The University of Alberta and the University of Alberta Students’ Union occupy Indigenous land in amiskwacîwâkîhikan (Beaver Hills House), on Treaty 6 territory. From time immemorial, the banks along the river valley have been known as the Pehonan, a meeting place for the nêhiyawak (Cree), the Niitsitapi (Blackfoot), Métis, Dënesųłiné (Dene), Ojibway/Saulteaux/Anishinaabe, Haudenosaunee and others. The University, the Students’ Union and much of the city are located on the unlawfully stolen land of the forcibly removed Papaschase Cree.

We acknowledge that sharing this land gives each of us the responsibility to research the historic contexts of Treaty 6, to reflect on our personal relationships to the land, the Nations we’ve named, and to our roles in upholding justice on this territory. Since they began, the Students’ Union and the University have benefited from historic and ongoing dispossession of land and resources from Indigenous Peoples. As a result, it is our responsibility to seek the restitution of this land and its resources. Finally, we seek to do better by working to make our learning, research, and governance align with the histories, languages, teachings, and cultures of First Nations, Métis, and Inuit Peoples in the land presently occupied by the Canadian state.

We encourage critical reflection by asking the following question. In relation to the territory on which you are situated, what role do you play in strengthening the resistance and resurgence of Indigenous students within your communities?

Written Questions
Advertising Strategy for General Election
Approach

By election we saw some trends as this was the highest filled student council and GFC we have had in years. Social Media engagement was the biggest reason for this increase.

We are addressing these three questions to have successful election

- What are we doing for Social Media?
- Why we feel like this election is going to be popular than before?
- How are we engaging other campuses of Ualberta?
Social Media

MarkComms Timeline of what is going to be posted
We believe having the General Election in the new Howirtz Theater is going to draw a bunch of new students in.

With the ongoing issues in the world, students are wanting to know what the next executive council will do to help the students on campus.

Have the use of Perks during the election will also be a plan to help
Engagement

- Having forums in all of the campuses will help promote the General Election.
- Having our posters be translated to French engage with our francophone students
What we need from Council?

- Election party for the General and Council Election
- Social media platforms should be allowed for the election

Purpose
Change Bylaw 6100.3.10 to extend the ability for Students’ Council to waive the petition process from only Students’ Union services and operations, to any currently existing Dedicated Fee Unit and Student Representative Association or one that has recently expired within the last three years.

Executive Summary
The way legislation is currently written, any DFU that currently exists but is running a referendum to change the terms of their agreement (i.e. raise the amount) would have to go through the petition process (e.g. SLS in 2022 or Gateway in 2020).

In practice, this is rarely (if ever) enforced. Existing DFU’s have been allowed to proceed to referendum without petition at various times in the past. While I still think they should have to complete a petition to amend a dedicated fee (i.e. “create” a new one when one already exists), I also think Council should also
have the ability to waive that requirement (if they choose to) to streamline the process for those who have already overcome the arduous process to create one initially, while also leaving Council with the ability to say no.

Greetings UASU Council, welcome to my seventh regular report. I merged the November and December reports into one because of the several academic priorities I had near the end of term. You can expect the same from me in March and April of 2024!

Though it was a busy time academically, I also had several Board of Governor commitments, ranging from meetings to advocacy initiatives. Below is a specific list of action items I completed this 2 month period;

- Attended several Budget Model 2.0 sessions to become informed on proposed changes to University Budgeting processes
- Co-Chaired meetings with the ETI Task Force and connected with University Administration with students in impacted faculties to call for greater transparency around ETI implementation
- Produced videos explaining the University's initial tuition proposal and process in which it is approved, calling on students to get involved in this process Winter semester
- Participated in La Bruyère-Eccles-MacLaren Dinner, which brought together many Faculty, Staff, and Student representatives from a labour relations perspective
- Created fun forms of content to support students in distressing during the holiday season
- Participated in BOG Committee Meetings/BOG Meeting in late November/early December

As we moved into semester 2, it is officially time to start thinking about transitioning to a new Undergrad BOG Rep. With elections starting in late February, I am officially announcing that I am basically totally done school at this point and will be graduating, fingers crossed, in June 2024. I will not run again for this position. This marks the end of my epic decade long involvement with the University of Alberta! XOXO THANK YOU!

Who will follow in my footsteps? I don't know right now because literally no one has reached out yet. I will be making a concerted effort to connect with interested students! If you were interested in reading this right now, please shoot me an email to raitz@ualberta.ca or a DM to @stephenraitz.is.bog.hehe on Instagram. I love to shoot the shit.
You can see the Calendar of official BOG and BOG Committee meetings on the next page. I will note that my academic schedule is relatively lighter this semester. I have great flexibility in the mornings on most weekday, and some availability in the afternoons outside of class from 2 to 3:30. Additionally, I will be hosting karaoke on Wednesdays at Dewey's again and would love to see you out there. I am always open to hearing you sing a song and I'm also always open to shooting the shit about current events on campus. Thank you so much!
