**Re:** Report to Students' Council

---

Hello Council,

It has only been one short week since our last meeting and therefore, since my last report. Much of the last week has been used to setup important reoccurring meetings with different administrators and to have internal meetings with Discover Governance and the Undergraduate Governance and Academic Advocacy advisor, continuing the goal setting process. Here are a few other updates:

1. GovWeek Advisory Group

The members of GWAG have been selected and notified. We will have our first meeting as soon as possible to get the ball rolling on GovWeek planning. GovWeek will be from September 18-22.

2. GovCamp

GovCamp will be taking place from June 2-4 at Lister Hall. The most up-to-date schedule is available on the Discover Governance webpage under "GovCamp Resources". Feel free to share this link:

(<http://www.su.ualberta.ca/governance/discover/govcamp/>) with other councilors and Faculty Association representatives and encourage them to come.

3. Summer Office Hours

All of the Exec have selected their office hours. There has been a slight amendment in my hours – instead of Thursdays 4-5 I will be available Thursdays 3:30-4:30. This is just to ensure I am accessible as the main doors for the Students' Union office close at 4:30.

I hope you all have a great week!

Best regards,

Hello council!

Congratulations to all the councillors who were appointed to boards at the last meeting! It has only been one week since my last report, so I will keep this brief.

### 1. Boards and Committees

Since our last meeting I have attended a GFC Academic Planning Committee. The most noteworthy item discussed was the University's submission on academic performance to the Government of Alberta. I also attended my first Board of Governors meeting and dinner. There are lots of new members on the board so it has been helpful for Governor Sandare and I to get to know them at the dinner a bit before our first meeting.

### 2. Stakeholder Meetings

VP Scott and I attended a meeting with the Chinese Students and Scholars Association (CSSA) and University of Alberta International (UAI) to discuss how the Students' Union can better support international students from China. It was a very fruitful meeting and we were able to identify some areas where our organizations can develop closer ties.

### 3. Other Exciting Endeavours

VP Larsen and I will be attending the Council of Alberta University Students (CAUS) change over retreat over the weekend. At this retreat we will go over important information regarding provincial advocacy as well as elect our new Chair and Vice-Chair.

My summer office hours are Wednesdays from 12:00-1:00PM in SUB 2-900. Please feel free to drop by if you would like to chat.

Thank you very much for reading my report, and I am happy to answer any questions you may have!

Hey Council!

I hope the last week or so has been good! I imagine many of you are settling into summer jobs/internships/summer classes. Things with the executive committee are getting back into a form of normality; changeover is a pretty crazy time. The new team is killing it, though! Speaking of team, the Oilers were eliminated this week and I am still fairly bummed. But hey, we did better than anyone would have expected! As Students' Council just met last week, this report will be brief.

#### On-boarding Summer Positions

Each summer, the Students' Union brings on approximately 3-6 summer positions with the Summer Temporary Employment Program and the Canada Summer Jobs program. This year, we have 3 positions that I'll be working with closely. The positions are a Business Analyst, a Fundraising Strategist and our Business Promotional Coordinator. This week I helped to bring the individuals up to speed and made sure they were welcomed and comfortable. I'm looking forward to seeing the awesome work they'll get done this summer.

#### United Way Committee

I am a member on the United Way Campaign Committee for the University of Alberta campaign. We met on Wednesday the 10<sup>th</sup> to sort out more of the details of the campaign, including creative strategies to encourage donation and communicating the value of the campaign. I will be spearheading the student engagement strategy, so stay tuned for that! I may need some student champions, so if helping the community is something you enjoy, lets chat!

Cheers,

Dear Council,

It has been a pleasant beginning to summer and I've really enjoyed this weather. If you have some time I would really recommend that you check out the River Valley during the sunset. Beautiful sights all around, though the energy has sadly died down due to the unfortunate end of the Oilers' season. Hockey fan or not, you guys have to admit the city's energy was pretty wild.

I am currently in Canmore at a Rotary Leadership Conference - it is something I've been involved with for seven years. I'm really excited to be here working with all these young leaders who will hopefully attend University of Alberta one day.

This report will be fairly brief as barely a week has gone by since I've taken Office. The executive team has been working on our collective goals, and I'm really looking forward to working along with such passionate and driven individuals.

## **ADVOCACY**

The Residence Life Task Force will be released in the next couple of weeks and I am thrilled for you guys to have the chance to read it. I believe this report will have quite an impact on our residences here at the University of Alberta. Keep an eye out, because I will definitely be sharing it on my page as soon as it has been released.

**CORA:** I've begun to contact the Council of Residence Association's incoming executives in order to ensure that our residence council has productive meetings and tangible collective goals. It is important that our residences have the resources to address their own pressing issues. I am thrilled to have our first meeting.

**LHSA:** I have been working to ensure that LHSA has substantial office space and proper resources in the upcoming year, as well as in the new renovation plans so that students have proper representation in the years to come in Lister Centre.

## *ANNOUNCEMENTS*

My social media pages are finally set up, so feel free to follow me. I will do my best to keep them updated throughout my time in office. That's UASU VP Student Life Ilya Ushakov on Facebook and @uasuvpsl on Twitter.

My office hours will be on Wednesdays from 3:30-4:30PM every week this summer in SUB 2-900, so drop by and have some wild chats with me.

Hi Council,

The first week in the office has flown by! I've had a blast, gotten completely organized, and have started on a few projects. Few things to update everyone on.

#### CAUS Changeover Conference

Although mostly the same update as for when we were last together, President Banister, the outgoing, and I will be heading to the CAUS (Council of Alberta University Students) changeover conference from 13th - 16th. At that conference we will be setting the strategic direction for the organization for the next year, electing a new chair and vice-chair, and getting some administration tasks done, such as ratifying a budget and new summer researcher. Over the past week, I have sat on CAUS hiring committee, and we should be announcing a new staff member next week as well. I am incredibly excited for the retreat, as it does powerfully shape how provincial advocacy will go for the next year, and I will be giving as many live updates as possible. Check out the CAUS website for more information.

#### CASA Foundations Conference

After getting back on the 16th from CAUS, we will be shipping out again from the 22nd - 27th to attend CASA (Canadian Alliance of Student Associations) Foundations retreat. Much the same as CAUS, we will be electing the Board of Directors, discussing policy direction, and getting to know our federal counterparts. I'll do as many live updates as possible from here as well but check out the CASA website for more information as well.

Asides that, office hours have been set out, and you can see me Tuesday from 9-10am. If that doesn't work for you, feel free to reach out anytime, and will find a time that works! Finally, keep eyes peeled for social media updates, and maybe a live stream early next week!

Cheers,

***COUNCILLOR CHRISTENSEN TO VP PACHES***

Will there be RATTio events this summer?

***VP PACHES' RESPONSE***

There will be RATTio events this summer. They are planned on the last Thursday of the month and what we do is set up a beer gardens on the SUB Plaza and serve drinks and food. It's a great event to enjoy the sun, and I encourage everyone to come check it out.

***PRESIDENT BANISTER TO SPEAKER OR CHAIR OF CAC***

Moving forward, how will live streaming be handled?

***SPEAKER'S RESPONSE***

It's a bit undetermined right now as of the last CAC meeting. Once it's decided on how it will be live streamed and what media we'd like to use, all of that will likely fall under the Speaker's purview. The Speaker will be responsible for that so that nobody in Council can be in conflict of interest and will make it easy for all the questions that come through in livestream. I or Councillor Sunday (CAC Chair) will give Council updates.

***VP SCOTT TO PRESIDENT BANISTER***

Can you give an update on GovCamp?

***PRESIDENT BANISTER'S RESPONSE***

GovCamp is a go. I will encourage all members of Council to come and stay in residence. I believe registration has been sent out so I encourage all to sign up. I'm happy to answer any questions councillors may have.
