We would like to respectfully acknowledge that our University and our Students’ Union are located on Treaty 6 Territory. We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students’ Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge and work towards the decolonization of Indigenous knowledges and traditions.

Committee Report

Aboriginal Relations and Reconciliation Committee (ARRC)

Date: January 25, 2022
To: Students’ Council
From: Vaughn Beaulieu-Mercredi, Chair of the Aboriginal Relations and Reconciliation Committee

1. Committee Activities

- Meeting #0
  
  Chair Selection
  
  - Dhillon nominated NORTHWEST: accepted.
  - Dixon nominated Peacock: accepted.
  - NORTHWEST is declared Chair.

  Work Planning
  
  - MOYAN identified that, last year, the Committee prioritised ARRC Recommendation fulfillment and worked on revising the SU Land Acknowledgement. Suggested working on advocating for the implementation of a Native Studies course requirement. Proposed that the Committee plan its work better and meet more regularly.
  
  - DIXON proposed that another priority for the Committee be ensuring that the Executive is accountable in fulfilling ARRC Recommendations.
  
  - NORTHWEST determined to approve Standing Orders at the next Committee meeting.

- Meeting #1

  ARRC Recommendation Fulfillment Tasking
  
  - NORTHWEST inquired as to what ARRC Recommendations the Committee intends to prioritise.
  
  - DIXON clarified that ARRC Recommendation fulfilment can also be tracked on the SU website portal.
  
  - BEAULIEU-MERCREDI proposed prioritising advocacy for implementing a Native Studies course.
  
  - MOYAN proposed prioritising advocacy for constructing Maskwa House of Learning.
  
  - NORTHWEST proposed prioritising adding informational plaques narrating colonial art on Campus.
  
  - DIXON cautioned that the University struggles with advisor shortages in general. Considered that the SU could hire an FNMI specialist to review the organisation.
  
  - KIMANI proposed prioritising renaming rooms in SUB for FNMI recognition.
  
  - DIXON proposed prioritising updating the SU Land Acknowledgement.
  
  - LAPATAK inquired as to what can be done for National Truth and Reconciliation Day.
  
  - DIXON responded that the SU will be distributing educational resources in place of holding an event and will also donate the profits of the Daily Grind.
  
  - PEACOCK suggested that emphasis needs to be placed on the diversity of unmarked
graves at the sites of residential schools.

- **Meeting #2**

  **Chair's Business**
  ○ NORTHWEST resigned as chair.

  **ARRC Recommendation Updates**
  ○ LAPATACK noted that she hung orange t-shirts around Campus for National Day for Truth and Reconciliation. Clarified that she used her own funds for the purchase of shirts.
  ○ DIXON updated that CAC will address the SU Land Acknowledgement at its next meeting. Noted that the SU also produced ads for the Day and attended the Indigenous Law Student run.

- **Meeting #3**

  ○ GRAHAM MOVED TO elect a new ARRC Chair.
  ○ BEAULIEU-MERCREDII nominated himself; accepted.
  ○ BEAULIEU-MERCREDII is declared the new chair of ARRC via acclamation.

- **Meeting #4**

  **ARRC Recommendations Delegation**
  ○ BEAULIEU-MERCREDII requested that the Committee identify the recommendations they want to work on in the WhatsApp chat in advance of the next meeting.

  **Residential Memorial Victims Display Quad**
  ○ VILLOSO proposed purchasing materials to replicate the Augustana Memorial in Main Quad. Noted that she is in the process of planning arrangements.
  ○ BEAULIEU-MERCREDII noted that it will be the responsibility of ARRC to determine when the event occurs. Recognised that the flags can be reused in future years. Noted that the Committee will have to consult an Elder to determine the most appropriate location of the installation.

  **Infographic Project Event**
  ○ BEAULIEU-MERCREDII noted that, in the past, there was an ARRC-ASC pathfinding document created but its content remains to be turned into an infographic.
  ○ MOYAN proposed that the Committee make the graphics via Canva.
  ○ BEAULIEU-MERCREDII suggested that it will be most appropriate for Marketing to handle the infographic creation.
  ○ BEASLEY noted that the Committee needs to confirm with Marketing. Clarified that the infographic could also promote engagement in ASC elections.

- **Meeting #5**

  **SU Land Acknowledgement**
  ○ DIXON updated that she is unsure as to which Committee of Council is taking responsibility for the amendment of the Land Acknowledgment.

  **Residential Memorial Victims Display Quad**
BEAULIEU-MERCREDI updated that University Administration is in support of the Display and the Committee is awaiting to hear back from the Department of Facilities and Operations.

**ARRC Recommendations Tasking**

- BEAULIEU-MERCREDI reminded the Committee to identify the Recommendations they intend to champion during the term.
- KIMANI is determined to work on the Recommendation “The SU shall name a portion of rooms in SUB to acknowledge the ancestral space on which it sits.”
- BEASLEY is determined to work on the Recommendation’s call for increased presence at FNMI events.
- DIXON is determined to work on the Recommendation’s call for more affordable childcare services for students who parent.
- BEAULIEU-MERCREDI is determined to review ARRC Standing Orders for changes.

**Meeting #6**

**Discussion on the Residential School Memorial**

- BEAULIEU-MERCREDI there’s been a lot of interest in the memorial, which will remain in the main quad until Sunday, November 28th.
- KIMANI questions what will happen to the flags after the memorial is taken down.
- BEAULIEU-MERCREDI states that the flags will be put in storage and saved for future memorial events.

**SU Land Acknowledgement 1st Draft**

- BEASLEY presents the 1st draft of the SU Land Acknowledgement. There is no current timeline for approval.
- DIXON states the SU Land Acknowledgement takes two minutes to speak. The land acknowledgment is meant to be thorough but short. While there is no timeline for approval, the acknowledgement should be completed by the end of the academic year so next year’s ARRC committee does not have to re-examine it.

**UASU Governance Restructuring Task Force Recommendations**

- TABLED

**Meeting #7**

**Indigenous Celebration Week**

- BEAULIEU-MERCREDI notes that Indigenous Celebration Week is happening in January. ARRC would like to provide some guidance to a few events at Indigenous Celebration Week, such as the Indian Taco Lunch, particularly because there have been concerns raised about how the fry bread tacos will be made.
- DIXON notes that Jeremy, the head chef at the Students’ Union, is willing to make the fry bread tacos. However, Jeremy is a white man, which may cause some concerns about the authenticity around the preparation for the fry bread tacos.
- Questions if, to rectify this situation, should someone of Indigenous descent supervise Jeremy while he is cooking the fry bread tacos? Or should someone teach him how to authentically make fry bread before the event?
- BEAULIEU-MERCREDI states that the main issue surrounding the fry bread taco event is authenticity. If Indigenous students find out that the fry bread was made without some input from an Indigenous student or group, there could be some upset.
Reiterates that there are a couple of viable options available to ARRC regarding the fry bread taco event. **DIXON** and himself could take over the SU Kitchen and personally cook the fry bread tacos or an Indigenous representative could supervise Jeremy to make sure that the fry bread tacos are authentically made.

**DHILLON** questions if the best option would be having an Indigenous individual walk through crafting an authentic fry bread recipe with the SU kitchen staff the day before the event.

**KIMANI** likes the instructional approach suggested by **DHILLON**.

**BEAULIEU-MERCREDI** suggests that the Indigenous representative, instructing the SU kitchen staff, could be an Indigenous student or potentially an elder.

**DHILLON** wonders if there are any liability risks in having an instructional person in the SU kitchen while staff members are cooking.

**DIXON** will talk to Jeremy about the liability risks.

**UASU Governance Restructuring Task Force (GRTF) Recommendations**

**BEASLEY** notes that Students' Council is under consideration for restructuring and re-sizing. ARRC needs a strong voice in restructuring efforts to help ensure greater indigenous representation on Students' Council.

**DIXON** questions what the objective of this conversation is and wonders if this committee item was put forward at the behest of **MONTEIRO** or **LEY**.

**BEAULIEU-MERCREDI** answers in the negative regarding whether this committee item was put forward by **MONTEIRO** or **LEY**. Suggests that GRTF as a way to decolonize Students' Council by increasing indigenous student representation, which makes it a meaningful discussion item.

**DIXON** agrees that council restructuring is a good step towards decolonizing Students' Council.

**KIMANI** states that herself and **DIXON** will work on completing recommendations regarding what Students' Council should like after restructuring, particularly in regards to EDI. The focus will be on creating a greater diversity of voices and opinions, beyond just race and gender.

**DIXON** furthers that diversity is about quality and not quantity. Questions if consultation in regards to GRTF included ASC.

**BEAULIEU-MERCREDI** is not aware of any ASC consultation.

**BEAULIEU-MERCREDI** questions how ARRC can play a role in GRTF moving forward.

Suggests, because so many committee members are missing from this meeting, that discussion continues in the winter semester.

**DHILLON** states that it would be valuable to bring **MONTEIRO** to the conversation when the committee next meets in January.

**2. Committee Schedule**

For the next trimester, ARRC meets *Thursdays at 3:00-4:00PM.*

### Abstract
This referendum question was drafted in collaboration with two members of the Bylaw Committee and the ISA.

The International Students’ Association (ISA) is a Student Representative Association representing all undergraduate international students at the University of Alberta. The ISA advocates for interests such as hybrid lecture delivery, recording lectures, Ride Transit Program inclusion, anti-racism, campus safety, etc. and provides programs/services to its members. The ISA is proposing a fee of $3.50 per semester per international student. Students who are not on campus (co-op/internship or study term) will not be charged this fee.

The ISA seeks to create an International Students’ Association Fee (ISAF) to do the following:

- Expand the I-Card (Discount Card) Program to help international students get discounts and save money at restaurants, stores, retailers, etc.
- Provide events and programs year-round such as International Students’ Day (I-Day), bonfires, and social nights.
- Fund student groups, including BIPOC and regional groups (CSSA, INDSA, etc.) to subsidize events and programs planned by international students.
- Provide welcome services to new international students with customized orientation programs and welcome booklets.
- Host mental health workshops and professional development activities such as career fair, alumni nights, and time management/burnout prevention workshops.
- Support ISA operations and the creation of an International Students’ Hub on campus.
- Provide dedicated awards for international students.

Conditions:

- The fee will have a two (2) year lifetime, Starting September 1, 2022, and expiring on August 31, 2024.
- ISAF is an optional fee, thus students may opt-out of paying the fee by filling out an online form found on the ISA website.
- Accountability, transparency and administration: The fee shall be under the supervision of the University of Alberta Students’ Union Audit Committee, and ISA shall release annual audited statements on the usage of the fee to all its members. The ISA Board/Council members shall administer the fee and be directly elected by international students.

Do you support the creation of the ISAF for the International Students’ Association to be assessed at a rate of $3.50 per semester effective September 1, 2022 with an option to opt-out at the start of every semester?

LEY moves to go in camera to begin the Undergraduate Board of Governors Representative replenishment selection process.

**Abstract**

Bylaw 100(6) subsections 5 and 6 establish the procedure for replacing the role of Undergraduate Board of Governors Representative once nominations have been received. The successful candidate will be chosen by secret ballot. Bylaw offers no further specific guidance.

It is established best practice to go in-camera when personnel decisions of this significance are being made, with the most important precedent being the process of selecting the Speaker. Like the secret ballot, this is intended to ensure members are free to speak and vote their conscience without worrying about repercussions from unsuccessful candidates.

**Consultation and Stakeholder Engagement**

Established process outlined in Bylaw 100(6).
