1. We would like to acknowledge that our University and our Students' Union are located on Treaty 6 Territory. We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family,
friends, faculty, staff, students, and peers. As members of the University of Alberta Students’ Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge continuing colonial violence and respect Indigenous knowledges and traditions.

Dear Council,

I am thrilled to have spent my first week in office, almost as thrilled as I am to be back for another year of council! This brief will be fairly short, as I have only been in the office for 72hrs, however our transition process is complete and myself and the executive committee have hit the ground running. I am thrilled to already have my sticky notes and mind maps up in the office.

Board of Governors

This afternoon I will be attending the joint Board of Governors and Senate orientation and dinner alongside Vice President Brown. I will be sitting on my first board meeting tomorrow morning and council should expect a update from myself as to that meeting. I expect that the longest discussion will be regarding the increased funding to the base operating grant and backfill funding, particularly how those funds will be spent.

Things to Note

- Academic Planning Committee
  - meeting in which the Comprehensive Institutional Plan was brought for initial discussion.
  - International Student Services and University of Alberta International are doing final rounds of consultation on a strategic plan
- Council of Alberta University Students
  - Changeover Conference from May 11 - 14.
  - I will no longer be Chair
- Alberta Student Leaders Conference
  - The UASU will be hosting some training sessions for Alberta student executives next week.

Asides that, I am learning a lot quickly, and excited for an excellent year!

Cheers,

Dear Council,

I am so excited to be writing my first council report!! It’s been an extremely busy couple weeks, and I’m glad to be settling into the office. Here are a few updates for you all!

1. Retreat
The incoming Executive team and the outgoing team went on a week-long retreat where we spent time absorbing information about all things related to the Union. This was essentially time for the incoming to download all of the information that our predecessor had, and was invaluable.

2. General Faculties Council (GFC) Nominating Committee
This was my first official University meeting and it went really great. We appointed students to all the GFC Standing Committee’s and will be appointing members to the GFC Executive Committee at GFC.

3. GovWeek 2018!
Excited to say that we will be hosting a GovWeek 2018! I’ve really taken the time to sift through all types of feedback and I’m excited for the changes as a result. One of the first changes you’ll see is the recreation of the GovWeek Advisory Group to the GovWeek Planning Committee (GWPC); this name is more indicative of the direction I want this group to go in. These applications are live and I’d love if councillors could send them to their communities!

4. VPA Projects
I’ve been working to develop specific action plans for each of my priorities for this year and will keep you all updated on the status of my projects.

Excited for the year we have together, and look forward to seeing you at all at council while we participate in a KAIROS Blanket Exercise. This is really emotional experience, and I hope you all take the time to reflect and debrief this activity. My office hours this term will be on Fridays from 12PM-1PM, feel free to drop in! If that time doesn’t work, email me and we can figure out a time that does.

Kind regards,

Dear Council,

I am very excited to provide my first report to you as Vice President (External) of the Students’ Union. I am equally excited to start working with you this year, and to get to know those who I do not already know!

1. Updates

We started off our mandate with a transition retreat with the outgoing executive, where I learned more about the operations and work of the SU and bonded with the rest of the incoming executive. Since then, I have been settling in to the office, getting to know our fantastic staff, and preparing for my upcoming conferences (more information on those below).

2. On the political front

On May 5th & 6th, members of the United Conservative Party (Alberta’s Official Opposition) met in Red Deer for the party’s first ever policy conference. While I was not able to attend as an observer, I did keep track of motions passed that affect the Students’ Union and post-secondary education. The UCP did adopt a policy around making students’ association (such as our SU) memberships optional, which is very concerning to the long-term stability of the Students’ Union. This is something that I will be monitoring, as well as reaching out to members of the UCP (MLAs and those involved in policy-making) to engage in discussions around the value of PSE students’ associations.

On Monday, May 7th, I attended an Alberta Party Leaders Reception (was offered a free ticket to attend as an observer) at the Chateau Lacombe. I was able to talk with a variety of Alberta Party supporters regarding our donor program and the United Conservative Party post-secondary policies. The response to our donor program was generally positive, as were responses to our UCP concern.

3. To note:

As I am writing this, I am preparing to start the annual Council of Alberta University Students (CAUS) changeover retreat, which will take place in Calgary and Canmore until the evening of Monday, May 14th. I am joined by President Larsen, as well as former SU President
Marina Banister. It is my goal that our Students’ Union’s priorities are incorporated into the CAUS priorities for the coming year in order to effectively advocate to government.

From May 21st to 26th, President Larsen and I will be in Ottawa (Gatineau) for the annual Canadian Alliance of Student Associations (CASA) Foundations conference. This conference, much like the CAUS changeover, will determine CASA’s goals for the year and elect a new Board of Directors. I am very much looking forward to meeting with our counterparts from across the country, and to use my bilingualism in speaking with members of the Quebec Students’ Union.

While I may be out of the office a fair bit this month, please let me know in council questions, by dropping by my office, or via email (vp.external@su.ualberta.ca) if you have any questions or thoughts on my work.

Kind regards,

UASU VP External
Adam Brown
Dear Council,

Hello and welcome! I hope you are all starting summer off on a good note - if you’re anything like me, you’re thankful to be done with all the stress from school, or at least most of it. I’m looking forward to this year of working with all of you! Lots of change is on the horizon, but I am confident that all of you will help make a positive impact on our campus community.

Updates

The last couple weeks were all about transition and getting used to the position of VP Operations & Finance. Retreat was a lot of fun. It was particularly nice to get to know the team a bit better; learning that all of them are as passionate about the SU as I am is incredibly inspiring, and I look forward to working with them this year. We spent a lot of time outlining our goals as a team, specifically looking into how our individual platform goals work together to form an overarching plan for the year. We’re excited to share this with you in the next couple of weeks and hear your thoughts.

Current Projects

For the first week in office, I spent most of my down time outlining and prioritizing my goals for the year. I have identified a couple projects that are attainable by the end of the summer, as well as set out a longer-term plan for those that will take more time and consultation. If at anytime you’d like to meet to discuss these more in depth, please reach out as I am always down to hear your thoughts. Other than that, I was introduced to most of the committees and boards I’ll be sitting on for the year which feels great.

Personal Announcements

VP Bourgeois and I are headed off to Montreal next week for the Student Care stakeholder meeting. We are excited to meet other student representatives from all over Canada, and learn more about the opportunities Student Care can provide us with.

Kind regards,

Emma Ripka
Vice President Operations & Finance
Emma Ripka
Dear Council,

Welcome to my first executive report! The executive team spent the last week at our transition retreat, which I found incredibly eye-opening and impactful. I spent the weekend reflecting on the experience, and took some time to recharge and connect with friends and family. I feel excited to get started on our goals and projects, and I cannot wait to hear your feedback and ideas as we move forward. I hope that this year will serve as an opportunity for us all to grow, share knowledge, and inspire positive change both within and beyond our campus community.

1. Housing for Students Who Parent (SWP)
   The Housing for Students Who Parent working group includes representatives from the Students’ Union, the Graduate Students’ Association, the Office of the Dean of Students (DoS), University of Alberta International, and more. This week, we met to discuss the results of a survey that focuses on addressing the unique housing and service needs of students with children, as well as of students who plan to have a child. I learned a lot about the ways in which the university and the Students’ Union can support SWP and I encourage any councillors with children or those who are planning to start a family to attend a consultation meeting on Wednesday, May 30th in the Glacier Room at Lister Centre from 6-8PM to provide feedback concerning the future housing and support needs for SWP. There is a link to RSVP on the VP Student Life Facebook page.

2. Campus Activities Board (CAB)
   We have selected Brendan Samek as the chair of CAB for the 2018/19 year. Currently, we are in the process of scheduling a transition meeting for Brendan, as well as to discuss the direction of CAB moving forward. We will also be putting out a notice for any students interested in sitting on CAB following the transition of the chair. Personally, I feel as though the input we receive through CAB will help provide insight into how the Students’ Union can be more inclusive in terms of the programming we offer, and I hope to collect data from various groups on campus to help guide the future direction of SU programming.

3. Personal Announcements
   VP Ripka and I will be in Montréal for the Studentcare conference from May 18th-May 27th, where we will learn about student mental health, as well as the Health and Dental Plan. If anyone has any questions about Studentcare, I am more than happy to meet or chat over email when we return.

Andre Bourgeois, Vice President (Student Life)

4. Office Hours
I will hold my office hours from 12:00-1:00PM on Monday for the Spring and Summer months. During this time you are welcome to drop into my office in SUB 2-900 to chat. If this time does not work for you, you are welcome to schedule an appointment by emailing andre.bourgeois@su.ualberta.ca

5. Closing
Thank you very much for reading my report. I am looking forward to getting to know all of you, and I feel confident that we have a great year ahead of us. Feel free to contact me at any time, and I will be sure to get back to you within two business days.

Cheers,

MEETING ADJOURNED AT 10:00PM
KISKINOHAMÂTOWIN – A Northern Cree word meaning “Teaching one another, learning; education”
THE TEAM

The Kiskinohamâtowin Blanket Exercise team are made up of indigenous professionals from the Woodland and Plains Cree areas. These dynamic presenters were personally trained by the KAIROS organization out of Ottawa, Ontario and have presented this experience to schools, communities and organizations all over Alberta.

Their mandate is to help spread the “History of Indigenous Canada not taught in schools” and broaden the understanding of its results to our Northern Alberta communities. They encourage open conversations, present authentic indigenous storylines and broaden the understanding of the indigenous presence in Canada.

WHAT IS THE BLANKET EXERCISE WORKSHOP?

Fifteen years ago, the Aboriginal Rights Coalition worked with Indigenous elders and teachers to develop an interactive way of learning the history of Canada most Canadians are never taught. The Blanket Exercise was the result.

The KISKINOHAMÂTOWIN exercise uses blankets to represent the lands of what is now called Canada. Participants are given the role of the First Peoples and are taken back in time to the arrival of the Europeans. The Narrator and a European work with the participants to read a script while the exercise goes through the history of treaty-making, colonization, resistance and the resulted nation we today call Canada.

The Blanket Exercise experience itself takes about 30 to 40 minutes and should always be followed by a 1 or 2 hour talking circle. (Depending on the participant numbers). This discussion is key to the process as it gives the participants the opportunity to express thoughts, share feelings and ask questions about the experience. The session is 2-3 hours total (depending on talk back) and requires little to no interruption. There is usually no break as coming and going disrupts the flow of events.
WHO CAN PARTICIPATE?

The KISKINOHAMÂTOWIN Blanket Exercise Group presents their workshop to diverse cultural groups and professional organizations, including:

- Middle School and High School students
- Teachers and Facilitators
- Professional Development
- Team Building Initiatives
- Community events (Big or Small)
- Private events

These discussions often raise deep emotions and we strongly encourage you to work with your head, heart, and spirit whenever doing the Blanket Exercise. Wherever possible (and it almost always is) please invite local Indigenous, Métis or Inuit individuals or representatives to be with you: to honour the traditional territory, to teach, and to begin to build a relationship.

WHAT WE PROVIDE

The Kiskinohamâtowin team will provide all the people and props needed to present the Blanket Exercise at your event. The number of presenters may change based on the group size or complexity of the request, but our 4 member team will usually be enough for up to 40 people.

WHAT YOU PROVIDE

In order to have the Kiskinohamâtowin team present the Blanket Exercise in your community, you will need to provide a quiet space with enough room to lay down 8-10 blankets. You will also need to provide a circle of chairs, one for every participant attending, including the 4 presenters.

An outdoor area will be required (unless allowed inside) for a smudge ceremony at the beginning of the exercise which is always optional for all participants.

*NOTE: An Elder or grief counsellor is HIGHLY recommended to be in attendance for this event. The Kiskinohamâtowin Blanket Exercise Group does have its own Knowledge Keeper in residence, but we encourage attendance from your local Elders/survivors as well.
OUR COSTS

$300.00 presenter fee (4 person team minimum)

$.75 /km for all travel, both directions.

4 hours travel or more, overnight accommodation may be required

*Full day, multiple groups, training or larger scale events will be quoted upon request.

These numbers and information is a starting point. The team will go where they are needed and can work with a budget that will suit your needs.

Introduction

Hello. Bonjour. 你好. こんにちは. 안녕하세요. Welcome to all the new members of Council and welcome back to the returning members. For those who may be unfamiliar with me, my name is Levi Flaman and as of a week ago until the end of next April, I will be the University of Alberta Undergraduate Board of Governors Representative, one of two undergraduate students that sit on the Board of Governors along with the President of the University of Alberta Students’ Union.

I began my time in student governance where many of you are now, as a Students’ Union Students’ Council Councillor. I spent 3 years representing Open Studies students here at the University of Alberta and at one time or another, sat on all the previous standing committees (since reclassified as legislative and oversight committees) as well as the First Alberta Campus Radio Association board of directors, the Governance Review Task Force, the SUB Advisory Group, the ONEcard Advisory Group, the Myer Horowitz Renovation Steering Committee, Physical Activity & Wellness Strategic Operating Committee and the Chief Returning Officer selection committee.

Being on Council for three years and working on campus with the Students’ Union for approximately the same length of time, I’d like to consider myself a wealth of knowledge or advice for anyone seeking it. I will be working full time over the Spring and Summer terms, but I will try and make myself available to sit down with anyone for a coffee or a pint in the evenings or weekends and try to formalize some regular office hours of some sort in the Fall and Winter when I’m working less. But I’ll also attempt to reply to any emails, Slack messages or social media messages in a timely manner. And you’ll likely find me at most if not all the RATT on the Patio events this summer which I understand has been increased in frequency from monthly to bi-weekly this year with the first one scheduled for Thursday, May 17th from 1-7pm out on the SUB Plaza or in the atrium if the weather is bad.

Board Business

Back on April 9th, I was invited to the final Engineering Students’ Society Board of Directors meeting of this year in what I would consider one of my first official acts as the Governor-Elect where I got a chance to see how the ESS BoD conducts their meetings, meet both the outgoing and incoming ESS BoD members, as well as the incoming Students’ Union Engineering Councillors Bose, Liang,
Mustafa and Rosalind. Thanks to Dayton Chen for the invite and I look forward to working with the ESS during the upcoming year.

President Larsen and I were originally invited to participate in an informal board orientation on the morning of May 8th but due to scheduling conflicts, that ended up falling through. However, we did get to sit down with Board Chair Michael Phair for lunch on Wednesday the 9th and signed a couple of important forms while getting a quick down and dirty explanation on what’s been happening lately both at the board and within the university community, as well as some of the interactions between the university and the government. We also had the opportunity to sit in and spectate during the March 16th board meeting and I’m confident that between our extensive knowledge of governance and student representation, President Larsen and I will have no issues acclimatizing to the way the board works once we learn the intricacies of the organization regardless of the lack of a more formal orientation.

After a patio chat at the Faculty Club last Tuesday, President Larsen and I came to an arrangement that will have me sitting on the Board Safety, Health, and Environment Committee (BSHEC) and the Board University Relations Committee (BURC). BSHEC shall monitor, evaluate, advise and make decisions on behalf of the Board with respect to all matters concerning environmental health and the protection of the health, safety and security of the University community and the general public at the University as well as University student health and wellness, while BURC promotes the advancement of the University’s Mission and Vision, aligns with the University Values, complies with the University Mandate and supports institution-wide plans, priorities and objectives by fulfilling its Committee Mandate in the following areas of interest: University Relations; University Identity, University Strategic Communication; and University Philanthropy and Development. If either of these committees pique your interest at all, I would welcome any assistance throughout the year both in committee business as well as general board business.

On the evening of May 10th, President Larsen and I attended a joint learning session between Board of Governors members and Senate members titled Institutional Autonomy in Canada: Dimensions and Trends by Dr. Julia Eastman, the University Secretary at the University of Victoria followed by dinner in the City Room on the fifth floor of the Peter Lougheed Hall. The food was okay, but the view of the river valley and the downtown skyline up there was fantastic and getting a chance to mix and mingle with fellow Board members as well as Senate members was an incredible learning experience. I’ve spoken to multiple predecessors in the time between the election and the start of my
term and they all said that building relationships and networking is an incredibly vital part of this position and I’d certainly say I made some large strides even before our first official meeting tomorrow.

Speaking of our first official meeting tomorrow, we have a packed agenda by the looks of it. Our open session meeting package came to 263 pages. We’ll be talking about the collection of GSA fees, SU fees, an amendment to the Augustana Long Range Development Plan, a borrowing resolution to finance the renovation and renewal of the Lister Centre classic towers, and a change to the way spaces are leased in the Saville Community Sports Centre. Either President Larsen or I should have a bit more to report post-meeting so feel free to ask him questions about the meeting during Question Period on Tuesday night. I’m kind of jealous of the personalized notebook he’s been carrying around everywhere lately. Clearly, he’s a better note-taker than I am and that’s something I should probably improve upon this year.

Anyway, it is now 11:30 pm and I must be in my seat in Council Chamber at 8 am sharp tomorrow morning so I’ll wrap this up here. If you’ve made it this far, thank you so much for reading. The first person who mentions this in Council will get a free coffee on me. I’ll see all of you on Tuesday evening for the KAIROS Blanket Exercise.

Until next time,

Levi Flaman
