Re: President 2018/19 Report

---

Dear Council,

Summer has flown by! It has been a absolute joy and I am thrilled by the progress we've made on a number of files. I am feeling much more rested then I did at the beginning of the term (or last week when my eyeballs hurt) and looking forward to my favourite season, fall.

## Moodys Gartner Donation

We have successfully closed the Moodys Gartner Donation! The donation will be going towards supporting a tax law moot, scholarships, permanent award, and the campus food bank. My personal thanks to all of the folks who worked so hard to make sure that agreement went through. As well, a big thanks to Moodys Gartner for supporting student initiatives and success on campus. We will be developing a more robust system for alumni support and collecting donations over the fall semester.

## Advocacy

I've had a series of advocacy meetings. Notably, we've met with Minister Bilous and MLA Cortes-Vargas in regards to challenges facing the University of Alberta and the province as a whole. As well, the Council of Alberta University Students had a teleconference in which we discussed strategy for the fall semester and the release of the tuition and funding framework reviews.

It is critical that these reviews have results this fall. As tuition remains frozen, there hasn't been a commitment by this government to enshrining those cost savings in legislation, or any protections for international students. This will be the last opportunity for government to take any significant action before the election period and thus we will be pushing hard.

## Department of Research & Advocacy / GOTV

We are currently interviewing for a number of positions within the UASU to support our research and advocacy efforts. We should have that process completed by the end of August and I look forward to having a fully staffed 2-900 offices for September. Once those hires have been completed we will be putting together a fulsome GOTV strategy and begin registering students to vote!

## Deferred Maintenance

Last year the Students Union produced a [deferred maintenance report](#) in which we outlined student priorities. We have since shared that with the University and they have come back with a wholesome report on the feasibility of the projects and outlined where we have overlap in priorities. I am thrilled by this process, as it means we may be able to do some joint advocacy on the deferred maintenance file!

## Tenants Rights

Tomorrow we will be meeting with the University representatives in regards to the Students Unions new residence policy. This is the first time that I have been invited to a table to have these discussions and reads incredibly well for movement on this file.

## To Note

- Tonight will be meeting with Councillors Sunday and Belcourt in regards to raising indigenous flags on campus.
- Board Ad Hoc Group on Mandates and Membership will be have its first meeting on the 15th. Excited to get started on that governance process.
- Several research briefs have been completed, including; Tenants Rights, Cannabis Legislation, SU Donations, Student Rights, etc. This provides a solid base for advocacy going forward.
- The executive will be at the Students Union Development Summit from the 16th - 20th. I hope to push SUTV, Stride, and CASA priorities at this conference.
- I was interviewed by members of the Global Academic Leaders Development group on the function of students unions in Alberta.
- Next Friday we have a meeting with Minister Amarjeet Sohi which I am personally looking forward to.
- Met with Maclab, a property group that operates many towers in Garneau, about them opening a private student residence tower and how they might look for partnerships with the UASU.
- Met with representatives from the YMCA in regards to sponsoring a student leadership conference.
- I've drafted a Students' Union Bilingualism bylaw first principles and will be submitting them at a time when it would be most convenient for the committee.

That's all for now folks! I will keep these reports short and accessible, however, will be a challenge as we get more busy in September.

**Re:** VP(A) 2018/19 Report #7

Dear Council,

We made it through one entire semester together! It's incredible the work that Council has already achieved this term, and I can't wait to see the work we do this entire year. Although our flight to Vancouver was delayed for 2.5 hours, I'm happy to writing this report enroute to Vancouver! The entire Executive team is headed to the Students' Union Development Summit, where we will meet student leaders from across Canada and attend a variety of sessions. Keep reading for some exciting updates!

### **1. BeBookSmart Fair**

I am so excited to announce the BeBookSmart Fair! This event is a one day interactive way for students to engage in conversations about affordability in the classrooms. It will be on **September 13th, from 10AM-2PM in SUB Atrium!** I will be doing a presentation at Council regarding this, and I look forward to your questions, comments and feedback! I hope to see all the councillors there, and if you want to volunteer a few hours of your time, we will be doing a call out for volunteers!

### **2. Faculty Associations**

#### **Engineering Students' Society**

The ESS is developing a 5-year strategic plan for their organization, calling upon alumni, current students, and various stakeholders to help impact this. This is a great project, that will help steer the ESS in a strong, forward moving direction. Both Discover Governance and myself have been actively engaged in the discussions.

#### **Augustana Students' Association**

The ASA will be having a meeting in Edmonton on next Wednesday, and it'll be a great place for our Executive and their Executive to meet face-to-face. I look forward to discussing the file on the 3/11 Calendar implementation, specifically advising and add/drop deadlines.

#### **Interdepartmental Science Students' Society / L'Association des Universitaires de la Faculté Saint-Jean**

In light of Dr. Jonathan Schaeffer resignation as Dean of Science, there are certain priorities that ISSS, AUFSJ and I want to discuss. We are in the midst of finding a time to meet with both Deans, ISSS and CSJ President and myself to discuss the file regarding CSJ lack of science majors. Currently, Campus Saint-Jean has only five options for Science major and minors, whereas North Campus has 13. This limits the diversity of academic programming offered, and therefore has impacts on the quality of education Campus Saint-Jean students are receiving. This is a priority I ran on, and I will see to it that we move this file forward this year.

#### **Business Students' Association**

The BSA is making some amendments to how they spend their FAMF revenue. This is slightly different then their [original proposal](#) in 2011, however after some great discussion with BSA President Michael Mytrunec, I am confident this is the best fiduciary decision. The change has to do with moving from "Student Activities Fund" to a budget line that Business students will have more access too. I am very supportive of this change, as it allows for their FAMF to be used by a larger number of students.

### **3. Open Educational Resources (OER) Advocacy Group**

The OER Advocacy Group will be meeting on Wednesday, August 29th. Here we will be going through a target board exercise to help focus our work for the year. Another project I will be working on is expanding our membership; currently the group is not representative of the campus community, so if any of you are interested, let me know.

#### **4. University Meetings**

##### **Meeting with Vice-Provosts' Sarah Forgie and Tammy Hopper**

The biggest thing we discussed in this meeting was the Council of Student Affairs, which is currently going through lots of changes. The changes will be presented at the September 25th General Faculties Council meeting, and students who sit on GFC will meet for GFC Student Caucus where we will go through this issues in depth.

#### **5. New Professor Orientation**

##### **Student Panel at NPO**

Arts Councillor Mpoie Mogale, ISSS VPA Rowan French, APSA VPA Kristen Farrell and I were happy to sit on a panel where we were able to share our hot takes on how professors can better integrate diverse student needs in their classrooms! Thank you to the three of them for volunteering and spending a morning! Councillor Mogale and the rest of the Executive joined us for lunch where new Professors continued to ask several questions about our experiences. Overall, a great day and I am so glad we have a Centre for Teaching and Learning at the University that truly cares about students and professor success.

#### **5. GovWeek 2018**

Dates for GovWeek have been finalized: January 21st-25th 2018. There will also be re-brand of the marketing - stay tuned! Applications for GWPC and for GovWeek events will be open at the end of September. If you're interested in being involved in anyway, let me know!

#### **6. Internal SU**

##### **ARRC Open House**

ARRC will be hosting an Open House on Thursday, September 27th at 10AM. This is first time I have heard a committee take a strong stance on student consultation; very happy to see this. I assume that all of Council will make a visit at least once during the event.

Thanks for reading this report. As always, please feel free to ask questions! My office hours for the Spring/Summer are 12PM-1PM on Friday. If that time does not work for you, please do not hesitate to send me a message and we can figure out a time that works for us! Thanks for reading my report!

Kind regards,

Re: VP(X) 2018/19 Report

---

Dear Council,

As the summer winds down, I hope you are getting in your final moments of relaxation! I can already see more students than normal walking around SUB as the craziness of September is almost upon us...

### 1. Advocacy Meetings

- President Larsen and I met with Alberta Minister of Trade Deron Bilous on July 31st. The meeting went quite well and the Minister seemed particularly interested in international students (which was refreshing). I also met with MLA Lorne Dach on August 3rd, who was particularly interested in student employment and Board of Governors super-majorities.

### 2. CAUS Budget Submission

- The Council of Alberta University Students will be submitting its Budget 2019 proposal to the provincial government in the coming weeks. UASU was in charge of writing the Student Employment portion, in which I have pushed for an overhaul to the Summer Temporary Employment Program. It is my opinion that the STEP program must now evolve in its entirety to meet the needs of students.

### 3. Campus Saint-Jean Advocacy

- I sent an email to MPs Peter Schiefke and Randy Boissonnault on the issues facing Campus Saint-Jean, including a 3-page report detailing how the Campus, and accessibility to post-secondary education in French in minority provinces generally, is in need of help. I am happy to provide details of this report to Councillors at their request. Below is a photo of the science building for CSJ that was proposed 10 years ago and

not constructed because of financial disagreements between the University, and provincial and federal governments.

#### 4. Saudi Arabian Students

- I have been speaking with several counterparts at student associations across the country on the severity of the situation involving the recall of Saudi Arabian students to leave Canada at their government's request. It is very disappointing that students have been caught in the middle of a diplomatic dispute between countries. CASA has issued the following statement that I had a hand in writing: <http://bit.ly/2KSCC2N>

#### 5. Coming Up

- SUDS: I will be heading to Vancouver with the Executive for the Student Union Development Summit, hosted by the Alma Mater Society of UBC (their SU), from August 15-20th.
- Advocacy: President Larsen and I have meetings coming up with MP Randy Boissonnault (former SU President) and federal Minister of Natural Resources Amarjeet Sohi.
- ASA meeting: On Wednesday, August 22nd, members of the Augustana Students' Association are coming to meet with the Executive. I look forward to discussing how we can better advocate to the City of Camrose on student issues with them.

September is now on the horizon, and that means 30,000 students returning to our campuses for the year. I hope you are all as excited as I am! My next office hours will be Tuesday, August 28th from 3-4pm.

Kind regards,

UASU VP (External)

Re: VPOF 2018/19 Report

Dear Council,

Hi, hello! I hope all is well. Semester one is rapidly approaching, and with that comes all the necessary finalizing of our summer projects. I have some good news to share with council, and some disappointing stuff too, so let's get the negatives out of the way first.

#### More kitchen delays

Yes, I know, disappointing. I am frustrated too, but this type of thing happens often with construction projects. The lower level catering kitchen has an updated opening date of September 14th, a month later than the previously postponed date. This is all due to bottlenecks with certain aspects of the contractors. I am now working with our management team to figure out contingency plans for our businesses. The first couple weeks of school are very busy for both catering and the bars, so it is integral that we find a way to have all of them run as smooth as possible. Catering during the summer has been possible due to Dewey's being closed, but now that it is set to open as school starts, that adds complications. We are exploring options, and I will keep you updated once we decide what will happen. One final aspect that this affects is my campaign goal of increasing vegan and vegetarian options at the bars. This will still happen, but most likely in second semester. The delays are unfortunate, but we've gotta be patient with the unexpected.

#### Marketing & Communications

As I have mentioned numerous times, the exec have been working closely with marketing in attempts to improve communication with our members. I have been very happy with the progress we've made overall, in particular with regards to making social media a priority this year. We will be hiring 2 new students positions to manage our social media accounts, and I am looking forward to the engagement this will yield. We've also been making significant progress on our Conferencing and Events branding, which will be rolled out in coming months to help with growth in this area. I also met with marketing to discuss advertising Switchboard, a campaign that will be rolled out mid to late September.

#### Odds & ends

Other projects that I have been working on include SERC, creating a capital plan plan, and reviewing many of our bylaws, particularly related to fees. Student at large positions for SERC will open in the coming weeks, so keep your eyes open. I will be presenting on the capital plan/post-Student Events Initiative survey findings at our September 4th council meeting. I look

forward to hearing your feedback, so be ready! As for the bylaw bit, more updates will follow in coming weeks.

#### Personal Announcements & Office Hours

Fun fact: Konz is open! I encourage you all to go and try their pizza in a cone — it's an experience. I will not be in council this Tuesday as I will be away for a couple extra days in Vancouver, but I will be calling in. If you have any questions, please shoot me an email, or visit my next office hours on August 30th from 2:30-3:30 in RATT.

Kind regards,

Re: Report to Students' Council

---

Hey Council!

Welcome to my report. The last few weeks have been fairly relaxing. I took my summer vacation to the West coast and spent some time in Victoria, Vancouver, Kelowna, and Kamloops! This week, we did the filming for the # I Believe You campaign, and I'm really looking forward to sharing the videos and helping to reboot the campaign in October. We are in the final stages of getting the Health and Dental committee going, and the Students' Union Development Summit is happening this weekend out in Vancouver where the entire executive will be attending sessions related to building on the capacity of our organizations.

#### 1. ARRC Event / Town Hall

Following a very productive ARRC meeting, an ARRC Event (event name pending) is going to be taking place on September 27th from 9:00AM-1:00PM in the Students' Union Building. The purpose of the event is to seek feedback on how the Students' Union can better integrate reconciliation into the organization. I am very excited to see this event taking place, and I look forward to going through the feedback we receive. As a reminder, all councillors are welcome to attend ARRC meetings and provide their feedback and insights to the committee. We'd love to see some councillors get involved in this event!

#### 2. East Campus Students' Association

The East Campus Students' Association now has two representatives who will serve until April 30, 2019. Their responsibilities will be similar to those of other residence associations, though they will also be responsible for coordinating the election logistics for ECSA 2019/20. One of the challenges that will be facing ECV student governance this year is how to structure the residence association in a way that builds community between the various residences while also ensuring there is sufficient representation and a reasonable workload for elected student representatives. I will be working closely with the ECV representatives over the next few months to ensure we develop a robust process that ensures the longevity of ECSA.

#### 4. Free Feminine Hygiene Products on Campus

Currently, we are in the process of looking into how we can pursue an initiative that provides free feminine hygiene products on campus. Currently, students can receive free tampons from the Campus Food Bank and the University Health Centre. I have been in touch with some students who have conducted research on providing dispensers in buildings around campus. If you know anyone who might know more about starting something like this please let me know! Other universities like McGill currently have processes in place that allow for free distribution of tampons in washrooms, relying on a \$0.90 fee that they charge each student per year. Surplus funds from the fee go towards subsidizing more expensive menstruation products such as the Diva Cup. Please let me know if this is something you are interested in working towards. I'd love to hear some more ideas.

#### 5. Closing

Thanks for reading my report. Residence Move-In, New Student Orientation, and Week of Welcome are just around the corner! I can't wait for campus to fire back up again for the fall. I hope you all have a restful week!

Cheers,

Andre Bourgeois

BHATNAGAR nominated THIBAUDEAU: accepted.  
SUNDAY nominated SUNDAY: accepted.  
THIBAUDEAU nominated LEY: accepted.  
BILAK nominated STATT: accepted.  
RAITZ nominated BELCOURT: declined.

BILAK: Established that Policy Committee authored the Non-Partisan Political Policy to set out rules and practices to govern the impartial conduct of the Students' Union.

BROWN: Noted that he received the draft Policy last year. Identified that he added Fact 4 and consulted Policy Committee on amending Resolution 3. Emphasised

that the Policy formalises an existing convention of organisational independence and impartiality.

SUNDAY: Inquired into the manner in which the Policy will affect individual councillors' partisan activity.

LARSEN: Responded that the Policy applies only in circumstances in which a councillor is acting in an official, representative role.

FLAMAN: Noted that the term "primarily" in Resolution 3 allows the Students' Union to advocate on issues not related to political policies. Considered amending "primarily" to "solely".

BROWN: Identified that the term "primarily" provides flexibility for the Students' Union to advocate in relation to issues that emerge unexpectedly and require immediate attention.

LEY: Noted that a future bylaw could fill in any gaps later discovered within the Policy.

**CARRIED.**

See SC-2018.06.10.

**2018-06/7c SUNDAY/THIBAudeau MOVED**, on behalf of the Bylaw Committee, to approve Bill #3: Bylaw 100 Students' Council committee regulations as follows:

1. Bylaw 100 is the premier piece of legislation of Students' Council, housing much of the administrative and operational regulation of the body.
2. In January 2018, Students' Council approved amendments to Bylaw 100 that created four types of committees: legislative committees, oversight committees, ad hoc committees, and operational committees.
  - a. Prior to these amendments, Bylaw 100 stipulated only one type of committee: Standing Committees
3. As a result of these amendments, legislative committees were housed in Bylaw 100, while oversight, ad hoc, and operational committees were placed in Bylaw 100: Schedule B.
4. The differentiation between legislative committees and oversight committees received wide criticism from students; specifically, Aboriginal students.
5. Bylaw 100 shall be amended to replace legislative committees and oversight committees with Standing Committees.

6. In light of the criticism surrounding the current Students' Council committee structure, as a well as discussions surrounding committee structure at the Aboriginal Relations and Reconciliation Committee, three categories of committees and their creation procedures will be defined:
  - a. "Standing" committees;
  - b. "Ad Hoc" committees; and
  - c. "Operational" committees.
7. Bylaw committee will outline a process for any student at large (SAL) positions on standing committees to be ultimately ratified through Council.

SUNDAY: Established that Bill 3 addresses the controversy surrounding the differentiation of operational, legislative, oversight, and ad-hoc committees in Bylaw 100. Noted that Bill 3 reclassifies the committees as standing, ad-hoc, and operational.

LARSEN: Supported an open and transparent dialogue in advocacy and consultation.

FLAMAN: Identified that §4 and §6 reference criticism over the original change. Inquired into the character of the criticisms and the manner in which Bill 3 addresses them.

SUNDAY: Responded that the differentiation between oversight and legislative committees, in which ARRC was the oversight committee, was made on the basis of possessing delegated authority from Students' Council. Suggested that the differentiation is arbitrary as all committees, including ARRC, have delegated authority. Noted that at least ten Aboriginal students attended the vote of the original change in opposition.

FLAMAN: Expressed concern over repealing the legislation of last year's Council, which followed the democratic process, to accommodate a small subset of students.

KIM: Identified two justifications for the plan to differentiate committees: (1) permitting for students at large to sit on committees and (2) allowing for an easier creation of new committees. Suggested that these justifications require revision as there are other ways to involve students at large and a difficult process of committee creation ensures a high-standard of standing orders.

SUNDAY: Expressed concern over referring to of Aboriginal students as a small subset of students. Suggested that there was neither compromise nor consultation in the latest amendment of Bylaw 100.

BILAK: Inquired into how §7 would affect the selection of students at large.

BELCOURT: Suggested that Bill 5, of last year, created an unnecessary power imbalance between oversight and legislative committees. Suggested that Indigenous voices were excluded from the legislative process leading up to the passage of Bill 5.

SUNDAY: Responded that Nominating Committee could serve to select students at large throughout the year. Encouraged councillors to attend ARRC meetings.

PALMER: Inquired into whether Bill 3 affects all students at large or only Aboriginal students.

LARSEN: Responded that items 1-7 are first-principles for an amendment to Bylaw 100.

SUNDAY: Reaffirmed that, notwithstanding this legislation, committees have discretion as to whether they include students at large.

LARSEN: Established that Council was delayed in ratifying Halabi's appointment as Chief Returning Officer.

SUNDAY: Suggested that officially appointing Halabi prior to the ratification contravened bylaw.

LARSEN: Noted that the ratification was delayed because the obligation to do so was discovered late. Emphasised that no bylaw has been contravened.

RE: ARRC Chair's Report

Dear Students' Council:

In accordance with Section 9(5) of the Students' Council Standings Orders, the following report has been submitted, on time, to the University of Alberta Students' Union. As chair of the Aboriginal Relations and Reconciliation Committee (hereafter, "ARRC"), this report has also been reviewed and approved by members of the Committee pursuant to Section 10(5) of ARRC's Standing Orders.

First, I would like to thank the members of ARRC for giving me the opportunity of acting as chair this year. As the newest committee of Students' Council, I am honoured to be the Committee's first chair.

ARRC has had eight (8) meetings this summer, with its recommendations taking up the majority of the discussion. These recommendations, which outline Aboriginal undergraduate student priorities, will then be compiled into a report once final engagement with undergraduate students is completed at the ARRC Town Hall. More information on this can be found subsequently in this report.

Lastly, I would like to remind Students' Council that, in accordance with ARRC Standing Orders, all members of Council are provided the ability to participate *and* vote at Committee meetings. Thus far, **no Councillors (other than permanent members) have attended a meeting of ARRC.**

## **1) Activities of the Aboriginal Relations and Reconciliation Committee**

### **Currently Underway:**

**Aboriginal Undergraduate Initiatives underway at the University of Alberta**

As part of my role as Chair of ARRC, I have begun creating a list of current undergraduate initiatives geared towards Aboriginal students at the University. Currently, I am sending out e-mails to every faculty inquiring into this issue. If Councillors could speak with their faculty about this, I would be very appreciative. As more details emerge, I will update ARRC (and Council).

In addition to this, I have also been researching statistical information publicly available regarding Aboriginal students at the University of Alberta. Preliminary findings include:

- The total Aboriginal undergraduate enrolment headcount maintains its upward trend, increasing from 916 students in 2016/17 to 1,081 in 2017/18 (*Annual Report on Undergraduate Enrolment 2017/18*).
  - With respect to the domestic student population, Aboriginal undergraduates make up 3.9 per cent. According to Statistics Canada's National Household Survey conducted in 2016, Aboriginal Peoples comprise 6.5 percent of Alberta's population.
- The number of Aboriginal students who were funded as a result of emergency financial challenges increased by 26 students since 2015/16 (*Annual report on Undergraduate Student Financial Support 2016/17*).
- Of the \$3.5 million in financial support issued to Aboriginal students, 69 per cent (or \$2.5 million) was awarded to students who self-declared as Metis, followed by Status Indian at 22 per cent (\$7.86) (*Annual Report on Undergraduate Student Financial Support 2016/17*).
  - It is important to note that these rates are not consistent with enrolment rates of Aboriginal students, which saw 53 per cent identify as Metis and 37 per cent identify as Status Indian.

As I continue my search, I will ensure to inform Council of my findings.

**Acknowledgement of Traditional Territory Guide**

In partnership with Discover Governance, ARRC has begun creating a guide for the Acknowledgement of Traditional Territory (which is on every Council/Committee agenda). The guide is meant to provide insight and to increase knowledge surrounding the importance of the acknowledgement.

Currently, the guide is in its preliminary/planning phase; however, it will be completed this trimester. More information is to come in the coming weeks.

### **ARRC Town Hall**

For the first time in living memory, a committee of Students' Council is directly engaging with undergraduate students on issues that affect them. The Town Hall will take place on September 27, 2018 from 10:00 AM to 2:00 PM in SUB. The Town Hall will act as the final push for student engagement on ARRC's recommendations before the report is published.

I cannot urge enough the importance of Councillor attendance at this event. As such, I hope to see you all at the Town Hall at some point.

### **Treaty 6/Métis Flag Raising**

On August 14, 2018 I was invited to a meeting between the Presidents of the Students' Union and Aboriginal Student Council to discuss conducting a flag raising ceremony in SUB. Specifically, the issue at hand was how to go about raising the Treaty 6 and Métis flag in SUB.

President Larsen was very enthusiastic on this front and is committed to raising the two flags. As more meetings occur and more information surfaces, I will update the Committee and Students' Council accordingly.

### **Bilateral ARRC/Policy Approval Process: Truth and Reconciliation Commission Political Policy**

Policy Committee and ARRC met on June 30, 2018 to discuss a way forward regarding the approval of the Truth and Reconciliation Commission Political Policy. As it was

determined by both committees that the policy needed substantial work, President Larsen was asked to chair a joint meeting.

As a result of the joint meeting, the following framework was agreed to:

1. Agreed consultative process between ARRC + Policy
  - a. Including agreed upon Draft Persons (Recommend 2, one from each committee).
2. First Principles Drafted
  - a. Present to ARRC Committee
  - b. Present to Policy Committee
  - c. Joint meeting with Chairs.
  - d. Present to Council.
3. 2nd Principles
  - a. Draft Persons for initial principles
  - b. Present to ARRC Committee
  - c. Present to Policy Committee
  - d. Agreed Upon Consultative Process
  - e. Joint meeting of ARRC + Policy
  - f. Present to council
4. Political Policy

I would like to thank President Larsen for his continued assistance on this issue, as well as for the creation of the proposed aforementioned framework.

### **Report on Aboriginal Student Priorities**

As per ARRC Standing Orders 8(3)(a), the majority of ARRC's work thus far has been on completing the Report on Aboriginal Student Priorities. Specifically, this report is based off extensive engagement completed by the Aboriginal Relations and Reconciliation Ad Hoc Committee last year. The Ad Hoc Committee reached out to Aboriginal students and student groups, as well as Faculty Associations, Faculties, and the Students' Union.

The Report will provide recommendations to the Students' Union on how to better advocate for Aboriginal students, as well as how to incorporate reconciliation throughout the organization.

**Next Steps:**

**Chair/Committee Transition Manual**

Throughout Fall term I will be working on a Transition Manual for ARRC. Currently, Transition Manuals act as one of the main vehicle of communication new Councillors receive about Students' Council committees. Although every other committee of Council currently has one, ARRC does not. It is my hope that this is completed by the Winter term.

**Report on Executive Committee Advocacy**

As per ARRC Standing Orders, the Committee will produce a report on the Executive Committee's advocacy regarding Aboriginal students on November 10 and April 10. Specifically, this report will detail any current initiatives underway by the Executive Committee regarding Aboriginal students, as well as any advocacy that may have been done.

**Report on Students' Council Aboriginal Representation**

Similar to the above report, ARRC will begin working on a report regarding Students' Council and Aboriginal students. Specifically, this report will detail, by faculty, any dealings currently underway between Councillors and the Aboriginal students in their faculty. This will also include any advocacy or advocacy initiatives that have been done by Councillors in an attempt to reach out to Aboriginal students in their faculty.

In accordance with ARRC Standing Order 8(3)(c), this report will be completed no later than January 30.

**2) Recommendations of the Aboriginal Relations and Reconciliation Committee**

At the July 31, 2018 meeting of Students' Council, ARRC issued a recommendation letter to the Executive Committee regarding its 2018/19 goals. The recommendation, which was the creation of a fifth goal titled "reconciliation" in the 2018/19 Executive Goals document, was accepted by the Executive Committee.

Other than that, at this time there are no recommendations from ARRC.

### **3) Aboriginal Relations and Reconciliation Committee Standing Orders**

At the August 12, 2018 meeting of the Committee, changes to our Standing Orders were introduced by myself and approved. Changes to the ARRC Standing Orders (other than editorial) are as follows in red:

#### 10 Records

---

1. The Chair of the Aboriginal Relations and Reconciliation Committee shall ensure attendance is taken at each meeting of the Committee.
2. In the event that a Minute Taker is not present at a meeting of the Aboriginal Relations and Reconciliation Committee, the Chair shall assign the task of recording the minutes of the meeting to one of the members of the committee.
3. Members of the Aboriginal Relations and Reconciliation Committee may amend their comments in the minutes to better reflect the recording when the minutes are being approved by the Committee.
4. The Chair of the Aboriginal Relations and Reconciliation Committee shall, after each meeting of the Committee, submit to Students' Council a report including:
  - a. any decisions made by the Committee acting under the authority delegated to it by Students' Council;
  - b. any recommendations made by the Committee to Students' Council;
  - c. any standing orders adopted by the Committee; and
  - d. the last approved Minutes of the Committee.
5. **The trimesterly Chair's Report shall be approved by the Committee prior to its inclusion onto the Students' Council Order Papers.**

**First Principles of Bill # 4:  
Bylaw 100 Students' Council Committee Chairs' Training**

1. Bylaw 100 is the premiere piece of legislation of Students' Council, housing much of the administrative and operational regulation of the body.
2. Bylaw 100, Section 13 and Bylaw 100 Schedule B, Section 6 discuss the appointment of committee chairs.
3. Each committee of Students' Council has a chair, appointed from within its membership, to oversee the everyday functioning of the committee.
4. For those who have never acted as chair of a Students' Council committee, there is a steep learning curve.
5. The learning curve is highly dependent on the previous chair's transition report, in which quality standards are not in place.
  - a. As a result, those new chairs who receive inadequate transition reports are at a disadvantage; resulting in committee startup delays.
6. Bylaw 100 shall be amended to create a structured approach to chair training, including, but not limited to, the following:
  - a. Transition Report Standards;
  - b. Group Chair Training;
  - c. Long and short term goal setting
  - d. Modifying Robert's Rules of Order at the Committee Level; and
  - e. Chair shadowing.
  - f. Identify goals for the committee and present

 Re: Bylaw Committee Report #1\_Michelle Kim

Dear Council,

I hope everyone had a great summer! I can't believe this is our last Students' Council meeting of the year and fall is approaching so quickly. Bylaw committee had very productive summer with many items brought forward and discussed at the bylaw committee meetings. The bylaw committee had total of 7 meetings.

### **1. Activities of Committee during Summer semester**

- The bylaw committee have discussed and shared goals individuals councillors have in bylaw committee and reviewed current bylaws and timeline in our initial meetings
- Bill #1, Bylaw 600 respecting Students' Union Bilingualism was initially drafted before the DIE board ruling. The DIE Board Ruling on June 19, 2018 required immediate implementation of initial translation to be performed and development of sustainable method of translation. Therefore Bill #1 was tabled indefinitely and bylaw will revisit Bill #1 in the fall after further discussion on sustainable method of translation for Bylaw and Political Policy.
- Bill#2: Bylaw 100 attendance regulation is currently being discussed at the Bylaw committee.

In August of 2017, then-speaker of Students' council Saadiq Sumar called for a DIE board interpretation of bylaw 100 surrounding section 7: start-up, and section 21: attendance regulations.

Sumar was asking for an interpretation of when the introductory council meeting could occur, and if it could occur prior to May 1st. In addition, Sumar was also seeking clarification as to if the start-up meeting should be considered for councillor attendance regulations.

DIE board found the following: "The questions that were asked of this Panel, and our answers to them, are as follows: 1. Do both the introductory meeting and the first meeting of Council need to occur before May 7? What are the consequences if this does not happen? Can the first meeting occur before May 1.

Both the introductory meeting and the first meeting of Council need to occur before May 7. The first meeting can occur before May 1 in certain circumstances. If the first meeting is held after May 7 and if an application that is brought under section 29 of Bylaw 1500 postdates the first meeting, then there is no consequence to the Students' Union or Students' Council. However, DIE Board may be able to force the meeting to take place if the application that is brought under section 29 of Bylaw

1500 is submitted before the first meeting takes place. 2. Is the introductory meeting counted towards councilor attendance for the Spring/Summer term? This meeting is unique to this term. The introductory meeting does not count towards councillor attendance for any trimester, as interpreted from the Bylaws. In the event that the first meeting (and indeed, any meeting) occurs before May 1, then that meeting will also not count towards councillor attendance for any trimester. “

- **Bill#3:** Bylaw 100 Students’ council committee regulations  
The first principles for Bill#3 on Bylaw 100 Students’ Council Committee Regulations has passed. It is now submitted to the Students’ council to be discussed on August 21st 2018, Students’ council meeting
- **Bill#4:** Bylaw 100 Students’ council committee chairs’ training  
The first principles fro Bill #4 Bylaw 100 Students’ Council committee chairs’ training passed in bylaw committee and tt is now submitted to the Students’ council to be discussed on August 21st 2018, Students’ council meeting
