Council Chambers, University Hall

We would like to respectfully acknowledge that our University and our Students’ Union are located on Treaty 6 Territory. We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students’ Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge and work towards the decolonization of Indigenous knowledges and traditions.

2017-17/7a **Bill #5 - Students’ Council Legislative and Committee Structure Reform - Second Reading**

HOWIE/CHRISTENSEN MOVE to approve the second reading of Bill #5, on the recommendation of Bylaw Committee, based on the first principles listed below.

**First Principles (Approved January 8, 2018):**

1. Bylaw 100 is the premiere piece of legislation of Students’ Council, housing much of the administrative and operational regulations of the body.

2. Legislation within Bylaw 100 is loosely defined with little direction given surrounding the procedures and protocols of the various forms of legislation. There are currently legislative processes for the creation of bylaws, political policies, and the budget that are described in Students’ Council’s standing orders, but are not reflected in bylaw. As these processes do not change year to year and are binding, they should be reflected in bylaw.

3. The legislative process of approving bylaws shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Bylaw Committee.

4. The legislative process of approving policies shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Policy committee.
5. The legislative process of approving the budget shall be clarified in Bylaw 100 to mandate the first reading of budget principles and the itemized budget be drafted by Finance committee.

6. In light of DIE Board Ruling 2017-02, there is a lack of clarity surrounding the timing of the start up meeting and first meeting of Students’ Council as defined in Bylaw 100.

7. Bylaw 100 shall be amended to allow the startup meeting to occur anytime within April.

8. Bylaw 100 shall be amended to relax the mandated timing of the first meeting of each Students’ Council term from before May 7 to before May 15 of each year.

9. In light of recent discussions surrounding committee structure, four new categories of committees will be defined with definitions including, but not limited to:
   a. “Legislative” committees
      i. Committees whose mandate include a delegated, legislative function of Students’ Council.
         1. Audit, Bylaw, Policy, Council Administration, Finance, and Nominating Committee shall be reclassified as “Legislative” committees.
      ii. These committees shall have a closed membership of only elected members of Students’ Council or Designates.
      iii. These committees shall be recurring.
      iv. The list and mandate of these committees shall remain in Bylaw 100.
      v. These committee shall only be created or eliminated through two readings of Students’ Council amending Bylaw 100.
   b. “Oversight” committees
      i. Committees whose mandate include providing recommendations on internal and external Students’ Union policies and providing guidance, advice, oversight, or other information to the organization on a general topic.
ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. These committees shall be recurring.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council.

vi. These committees shall only be eliminated by two majority votes of Students’ Council amending the Bylaw 100 Schedule B at two separate meetings occurring not less than one week apart.

c. “Ad hoc” committees:

i. Committees whose mandate is narrow surrounding a particular topic, initiative, project, or investigation.

ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. Expire at a designated time not to exceed 1 year.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, formalized, eliminated or renewed by a simple majority vote of Students’ Council or the Executive committee.

vi. Ad hoc committees may also be referred to as “task forces.”

d. “Operational” committees:

i. Committees whose mandate is to serve a specific operational function of the Students’ Union.

ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. These committees shall be recurring.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.
v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council or the Executive committee.

vi. These committees shall only be eliminated by a simple majority vote of Students’ Council or the Executive Committee.

10. The definition of “standing committee” shall be eliminated.

11. Under the new classification, all formalized committees shall be eligible for the administrative support of Discover Governance or the Students’ Union, as needed.

12. The current “Bylaw 100 Schedule” shall be renamed “Bylaw 100 Schedule A”.

13. A new “Bylaw 100 Schedule B” shall be created.

2017-17/7c Engineering Students’ Society FAMF - Referendum Question

CHRISTENSEN/HOWIE MOVE to approve the Engineering Students Society FAMF referendum question, on the recommendation of Bylaw Committee, as listed below.

As an undergraduate engineering student, you are currently charged a Faculty Association Membership Fee (FAMF) of $7.00 per semester. The proposed increased membership fee of $20.00 per semester will provide engineering student groups on campus with access to more funding.

The conditions of the fee shall include:

2. The same fee will be applied to full-time and part-time students.
3. Students who are not on campus (on a co-op term or study term abroad) will not be charged the membership fee.
4. The fee shall not be charged in the Spring/Summer semester.

Re: Report to Students’ Council  

I hope everyone’s first couple of weeks of the winter semester has been pleasant. It’s nice to be back in the swing of things; it’s hard to believe that my term will be over in around three months. Got to keep trucking along though, here are some of the things I’ve been working on:  

**Dean’s Advisory Council**  
I’ve attended Dean’s Advisory Council, where we have discussed the meal plan, student accessibility services and orientation. I absolutely love seeing students so engaged in the consultation process and it was quite important to keep challenging this meal plan as well.  

**AntiFreeze**  
This event turned out to be a tremendous success and I’d like to give special congratulations to everyone on the Events Team and Crew for all the hard work in one of the coldest weeks of the academic year. We have had over forty-two teams partake, with plenty of fun to be had indoors and outdoors.  

**Mental Health Committee**  
By council we would have had our first official meeting where we begin to look at core values principles and the vision for this mental health strategy and what we want to achieve with it, we want to ensure that we provide a living document that provides guidance to the entire organization.  

**Campus Activities Board**  
The board is currently working on a Valentines Day event, you will hear more details next council meeting but a sneak peak for now is that you will be able to vote on a movie that will be showing at the Myer Horowitz, how exciting is that?  

**Events**  
Have had some internal meetings on the event timeline for the winter semester; I’m excited for all the things to come. There will be monthly events but stay tuned for a schedule coming out pretty soon as well as our new events calendar in our events section, our team is just fine tuning some IT developments.
Mental Health Resource Sharing
We have began to meet with service providers all across campus under ACCESS Open Minds, this committee will work towards sharing trends, data, resources and information in general and work on creating a standardized referral process for the university and all of the services.

Student Groups
We continue to work collaboratively on policies and procedures of student groups, and are excited to make processes easier for student groups, as easier processes will allow more groups to be more active and contribute heavily to student life.

Ask me questions, visit me, and feel free to email me at anytime I would love to chat and answer any questions you have. Enjoy your week and until next time.

Re: Report to Students’ Council

Hello Council,

It’s been a busy few weeks since our last meeting! Please find a summary of my work below.

**University Business**

**SURO**

The executive and I met with the team from the Registrar. We discussed the new enrollment information, demographic collection, as well as the MacLean’s rankings! It was a very interesting meeting and enrollment is up across the board.

**Alumni Council – Benefits Committee**

I attended an alumni council benefits committee meeting last week. It was interesting and we are trying to find more ways to partner with alumni owned businesses to get discounts for U of A alumni. I am the only “millennial” on the committee and am able to bring an interesting perspective on how to engage with recent graduates.

**APC**

I attended an Academic Planning Committee meeting. We discussed updates to the Peter Lougheed Leadership College, the budget cuts, as well as changes to the Modern Languages and Cultural Students (MLCS) department. The University took a very odd governance approach to passing the MLCS motion at APC, as it had not yet been to the Academic Standards Committee, where it normally goes first. There was also interesting discussion on how no indigenous languages had been considered in the proposal, a criticism of the proposal which I agree with.

**Upcoming Meetings**

In the next few days I will have a Board Working Group, which discusses how to make the board the most effective it can be. I also have meetings with the Provost and Dean of Students. It is a turbulent time in the University with the budget cuts, but we are making sure students are being as minimally affected as possible during this process.

External Business

Municipal
VP Larsen and I are continuing to meet with the newly elected and returning city councilors. We have recently met with Councillor Hendersen, Councillor Esslinger, and Councillor Paquette. All of them had an interest in what students are doing in the field of innovation. We also spoke extensively about housing options in the surrounding area and how to make sure University has better child care.

Minister Schmidt/AntiFreeze
Advanced Education Minister, Marlin Schmidt, attended an Antifreeze event the other day. It was very fun and a great way for him to see the U of A spirit! Overall, Antifreeze was a huge success and we had a record amount of teams register.

Other Exciting Endeavors

Internal Business
Since it is the start of a new semester, we have had lots of internal meetings amongst our staff to discuss what we want the future to look like. This includes an upcoming full-day managers meeting where we discuss with our senior staff the current situation at the Students’ Union as well as how to improve.

Everything else!
VP Scott hosted a very successful student governance mixer in Dewey’s. I believe over 60 people come! Thank you to all of the councilors who came out.

Closing Remarks
My Winter semester office hours will be Tuesdays from 12:00PM-1:00PM in SUB 2-900! Feel free to drop by if you have any questions or would like to discuss anything.

Thank you for reading my report and happy to answer any questions you may have.

RE: VPA Report

Dear Council,

I hope the first few weeks of the semester have been good for all of you. Here is an update on all things governance and some recent projects.

Governance
The next General Faculties Council meeting will be on January 29th from 2PM-4PM in Council Chambers.

Academic Standards Committee
The Academic Standards Committee met with the only agenda item being the proposal for the new Modern Language and Cultural Studies program. The program proposal was to consolidate all of the current MLCS majors into one streamlined program that would provide students with more flexibility in their degrees. This item went before Academic Planning Committee before it went to Academic Standards committee, which is different than the normal path that goes from ASC to APC. Both President Banister and myself raised issue with the way that this proposal made it through governance as it largely undermined the role of Academic Standards committee and it’s Subcommittee on Standards. I did raise a few concerns with the proposal, but OASIS was supportive of this proposal so I voted in favour.

GFC Executive Committee
At GFC Executive Committee we met to discuss the items that will be on the upcoming GFC meeting agenda. This includes a discussion on Experiential Learning, which is being led by Vice Provost (Teaching and Learning). This should be an interesting conversation as there is no clear definition or direction for experiential learning, which is something Sarah is working on as the chair of the Council on Experiential Learning. We will also be seeing an update on the Peter Lougheed Leadership College, the University
Office of the VICE PRESIDENT ACADEMIC

Transition Committee
I sit on the GFC Transition Committee on Academic Governance Including Delegated Authority (Transition Committee), and we have been meeting on a semi-regular basis to facilitate the implementation of the Ad hoc Committee on Academic Governance Including Delegated Authority. Confusing – I know! We have been tasked with assisting all GFC committees in reviewing their terms of reference, making nominating committee a freestanding committee, and figuring out what the future of the Council on Student Affairs looks like.

GFC Nominating Committee
As I mentioned, the Ad Hoc Committee on Academic Governance Including Delegated Authority recommended that GFC Nominating Committee (NC) become a free standing committee and that GFC replenishment committee (RC) be disbanded. As it currently stands, members of the executive committee populate GFC NC, and GFC RC is responsible for replenishing the Executive Committee. The recommendation is that GFC NC has a completely removed membership from the GFC Executive, allowing them to also nominate the members of GFC Exec like the rest of the GFC committees. It is proving to be an interesting conundrum and something we will be working through over the coming months.

Student Governance Mixer
I hosted a “Student Governance Mixer” for the second time this year. I decided to do these mixers as there a very few opportunities for student representatives to come together on campus to meet and network at all levels. These mixers include representatives from discipline clubs, department & faculty associations, Students’ Council and General Faculties Council. We had over 50 students come to the mixer on January 17th.
Open Educational Resources Advocacy Group
I am on the OER Advocacy Group, which I often provide updates on, and we have met to continue planning our broader advocacy strategies, and to specifically plan our presentation to the Association of Academic Staff University of Alberta (AASUA). We are presenting to their council on what OERs are, what it means for faculties intellectual property and academic freedom, what it means for students learning, and how AASUA can support the movement on campus.

UASU Got This
The campaign we are running to encourage people to both run in elections and to support those who do decide to run, has officially launched. Posters have gone up on campus and we will be continuing to post them throughout the next few weeks. There will also be ads on SUTV and on social media. I will also be presenting a little on this project to council at this meeting.

Once again, my office hours are Tuesday from 11AM-12PM. If those times do not work feel free to contact me and we can find another time to meet that works for you.

Warm regards,

Shane Scott

Re: Report to Students’ Council

What up council,

It’s been a fairly busy few weeks since we last met, so let’s get to it.

**Antifreeze**
Antifreeze 2018 took place from Jan 8th to 12th and was a tremendous success. Seriously, it was a ton of fun and all 42 (!!!) teams seemed to be having loads of fun. I tried to attend as many events as possible, and enjoyed every one. Even when we were fighting -40 degree weather! My personal highlights were Frosty Feud, a U of A spin on Family Feud, and Mixology. VP Ushakov and I had the pleasure of judging Mixology, which I have always wanted to do since I was a competitor in Antifreeze four years ago. Bucket list item? Check. Big props to the events team for a successful Antifreeze!

**SUB Furniture Student Project**
The furniture in the main level of SUB is starting to show its age. As such, we are starting to think about replacing it, well ahead of the furniture reaching critical levels. We always try to stay local, and even student led if possible. We are working with a class of industrial design students to create proposals for furniture designs. We hope to incorporate some student designs into the final furniture replacement! Some of our staff presented the project to the class on the 12th, and they were excited to get started!

**Tuition Budget Advisory Committee**
President Banister, VP Scott and I attended a meeting of the Tuition Budget Advisory Committee on Jan 15th. At the meeting, the university proposed their initial plan for international student tuition for feedback. They are currently proposing to increase their tuition by approx. 3.14%, or by the Academic Price Index. We spoke against this proposal, as we would rather see a more affordable increase at CPI, or no increase at all. The Academic Price Index is an inflation index created by the university as they feel that the standard CPI index does not reflect academic costs. We would rather see a third party, standardized index used to ensure transparent affordability and predictability for students. This proposal is not final, and the university will hold another TBAC meeting within the next few weeks after they consider our feedback. We hope they critically listen to our feedback and work to ensure students can afford their education.

**Commercial Kitchen & Lower Level Design**
On Jan 17th, SU management, our architects and myself met to discuss and finalize the design for the commercial kitchen and lower level meeting room renovations in SUB. It was
a technical meeting, focusing on how the kitchen will be laid out and how the building systems will support it. We are close to a final design that will go to construction tender.

Protective Services Advisory Committee
On Jan 18th, I attended a meeting of the Protective Services Advisory Committee (PSAC). This committee is a platform in which stakeholders from across campus meet to discuss safety issues and the performance of UAPS. A lot was talked about at this meeting including, but not limited to, patrol frequency, HUB safety, FAB safety, the number of officers on campus, the number of officers at CSJ & Augustana, crime statistics, UAPS’s annual report and much more. Please do not hesitate to ask me questions and I will be happy to pull specifics.

Jasper Ave New Vision Consultation
On Jan 18th VP Larsen and I attended a stakeholder consultation session for modifications to Jasper Avenue on behalf of the SU. The project is called Jasper Ave New Vision. The main scope of the project is redoing lanes from 100 Street to 97 Street along Jasper Ave. We provided feedback from a student perspective and were happy to attend. For more information and to provide your own feedback, see this link. https://www.edmonton.ca/projects_plans/downtown/jasper-avenue-new-vision.aspx

Choice Memes
Ya’ll its been a dank couple weeks in the meme world but here’s my choices:
A simple fix for the problem of people eating tide pods

Anakin skywalker: we're racing pods
Pod racer: yeah and neither of us can beat the other
Anakin skywalker: we are tied pods

Hi Folks!

January is rolling on by! I’ve been thrilled to actually be at my desk for an extended period of time, which has allowed me to focus on a lot of administrative work. I also bought groceries for the first time in nearly 2 months AND have eaten three meals a day for like a week. I basically have become superhuman.

**The Right Honorable Marlin Schmidt Visits Antifreeze**

The Minister of Advanced Education Marlin Schmidt visited campus on the 10th and gave some welcome back to campus remarks at Frosty Feud. It was well received and we are always thrilled to spend time with the Minister.

We have had the Minister on campus for 3 occasions so far this year and he has spent an amazing amount of time with us, a testament to the relationship the UASU has been able to form over the last three years. A shout out to P&V for being prepped for his visit and all of the help they gave in making the Ministers time memorable on campus.
Advocacy Meetings

President Banister and I have had meetings with councillors Henderson, Paquette, and Esslinger on student priorities with the City. We have gotten some useful tips and tricks to pursue in the coming months, including funding opportunities for the SEI project and infill housing meetings to give feedback at. City politics is very direct, and, if you ever make you preferences known for certain types of student friendly living in Edmonton, folks will take notice.

In The News

I was interviewed by the Calgary Metro in my position as CAUS chair about the proposed United Conservative Policy statement that has been circulating online. My comments in reference to policy 5:

"Right now students have the option to opt out of quite a few of their current fees," said Reed Larsen, chair of the Council of Alberta University Students. "I think what this is getting to is the core membership fees...I do believe these membership fees are integral to the function of our associations and they are a part of the mandate that's been given to us by the province of Alberta's legislation."

I highly recommend that councillors take a look at the proposed policies from the United Conservative Party and have a stance on the recommendations. From a non-partisan perspective, there are good and bad things within the statement, and CAUS will have a public stance following our in person meeting on January 19th.

It should be noted that the Minister and government where very willing to back up the necessity of student representation on campus, something that is invaluable in this ongoing conversation.
Items to Note:

- Senate/BoG/GFC meeting is coming next week. Those councillors on GFC, I highly recommend coming, as it will be a great learning experience.
- Alberta Party Leadership Race: Keeping an eye on this one! There are a number of former student leaders involved in this race so hoping for positive outcomes.
- CAUS International Student & Student Financial Aid Papers: CAUS will be releasing 2 papers over the coming month!
- CAUS Budget Submission: CAUS has put forward its budget submission. I was the face of a small online video.
- Cannabis Legislation: Cannabis is coming to campus! I'll be sitting down with the MSA to discuss their advocacy on this topic.

Cheers,
Reed Larsen

Report to Council on Councillor Attendance

As per Bylaw 100 Section 21(4), I have provided the attendance information for the Spring/Summer. In summary, no members were removed from council as a result of attendance that did not meet the 50% threshold. Another special thanks to Councillor Flaman for putting this spreadsheet together.

If there are any questions about the attendance records, the manner in which the attendance was calculated, or about the regulations in Section 21(4), please let me know.

Best Regards,

Saadiq Sumar

**EXECUTIVE COMMITTEE REPORT**

Ilya USHAKOV, Vice President (Student Life) - Report.

Shane SCOTT, Vice President (Academic) - Report.

Robyn PACHES, Vice President (Operations and Finance) - Report.

PACHES: Added to his written report. Noted he will be at Dewey’s on Fridays from 2:00pm to 3:00pm.
2017-16/7a PACHES, HOWIE MOVED to approve the first reading of the Student Events Initiative referendum question, based on the following first principles.

1. The fee will be $16.50 per undergraduate student, per semester, in the Fall and Winter semester. The fee will be $8.25 per undergraduate student in the Spring/Summer semester.

2. The fee will be indexed to inflation.

3. Students enrolled in the Faculty of Augustana will be exempt.

4. Students who are enrolled in programs (including, but not limited to, project, thesis, internship, practicum and student abroad) that take exclusively place outside of the Universal Transit Pass service area are eligible to opt-out.

5. The scope of the Student Events Initiative includes the following:
   a. Renovations to the Myer Horowitz Theatre and creation of additional event and support space in the Students’ Union Building (SUB);
   b. An increase in grants for student group events by $100,000 per year, indexed to inflation;
   c. An increase to funding for featured programming - such as, but not limited to, major live acts and speakers - of $100,000 per year, indexed to inflation; and,
   d. An expanded student ticket discount program for events on-campus and in the larger community; and,
e. Commitments from the University to invest in renovations to the main floor of SUB to create a north entrance, to appropriately invest in necessary building infrastructure, and to continue with student management of common areas through the year 2050.

6. Until the renovation reaches substantial completion, undergraduates will pay 50% of the approved fee.

PACHES: Established that the referendum question concerns the Student Events Initiative; a plan which involves renovations to the Students’ Union Building, Myer Horowitz Theatre, and other SUB facilities. Noted the plan intends to promote SUB as a hub for student activities and (2) attract more events and clients. Emphasised that accessibility, flexibility, and affordability were key concerns of students. Noted the fee would be $16.15 per term per student. Added that costs would be reduced by 50% in the spring and summer terms and until such time as students can see the full value.

CHOI: Inquired into whether the 50% reduction in fee applies to the spring and summer terms.

PACHES: Responded in the affirmative.

HOWIE: Commended the consultations undertaken by the Students’ Union.

FLAMAN: Announced his consultations in December identified 57% of students supported $16.50 as a total fee for the redevelopment.

BILAK: Expressed his personal involvement in the Students’ Union was precipitated by the SUB Block Party. Suggested the involvement of students at SU events will inspire greater engagement in the student body.

BROPHY: Suggested that Students’ Council have a low bar for the passage of referendums that are in accordance with the rules and regulations. Noted the students should be the ones who decide whether to adopt an increase in fee.

PACHES: Noted that the intent of the Student Events Initiative extends beyond the renovation of space. Affirmed the initiative is designed to create an inclusive and lively Campus for all students.

28/1/0 - CARRIED

2017-16/7b CHRISTENSEN/PACHES MOVED to approve Campus Recreation Enhancement Fund (CREF) dedicated fee unit plebiscite question as listed below.
Proposed Question:

The Campus Recreation Enhancement Fund (CREF) was created to help ensure that the high quality of Campus and Community Recreation programs, equipment, and facilities remains diverse, convenient, accessible, equitable, and affordable to all University of Alberta Students’ Union members. The conditions of the fund will include:

1. Students may not opt out of this fee;
2. The fee will be assessed to each full-time and part-time student. The fee will be assessed in each of the fall, winter, and spring/summer semesters.
3. The fund will continue to be distributed to undergraduate students, student groups and for the purpose of ensuring that programs, equipment, and facilities offered by the University of Alberta’s Campus Recreation remain diverse, convenient, accessible, equitable, affordable and of high quality to all Students’ Union members at the University of Alberta;
4. The CREFC will be composed of: the Chair of RAC, who will serve as Chair of CREFC; the Vice-Chair of RAC; one (1) RAC member-at-large; the Students’ Union Vice-President Operations and Finance, or their designee from the Executive Committee; one (1) voting member of Students’ Council; two (2) student-at-large members, chosen by the Nominating Committee; the Manager / Director of Campus Recreation, or their designee, as a non-voting member; and the Director of Operations for the Faculty of Physical Education and Recreation, or their designee, as a non-voting member.
5. Any Students’ Union member or student group can apply to CREFC for funding. Requests must demonstrate a positive impact on student life at the University of Alberta;
6. Off-campus students, as defined by the University Calendar, will be included.
7. Augustana students will be exempt from the fee.
Do you support the continuation of a $4.10 fee per student per semester, in each of the Fall, Winter and Spring/Summer semesters, to support the Campus Recreation Enhancement Fund (CREF)?

CHRISTENSEN: Noted that the CREF Dedicated Fee Unit is up for renewal as per the five-year cycle. Proposed the phrase “support the continuation of” be added to the question to communicate the DFU had already been in existence.

Identity Matters! A Study of Undergraduate Involvement and Leadership in Student Government at Ualberta

Research and Political Affairs
University of Alberta Students’ Union
September 2017
Outline

- Why, how, what and therefore …
The Question

- Does (and how does) identity matter in undergraduate involvement and desire to seek elected office in post-secondary student government?
Why did we do this study?

- Women constitute 56% of undergraduates at UAlberta, but they
  - Held 30% of Students’ Council seats (2005-2016)
  - Were 25.2% of 102 contestants in SU Executive elections (2005-2016)
  - 5 women ran for the President’s Office in past 12 years (3 were elected in 2009, 2015, 2017)
  - Were not represented in a five-member SU Executive team between 2010-2015

- Yet, women are proportionately or overrepresented at the faculty association levels
How did we do the study?

- A General Survey of undergraduate students (n=1957)
- 2 targeted surveys administered by Discover Governance among
  - Student Councillors (53% response rate), and
  - FA Executive (32% response rate)
- Qualitative interviews with former SU Executives (n=15)

- Intersectional approach* (gender, race/ethnicity, indigeneity, gender identity, sexual identity)
Participant Demographics - General Survey

**Gender**
- Male: 29.2%
- Transgender: 0.3%
- Queer: 0.61%
- Non-binary: 0.82%
- Two-spirited: 0.26%
- Rather not say: 0.77%
- Other: 0%
- Female: 68.0%

**Race/Ethnicity**
- Visible minority: 32.7%
- Indigenous: 4.9%
- Caucasian: 62.5%

**Sexual Orientation**
- Gay/lesbian: 3.99%
- Pansexual: 1.63%
- Two-spirit: 0.20%
- Rather not say: 2.4%
- Other (own input): 1.48%
- Asexual: 4.5%
- Bisexual: 8.43%

What did we find?

- Overall, identity matters in undergraduate involvement and leadership in student government
  - Interest in seeking elected office
  - Confidence in running
  - Campaigning experience
  - Serving in Representative roles
Seeking Elected Office

- Gender plays a more significant role than race in confidence to seek elected office at the highest levels of student government, whereas race is a more significant determinant of overall desire to seek leadership positions.

- No influence of sexual identity
In [an SU election], the Gateway asked councillors why they didn’t run for an executive position, and [a female councillor I knew well], who was one of the best councillors that I’ve ever had the privilege to serve with ... genius, phenomenal at policy, she would have made one of the best executives this university had ever seen ... She said: ‘I don’t know enough, I don’t have enough experience, maybe in a few years.’ I had the same answer, but I was only in my first year on council, and she was in her third.

- SU Executive, Male, Caucasian, Heterosexual.

One of the things I have seen very often, if you don’t see yourself reflected in the structures of power, then you don’t actually want to be a part of it.

- SU Executive, Male, Visible Minority, Heterosexual
Women are more likely to indicate that their identity shapes their campaigning experience than men.

- How they present themselves
- How potential voters judge and interact with them

- Role of race and sexual identity
- Role of socio-economic class (spontaneously mentioned)
Because I did more one-on-ones for exec, I faced more situations where I was asked whether I will be able to handle it because of my gender...

- SU Executive, Female, Visible Minority, Heterosexual

I came across instances where students said ‘Oh you are female, are you sure you are going to be able to handle the stress?’ I would just question my own abilities. Or sometimes I will get comments like I will vote for you because you are cute. Not because they have seen my platform and think I can do the job. That’s quite memorable because I never thought it would bug me so much, but it did.

- SU Executive, Female, Visible Minority, Heterosexual
Experience of Serving - FA & Student Council Level

- The combination of gender and race (individually and when combined) have an adverse impact on serving experience

- Likelihood of running for higher office (SU Executive positions)
  - Again, race shapes interest but gender affects confidence
Experience of Serving - SU Executive Level (1/2)

- Gender, race and sexual identity shape interaction with internal and external stakeholders

- But, spontaneous mentions of age as the most significant determinant by all 15 participants
Maybe I should lower the Black level just a little bit when I go into a meeting, and not be fully who I am, because it is one of those things where there is a lot of times where... The majority of them are white, and the majority of their friend circle is white, there is that question of how me can I be. There are all these instances where you feel like you have to work to make them more comfortable.

Bill #5 - Students' Council Legislative and Committee Structure Reform - Second Reading

HOWIE/CHRISTENSEN MOVE to approve the second reading of Bill #5, on the recommendation of Bylaw Committee, based on the first principles listed below.

First Principles:
1. Bylaw 100 is the premiere piece of legislation of Students’ Council, housing much of the administrative and operational regulations of the body.
2. Legislation within Bylaw 100 is loosely defined with little direction given surrounding the procedures and protocols of the various forms of legislation. There are currently legislative processes for the creation of bylaws, political policies, and the budget that are described in Students’ Council’s standing orders, but are not reflected in bylaw. As these processes do not change year to year and are binding, they should be reflected in bylaw.
3. The legislative process of approving bylaws shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Bylaw Committee.
4. The legislative process of approving policies shall be clarified in Bylaw 100 to mandate each piece of legislation go through first and second reading, with second reading being drafted by Policy committee.
5. The legislative process of approving the budget shall be clarified in Bylaw 100 to mandate the first reading of budget principles and the itemized budget be drafted by Finance committee.
6. In light of DIE Board Ruling 2017-02, there is a lack of clarity surrounding the timing of the start up meeting and first meeting of Students’ Council as defined in Bylaw 100.
7. Bylaw 100 shall be amended to allow the startup meeting to occur anytime within April.
8. Bylaw 100 shall be amended to relax the mandated timing of the first meeting of each Students’ Council term from before May 7 to before May 15 of each year.
9. In light of recent discussions surrounding committee structure, four new categories of committees will be defined with definitions including, but not limited to:
   a. “Legislative” committees
      i. Committees whose mandate include a delegated, legislative function of Students’ Council.
      1. Audit, Bylaw, Policy, Council Administration, Finance, and Nominating Committee shall be reclassified as “Legislative” committees.
      ii. These committees shall have a closed membership of only elected members of Students’ Council or Designates.
      iii. These committees shall be recurring.
      iv. The list and mandate of these committees shall remain in Bylaw 100.
      v. These committee shall only be created or eliminated through two readings of Students’ Council amending Bylaw 100.
   b. “Oversight” committees
i. Committees whose mandate include providing recommendations on internal and external Students’ Union policies and providing guidance, advice, oversight, or other information to the organization on a general topic.

ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. These committees shall be recurring.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council.

vi. These committees shall only be eliminated by two majority votes of Students’ Council amending the Bylaw 100 Schedule B at two separate meetings occurring not less than one week apart.

c. “Ad hoc” committees:

i. Committees whose mandate is narrow surrounding a particular topic, initiative, project, or investigation.

ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. Expire at a designated time not to exceed 1 year.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, formalized, eliminated or renewed by a simple majority vote of Students’ Council or the Executive committee.

vi. Ad hoc committees may also be referred to as “task forces.”

d. “Operational” committees:

i. Committees whose mandate is to serve a specific operational function of the Students’ Union.

ii. These committees may have an open membership of elected members of Students’ Council, unelected individuals, or both.

iii. These committees shall be recurring.

iv. The list and mandate of these committees shall be housed in the Bylaw 100 Schedule B.

v. These committees may be created, approved, or formalized by a simple majority vote of Students’ Council or the Executive committee.

vi. These committees shall only be eliminated by a simple majority vote of Students’ Council or the Executive Committee.

10. The definition of “standing committee” shall be eliminated.

11. Under the new classification, all formalized committees shall be eligible for the administrative support of Discover Governance or the Students’ Union, as needed.

12. The current “Bylaw 100 Schedule” shall be renamed “Bylaw 100 Schedule A”.
