. Refunds will only be provided upon student request. The student will be required to complete a form stating that they have received a refund and all refunds will be tracked in order to ensure that double refunds are not granted. All forms will be maintained in a locked cabinet for a period of at least one year. Refunds may only be granted with signed approval of the Vice President Finance (herein, VP Finance) and the NUA President.

Management: All funds are to be managed by the VP Finance who will be responsible for tracking all disbursements, refunds, and requests for funds. The VP Finance, the NUA President, and the VP Academic will be the sole signatories on the funds bank account. Requests for funds will be handled by the VP Finance and all disbursements will require approval of the NUA Executive Committee.

The NUA membership opt out form can be found in our open access FAMF folder on your google drive.

The NUA extends our thanks and gratitude for your commitment regarding the NUA fee. If you require any additional information with regards to the NUA Faculty Association Membership Fee, please contact the writer and president, Marnie Colborne at (403) 604-6405 or mcolborn@ualberta.ca or NUA VP Finance Brandon McIntosh, bmcinto@ualberta.ca
Dear Nursing Students,

As some of you may be aware, there is a small Faculty Association Membership Fee that comes from your tuition and goes directly towards your Canadian Nursing Student Association (CNSA) membership and Nursing Undergraduate Association (NUA) membership. It is $10.00 annually for your CNSA membership as a full time student, $6.00 annually for a part time student, and $2.50 for your NUA membership, regardless if you are a full time or part time student. The fee is up for renewal and NUA proposes to increase the NUA fee up to $5.00 for both full time and part time students.

Our consultations, which will be sent out shortly, will give you a chance to show your support or voice your concerns or any questions you may have in regards to the FAMF renewal.

**What will the increase fee funds be used for?**

The money generated will be allocated to more financial assistance with academic programs, to provide for funding for a conference that may or may not be a CNSA conference for a student that is not an NUA executive or NUA year representative assessed by NUA, in accordance with a pre-determined submission criterion, scholarships of up to $1000 dollars depending on applications submitted by students in that year demonstrating active leadership, service and scholarship in nursing, and finally an annual donation to a philanthropic initiative dependant on NUA’s partnerships and initiatives for that year. Please refer to our FAMF document which will also be sent to via email and is made available on our website/facebook page.

**Does the NUA use the fee in their budget?**

The increase in funds will be allocated toward the above set of initiatives proposed by the NUA. The increased funds will not be used in the operating budget for the NUA unless an unforeseen crisis occurs that places the NUA in unfavourable financial circumstance.

**Why we need you!**

We need nursing students’ support in all nursing programs to renew and increase the fee. This increase is imperative to help support and develop NUA educational activities, support students’ academic growth through conference attendance, recognize and foster the importance of leadership, service and scholarship both in nursing and in the undergraduate level, and finally, to contribute to community services and need through an annual financial donation. Without the increase, the NUA will not be able to improve our educational resources, send more students to conferences outside of CNSA conferences, contribute to student success by recognition with a financial award or contribute financial donations to community programs or initiatives that focus on service and development of our community.

Here is our consultation form:

Sincerely,

Marnie Colborne

*Currently NUA has $2500.00 in our budget for CNSA conference funding, however as per constitution, the CNSA Official Delegate and Associate Delegate receive these funds as they are required to attend Regional and National Conferences.

**Currently NUA assists with grad however it is based on the notion that grad will fundraise to cover ALL of the funds. NUA proposes that we assist in this matter going forward. This includes having 33-35% of our increased FAMF in our budget to act as a LOAN for grad funding while we acknowledge that deposits for venues are costly and grad groups may need temporary assistance to secure a venue location.

Appendix A

Academically Benefiting Programs

As a faculty association we believe it is important to support students academically in a variety of ways. As our mentorship program has become much larger we will need the necessary financial support to provide more opportunities for mentors and mentees to meet as well as to fund our annual kick off every year.

NUA hopes to have more funds to arrange for educational sessions with speakers in areas of nursing that students in that year wish to learn more of.
Appendix B

Conference Funding

We wish to have more funds for students to attend CNSA Regional and National Conferences as this is a great way to develop students outside of a classroom or clinical setting. Conferences provide students with the chance to build networking skills, present research, meet other inspirational student leaders and learn more about nursing! We propose $500.00 of funding to go to a student (who is not a part of the NUA) and demonstrates a strong commitment to nursing. All receipts for travel etc. would be necessary for reimbursement.
Appendix C

Leadership Scholarships

The Nursing Undergraduate Leadership Scholarships (totalling amount proposed, $1000.00 per academic year) would go towards nursing students who are active and instrumental in the campus and greater Edmonton community regarding nursing and leadership. The NUA Executive and Council Leadership Committee will determine how many scholarships are produced from the $1000.00. The application will follow a similar process as below:

Applicant must provide:
- CV or resume outlining their academic, leadership and service achievements
- A reference letter with contact information from a referee familiar with applicant's achievements
- A personal statement outlining the patient’s future aspirations and leadership achievements

Rachael Longridge Memorial Scholarship

On December 23rd, 2016 a recent fast-tracking 4th year nursing student, Rachael Longridge, tragically passed away. Rachael was an outstanding nursing student at the top of her class whose love and commitment to nursing shone as bright as her personality. Her enthusiasm and energy is very well known in the faculty. Rachael faced many challenges during her undergraduate degree, such as losing her father to cancer after a long battle during her third year. After this happened she showed up to clinical the next day- an excellent example of her commitment to serving, and caring for her patients. Many of Rachael’s colleagues would describe her as talented, intelligent, compassionate, energetic, hard working and inspiring. A scholarship of $500 is proposed to be given to a student emulating Rachael’s passion and commitment to nursing as to foster and reward committed, empathetic and motivated nursing students to achieve their goals and make a difference just as Rachael did in many of her patient’s lives. The award recipients will be acknowledged on a plaque placed in the NUA office to forever honor Rachael Longridge’s life in the Faculty of Nursing.

Applicant must provide:
- CV or resume outlining their academic, leadership and service achievements
- A reference letter from a referee with contact information, familiar with applicant's achievements and personality traits in regards to their commitment to serving others, their collegiality, love for nursing or caring for others
- A personal essay written outlining the student’s future aspirations in nursing leadership and what nursing means to them

A Scholarship Committee will review the previous documents to determine the award recipient.

Re: ISSS Faculty Association Membership Fee Creation Proposal

Dear Speaker:

On behalf of the Interdepartmental Science Students’ Society, please accept the attached document as the Renewal Proposal for the ISSS Faculty Association Membership Fee (hereafter known as the Sci$; a loose abbreviation for ‘Your Five-Dollar Science Community Investment’), to be presented at the December 6, 2016 meeting of the Students’ Union Students’ Council.

Sincerely,

[Signature]

Karamveer Lalh
President 2016-2017
The Interdepartmental Science Students’ Society
I Purpose

The Interdepartmental Science Students’ Society is an inclusive and transparent science faculty association existing to offer useful services, to connect its diverse membership, and to advocate on behalf of Science students such that they may enjoy an enriching and valuable undergraduate experience.

The SCI 5 Renewal will allow the Interdepartmental Science Students’ Society to continue to fulfill our mandate. The purpose of this proposal is to enable ISSS to continue to collect a membership fee for events, services, advocacy, and support for Departmental and Program Associations as well as other student groups.

II Definitions

The Interdepartmental Science Students’ Society (ISSS, pronounced ‘ice’) is the Faculty Association for the Faculty of Science at the University of Alberta.

Your Five-Dollar Science Community Investment (SCI 5) is the money received from a $5.00 student levy applied to all full-time on-campus and part-time on-campus undergraduate Science students at the University of Alberta.

The Council of Science Student Associations (COSSA) is a body of the ISSS currently comprised of 23 science student groups, including Departmental Associations and Program Associations.

III Proposed Referendum Question

Do you support the renewal of the Sci5 Faculty Association Membership Fee that the Interdepartmental Science Students’ Society (ISSS) collects to support science student groups, science specific initiatives, and advocacy efforts within the Faculty of Science?

IV Amount

Each full-time on-campus student and part-time on-campus student enrolled in the Faculty of Science shall pay $5.00 per semester. Students in a work term as part of the Faculty of Science’s Industrial Internship Program, off-campus students, Visiting Students and Special Students are exempt from the SCI 5. The SCI 5 shall only be levied in the Fall Term and Winter Term.

V Lifetime

The SCI 5 will be collected starting in Fall Term 2017, and will cease after collection in Winter Term 2021. In extenuating circumstances, such as the cessation of the ISSS as a Faculty Association, a successful opposing referendum, and/or a clear misuse of funds as determined by the Students’ Union and/or the ISSS, collection of the SCI 5 will cease immediately.

VI Reimbursement Mechanism

The SCI 5 may be refunded upon individual student request. Refunds will be given to students who have completed the attached Reimbursement Form, which will be available in the ISSS office; or to those who have filled out the Online Reimbursement Form, which will be available on www.isss.ca.
reimbursement forms must be accompanied by a Registration Verification or an Enrollment Verification document, which can be obtained free of charge through a request online via BearTracks or in person via the Office of the Registrar. Refunds will only be made in the semester that the student is currently enrolled, and will not be made after the withdrawal (Grade of W) deadline, as defined by the University of Alberta Academic Schedule. Refunds may only be disbursed with the signed approval of two Executive members on the ISSS with financial signing authority.

**VII Allocation**

Actual allocations vary year over year and are supplemented by income from other ISSS services. Any reallocations of funding would be presented and approved at Semi Annual General Meetings when the organizational budget is endorsed by the science student body – any changes to base allocations outlined in the following table would be once again presented to the Students’ Union to determine if another referendum is required, whereby the ISSS would present an updated proposal.

85% of all funding collected by the fee is returned to Science students as per the below table. The remaining portion (15%) is to be allocated for administrative expenses. Such as, but not limited to: maintaining the office, website, refreshing supplies, organization, and internal events.

**VIII Surplus Management**

All funds collected from the SCI 5 must be first allocated to the completion of the initiatives outlined in the Allocations section. In the event of a surplus on funds as allocated previously, surplus funds will be allocated to an account reserved for improvements to current projects or new initiatives in accordance with the mandate of the ISSS or to the ISSS contingency fund. Funds will only be drawn from the account after going through the proposal process outlined in the ISSS Procedures Manual, including a review by the ISSS Finance Committee and final approval by the ISSS Council. The surplus funds may be allocated in years outside the collection of the SCI 5.

Please see Appendix II for the relevant sections of the ISSS Constitution and ISSS Procedures Manual.

**IX Financial Oversight**

The ISSS reports semi annually to the Students’ Union Audit Committee. This report will include semi annual financial statements, including a comparison of the SCI 5 allocations with actual spending and an appendix with evidence of compliance with Students’ Union bylaws governing Faculty Association Membership Fees. This report will be made publicly available to the ISSS’s membership online.

Please see Appendix II for the relevant sections of the ISSS Constitution and ISSS Procedures Manual.

Re: Students’ Union Council Report #18

Hi Council,

It only took a few weeks, but the semester has gotten busy quickly. I’ve spent a decent amount of time these days handling media interviews on the proposed program closures within Arts, as well as the troubling statistics released by seekingarrangements.com.

Here is an update on my activities since we last met:

1. U-Pass Renewal

Now that the referendum question for a four-year renewal of the U-Pass has been renewed, we are looking for students willing to get involved with the campaign. I’m hoping we can get the word out to as many students as possible about the details of the renewal proposal.

If you know anyone interested in participating in the campaign or who needs more information about it, I’m happy to field questions and direct folks.

2. CASA

CASA’s Federal Policy Committee met recently, where we discussed updating some of the policies that were last reviewed in 2014. The federal government also announced changes to the Canada Student Loans Program that we are reacting to from a policy perspective. Some of our policies were effectively implemented, such as the exemption on summer income for loan assessments, while others will now need to be modified because they were not fully implemented, like excluding spousal contributions in loan assessments.

I also put my name forward to serve on the CASA Board of Directors as Director of Policy, now that the position is currently vacant.

3. Dean of Students Office

VP Ghossein and I had a meeting with the Dean of Students where we discussed many things, including potential next steps on the Lister meal plan.

I sent a letter to the VP Facilities and Operations regarding some of our concerns and comments surrounding the meal plan, and am hoping for a response soon if this item will be voted on at a Board meeting in the near future.

4. Residences
VP Ghossein and I also attended a meeting of the Residence Life Task Force, where we received a preliminary report on the survey collected through the Residence Life Task Force. The information is insightful, but not finalized, which is why we are refraining from drawing any conclusions. There is a chance the Task Force will need to follow-up with stakeholders in case feedback from respondents are unclear.

5. Academic Governance

I attended a meeting of the Academic Planning Committee, where we received updates on the Registrar’s enrolment report as well as the graduate student enrolment report. There was also an update on the budget: our campus was told that Advanced Education is working hard to provide predictable budgets to institutions but they are in a tough financial situation.

A revised version of the teaching-intensive stream report that I have been working on will be discussed at an upcoming meeting of the Committee on the Learning Environment.

6. VP Research Search Committee

We are still accepting applications for the position of a new University VP Research. The committee also noted that six Canadian universities, all within the U15, were searching for a new VP Research.

7. CAUS

CAUS also had a Policy committee, where we examined our policies around institutional funding. There weren’t too many policy changes or revisions that we had in mind for them, which will hopefully be voted on at an upcoming CAUS meeting. Following these revisions, our policy review will be complete.

8. Media Interviews

This week has been very busy on the media front, with the story around the University of Alberta continuing to grow in its population of sugar babies picking up steam nationally. I have also been expressing concerns around a lack of student consultation for the proposed suspension of multiple programs within the Faculty of Arts.

9. Presence and Relevancy

The executives are continuing to support the efforts of our organization in connecting with students. VP Banister, VP Paches and I attended the AntiFreeze dance competition and judged about 12 performances from competitors trying to win the competition. The groups of three were impressive.

VP Sandare and I also were judges at the JDC West Skit Night, which featured roughly 50 students per skit. The coordination and time required to pull off these skits were remarkable, and the contestants all performed very well.
All of the executives were present at the closing Gala for JDC West. All the executives were also at a post-secondary relations meeting with City of Edmonton Councilor Knack and the other schools of the Edmonton Student Alliance.

Lastly, in case anyone is interested in any SU Executive position, my door is always open to chat about the experience and elections process.

All the best,

Re: Report to Students’ Council  

HAY COUNCIL,

Hope all is well and you’re settling into the new semester! We are back to full tilt at the SU and projects are going strong. I had a diverse two weeks since we last spoke, and I’ll go over some major meetings I attended, and some exciting events I was lucky enough to take part in.

Job Shadow Day
Interested in running for VP Operations & Finance? Or being an exec at all? I am hosting a job shadow day on January 26th from 10AM-4PM. Feel free to attend the entire day, or just certain portions. If this date doesn’t work for you, contact me and we’ll work out an alternative day. To sign up for the job shadow day, or find another time, email me at robyn.paches@su.ualberta.ca.

PowerPlant Visioning Meeting
Ahhhhh the PowerPlant. Most know the building by the bar Dewey’s. Discussions around what the entire building could be used for have been going on for around 5-6 years. However, I am confident that there is finally movement on a plan for the building. Last week I attended a meeting hosted by Alumni Relations which included members of the Students’ Union, the Graduate Students’ Union and alumni council. Key takeaway was that all parties want to see an informal gathering point on campus, the phrase “licensed living room” was tossed around. This was an exciting meeting, but simply a visioning meeting. Much more conversations have to occur before anything is concrete, but I will keep council updated.

SUB Agreement Meeting
Now before you panic seeing this point, do not worry. We will not have a MacHall situation at the U of A. The agreement we hold with the university is much different than theirs, and is rock solid. At the end of last week, our General Manager and I sat down with the new university VP Finance & Administration and VP Facilities and Operations to go over the agreement, and speed them up on all things SUB and Students’ Union. The meeting went really well, and will be the beginning of extensive future collaboration.
JDC West 2017
This year, the University of Alberta hosted the largest case competition in western Canada. Welcoming over 600 business students from across western Canada, JDC West is an excited conference that students look forward to all year. The Students’ Union chose to support the conference through the usage of the atrium and the Myer Horowitz Theatre, and I personally volunteered as a team ambassador. Essentially, I took care of one of the attending teams over the weekend. The conference was excellent and I had an amazing time. Keep an eye out for some photos from the events at our venues; I’m excited to see how they showcase our space.

Myer Horowitz Theatre Renovation Update
I don’t have anything especially groundbreaking to report with the MHT project, expect that we are still plugging away at the feasibility study. Currently, I am working mainly to support our consultants at Vitreo while they finalize the case for support and the interview list. As of this week, the case is almost complete and they have started interviews. We also hosted a meeting of the Friends of the Myer Horowitz Theatre. We discussed the case for support, provided the board with an update on the project and talked about the future of the board.

Looking forward to any questions!

Dear Council,

This report covers the period of January 11th to January 19th. This week, I had a lot of fun recording parts of the Voice of the Union podcast with VP Sandare and the SU General Manager, Marc Dumouchel. We talked about EMPfest, my experience as an executive so far as well as Marc’s experience and history with the Students’ Union so I definitely encourage you to check it out!

Two interested students attending my job shadow day on January 17th. I enjoyed talking to them and showing them around the office! If you know of anyone who is interested in the VPSL portfolio, I am holding two other job shadow days:

- January 25th 9:00AM - 5:00PM
- February 2nd 9:00AM - 12:00PM

Sign-up via e-mail at francesca.ghossein@su.ualberta.ca

Finally, my office hours for this semester are 11 a.m to 12 p.m on Fridays so stop by if you want to chat or have any questions. If that doesn’t work for you, you can also e-mail me at vp.studentlife@su.ualberta.ca and we’ll find a time to meet and chat.

**ADVOCACY**

**Mental Health**

**Advisory Panel on Post-Secondary Mental Health**

Our last panel meeting took place at Olds College on January 13th. I was very pleased with the discussions that we had at that meeting which helped us refine our draft on strategic directions that we will be presenting to the province. We also took a look at the recommendations that we would presenting and worked on narrowing them down. We have not had discussion about
funding models yet. I am expecting that these discussions will occur in the next two meetings of the panel.

**Mental Health Website**
I have initial confirmation for a partial sponsorship of the website from Studentcare, our health and dental plan provider. I am also working on the potential name, structure and design of the website.

**Residence**

**Residence Life Task Force**
At the first Residence Life Task Force meeting of 2017, Academica, the consulting firm that conducted research on life in Ualberta residences presented us with an initial report on the state of residences based on the survey responses. The preliminary report contained information pertaining to the aggregate distribution of responses We will be diving into more details in our next meeting on January 31st.

**Lister Representatives**
The Lister representatives are organizing a ship night in February at Room at The Top for all Lister Towers and are still working with me and the Discover Governance Manager, Rebecca, on ensuring that Lister has a representative association next year. I will also be meeting with the new Assistant Dean Residence Life as well the Assistant Dean Student Life to start conversations about the space needed (rooms, office, etc.) to set the association up for success.

**Student Groups**
As per my last report, we are expecting to see a draft of the new student group policy as drafted by the Dean of Students in the month of January.

**PROGRAMMING**

**SUB House Party**
The call-outs for student groups to participate in the SUB house party have been published in the Student Group Service Newsletter as well as the SU’s State of the Union. I have sent
invitations to student groups via e-mail and have been contacted by student groups who are interested in being part of the SUB House Party. This link will lead you to the application form so please share with your networks and encourage groups to apply: 
https://goo.gl/forms/ZCcfYixngk2qb7z52
I have 2 applications so far and am talking with 5 other groups who have shown interest in the event. I am expecting more groups to get their applications in as the deadline approaches.

COMMITTEES AND BOARDS

The Landing
I attended a meeting of the Landing Board of Directors meeting as well as a meeting of the policy committee of the Landing where the committee members workshopped a new policy around sponsorships and grants.

Sexual Assault Response Implementation Committee- Education and Outreach
I attended the Education and Outreach group meeting where we discussed the integration of consent education into programs delivered to students early in their academic career such as Orientation as well as the different ways and channels where students can get that information. We talked about the necessity of having faculty and staff also aware of the services and supports available on campus for survivors and brainstormed ways to spread that information across all faculties and departments.

Thank you for taking the time to read my report :)

Cheers,

Council Report #17: Jan-Jan on That Beat

Hello Council,

Welcome to the last UASU Council Report with Barack Obama as President of the United States of America. In much the same way (well, kind of) that he had a plan to address rising unemployment across the USA, I’ll be starting this report off with an interesting way to address issues surrounding student employment here in this report. So without further ado, welcome to the last report before the next big shift in international politics!

UASU

EMP FEST
As many of you know, I have spent much of the past year working on an initiative to address the issues surrounding student employment. The initiative named, EMP FEST, is a week long Students’ Union festival of employment geared towards students in three general demographics - early, middle and late stage career development. The festival, sponsored by Alumni Relations will be bringing together a number of different organizations, university departments, and student groups who have organized a wide variety of events for the week from a variety of disciplines across campus.

I have organized four major keynote events to take place during the week. There will be two keynote speakers (one opening the festival and one closing it), an event called Career Confessions - taking place Feb. 8th at 5:30pm in Dewey’s - which is an interesting speaker series bringing together some interesting speakers with incredible career paths, and an EMP FEST Networking Night (student + industry mixer) - taking place Feb. 9th at 6pm in Dinwoodie - which will bring together students, industry professionals and career service representatives in a free flowing mixer event to build meaningful connections/

More information on EMP FEST can be found on our website at www.empfest.ca. The registration for the Networking Night (which is free for students!) can be found here: http://www.ticketfly.com/event/1414691. Come check out EMP FEST happening across campus from February 6th-10th, and #EMPpoweryourfuture. More information can be found on our Facebook page! It was a incredible and in-depth discussion about what the City can do to support our institutions in the future.

Right afterwards we had an ESA All-Executive Networking event hosted by NAIT, where we were able to chat with our peers and discuss the issues that were affecting our individual institutions. as well as ways we could help each other out! It was a great event!

Dear Council,

I hope everyone is having a great start to their semester. It has been a particularly busy month for me because of the interdisciplinary conference as well as starting up university governance meetings again. Below is an update on my work from the past few weeks!

1. Projects

Interdisciplinary Learning

I am excited to announce that registration for the Interdisciplinary conference is now live! The schedule and tickets can be found on interdcon.com. I have been spending a lot of time marketing the conference, I do that through putting the opportunity into newsletters, emailing specific people, and having a social media presence. I recently met with Sarah Forgie, Vice-Provost Learning Initiatives, to discuss the conference again and their support has been a huge asset. Side note, Dr Tammy Hopper has been appointed to the position of Vice-Provost (Programs)! I will work with her moving forward on many governance meetings.

2. Meetings & Committees

Faculty Associations

A large part of my month has been supporting Faculty Associations. I have been working with ISSS and NUA in approving their FAMF, have hosted many COFA meetings, and Rebecca and I continue to go to FA exec meetings. Also, I am informing FAs that they can use our SU voting technology for their elections. This can be a great option for them as it takes a lot of the administrative burden of the FA, as well as may increase their voter turn out. I also had a meeting with members of the NUA to see where I could support their efforts to end clinical bullying, which is a big issue in that faculty. Lastly, I have been in conversation with OASIS, the Arts Faculty Association, about the proposed program cuts that were announced.

Marina Banister, Vice President Academic
2-900 SUB • 780 492 4236 • marina.banister@su.ualberta.ca
GFC Exec, GRC, SWS

I have had some academic governance meetings in the past two weeks. These include a meeting of GFC exec, the Ad Hoc Committee on Academic Governance and Delegated Authority, and the Student Writing Services committee.

ESA

The executive and I joined our counterparts from the different Universities, Colleges, and Technical Institutes from across Edmonton on January 19th to talk about mental health and retaining graduates. I really enjoyed the meeting, it was interesting to talk about local issues and supports. Also, NAIT is a really neat campus and I was excited to see their buildings!

Midyear Management Meeting

On January 20th, I spent a lot of my day in the mid-year management meeting with the rest of the executive. At this meeting we went over our executive mid-year goal update as well as did strategic planning for the SU.

4. Other Exciting Endeavours

Anti-Freeze Judging

President Rahman, VP Paches, and I had the joy of judging the Anti-Freeze dance competition! It was a great time and I certainly enjoyed watching the eager teams dance their hearts out. Big kudos to our Programming and Venues team for putting on a great week!

Events

In line with the executive goal to have a presence at student events, I attended the JDC West opening ceremonies and gala. It was a really unique conference, just imagine hundreds of cheering business students in one venue! I also joined VP Ghossein in attending some events put on for our Campus Saint-Jean students, as well as spent time on the weekend at the Student Sustainability Summit.

CAUS

The executive and I will be in Calgary between January 23-24 for CAUS! While President Rahman and VP Sandare meet with their CAUS counterparts, the other VPs will split into groups with
their provincial counterparts to discuss what they are working on. These meetings are very helpful as we can discuss common challenges, learn from each others innovation and advocacy, as well as plan on transitioning our successor.

Thank you for reading this report and I would be happy to answer any questions you may have.

We are grateful to be on Cree, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students’ Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge continuing colonial violence and respect Indigenous knowledges and traditions.

Oath was taken.

2016-17/2 PRESENTATIONS

2016-17/2a The Athletics and Recreation Fee - Presented by Ian Reade & Cheryl Harwardt, Sponsored by VP Paches.

A brief description regarding the programs and services offered by the Faculty of Physical Education and Recreation.

POSTPONED.

The Elections Office would like to hear input from Council on our plan for the upcoming elections period, and what they would like to see from the Office for the Executive and Council Elections. We would also love to communicate with Council on what our goals and objectives for the winter
term are, and improve dialog between Council and the Elections Office, to inspire people to run and vote in our SU Elections.

SUMMARY:
CRO Ademaj discusses why there are two DRO’s this year. He explained that with the workload that comes during the election period, two DRO would lead to a more successful election period. Discusses the goal that of having a 25% voter turnout in this coming year’s election period. Discusses how this is much higher than previous years but they believe they can do it. Discusses how they have come to council to gather input on the election period as Council is who will connect the election office to the general public. General overview of the election period. Dates on SU website, exec nomination packages will be released next week. Council nomination packages will be released soon after. Mentions ideas revolving around having forums for students. DRO’s discuss how branding will change in this election process. Also, showed some examples of branding options. Wants to encourage students to run for exec/council elections.

VP PACHES:
What metrics to decide turnout of election process?

CRO’s RESPONSE:
Voter turnout is just one metric. 1 DRO will focus more on getting out the vote, class talks, going through campus to talk to students early in the election period is an important marketing tool. Also, promo video will hopefully inform students about what elections are and gain more interest.

COUNCILLOR ANGUS:
Do you have a plan to find out why students are not engaged?

CRO’s RESPONSE:
Other methods include:
- Changing the design is one tool to invigorate people.
- Getting new students more involved not even by running
- Get them to be involved in knowing who is running, what the elections is about and where/how to vote and where to find that information about candidates available online.
- Their involvement in the exec election and inspiring them to run for election.
- Plans to have the information about that online
- Get them in exec elections and run in council meetings
PRESIDENT RAHMAN TO CRO:
Would you live stream the forums?

CRO’S RESPONSE:
Yes MH has already been streamed. Will make it all open to the public.

SPEAKER SUMAR TO CRO:
How do you plan to increase attendance to these forums?

CRO’S RESPONSE :
MH Forums has always been held as “the forum”, the most people attend. Approach different communities on campus and have specific forums for them. Engage with them on SU topics related to them. Getting to those and marketing in those areas is important because those forums should be more focused on because they know each other and will talk amongst each other about the forum. Can spread the world more easily. Substage will be good since people are already there, and attempt to engage with students there.

COUNCILLOR LARSEN TO CRO:
Thanks for coming. What are the nomination packages dates/deadlines?

CRO’S RESPONSE:
They were sent to Council before the winter break as an item. The dates are on the website. Feb 16 is the nomination deadline. Packages will be out next week, maybe Tuesday.

VP BANISTER TO CRO:
How can students can be involved in terms of helping out with elections without running? Does the office accept volunteers and will you post this on the your website? She suggests to post them on FB on how students can get involved.

CRO’S RESPONSE:
Have had in the past, will consider having volunteers. This will garner some interest. He doesn’t guarantee anything. Will accept volunteers in general get out and vote stuff. And we will post it on the SU.

**COUNCILLOR FLAMAN TO CRO:**

Have we ever looked at how other SU’s run their process and their elections process.

**CRO’S RESPONSE:**

I have looked at macewan and uof Calgary to see how they hold it. Would not like to see combining council and exec election. MacEwan elections run in October. Looked at some ideas/different ways elections are held. The problem with combining elections is looking at the sanity of the elections office, will be too much of a workload, likes aspect of momentum from exec election to being inspired to run for council. He is looking at different mechanisms among different Universities.

2016-17/2c Nursing Undergraduate Association Faculty Association Membership Fee Renewal: A proposal presentation. Presented by Marnie Colborne, Sponsored by VP Banister.

The Nursing Undergraduate Association is seeking a faculty association membership fee for 2017 for renewal for the next four years. After two online consultations and a Town Hall meeting we will ensure our student’s voices are adequately in heard in regards to our proposal FAMF Renewal and proposed increased fee. Students will be well aware of their choice to opt out and in collaboration with the Canadian Nursing Student Association we hope to continue providing students with academic, social and leadership opportunities.

**BANISTER/PROCHNAU** sponsors this presentation.

**GOVERNOR CHAMPAGNE TO MARNIE:**

The allocation plan is smart. This will increase overall participation in the faculty. Have you thought about creating an endowment fund for the scholarships instead of allocating money out of your budget? That way the endowment fund receive other donations and could grow and benefit more students.

**MARNIE’S RESPONSE:**
She’s working with the Dean about getting a scholarship. Have not thought of an endowment fund, not familiar with creating a scholarship but will discuss with the faculty. She likes the idea.

**VP PACHES TO MARNIE:**

I agree with the allocations and categories. From my personal experience, since a specific amount is listed that means you’ll never be able to spend more than $500 in that category. I would recommend putting percentages rather than actual amounts so if the numbers fluctuates then you’d have more flexibility.

**VP BANISTER TO MARNIE:**

What is the contingency plan if the students don’t vote this through or if you get less than mandatory voter turn-out?

**MARNIE’S RESPONSE:**

They will either have to vote for increase, normal, or none.

**VP PACHES TO MARNIE:**

According to bylaws, a FAMF is re-created every time it expires so increase is the only option - yes or no would be the only option.

**MARNIE’S RESPONSE:**

Open to creating a contingency plan. If it doesn’t get an increase, then her answer is no. The money will go to CNSA. They would have to pay regardless if NUA exists or not.

**VP PACHES TO MARNIE:**

How do student opt-out of NUA portion if the entire CNSA fee is collected? When you’re drafting the questions, make sure to be very clear that CNSA fee is mandatory and you can opt out of NUA fees.

**MARNIE’S RESPONSE:**

They would have to opt-out for NUA. The form just says the NUA amount ($250) that has to be returned. We voiced it enough that hopefully students understand.
VP BANISTER TO MARNIE:
What’s your campaign plan to inform students about the implication of their vote?

MARNIE’S RESPONSE:
We will have meetings coming up to talk about it. Will touch base with all faculty association year reps. Will talk to all first years about FAMF and how important their votes are. If they don’t vote then they won’t have extra educational experience, scholarship opportunities that may be more easier to get. It will getting all the reps to talk to their years and trying to develop ways to have a concise speech. She will continue to social media campaign, FB, so will continue with that.

VP GHOSSEIN TO MARNIE:
So do you plan on students opt out in your office and you reimburse them? So the Registrar won’t be assessing them?

MARNIE’S RESPONSE:
Yes, once we receive fees, we will write out refund cheques.

COUNCILLOR FAROOQ TO MARNIE:
CNSA fees are mandatory versus the NUA fee regardless if this goes through?

MARNIE’S RESPONSE:
Yes, until we are no longer a chapter school.

GOVERNOR CHAMPAGNE TO MARNIE:
During nursing week, do you have any activities that call out to the bilingualism aspect of your faculty?

MARNIE’S RESPONSE:
There wasn’t much this year. We email items in multiple languages, have a bilingual rep that’s starting to get into her role and would be able to voice her concerns. We have reps from every cohort.

2016-17/5  **OPEN FORUM**

**B MOHAMED TO VP SANDARE:**
Why hasn’t the SU planned a protest this year despite numerous scandals?

**VP SANDARE:**
Protesting and advocacy are different ways of getting things done. We need to consider to protest more when there is a strong enough issue and strong enough support to protest. The lister students came out about the meal plan and that is a protest in itself.

**B MOHAMED TO PRESIDENT RAHMAN:**
During the last board of governors, the international students tuition passed. Why wasn’t there more opposition against this move?

**PRESIDENT RAHMAN:**
We did oppose it. There’s no official representative for international students but there’s an ISA.

**MR. COOK TO VP SANDARE:**
I am curious as to why you have attempted to create an empfest when the university has its own career fair. Why not work with the university to create a bigger and better career fair?

**VP SANDARE’S RESPONSE:**
EMP-Fest is part of his platform re student employment. He works closely with the University. Advisory Committee, Career Centre, Alumni relations. EMP-Fest is addressing not just the idea of career fair but idea of employment, gap exists b/w the way student perceives employment and how it actually happens. He’s considering stages not year so this is a more effective way in targeting students' wants in every stage EG students who are not sure of a career vs students who know exactly what they want to do.

B. MOHAMED TO VP BANISTER:
Re Leadership College presentation in 2013.

VP BANISTER’S RESPONSE:
Since that proposal, Leadership College has changed its plans. Please follow up with PLC admin members.

MR COOK TO PRESIDENT RAHMAN:
Why has the SU not taken any steps to boycott divestment movement of fossil fuels considering University’s support for sustainability?

PRESIDENT RAHMAN REDIRECTED TO VP BANISTER

VP BANISTER’S RESPONSE:
This will be discussed at the COFA meeting. She hasn’t been part of any conversation but will be happening soon and we may have some position.

PRESIDENT RAHMAN’S RESPONSE:
There's no political policy covering that movement. Look to members of the Policy Committee. SU is open to collaborating with student groups on campus.

B. MOHAMED to COUNCILLOR ANGUS/NDATIRWA/DEJONG/LARSEN:
Do you support the idea of increasing tuition?

COUNCILLOR ANGUS’ RESPONSE:
He would lead towards advocating for this but doesn’t have proper channels to make this change.

COUNCILLOR NDATIRWA’S RESPONSE:
There are a lot of factors that increase/decrease tuition. She doesn't think she’s qualified enough to answer the question. Doesn't think decreasing
tuition will solve the problem. Thinks we need to look at it more in-depth, not just about increasing/decreasing.

**COUNCILLOR DEJONG’S RESPONSE:**
In favor of decreasing tuition to adjust for inflation. Think international tuition should be regulated by the govt and should be more equitable, doesn’t attract talented students to campus. Will review this during the Policy meeting.

**COUNCILLOR LARSEN’S RESPONSE:**
Support universal access to education, free tuition protest works for a certain time/cause. We should regulate costs in a healthy manner. We have to work with what we have.

**RAHMAN/FAROOQ** motions to suspend standing orders for 10 mins.
Motion CARRIED.

**ALLEN TUCKER (online Q):**
What is the SU’s position on continuing tuition fee in the long term?

**COUNCILLOR MONDA redirects to VP SANDARE**

**VP SANDARE’S RESPONSE:**
Tuition freeze is ST so afterwards, tuition should be increasing. It’s not the end goal just for the interim so we can have time for proper consultation so we’re pushing for 1992 levels, tying everything to the CPI, making that where we would be at now. Will go down roughly 50%.

**B. MOHAMED TO COUNCILLOR MONDA:**
Same question as ALLEN TUCKER.

**COUNCILLOR MONDA’S RESPONSE:**
Will review tuition advocacy policy in the upcoming term, we’re awaiting results for the govt’s response, wants to wait for the results before considering advocacy.

**B. MOHAMED TO VP SANDARE:**
What changed from opposing decreasing tuition to now supporting it?

**VP SANDARE’S RESPONSE:**
Campaigned free tuition like the model in ON. He wanted to push through grants like the progressive grants model in ON so if you’re a low-income student, your cost of education (amount of 4 year tuition will be free).
Free tuition isn’t the answer, doesn’t equalize playing field vs grants system for different level income students will make it more equal. The idea of lowering the cost of education, not due to tuition but grants can pay for books, rent, etc. Lowering tuition is tough because it creates barriers to access.

B. MOHAMED TO VP SANDARE:
In terms of 1992 policy, does it apply only to domestic students? If so, why not include international students?

VP SANDARE’S RESPONSE:
Just for domestic students due to larger role of govt. For international students, the best course of action is regulation that the University has control of eg. API so by putting regulations in the place, it will be tougher for a university to do things very far eg. raising tuition too high.
