The NUA is seeking approval from the undergraduate nursing body for our proposal to increase our Faculty Association Membership Fee from $8.50 for part time students to $11.00, and from $12.50 for full time students to $15.00. These fees are annual and would stay the same for satellite campus students.

The conditions of the fee are:

2. Part time students will assessed $11.00 per semester and full time students will be assessed $15.00 per semester in only the fall and winter semesters.
3. This fee will be charged to all students, including those off-campus.

From: Fahim Rahman, Students’ Union President 2016 – 17  
Re: Students’ Union Council Report #19

Hi Council,

We've hit February, which means we're all approaching the late stages of our terms as student representatives now. I hope you're all considering returning for another year with the Students' Union, as it's been great working with you all!

Here is an update on my activities since we last met:

1. **Students' Union Executive and Board Elections**

   I hosted three job shadow days and had a couple of students drop by to learn more about the role of the President. My door is still open for anyone interested in the position or curious about the SU. The Students' Union Exec Meet & Greet was a great opportunity to connect with students interested also.

2. **Mid-Year Management Meeting**

   All of our executives were present at our mid-year management meeting, where we both gave and received an update from our management about the progress we've been able to accomplish this year. Most of these items were reported to Council in the SU Executive Goals Update presentation last meeting. We also had some discussions about how to assess our impact for students.

3. **CAUS**

   The full executive were also present at Calgary for two days, with myself and VP Sandare participating in CAUS meetings. VPs Banister, Ghossein and Paches had programming organized between the UCSU staff and their counterparts at the other institutions.

   Myself, VP Sandare and DRPA Mastel were also present for a meeting around student financial aid with staff from the Ministry of Advanced Education. A significant amount of the discussion was focused on the role that tax credits, grants and awards play in improving post-secondary accessibility.

4. **Multi-Faith Prayer & Mediation Space Opening**

   The Dean of Students, Graduate Students' Association and Facilities and Operations offices, alongside the SU, celebrated the opening of a multi-faith prayer and meditation space in HUB. This is a priority that many of our students, including the Muslim Students' Association, have sought since 2012, and I was very glad to see it be accomplished for students' benefit now.
5. Teaching-Intensive Stream

I presented a revised version of the teaching-intensive stream report I've been working on for about a year now. CLE didn't have many concerns on its content, but wasn't sure what the next best steps were for the subcommittee exploring a teaching intensive stream here. I hope to get an answer at the March meeting of CLE.

I also attended GFC with VP Banister, where some of the changes to the Helping Individuals at Risk program were finally approved after a series of recommendations.

6. MNIFs

VP Paches and I followed up with the VP Finance and Administration office regarding a new reporting structure for our MNIFs. We are adding three year historical data, relevant metrics on student impact that are tracked are U of A services funded by MNIFs, and a breakdown of alternate revenue streams any other U of A services may benefit from.

7. Residences & Residence Associations

VP Ghossein and I had a meeting of the Residence Life Task Force, where members are now reviewing the research results to determine the areas of focus for residences moving forward.

We also met with the Graduate Students' Association to see if any changes to residence association fee collection for next year will be required.

8. Alumni Council

The work of the Community Relations committee continues, as they met recently. We are currently trying to collaborate with the Senate and Alumni Ambassador groups on campus to raise awareness of how our alumni support community efforts and building.

9. Presence and Relevancy

VP Banister, VP Sandare and I attended the third Alberta Student Leadership Summit organized by our staff in collaboration with the university. VP Paches and I gave interviews to students on campus about nutritional quality and food services on campus.

All of the executives attended the vigil for the victims of the Quebec attacks organized by AMPAC - Alberta Muslim Public Affairs Council. Councilor Farooq and I were approached by the St Alberta Gazette after the vigil on a mosque concluded.

The Board of Governors had a dinner between the Non-Academic Staff Association and the Academic Staff Association which went well.
All the best,

I really enjoyed meeting with her and feel very optimistic that we can continue to develop a very productive relationship between both our portfolios.

Student Governance

Last week we had a COFA senior board meeting and finance/administration meeting. All of these went well and I spoke to them about their upcoming elections and their goals for the semester. I also really enjoyed our COFA senior board meeting where we invited the Native Studies Students Association (NSSA) and the International Students Association to give presentations on how we can best support their students. Rebecca and I are also continuing to make our rounds attending Faculty Association executive meetings, in the upcoming week we have the Medical Students Association (MSA), NSSA, and Interdepartmental Science Students Society (ISSS).

GFC CLE, GFC, ASC SOS

I attended meetings for both General Faculty Council, as well as GFC Committee on the Learning Environment. At GFC we discussed the changes to the Bachelor of Arts degree, the metrics for tracking goals in For the Public Good, as well as received an update on the Ad Hoc Committee on Academic Governance and Delegated Authority. At CLE President Rahman presented on his research regarding teaching tenure stream, as well as received an interesting presentation on new software for professors to create course syllabi on. At the Academic Standards Committee (subcommittee on standards) meeting I attended, the most notable discussion item was a proposal from the faculty of ALES and Education to cut a small combined degree program. A brief explanation of the proposed change is there were not many students taking the combined ALES/Education degree, and many of those students felt there were so many accreditation issues from the Alberta Teaching Association that they wish they had just taking an Education degree instead. At first I was unsure about if this was a good decision or not, but after hearing the presentation understand the rationale much better. I will be following up with the representative associations in ALES and Education to check what they think about the proposed change.

SWS, Ad Hoc Committee

I also attended the Scholarly Writing Support committee as well as the Governance Review Committee. At SWS we created our guiding principles for what we think writing supports on campus should look like. At the last Governance Review Committee we went over proposals that each group is working on, I am in the process on drafting my recommendations on GFC main now.

4. Other Exciting Endeavours

EMP FEST

I would like to remind all councillors that EMP FEST is right around the corner! VP Sandare has worked incredibly hard on this employment festival and I hope all councillors choose to attend many of the exciting events. More information is available at www.empfest.ca

Events

I have gone to many campus events in the past few weeks! Specially the Political Science Undergraduate Association third annual Bonspiel, an event I have gone to annually since inception.
Congratulations to Councillor Scott, Councillor Larson, Councillor DeJong, and Councillor Angus for taking the silver metal at the tournament! I also spoke at the Alberta Student Leadership Summit about student governance, specially how to get involved through elections or appointments, then do a great job advocating once getting the position. Big shout out to our leadership department for pulling off another great ASLS! The executive and I also attended the opening of a new prayer and mediation space on campus. located on the ground level of HUB. We were all thrilled to see the space which students have advocated for so long to get. We hosted a successful Exec Meet and Greet in Room at the Top, where I must say the “Dreamy Fahimy” drink special was a real hit. Lastly I will be attending the Augustana formal this Saturday with VP Paches and VP Sandare. I really enjoying going to these campus events and have a lot of respect for the student groups which put these on.

**Exec Retreat**

Lastly, the exec had a half day, in office, retreat where we went over some of the things we hope to accomplish in the last few months of our term. I can hardly believe how fast this term has gone by and am very grateful to have worked with such a stellar executive team along the way.

Thank you for reading this report and I would be happy to answer any questions you may have.

Re: Report to Students’ Council

Hello there council,

Hope the last few weeks have been fun and you’re taking some time to yourself. I know the midterm madness is just around the corner, so take some chill time. My personal recommendation: binge watch a season or two. I just finished Westworld and OH MY GOD probably one of the best shows I’ve watched in awhile. Anyways, this week I’ll talk about a few topics including a case competition we participated in, a few important meetings I attended, a small event we hosted, and the usual update on the theatre renovations.

Alberta Not-For-Profit Association
This last weekend, the SU participated in the annual internal round of the Alberta Not-For-Profit Association’s (ANPA) case competition. ANPA is a student group on campus that focuses around NFP support, education and runs an annual case competition. This year, the SU put Room at the Top forward as the case topic. Multiple student teams presented recommendations on what direction they thought we should take Room at the Top in the long run. All ideas were incredibly creative, and we fully plan on implementing some of them. This was an in depth form of student consultation, and I’ve been looking forward to it for some time. Keep an eye on Room at the Top for some of these changes!

Exec Meet and Greet & Vigil for Victims of the Quebec Shootings
On Monday the 30th, we hosted an event at Room at the Top entitled the “Exec Meet and Greet”. We hung out at Room at the Top for a few hours to answer questions about what being an exec entails, and specifics in each portfolio. We had a decent turnout, and everyone was very engaged. Hopefully future exec host similar events! However, we cut the event 2 hours shorter than planned to allow people to attend a downtown vigil for the victims of the Quebec shooting, which I also attended. I had never been to an event like this, and it was amazing to see everyone come together. We are all Canadian, and will not stand for actions like this.

MNIF Working Group
President Rahman and I attended another meeting of the MNIF Reporting Structure Working Group, a subcommittee of the MNIF committee. We are coming close to finalizing a transparent structure for students to clearly see where their MNIF fees go. The university

Re: Vice President Student Life Council Report

____________________________________________________________________________

Dear Council,

This report covers the period of January 25th to February 2nd.

Since our last council meeting, I have hosted two job shadow days where students attended meetings, asked questions, got a tour of 2-900.

Last week, I was interviewed by PLLC students about healthy food options on campus and attended the opening event for the HUB multifaith space with the rest of the executives. The prayer space is a project that many generations of SU executives worked on with the University and the Graduate Students’ Association so it was definitely good to see the space being used!

Last Thursday, the executive and some staff members dedicated an afternoon to a retreat, where we discussed our most pressing issue, strategies to address our advocacy points and long-term strategic planning for the organization.

ADVOCACY

Mental Health

Advisory Panel on Post-Secondary Mental Health
I was in Fort McMurray on February 1st for a panel meeting where we discussed the recommendations that we would be putting out. We have a made a lot of progress in terms of the recommendations, the strategic directions and the outcomes of the panel so our next meeting (on March 2nd) will be dedicated to the funding discussion.

Mental Health Website
The list of Faculty-specific resources and services is complete and I am currently working on categorizing campus-wide resources and facilitating the self navigation process. I am also striving to have this website be available in French as well so I am looking into how feasible that would be!

**Residence**

**Residence Life Task Force**
We received the final report outlining the survey results and are working on principles and priorities to guide the recommendations that the Task Force will be putting out towards the end of February.

**Lister Representatives**
We are currently working with the lister representatives to organize the elections for the LHSA. The lister reps are having a general meeting on Tuesday, February 7th to present the governance structure to lister students and launch the nomination process.

**Student Groups**
As per my last report, we are expecting to see a draft of the new student group policy as drafted by the Dean of Students in the month of January.

**PROGRAMMING**

**SUB House Party**
Student Group interest in the SUB House Party has been reassuring! We have 8 applications so far and a few interested student groups who are yet to apply. I am working with our programming department on logistics and will have more information for council as soon as the application process closes (February third).

**COMMITTEES AND BOARDS**

Council of Faculty Associations- Member Services Group (COFA-MSG)
At that COFA meeting, we discussed the priorities in terms of mental health supports and services for the different faculty associations, the mental health advisory panel, the SUB House Party as well as the mental health website. Attendees also brought up faculty-specific issues such as gym access for med students.

**MISCELLANEOUS**

A reminder that my office hours are 11 a.m to 12 p.m on Fridays so stop by if you want to chat or have any questions. If that doesn’t work for you, you can also e-mail me at vp.studentlife@su.ualberta.ca and we’ll find a time to meet and chat.

Council Report #18: In the days before EMP FEST

Hello Council,

It’s been the blink of an eye and we’re already in February! It’s incredible just how fast this year seems to have blown by. As I am writing this report EMP FEST is only a few days away, and I hope you are as excited as I am for the festival to take place! So get ready for an update on the Life & Times of Vice-President (External) Sandare.

UASU

EMP FEST
Sooooo, it’s only a few more days until EMP FEST, the Students’ Union employment festival goes live! The festival is geared towards addressing issues of student employment seen across all faculties. We’ve got a number of events scheduled throughout the week taking place all across campus. To check out everything that is going on, we have a full list of programming (and a downloadable schedule) available here: http://www.su.ualberta.ca/governance/EmpFest/schedule/.

Keep an eye out for the Keynote events! Since the last time we spoke there have been a few updates on the events - The Opening Keynote Speaker (Alan Nursall, President and CEO of Telus World of Science) will be talking closer to home in the SUB Alumni Room. In addition, we were lucky enough to upgrade the location of the Networking Night (Student + Industry Mixer) to the SUB Atrium in the Lower Level of the Students’ Union Building, this way we’ll be able to make the event even more accessible to students! Career Confessions will still be taking place in Dewey’s and we will have few EMP FEST drink specials down at the bars that you should come check out!

More information on EMP FEST can be found on our website at www.empfest.ca. The registration for the Networking Night (which is free for students!) can be found here: http://www.ticketfly.com/event/1414691. Come check out EMP FEST happening across campus from February 6th-10th, and #EMPpoweryourfuture. More information can be found on our Facebook page! Job Shadow Days

Mike Sandare, Vice President (External)
2-900 SUB • 780 492 4236 • mike.sandare@su.ualberta.ca
Well everyone, executive elections are coming up quick! If you’re interested in the Vice-President (External) position, you should come talk to me about what it’s like! My last job shadow day is coming up on **Feb. 6th, 2017**. It will be 9am-5pm and we’ll be meeting in my office. Feel free to come swing by anytime throughout the day!

**Edmonton Roundtable for the Next Generation of Public Service Talent**

Last Thursday I joined a number of involved students on campus as we took part in a roundtable discussion on ways to encourage the up and coming generation of graduates to consider entering public service. During the consultation we discussed the actual and perceived barriers to entrance, and provided our thoughts on ways the government could address them and attract more students/recent graduates to careers in public service.

**Understanding Race in the Academy - Steering Committee**

I am happy to announce my appointment to the *Understanding Race in the Academy - Steering Committee*. Over the next few months, the committee will be working to address barriers (actual, perceived and systematic) to diversity and inclusion on campus. The committee which includes some well-renowned experts on race and inclusion (such as Dr. Malinda Smith) will be overseeing the research and consultation process that will end in a final report to be presented to the Provost and Vice-President (Finance and Administration). I will be sure to keep council updated on this exciting project that I am proud to be apart of!

**CAUS**

**Student Financial Aid Consultation**

Last Wednesday myself, Fahim and Jon had the opportunity to take part in an Alberta Government Student Financial Aid consultation in Nisku. The consultation brought together stakeholders (such as bureaucrats, administrators from public/private/indigenous institutions, advocacy groups, etc.) from across the province. During the consultation we had very in-depth conversations about the sort of changes that could improve loans, grants, scholarships and bursaries, debt management programs, as well as tax credits. At the tables we shared our thoughts on barriers to access, and how Student Financial Aid could be used to address them. I was happy to see the number of stakeholders around the table who were just as vocal about creating an equitable system that allows more students to access post-secondary.

During this consultation, multiple stakeholders (myself included) voiced that we would like to help more students understand tuition and student financial aid, as well as the advocacy that takes place to better it. Because of that, I’ve been inspired to create some materials to help students at the University of Alberta better understand tuition, student financial aid, and funding! Keep your eyes peeled for some handy informative materials coming out soon!

We would like to acknowledge that our University and our Students’ Union are located on Treaty 6 Territory. We are grateful to be on Cree, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students’ Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge continuing colonial violence and respect Indigenous knowledges and traditions.

2016-18/2 PRESENTATIONS

2016-18/2a Canadian Alliance of Student Associations Overview. Presented by the CASA Executive Director Michael McDonald.

The Canadian Alliance of Student Associations (CASA) represents the interests of over 250,000 Canadian students across Canada. CASA includes representation from undergraduate, graduate and college students from British Columbia to Prince Edward Island, and advocates to the federal government. It is a democratic, member-driven organization that promotes affordable, accessible, innovative post-secondary education of the highest quality. CASA has demonstrated success in past advocacy efforts, and will give an overview what we are advocating for now.

RAHMAN/PACHES sponsors this presentation.

GOVERNOR CHAMPAGNE: Noting another area - FSJ had 30% of funding from official languages grant. So that’s another fun fact on how federal money affects our students.

MCDONALD: Merci bien.
COUNCILLOR SUNDAY: Has CASA consulted with AFN to advocate on this issue?

MCDONALD: The removal of 2% cap is AFN's ask. CASA uses their exact numbers and represents that position. We're supporting their request at this point.

COUNCILLOR SUNDAY: re other Indigenous Status Indians such as Inuits, Metis

MCDONALD: One of the issues was being able to ensure student associations that come from indigenous inst often don't have resources to partake in CASA so they've passed our board to come up with a mechanism to support underrepresented groups to be able to discuss policies with us.

2016-18/2b SU Executive Goals' Progress Update to Council. Presented by the SU Executive. Sponsored by President Rahman.

The SU Executive is well over half complete our term, and have taken time to reflect on the progress seen for student priorities this year. We have also identified some obstacles in our initiatives, and will be giving an update on what our focuses will be for the remaining few months of our terms.

RAHMAN/MAHAL sponsors this presentation.

COUNCILLOR FAROOQ TO VP PACHES: Q re powerplant renos

VP PACHES' RESPONSE: alumni support, alumni council and relations has a lot of people that are interested.

2016-18/2c Myer Horowitz Theatre Update presented by Marc Dumouchel, General Manager of the Students' Union

Marc will provide council with an update on the Myer Horowitz Theatre Renovation Project. The presentation will mainly focus on the design, and the next steps that must be taken.

FLAMAN/PACHES sponsors this presentation.

COUNCILLOR FAROOQ to GM DUMOUCHEL: Q re funding

GM'S RESPONSE: We've been working with a co and expect them to be done the report in a couple of months. We're in the process of identifying who to interview. They don't fundraise but go and talk to ppl who are interested in supporting/donating for the project. The have a case for the theatre and collect
their feedback. They come with an assessment as to how much they think we can raise. There is also someone who will help us do the fundraising.

COUNCILLOR HOWIE to GM DUMOUCHEL: How much is the price if it’s “absurd?”

GM’S RESPONSE: He’s not an expert in this but is skeptical and it will be harder on this project than the last time. When we got our set of estimates, it seems high but it was also influenced by last version of budget. He can’t guarantee if we can do better in terms of budget. Discussed differences in prices and how willing subcontractors to give a fair price depending on how busy they are.

COUNCILLOR MONDA TO GM: for presentations, does the online version have to match the one shown during SC?

SPEAKER SUMAR: There isn’t a standard protocol for that usually we try to post what council posts of websites.

GM DUMOUCHEL’S RESPONSE: Doesn’t want to post what we’re spending bc it sets expectations, it’s too early. It’s a good idea to not have that in a public document.

GOVERNOR CHAMPAGNE TO GM: What kind of market research has been done on the kind of business we would get to MH compared to now?

GM’S RESPONSE: Not a lot, the theatre is busy as is, not a lot of free evenings but it will pick up extra work because it would a be a nice, new theatre. The business is driven by bookings EG House of Blues, improving the theatre makes it more appealing to them. It’s hard to model how it will affect the market. We’re also discussing with the Friends of the Horowitz and they suggested a strategy for increasing on-campus use of the theatre. No detailed market analysis but currently, there are no theatres of this class in Edmonton so we fill a unique niche.

GOVERNOR CHAMPAGNE TO GM: The theatre is full most nights but we need to do more and that’s conflicting. Hearing no concrete numbers and doesn’t make him feel very secure. What kind of market analysis will you do if you haven’t done any?

GM’S RESPONSE: We haven’t got to that point yet. It will be a fundraising market currently so we have an idea of where we are with that. Our focus is on the larger event and conferencing model but will discuss this with staff. Re contradiction - we are busy during the school year but not as busy as we could be so we can extend the capacity of MH by moving into new markets bc it’s dark during the summer so we can have external business - there has been market analysis for this. We have an idea of the average cost of a wedding, how
many weddings are done and it's pretty clear that there are hundreds of weddings during summer so having a first-class venue could be enough to keep the MH occupied during these dark periods.

COUNCILLOR PROCHNAU TO GM: What is the biggest cost for the theatre?

GM’S RESPONSE: Mechanical and electrical. Not including new sound equipment, the re-wiring est is over $1M. They will know more as we go through process of development so there will be a better est of pricing. There are several classes of estimates but we’re not at that really fine budget points. They have put in a lot of contingency because they don't know. To minimize risk, we’ve retained Carlson for the design committee, also first cut architectural design.

COUNCILLOR PROCHNAU TO GM: SU is an old building. If it’s already at $1M and may increase, it worries me as a student.

GM’S RESPONSE: We’ve done 3 major self-finance in SUB since ‘93. The last one was a little over but raised additional funding separately. The thing that created unexpected price drops for last project are not in this project. We have a consistent team and we also deliver on time and budget, we also carry contingencies.

2016-18/5 OPEN FORUM

BASHIR MOHAMED TO VP SANDARE:
Q regarding international tuition - there's an additional differential fee, is that correct?
VP SANDARE’S RESPONSE:
Yes, you’re correct.

JAMIE SARKONAK TO VP PACHES:
Q re whether student groups would be able to access MH once renos are done? Not sure about how manygps use the theatre right now. Any updates?

VP PACHES’ RESPONSE:
We need to analyze that and are going to take a look at MH’s policies centered around how it will interact with student groups. We will ensure it’s successful to student groups.

BASHIR MOHAMED TO VP SANDARE:
The international differential fee can be increased by the University so when there’s a tuition freeze, was the freeze only applied to the base tuition and was that made public?

VP SANDARE’S RESPONSE:
Yes, the tuition freeze only applies to base tuition. The international differential fee is differential so it’s modified on top of base tuition fee, there’s more flexibility on increasing the fee so there’s no cap.

JAMIE SARKONAK TO VP PACHES:
When in the future are you planning on going to student groups re revising policies?

VP PACHES:
We’ll have the result of feasibility studies so we’ll have something to present to stakeholders and student groups.

BASHIR MOHAMED TO PRESIDENT RAHMAN:
Re BoG 2016 minutes. The increase will apply to tuition and international differential so increase was not only applied to IDF so publicly they did not specify that the freeze was only for domestic students. Was there any mention of the tuition freeze being exempted only for domestic students? Was council aware of this issue?

PRESIDENT RAHMAN’S RESPONSE:
They did announce there would be a tuition freeze. We realize that it did not apply to international students by the time summer ended. The Board did approve a decision to go beyond CPI on the IDF for 17/18 and it may be the last year of the tuition freeze. This announcement was not made in writing but at a press release. Beyond that all communication with the Ministry is made all through phone calls or in-person.
VP SANDARE’S RESPONSE:
With all the conversations we've had with the Minister, it applies only to
domestic students. Any increases for international students fall onto the
IDF. The IDF is unregulated therefore it can increase. The base tuition is
frozen along with CPI, not many increases thus domestic students
currently have frozen tuition.

JAMIE SARKONAK TO VP PACHES:
When is consultation with student groups scheduled to be completed?

VP PACHES’ RESPONSE:
We’re targeting March.

BASHIR MOHAMED TO PRESIDENT RAHMAN:
What you said is incorrect. If this only was applied then the change would
have only been 450 so it would have only applied to IDF but it's not
happening. The slides presented 3.02% change to entire tuition so before
so that’s incorrect, that percentage was applied in general. So only
surcharges can be done by the university, everything else has to approved
by the province. The press rls does not mention anything but domestic
students. How is that enough to justify this increase? How can the SU miss
this point and why was council not aware of this?

PRESIDENT RAHMAN’S RESPONSE:
You are correct about the 3.02% was not included in the tuition freeze.
They were not clear about who is applied in the first place. He does trust
that the university did their due diligence on consulting with the ministry
about who they could apply the fee increases to because they have a tricky
relationship with the Minister of Advanced Education. If they do
something, that upset the Ministry, it’s likely they won’t receive funding
for the upcoming year. We all can push for improved clarity re statements
that govt makes. This was not brought to Council’s attention because we
trust the Ministry will interfere because that’s their legislation. It’s not the
Students’ legislation so it’s govt’s duty to do something if that legislation is
broken. The exec has brought this up to the Ministry and how it affects the
international students. We have not received any response/news so
assumes what they're doing is allowed.

MOTION FAILS
**2016-18/5a BASHIR MOHAMED to VP BANISTER:**

In the last open forum, you mentioned that the requirement for the leadership college to reach 1/3 of students was only briefly mentioned in a 2013 presentation.

This is incorrect. The promise was a key aspect of Indira’s pledge and was promised repeatedly by Student Union executives in 2013 - 2014 and 2014 -2015.

My question to you are as follows:

1) Why were you unaware of these recent commitments?
2) What is the reasoning for no longer reaching this target?

**VP BANISTER’S RESPONSE:**

Thank you for the question. As you will recall, at the last council meeting when you inquired about the status of the Peter Lougheed Leadership College’s original claim to reach $\frac{1}{3}$ of students, I responded that I have not heard that claim since I have taken office and that it would be best to follow up with PLLC administration.

I was aware that the commitment to reach $\frac{1}{3}$ of students was outlined in former President Samerasakera’s pledge as well as the history of the Students’ Union advocacy efforts on this issue. I did not cover the history of PLLC advocacy because that was not within the scope of your oral question.

As mentioned in my oral response, the PLLC administration are best equipped to respond to this question, as they handle the long term strategic outreach plan for the college. As such, I will be sure to raise this point at a future meeting with the PLLC administration.

**2016-18/5b BASHIR MOHAMED to EXECUTIVE COMMITTEE:**
The Vice Principal of the PLLC said that 'SU administrators' meet with students at the college twice every term to gain feedback from students. Who are these administrators and how/when was this agreed to?

VP BANISTER'S RESPONSE:
Thank you for the question. The statement made by the Vice-Principal of the PLLC, in an interview with The Gateway, was misleading. The Peter Lougheed Leadership College (PLLC) has hired individuals who work in the Students' Union leadership portfolio as independent consultants, outside work hours, to facilitate feedback from PLLC students. This process is not affiliated with the Students' Union as the individuals who facilitate the process are not working in their official capacity as an employee of the Students' Union.

2016-18/5c  **BASHIR MOHAMED to VP SANDARE:**
Have you ever been to a protest? If so, what was it about? (NOT including the rally to re-prioritize post-secondary education)

2016-18/5d  **BASHIR MOHAMED to VP PACHES:**
I don't have much to ask you tbh. However: Can you name three consecutive days without using the words Wednesday, Friday, or Saturday?

2016-18/5e  **BASHIR MOHAMED to VP GHOSSEIN:**
What is being done to combat the outrageous rent proposed by the PLLC residence?

2016-18/5f  **BASHIR MOHAMED TO COUNCILLOR ANGUS:**
One of your platform points was to raise awareness on scholarships and bursaries by putting it in one central spot. What is the progress on this platform commitment?

2016-18/5h  **BASHIR MOHAMED TO COUNCILLOR NDATIRWA:**
One of your platform commitments was to have a social media campaign to ask students why they were not voting or their general apathy. What is the progress on this platform commitment?

2016-18/5i  **BASHIR MOHAMED TO COUNCILLOR DEJONG:**
One of your platform commitments were to hold regular townhalls with the student body. What is the progress on this platform commitment?

**COUNCILLOR DEJONG'S RESPONSE:**
I have made no progress on this platform point this year.

2016-18/5j  **BASHIR MOHAMED TO COUNCILLOR LILLO:**
As a new member of council, what is one thing you hope to accomplish by the end of your term?
**2016-18/5k  BASHIR MOHAMED TO COUNCILLOR MONDA:**
I wasn’t able to find your platform anywhere. What do you think has been your biggest disappointment this year? (in terms of things that you were not able to accomplish).

**2016-18/5l  BASHIR MOHAMED TO COUNCILLOR LARSEN:**
One of your platform commitments were to make events on campus more large scale. What is the progress on this?

**COUNCILLOR LARSEN’S RESPONSE:**
Thank you for the question Bashir. I continuously give my time and ability to reach as many people as possible, especially in the Arts, and to promote Students Union events in particular. I do so by creating novel social media messages, attending events, and making my support vocal. I have remained in contact with OASIS, our faculty association, to attend and promote events they host. I have volunteered time on GovWeek Advisory Group, which reached a significant amount of students. I continue to promote Students Council meetings, pointedly online and through social mediums, and was happy to assist Councillor Monda in setting up an official live stream of Students Council. In short, progress thus far has been slow but consistent, and I will continue to promote our events to the limits of my ability and find ways to grow them in scale.

**2016-18/6  QUESTION PERIOD**

**COUNCILLOR ANGUS TO VP BANISTER:**
Q re how many councillors/non-councillors attended office hour for VP personally or exec as a whole?

**VP BANISTER’S RESPONSE:**
Does not have those numbers specifically but usually beginning of the year and closer to elections, there’s a lot more people.

**COUNCILLOR DEJONG TO VP PACHES:**
Have you considered that there are ways to ensure that the SU isn’t influencing Gateway content?

**VP PACHES’ RESPONSE:**
The fx of the Board does not have any ability to influence editorial changes. The editorial is operational and Board is oversight, long-term sustainability, strategic direction of the Gateway. He will ensure that the Gateway is transparent.

**COUNCILLOR MONDA TO VP BANISTER:**
Q re proposed cuts to BDes groups so what should students be doing is they’re opposed to these proposed cuts?
VP BANISTER’S RESPONSE:
The best place for students who have concerns should talk to OASIS. They will follow up with the Dean/Faculty with this. They are able to talk to her and Arts Councillors.

COUNCILLOR MONDA TO GM:
Re financing MH, was the breakdown the same or has it changed?

GM’S RESPONSE:
At the beginning, we wanted to get it all from donors, and then go to students to discuss options. After discussions with ppl who have done major fundraising, it was clear that grants/govt funding formed a backbone to those projects and a realistic funding plan would want to incorporate that. There should be a partnership between students, from community at large which benefits, and donors who see the value of MH and want to invest.

COUNCILLOR ANGUS TO COUNCILLOR DEJONG:
Q re mandatory non-instructional fee policy

COUNCILLOR DEJONG’S RESPONSE:
The committee noted they would like to see in first principles a distinction b/w SU MNFS and University MNFS. We’d like to see a differential to see that we’re advocating for Uni MNFS and would like to advocate for a transparent accountability measure for MNFS. We didn’t do that in the committee because the review was brought late so we felt more comfortable to bring to the next meeting

COUNCILLOR CHRISTENSEN TO GM:
Do you expect there would be more changes to the fee structure based on feasibility study and what would be the timeline to be aware of that?

GM’S RESPONSE:
We bring news to the SC as soon as we received it. There may be changes. Our strategy is ⅓, ⅓, ⅓ and will adjust if it needs but council will make the decision for what that means. Our goal is to do something that students want.

COUNCILLOR SCOTT TO COUNCILLOR MONDA:
Can you expand on some concerns you’re aware of re some cuts to BDes programs?

COUNCILLOR MONDA’S RESPONSE:
The proposed cuts are around the routes - preset courses taken each year to fulfill requirements for the degree that do not show up on your degree but to provide pathways. The 2 cuts are printmaking and computing science. Students’ main concerns about the courses that are available, if this is removed then there will be decreased access to these routes. These are powerful marketing tools to the programs to see the courses you’d take before coming to the UA therefore potential students may not know that these courses are available to them as part of their BDes studies.

COUNCILLOR NDATIRWA TO PRESIDENT RAHMAN’S:
Re international student fee increase. Was ISA made aware of this fee increase before it was implemented?

PRESIDENT RAHMAN’S RESPONSE:
We first learned about this change in early Oct and did notify the ISA within days. We got an update from Provost saying it could increase and there was only going to be an API for the upcoming year. Once that info was confirmed, we passed it onto ISA and we worked with them to come up with a survey to gain some feedback.

COUNCILLOR FAROOQ TO VP SANDARE:
Q re tuition freeze. There are a lot of program cuts, how does that change your advocacy to the govt?

VP SANDARE’S RESPONSE:
We want the University to compensate for lost funding so there’s no gap. With funding consultation, we want to make sure they are compensated for that.

GOVERNOR CHAMPAGNE TO PRESIDENT RAHMAN:
Re international tuition, if the SU ever asked if the tuition applied singularly to domestic students or international students? If we did that, when?

PRESIDENT RAHMAN’S RESPONSE:
We have phone call meetings with the Minister/Advanced Education office once per semester. We asked clarification on who the tuition freeze applies to and they notified us that it only applied to domestic students. That his recollection of the phone call so no documentation.

COUNCILLOR LARSEN TO GM:
With a new bigger building, are there any extra costs to maintaining it?

GM’S RESPONSE:
No, we’re designing it to make the costs lower. We can defer costs to volume. The equipment has to be maintained by hand. Expects costs for maintenance to go down.

**COUNCILLOR CHRISTENSEN TO GM:**
Re phasing the project or doing it all at once. Has that been considered?

**GM’S RESPONSE:**
We’re not at a point to assess that. We talked about setting it up as a series of phases eg. meeting spaces, auditorium, expansion pieces but it wasn’t the best way to explain the project to ppl, doesn’t make sense. There are lower level changes, kitchen and the Theatre changes. It’s no longer being considered as separate because it’s more clear for fundraising when presenting the project as a whole vs separate phases.

**COUNCILLOR MONDA TO VP SANDARE:**
Re extension of health services specifically nurse at Augustana. Please expand.

**VP SANDARE’S RESPONSE:**
He contacted Associate Dean, sat on Senate, reached out to Dean of Augustana and what they wanted. There will be continuing dialogue. With the nurse, someone will help with mental health/health/sexual assault services.

**COUNCILLOR MONDA TO VP PACHES:**
Q re Protective Service’s Committee meeting.

**VP PACHES RESPONSE:**
There is a meeting date in the next month or so.

**2016-18/6a COUNCILLOR MONDA to VP PACHES:**
The Student Group Executive VIP Card grants a discount at SU food & beverage locations in addition to SUBPrint. Why does the Council discount card not include SUBPrint?

**VP PACHES’ RESPONSE:**
Thank you for the question Councillor Monda! The council discount card does not include SUBPrint because none of our discount cards that are intended for personal benefit include SUBPrint. The Student Group Executive VIP Card is intended for clubs as a whole to access discounted printing. Each club only receives two, we do not give one to each club member. The intention is club benefit, not personal. Personal benefit cards include staff, council and volunteer cards. In addition to the intention of these cards being a "thank-you" to those close to the SU, and us viewing food & beverage as the most direct personal benefit, there is a more technical reason as well. There is a real cost
behind providing these discounts, and SUBPrint's point of sale system does not have the capability to charge discounts that do not have a direct budget code (this includes council discounts). Student Group cards are charged to SGS, and staff/volunteer are charged to their respective department. If anyone is looking for cheaper printing at SUBPrint, I encourage you to use the "20% off your next purchase" coupon in the SU student handbook!

2016-18/6b  **COUNCILLOR LARSEN to VP SANDARE:**
Can the VP provide the current budget and expenses incurred for EMPfest?

2016-18/6c  **COUNCILLOR LARSEN to EXECUTIVE COMMITTEE:**
EMPfest was launched on the personal Facebook account of VP Sandare. Can a member of the Executive Committee comment on why this exemption from Operating Policy (as listed online and below) occurred?

7 Communications & Marketing 1(e)
Statements on social media may be made as follows:

The Senior Manager (Marketing & Communications), or designate, may interact on social media on behalf of the Students' Union.

Each department head, or designate, may interact on social media on behalf of their respective department, provided the subject matter pertains to their area of responsibility.

8 Information Technology (a)
Wherever possible, electronic communications to or from Students’ Union staff and volunteers shall take place using official accounts issued by the Students’ Union.

**PRESIDENT RAHMAN’s RESPONSE:**
Hello Councillor Larsen,

We consider each of the executives as a head of their own executive portfolio, each of which are their own department, which is why VP Sandare created a Facebook event through his personal account. This practice was also seen earlier in the year with VP Banister creating an event for the Interdisciplinary Conference, as both of these events were directly tied to their respective executive portfolios. This was also seen during the 2014 - 15 year, where then-VPX Navneet Khinda created a set of Facebook events for the Project Feminist University initiative through her own Facebook account.

Where appropriate, we try to leave social media interactions to our Marketing and Communications department. An example of this was the Facebook event for the US elections party at Dewey’s this year, which was handled in coordination between Marketing and Communications and our Business Development Manager.
COUNCILLOR LARSEN TO PRESIDENT RAHMAN:
Concerned about we present ourselves online so curious about what the procedure was for releasing info online. Will the exec team commit to releasing these events on the official SU page directed by our marketing team and not the execs themselves? We should push our resources first supplemented by help.

PRESIDENT RAHMAN’S RESPONSE:
Our marketing dept are currently transitioning and the person focused on social media is moving to Ontario so there are not timely updates on social media so a lot of execs is taking to their FB pages but as soon as there’s a replacement for this staff member we will use the official council as much as we can. If you look at our elections bylaws, they try to incorporate adapting to changes so the exec committee should take a look at the policies and see if any changes need to be made.

2016-18/6d  
COUNCILLOR LARSEN to PRESIDENT RAHMAN as the Executive Committee Chair:
Distinguishing between the public Facebook pages of Executives which are explicitly tied to the Students Union (ex. Marina Banister UASU VP Academic) and personal Facebook accounts:

Are the Executives private Facebook accounts to be considered "official accounts of the Students Union"?
If they are not, are they consider official designates of the Students Union?

PRESIDENT RAHMAN’s RESPONSE:
Personal accounts of the SU Executives are not official channels or accounts of the Students’ Union, even though they have been used heavily in the more recent years to get messaging out to students. All of the executives are aware that comments they post on social media can be taken as representative of the entire organization, regardless of whether that is their intent or not. I do not consider serving as an Executive as a "9 to 5" job, which is one contributing reason to why our personal social media accounts are used to inform students of our organization’s activities. That is supplemental all to the official accounts of the Students’ Union.

2016-18/6e  
COUNCILLOR LARSEN to PRESIDENT RAHMAN as the Executive Committee Chair:
It was the councillors understanding that Department Heads where Management Positions, not Term Positions, apologies for the misunderstanding:

Can operating policy be updated to make clear that the Department Head description applies to Students Union Executives?

PRESIDENT RAHMAN’s RESPONSE:
I will discuss the potential changes to our operating policy suggested here with our General Manager.

2018-18/6f  
**COUNCILLOR LARSEN to PRESIDENT RAHMAN as the Executive Committee Chair:**
If Executive committee members are to be considered Department Heads, and their personal accounts to be considered "official accounts of the Students Union" or they are to be considered official designates of the Students Union:

Will the Executive Committee be conforming to Students Union political policy in all communications from these accounts?  
Is there a social media strategy for these accounts, including a method for turnover of official accounts at the end of term?

**PRESIDENT RAHMAN’s RESPONSE:**
Even if an executive makes a comment about an external stakeholder or contradicts policy that is not necessarily within their portfolio, they all understand that, as the official representatives of the Students’ Union, their comments can be construed as such. We are encouraged to be responsible with personal social media usage while serving as representatives.

Our official accounts are turned over to incoming executives at the end of term. Personal accounts are not turned over as once the executive transition is complete, they are no longer the account of an official representative for the Students’ Union.

2016-18/7a  
**Bill #10 - Standing Committee Attendance Regulations - First Reading**

**CHRISTENSEN/LARSEN MOVE to approve the first reading of Bill #10, on the recommendation of Bylaw Committee, according to the following first principles.**

First Principles:

1. Councillors are expected to attend, or send a Councillor-Designate, to meetings of standing committees of which they are members.
2. Attendance shall be taken at the start and end of every standing committee meeting.
3. Councillor attendance shall be defined as attending for at least one (1) roll call of that committee.
4. Where a Councillor meets the following criteria for three (3) regularly scheduled meetings, they shall be automatically removed from that standing committee:
   a. Fails to attend; and
   b. Fails to provide a formal document to the committee’s chair, prior to the start of the meeting, including their written thoughts on all agenda items listed.

5. Any councillor who has been removed from a committee shall be allowed to be re-nominated and re-appointed.

6. The Speaker shall inform all members of Students’ Council of the standing committee attendance regulation at the start of each Students’ Council year and at the time of appointment of vacant seats.

7. Bylaw 100 shall be amended to implement these principles, including the automatic removal of councillors from committees.

8. This process shall not take effect until the 2017/2018 term of Students’ Council.

VP BANISTER:
Believes a .5 should be counted as a .5 and not a 1. If you only come to half, still considered to be there for FT. It does not encourage full participation, would be more in favor of .5 being counted as full attendance. What is SC’s perspective?

GOVERNOR CHAMPAGNE:
Agrees with VP Banister. The data/policy is not useful if it doesn’t actually represent actual attendance. The Bylaw does not represent accurate attendance, does not ensure attendance, rendering members accountable to their meetings. Understands that it can be recorded accurately, now in favour of this.

COUNCILLOR PROCHNAU:
Disagrees. He was 5 minutes late so told he missed half of it even though he was there for 99%.

COUNCILLOR CHRISTENSEN:
This is slow and steady with change. We’re going from nothing to something which is a step in the right direction. This legislation does not say you can’t keep track however you want to. This will not legislate what’s on the agenda but only if that person met the criteria for this or not. People will record on the agenda however they see fit.

2016-18/7f PACHES/HOWIE moves, on recommendation of Bylaw Committee, to amend the UPass Referendum Question as shown:
Edmonton Transit Services (ETS) provides a U-Pass to all students at a lower price than a monthly pass, in order to encourage the use of city transportation among undergraduate students. All undergraduate students pay this U-Pass, and as a result the cost of the U-Pass is lowered for University of Alberta undergraduates.

The current U-Pass deal expires in August 2017, and a referendum is being held to renew the U-Pass. The deal proposed by ETS will see the cost of the U-Pass rise by no more than $5 per year until 2020 - 2021.

The University of Alberta provides a subsidy to further reduce costs to students and has committed to continuing this subsidy. The current cost of the U-Pass to other institutions is $170 while University of Alberta undergraduates pay $141.67.

The U-Pass will cost University of Alberta undergraduates, after subsidy, $145.00 in 2017-18, $148.00 in 2018-19, $153.00 in 2019-20 and $158.00 in 2020-21.

The conditions of this fee shall include:
1. Students can not opt-out of this fee.
2. This fee will not be assessed to Augustana and off-campus students, as defined by the University Calendar.
3. Under certain circumstances, some undergraduate students would be exempt or eligible to opt-out of the U-Pass program. Click here for an excerpt of the draft agreement

Do you support a fee of $145.00 in 2017 - 2018, $148.00 in 2018 - 2019, and $153.00 in 2019 - 2020 and $158.00 in 2020-2021 per term for full time and part time undergraduates to continue the Universal Transit Pass (U-Pass) at the University of Alberta?
