Council Chambers, University Hall

We would like to respectfully acknowledge that our University and our Students’ Union are located on Treaty 6 Territory. We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students’ Union we honour the nation-to-nation treaty relationship. 2017-15/7a Bill #5 - Students’ Council Legislative and Committee Structure Reform - First Reading

HOWIE/CHRISTENSEN MOVE to approve the first reading of Bill #5, on the recommendation of Bylaw Committee, based on the below, amended first principles, following the referral to Bylaw Committee on Nov. 21.

First Principles (Amended Nov. 28, 2017):

1. Bylaw 100 is the premiere piece of legislation of Students’ Council, housing much of the administrative and operational regulations of the body.

2. Legislation within Bylaw 100 is loosely defined with little direction given surrounding the procedures and protocols of the various forms of legislation. There are currently legislative processes for the creation of bylaws, political policies, and the budget that are described in Students' Council's standing orders, but are not reflected in bylaw. As these processes do not change year to year and are binding, they should be reflected in bylaw.

3. The legislative process of approving bylaws shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Bylaw Committee.

4. The legislative process of approving policies shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Policy committee.
5. The legislative process of approving the budget shall be clarified in Bylaw 100 to mandate the first reading of budget principles and the itemized budget be drafted by Finance committee.

6. In light of DIE Board Ruling 2017-02, there is a lack of clarity surrounding the timing of the start up meeting and first meeting of Students’ Council as defined in Bylaw 100.

7. Bylaw 100 shall be amended to allow the startup meeting to occur anytime within April.

8. Bylaw 100 shall be amended to relax the mandated timing of the first meeting of each Students’ Council term from before May 7 to before May 15 of each year.

9. In light of recent discussions surrounding committee structure, four new categories of committees will be defined with definitions including, but not limited to:
   a. “Legislative” committees
      i. Committees whose mandate include a delegated, legislative function of Students’ Council.
      1. Audit, Bylaw, Policy, Council Administration, Finance, and Nominating Committee shall be reclassified as “Legislative” committees.
      ii. These committees shall have a closed membership of only elected members of Students’ Council or Designates.
      iii. These committees shall be recurring.
      iv. The list and mandate of these committees shall remain in Bylaw 100.
      v. These committee shall only be created or eliminated through two readings of Students’ Council amending Bylaw 100.
   b. “Oversight” committees
      i. Committees whose mandate include providing recommendations on internal and external Students’ Union policies and providing guidance, advice, oversight, or other information to the organization on a general topic.
      ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.
iii. These committees shall be recurring.
iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.
v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council.
vi. These committees shall only be eliminated by two majority votes of Students’ Council amending the Bylaw 100 Schedule B at two separate meetings occurring not less than one week apart.

c. “Ad hoc” committees:
   i. Committees whose mandate is narrow surrounding a particular topic, initiative, project, or investigation.
   ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.
   iii. Expire at a designated time not to exceed 1 year.
   iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.
   v. These committees may be created, approved, formalized, eliminated or renewed by a simple majority vote of Students’ Council or the Executive committee.
   vi. Ad hoc committees may also be referred to as “task forces.”

d. “Operational” committees:
   i. Committees whose mandate is to serve a specific operational function of the Students’ Union.
   ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.
   iii. These committees shall be recurring.
   iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.
   v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council or the Executive committee.
vi. These committees shall only be eliminated by a simple majority vote of Students’ Council or the Executive Committee.

10. The definition of “standing committee” shall be eliminated.

11. Under the new classification, all formalized committees shall be eligible for the administrative support of Discover Governance or the Students’ Union, as needed.

12. The current “Bylaw 100 Schedule” shall be renamed “Bylaw 100 Schedule A”.

13. A new “Bylaw 100 Schedule B” shall be created.

2017-15/7b Bill #6 - The Social and Environmental Responsibility Committee Restructuring - Second Reading

CHRISTENSEN/PACHES MOVE to approve the second reading of Bill #6, on the recommendation of Bylaw Committee, based on the following first principles.

1. The Social and Environmental Responsibility Committee (SERC) historically was a committee of the Students’ Union executive.

2. Formally, the committee no longer functions as part of the Students’ Union executive and continues to exist as an unregulated committee of the Students’ Union proper.

3. Bylaw 1100 shall be amended to remove The Social and Environmental Responsibility Committee as a formal part of the Students’ Union executive.

Please see SC-2017-15.05 for second reading wording changes.

2017-15/7c The University of Alberta First Aid Responders Petition Question

CHRISTENSEN/HOWIE MOVE to approve the University of Alberta First Aid Responders DFU Petition Question, on the recommendation of Bylaw Committee, as listed below.

The University of Alberta First Aid Responders (UAFAR) is currently a student group on campus that is dedicated to increasing campus health and safety through a focus on first aid knowledge and training. First aid-trained UAFAR volunteers attend University of Alberta campus events as first aid responders completely free of charge, equipped with a full complement of first aid supplies. Certified standard first aid instructors
provide several discounted standard first aid classes to students throughout the school year. First aid courses for student groups can also be arranged.

The conditions of the fee will include:

1. Students shall have the option to opt out;
2. The fee will be assessed only in the Fall and Winter Terms;
3. With the establishment of a Dedicated Fee Unit, UAFAR will: support their current services, transition to on-call service, purchase and maintain first aid materials, purchase all necessary insurance, and subsidize standard first aid training for University of Alberta students, staff, and alumni wanting to serve with the UAFAR event and on-call services;
4. The board overseeing the feel shall include a Chair, the President of UAFAR, VP Finance of UAFAR, VP Operations of UAFAR, VP Internal of UAFAR, and a Students’ Councillor. The board will be elected by UAFAR members with the exception of the Students’ Councillor, who will be appointed by Students’ Council.
5. The fee will not be assessed to students at Augustana Campus;
6. Off-campus students, as defined by the University Calendar, are excluded from the fee;

We the undersigned support a fee of $0.49 per student per semester, in each the Fall and Winter semesters, for full-time and part-time students to fund UAFAR:

2017-15/8   GENERAL ORDERS

2017-15/8a   Bill #7 - Students’ Council Legislative Process Update - First Reading

CHRISTENSEN MOVES to approve the first reading of Bill #7 based on the following first principles.

First Principles:

1. Bylaw 100 is the premiere piece of legislation of Students’ Council, housing much of the administrative and operational regulations of the body.
2. Legislation within Bylaw 100 is loosely defined with little direction given surrounding the procedures and protocols of the various forms of legislation. There are currently legislative processes for the creation of
bylaws, political policies, and the budget that are described in Students’ Council’s standing orders, but are not reflected in bylaw. As these processes do not change year to year and are binding, they should be reflected in bylaw.

3. The legislative process of approving bylaws shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Bylaw Committee.

4. The legislative process of approving policies shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Policy committee.

5. The legislative process of approving the budget shall be clarified in Bylaw 100 to mandate the first reading of budget principles and the itemized budget be drafted by Finance committee.

We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory, specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students’ Union we honour the nation-to-nation treaty relationship. **2017-14/7a** **Bill #5 - Students’ Council Legislative and Committee Structure Reform - First Reading**

**HOWIE/CHRISTENSEN MOVE** to approve the first reading of Bill #5, on the recommendation of Bylaw Committee, based on the below, amended first principles, following the referral to Bylaw Committee on Nov. 21.
First Principles (Amended Nov. 28, 2017):

1. Bylaw 100 is the premiere piece of legislation of Students’ Council, housing much of the administrative and operational regulations of the body.

2. Legislation within Bylaw 100 is loosely defined with little direction given surrounding the procedures and protocols of the various forms of legislation. There are currently legislative processes for the creation of bylaws, political policies, and the budget that are described in Students’ Council’s standing orders, but are not reflected in bylaw. As these processes do not change year to year and are binding, they should be reflected in bylaw.

3. The legislative process of approving bylaws shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Bylaw Committee.

4. The legislative process of approving policies shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Policy committee.

5. The legislative process of approving the budget shall be clarified in Bylaw 100 to mandate the first reading of budget principles and the itemized budget be drafted by Finance committee.

6. In light of DIE Board Ruling 2017-02, there is a lack of clarity surrounding the timing of the start up meeting and first meeting of Students’ Council as defined in Bylaw 100.

7. Bylaw 100 shall be amended to allow the startup meeting to occur anytime within April.

8. Bylaw 100 shall be amended to relax the mandated timing of the first meeting of each Students’ Council term from before May 7 to before May 15 of each year.

9. In light of recent discussions surrounding committee structure, four new categories of committees will be defined with definitions including, but not limited to:
   a. “Legislative” committees
      i. Committees whose mandate include a delegated, legislative function of Students’ Council.
1. Audit, Bylaw, Policy, Council Administration, Finance, and Nominating Committee shall be reclassified as “Legislative” committees.
ii. These committees shall have a closed membership of only elected members of Students’ Council or Designates.
iii. These committees shall be recurring.
iv. The list and mandate of these committees shall remain in Bylaw 100.
v. These committee shall only be created or eliminated through two readings of Students’ Council amending Bylaw 100.

b. “Oversight” committees
i. Committees whose mandate include providing recommendations on internal and external Students’ Union policies and providing guidance, advice, oversight, or other information to the organization on a general topic.
ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.
iii. These committees shall be recurring.
iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.
v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council.
vi. These committees shall only be eliminated by two majority votes of Students’ Council amending the Bylaw 100 Schedule B at two separate meetings occurring not less than one week apart.

c. “Ad hoc” committees:
i. Committees whose mandate is narrow surrounding a particular topic, initiative, project, or investigation.
ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.
iii. Expire at a designated time not to exceed 1 year.
iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, formalized, eliminated or renewed by a simple majority vote of Students’ Council or the Executive committee.

vi. Ad hoc committees may also be referred to as “task forces.”

d. “Operational” committees:

i. Committees whose mandate is to serve a specific operational function of the Students’ Union.

ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. These committees shall be recurring.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council or the Executive committee.

vi. These committees shall only be eliminated by a simple majority vote of Students’ Council or the Executive Committee.

10. The definition of “standing committee” shall be eliminated.

11. Under the new classification, all formalized committees shall be eligible for the administrative support of Discover Governance or the Students’ Union, as needed.

12. The current “Bylaw 100 Schedule” shall be renamed “Bylaw 100 Schedule A”.

13. A new “Bylaw 100 Schedule B” shall be created.
