We would like to respectfully acknowledge that our University and our Students' Union are located on Treaty 6 Territory. We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students' Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge and work towards the decolonization of Indigenous knowledges and traditions.

Dear Council,

**Online Learning Advocacy: GFC**

As you are aware, we have been pushing quite hard on a number of fronts to ensure online learning is both effective and inclusive for students. Certainly this pandemic has created a suboptimal learning environment where students are being forced to wake up at 3AM to attend mandatory synchronous classes because they are stuck in a different country. Further students with internet bandwidth problems are struggling to stay on top of their class work. And not to mention the immense privacy, discrimination and security issues with online proctoring. At the last GFC meeting, student leaders spoke on the topic for hours and were met with mixed responses from faculty. I want to be clear, that I fully understand that students, faculty and staff are all under a lot of pressure and hardship due to the pandemic. Many faculty as well are trying hard to accommodate students, learn how to use new online learning tools and facilitate a healthy and optimal online environment. But we also recognize that students are also still struggling. We are grateful that the university has committed to striking a task force on remote teaching and learning, and publicly made a commitment to ensuring that “courses that have a synchronous component must offer alternatives for students who can’t reasonably be expected to participate.” We as your UASU Executive will continue to push for these.

**Internal University Advocacy: CSV**

As you have been quite aware of over the past several months, the hiring of the Sexual Violence Prevention and Response Coordinator is one step closer to actualization. VP Kidd and myself attended the Joint Student / University Oversight Committee on MNIFs where we proposed an MNIF increase to the Health and Dental Plan which of course had undergone extensive consultation, a unanimous vote at Students' Council, and support from numerous student organizations across campus (COFA, EDIT, CORA, ASC, ISA, Order of Omega, Black Students' Association, University Athletic Board etc). The \$1.50 fee per Fall/Winter semester would cover the cost associated with hiring of this position. This vote passed at the MNIF committee, and will now be going to the Board Finance Property Committee, and finally the Board of Governors. This is a historic vote, and one that we hope will bring the University of Alberta one step closer to improving the safety of students.

**External Advocacy**

As you are aware, the next Provincial Budget will most likely be released mid February, and we continue to push for important student considerations. We have discussed the importance of regulated tuition and have been pushing this provincially for months, along with the fact that a super board across Alberta is not a good idea. Further, the over \$100M in cuts to the Campus Alberta Grant and other cuts to PSEs in Alberta are having their effects on students already, and will only be felt deeper. Later in the week, VP Ley, VP Kidd and myself will be attending the Advanced Education Student Leaders' Meeting where we will be discussing Alberta's Tuition Policy and other topics, and where we certainly intend on pushing for provincial action on Campus Sexual Violence.

Last week, you may have noticed a few snow penguins appear at the Legislature Grounds. This was organized by student leaders in Edmonton, and was meant to be a fun way of demonstrating that students are upset about the budget cuts which have led to increases in tuition (at the University of Alberta about 25% by next academic year). Though we recognize that students cannot protest physically due to health restrictions, this penguin protest has garnered a lot of public attention on social media and traditional media outlets. We are launching our PSE campaign on Monday to push back against government cuts and we hope that the message will get across to students.

**Governance Restructuring Task Force**

Over the past week, the GRTF subcommittees have been meeting to develop plans and consultation paths for the various ideas on the table. Looking at the SRA structure which includes COFA, CORA, SRAs and their connection to Council, we are considering ways to better include these voices as part of consultation for Students' Council. Regarding the Students' Council working group, we are considering ways to better improve the culture of Council, the functionality of Council and it's transparency. There will be a series of focus groups where we will be gathering information and feedback from Current and past Councillors before making recommendations. We hope to present the preliminary recommendations at Council soon.

My office hours are by appointment, so if you would like to meet regarding any matter - please feel free to email me at [president@uasu.ca](mailto:president@uasu.ca)

Yours Sincerely,

Howdy Council!

I hope you are all doing well! Its a busy time of year, so don't forget to be kind to yourselves

### **A Message to Anyone Seeking Election.**

With the Executive Elections fast approaching I wanted to provide those running with some unsolicited advice. Be unabashedly true to yourself. During the election process you may feel pressures to conform to expectations of what the role you're seeking may look or behave like, don't let any of that pressure supersede your true self. Your success in this election, this job, and in life should never come at the expense of living the truthful expression of yourself.

### **CTL Executive Director Selection Committee**

The search for the Executive Director of the Centre for Teaching and Learning has begun! I am very excited to be serving on this committee

### **Penguins!**

As you may have heard, penguins have recently made the news as a symbol against Post-Secondary Education Cuts. In late January the UASU and SAMU spent a couple of hours building over 800 snow penguins with various protest signs as a form of Covid safe protest. This was the first step in a lot more advocacy to come. Stay tuned!

### **Open Education Symposium**

I have been working with Krysta McNutt from the Centre for Teaching and Learning on an upcoming Open Education Symposium! This will be a fantastic opportunity for students and professors to learn more about Open Education. I'm very excited to see the growing engagement with Open Education on campus. I think this symposium will be a fantastic companion to the Be Book Smart Fair, and will be an amazing addition to the discourse around Open Education at the University of Alberta.

### **Accomodations interview**

Recently I was interviewed as a part of a pan-canada study around student access to accommodations during Covid-19. This was a very important conversation and I am quite excited to see how the end results pan out. If you have any personal experiences with ableism in the university in the context of accommodations and you are willing to be a part of this study, please reach out and I can put you in touch.

**Students on Experiential Learning Policy**

VP Kidd and Myself are still hard at work on this policy! The scope has broadened in a fantastic way. Because of the work that has been done it is looking like the University will be working with us to do a fulsome review of the policies governing Work integrated Learning and Experiential learning as a whole! This will allow for us to have a broader impact on experiential learning and ensure that not only are students protected if things go wrong, but also help define what a positive experience will look like.

**CLE Taskforce on Student Experiences with the Assessment of Teaching**

The CLE task force looking at the effectiveness of USRIs has met once again. As a Students' Union we are raising concerns about ensuring student feedback is meaningfully taken into account for tenure decisions as well as for pedagogical decisions in courses. USRIs are not a perfect tool, however they represent the most fulsome way students are able to provide direct feedback on the quality of their education.

**Committee on the Learning Environment**

CLE had a very interesting discussion around the University of Alberta's long term plans/priorities for online or remote learning. This was an interesting conversation as it focused primarily on long term planning and institutional strategy rather than the current lived context.

**ALES GFC Vacancy**

The process to fill the ALES GFC representative vacancies is nearing completion! Nominating committee is meeting on Friday February 5th for the final selection meeting and will be providing names for ratification on the council Late Additions.

## Collaboration with NAITSA

I am meeting with my counterpart at NAITSA to discuss topics of compassionate grading, withdrawal deadlines, optional marks of "Credit," and to share data / strategies around advocacy on these issues.

Remember, never hesitate to reach out if you have any questions, comments, or concerns.  
All the best,

Hello Council,

I hope your January was wonderful and you are all staying warm and cozy in this brutal cold snap! As I'm sure most of you will understand, it has been a really bizarre week for me. Let's just say this is not what I had in mind when I ran to be a student leader, but I'm not complaining.

### **Penguin Protest Chaos**

I assume you all remember the penguin protest that I was planning at our last meeting. Huge shoutout to Councillors Dixon, Monteiro, and Motoska for coming out, their help was greatly appreciated! The penguins were set up at the Legislature grounds, with about 800 in total built. The next day the groundskeeping staff demolished about 600 of them, so we cancelled our planned media availability. However, this had the unintended consequence of making our protest much, much more effective. The story ran first in the Gateway, then CTV, Global, the Edmonton Journal and Calgary Herald, and finally in papers all over Canada through the Canadian Press. My guess is that at least a million people have seen the story-- likely more. Seriously-- this story has been in papers from Squamish to Halifax. It was also picked up by major figures on social media like Rachel Notley and Thomas Lukaszuk. All in all, this was an incredibly successful protest. We are working to expand the penguin campaign and branding, which has picked up a lot of traction on social media.

This is an interesting example of how important humour can be in politics. It captures attention, but it also reduces tension and anger. Altogether this protest was probably more successful than a traditional rally would have been, even in non-COVID times-- and there is more to come.

Here's a small sample of the media coverage:

**Progress on Alberta 2030**

You will all remember the conversations we had earlier in the year about the risk of tuition deregulation and superboards as part of the Alberta 2030 review. I am very pleased to report that we are continuing to hear very encouraging things about tuition policy, and as Don Braid mentions in [this article in the Herald](#), we also believe the government may be dropping the idea of a provincial superboard. I want to emphasize that these are huge wins that I and the other VPXs in the province have worked tirelessly towards for months. The largest successes of my term will no doubt be the things that did not happen instead of the things that do, but they are still achievements to celebrate.

**Student Leaders' Meeting**

On the 9th (just before Council), President Agarwal, VP Kidd, and I are attending the 3rd Student Leaders' event with Minister Nicolaidis and the Department of Advanced Education. I have been promised by the department that we will have an in-depth conversation about sexual violence policy and the government will give a progress update. I hope that we won't be disappointed, and the Executive team will report back on what we hear. We also intend to continue to discuss tuition policy with the Minister, as many smaller details may still change.

**Leave of Absence**

I will be taking a leave of absence from the 11th of this month to March 4th, as I will be participating in the UASU elections. Please see my letter further in this order paper for more information. I'm disappointed to be leaving you all during such a critical time, but I know the rest of the exec team will do an excellent job in my absence. I'm always happy to chat or exchange 🔥 memes, but I will be fully stepped back from my work as VPX.

Take care of yourselves and good luck as we roll into midterm season. It has been a pretty tough semester for most of us so far I think-- but the light at the end of the tunnel is starting to get clearer.

Cheers,

Hello council!

I hope the semester is going well! I hope you all are settling into the semester and are prioritizing your mental health! Reading week is coming up soon and you'll get a break!

### **Sexual Violence Prevention Coordinator**

Fantastic news! The vote passed the Joint Oversight Student and University MNIF Committee passed! The rate for the MNIF increase has been set at \$1.50 per semester to pay the salary. This will be charged to all students and the MNIF is in Fall and Winter. This means students could pay a maximum \$3.00 a year. The next vote for this will be on Wednesday, February 10th at the Academic Planning Committee. I will update you all on how the vote goes!

### **Meeting with the Minister**

Next Tuesday, Rowan, Joel and I will be attending a roundtable discussion with the minister and staff. I am going to discuss sexual violence and the importance of this to our students.

### **GFC Student Parent Policy**

This policy began development precovid before my term and then was put on pause with covid. The University is starting work on this again! This is super exciting, I should have more of a substantial update in March.

### **Daycare Update**

The negotiations are going well so far! I am hoping to have the deal finalized in the next two weeks. We are still working on trying to explore how to lower prices to keep the service affordables. I am really excited with how things are going so far and will keep you all updated! I am happy to answer any questions about the service!

### **U-Pass**

A lot of my time has been planning the U-Pass campaign. I am really excited about the campaign but prepping is taking up a good chunk of time!

There's lots going on with only a few months! I'm looking forward to working with y'all this semester! If you ever need to discuss anything, I am always here to talk.

Dear Council,

Happy to be seeing you again, even over Zoom! I hope you have all had a lovely two weeks. In my spare time, I've been knitting a sweater, and it's now done! It took me less than two weeks to finish (let's be honest, it's been my primary stress outlet). I've found it really nice to have something to do that doesn't involve looking at a screen, especially when it's too cold to spend a lot of time outside. If anyone else wants to try knitting, I really enjoyed the knitting kit I got from [weareknitters.ca](http://weareknitters.ca). (This report was not sponsored by any knitting companies or sheep farmers. But that's got me thinking of alternative revenue sources...)

## **Services Update**

### **UASU Awards**

The UASU Awards provide funding to students who excel in a number of areas. Finance Committee was provided with an annual report from the Awards team last week. The Committee approved the creation of the Saba and Sara Sadaat Memorial Award, as you will see below.

#### **Awards 2020 by the Numbers**

Individual Awards (UASU Involvement Awards, Centenary Awards, and Coca Cola Awards)

- 337 applications were received, 318 were considered
  - 3 applications were received in French
- 113 recipients across all categories
- \$96,700 in scholarships awarded

Student Group Awards

- 32 applications received
- \$4,000 in awards to groups awarded

#### **Saba and Sara Sadaat Memorial Award**

Council approached President Agarwal in Fall 2020 to propose the creation of a memorial award to honour Saba Sadaat, a UAlberta student who passed away in the tragic Ukrainian International Airlines Flight 752 tragedy. The current Students' Union Award for Invaluable Contribution will be renamed in Saba's honour, with the following description (created with and accepted by Saba's family):

"Saba and Sara Sadaat Memorial Award:

Established to celebrate the life of Saba Sadaat, a student at the University of Alberta from 2016 to 2020, and her sister Sara (UAlberta 2019). Saba, Sara, and their mother Dr. Shekoufeh Choupannejad perished on board Ukraine International Airlines Flight PS752 on January 8th, 2020.

Saba was an avid volunteer and passionate mentor to her peers and community members. She especially cared about creating connections with youth and children through organizations like Heart of the City Music Program on campus, Big Brothers Big Sisters Edmonton, and the Helping Hampers project. She was also a mentor for newcomer students in the Iranian community. Saba had a passion for research in medicine and women's reproductive health, and was working towards a Bachelor of Science with a minor in Psychology.

Sara had begun her journey towards achieving a doctorate degree in clinical psychology in the United States. She had set her sights on being an advocate for LGBTQ+ youth throughout her career.

This award recognizes students' outstanding contributions to initiatives or organizations in behind-the-scenes roles.

Conditions:

- Must include a reference letter from someone involved in an event or organization outlining the student's level of contribution to the initiative.
- Preference will be given to group members that do not hold executive or formal leadership positions.
- Preference will be given to students involved in advocacy work for marginalized groups.
- Preference will be given to students involved in organizations and initiatives related to medicine, especially in gynecology and reproductive health."

## **Business Update**

### **Myer Horowitz Theatre Loan Request Receives First Approval**

As Council knows, the Myer Horowitz Theatre renewal project will require debt financing from the Government, since the University holds title to the Students' Union Building, and the University can only borrow money from the Provincial Government. General Manager Marc Dumouchel has especially worked tirelessly and done an excellent job at writing out a detailed business case for the University's approval processes. On Thursday morning, the Presidential Oversight Committee on Operations (PEC-O) approved our request for the University's help in securing a low-interest loan. This means that we can move forward in seeking approval from the Board Finance and Property Committee, and then the Board of Governors, before it goes to the Provincial Government. It's quite the process, but we are excited that it's moving forward!

Dear Council,

### **Tuition Vote**

1. **Board Members:** coming up March 12, we have some time before the vote. I have met with 5 board members up to this point and have upcoming meetings in process. They have all been sympathetic to the student situation, recognizing they have children in university and do not want tuition to increase, but also seeing an impossible financial situation given to them by the government. They shared some good long term ideas, some of which echo student leaders:
  - a. Establishing policy around finance decisions that involves human wellbeing and experience instead of only financial feasibility.
  - b. Advocating against high full load equivalents (FLE)<sup>1</sup> relative to the rest of Canada that have resulted from historically high professor salaries and a salary scaling system that too easily allows for salary increases.
  - c. Push GoA to match Canadian student aid rate.
  - d. Supporting budget deconsolidation with GoA so that UAlberta can debt finance initiatives, which they cannot do right now because if they took on debt it would show up on GoA books, impacting GoA's capacity to take on loans..
2. **External Contacts:** I also chatted with student reps with MacEwan and ULethbridge while Joel got UCalgary. MacEwan's BoG Rep, Myles Dyke, said students built a compelling emotional case which moved the board but left their vote unchanged. They also asked about spreading the tuition increase over 6 years instead of 3 but the unknown nature of provincial elections worried their board. ULeth's administration created a collection of task forces to evaluate financial need throughout the university and their Students' Union is currently fighting to have student representation on these task forces.
3. **Internal Strategy:** Joel, Marc and I met this last Wednesday and divided board members to personally chat with before March 12th. We also compiled questions we can push the board on to remind administration there are many avenues to pursue in finding revenue. Right now our short term strategy includes building a case around students at the margins of rate increases who will hurt most and how losing these people intersects with several metrics UAlberta is concerned about doing well on. We're looking for

---

<sup>1</sup> An FLE represents the full cost of a single full-load student attending UAlberta, including teaching staff, facilities, non-academic staff, etc. It is a standardized measurement across post-secondary institutions for comparison.

financial tradeoffs in the budget as well. More to come, as we have regular meetings scheduled.

4. **Talking with CoRA:** Katie Kidd invited me to hear the Council of Residence Associations on residence and meal plan rate increases. We discussed 3-day meal plans as a cost reduction solution, the need for a different food vendor and the issue that raising rates in the middle of a pandemic hurts already-struggling students who may not even find employment this summer.
5. **CSJ Funding:** I will raise this at the board meeting. Some CSJ degrees are being forced to be completed with courses irrelevant to the degree because the campus cannot afford to host the appropriate courses. Additionally, there is a slough of maintenance issues, including the pressing need of a security system. More case building and conversations to come.
6. **Talking with Council:** Joel and I plan to discuss tuition issues with you on our March 9th Council meeting and will provide details closer to that date. I would appreciate hearing ideas and concerns from you and your constituents and encourage you to use this month to hear your constituents on these issues so that Joel, Marc and I can build the strongest case possible to yield results for students. I am happy to have conversations about this before March 9th as well.
7. **University Endowment Pool (UEP):** last year's BoG Rep campaign involved a lot of talk about the endowment fund. Looking at it this year, we had negative returns relative to our principal investment in 2020, so using the UEP is not an option.

### Fiscal Considerations

Budget principles shall outline the basic direction for the creation of the budget. The following adjustments lie outside of budget principles and, while they should be considered in the submission, are at the sole discretion of Students' Council and/or any other legislative body outlined in Bylaw:

- Alberta Consumer Price Index (ACPI) calculations for 2021-22
- Total membership revenue based on a blend of enrolment estimates and historical enrolment trends put forth by the University of Alberta in 2021
- Changes to the Post-Secondary Learning Act by the Government of Alberta
- Students' Union Membership Fee increases (beyond inflation) and decreases
- Students' Union Dedicated Fee increases (beyond inflation), decreases, creation, and/or elimination

### Principles

1. In the event that a section of this document conflicts with any other section, the Finance Committee shall identify such a conflict and propose any necessary changes in the presentation of the final budget.
2. Total operating and capital expenditures will not exceed the amount of total operating and fee revenues. The only exception to this would be Council approval on a budget that includes multi-year projections to resolve any deficits. For the 2021-22 fiscal year only, a deficit may be permitted due to the effects of the COVID pandemic, but a plan for returning to balanced budgets the following year must be provided. [Edited]
3. Capital budgeting shall be apportioned at the discretion of the Financial Controller and Vice President (Operations and Finance) after the operating budget has been created. Using the set amount of capital funds allocated, decisions for use of capital funds shall be made by the Core Manager responsible for each unit.

4. Growth in a department shall be offset by a variety of strengthened revenue streams in that department, where possible.
5. All departments must work within the mandate of the Students' Union; activities or operations deemed to be beyond its scope shall be eliminated. The 2019-23 Strategic Plan shall be used as a guide to assess the relevance and value prior to such decisions.
6. External entities such as dedicated fee units and operating grants shall be managed as per existing Students' Union Bylaws and applicable contracts.
7. Unless otherwise noted, operating and fixed costs increase at a rate relative to the previous fiscal year no higher than inflation for the province of Alberta; the activity of the Students' Union will continue in a manner consistent with the precedent set in previous fiscal years.
8. The Students' Union shall implement all necessary financial restraints and audits as required by the Post Secondary Learning Act and its own Bylaws and Standing Orders.
9. Unionized staff costs shall change as specified in the CUPE (Canadian Union of Public Employees) Local 1368 collective agreement of 2019-22. Out-of-scope staff are entitled to a Cost of Living Increase and a merit increase in accordance with their respective employment agreements and appraisal outcomes.
10. Operating and dedicated fees shall increase in accordance with the Students' Union Bylaw 3000, as set out in the 1992 referendum approving increases based on the Alberta Consumer Price Index (ACPI). Based on estimates, ACPI for 2021-22 will be approximately 1.3%. [Edited]
11. Funds will be allocated to develop non-fee reliant revenue sources and fundraising capabilities. [Edited]
12. Resources shall be made available for recurring projects of the Executive Committee, provided they can show the need for such resources and consistency of such projects.
13. Resources will be made available for the Executive Committee to build positive relationships with important stakeholders. Examples include Faculty Associations, Residence Associations, Aboriginal Student Council, International Students' Association, and members of the University of Alberta Board of Governors, General Faculties Council, and Senate. [Edited]
14. Resources shall be made available to promote and enhance visibility and constituency engagement for members of Students' Council, as well as to support Students' Council in its efforts to consult on decisions as deemed necessary.

15. The Students' Union shall allocate resources to provide sufficient support to student governance objectives.
16. The Students' Union business units shall strive to avoid budget deficits prior to cost apportionment allocations. All reasonable attempts to maximize the profitability of these business units, consistent with the mandate of the Students' Union as a service provider, shall be made.
17. The Students' Union shall allocate resources toward branding and engagement improvements.
18. Resources shall be made available for the sponsorship of events related to Students' Union activities that do not have a pre-existing Students' Union funding source.
19. The Students' Union shall continue to allocate resources toward enhancing the content on digital platforms.
20. The Students' Union should continue to invest in its student and professional staff through professional development options and enhanced training.
21. The Students' Union will continue to invest in taking steps towards reconciliation through continued allocation of funds for work on and completion of the 2019 Aboriginal Relations and Reconciliation recommendations. [Edited]
22. Resources will be allocated to support the Students' Union's efforts to make its operations, building, and services more environmentally sustainable.

#### Removed from 2020-21

18. Where possible, all entertainment units shall plan to recover all costs. Admission sales, sponsorship, and donations are acceptable sources of revenue.
19. The Students' Union shall make resources available towards planning for the long-term maintenance and management of SUB.

OPEN FORUM

NARVEY: Inquired as to why the cost of hiring the Sexual Assault Prevention Coordinator is \$1.50 per student per term when it was originally projected to be \$3.00.

KIDD: Respond that \$3.00 was the maximum possible cost for the fee as per 2020-18/7d and that it was always possible for the fee to be lower.

BOSE: Expressed concern that Kidd's conduct at the January 25 meeting of General Faculties Council was inappropriate and undermined the credibility of students with the professoriate. Expressed concern that Kidd's arguments calling for radical compassion were contradictory as she herself displayed a lack of compassion for professors.

KIDD: Noted that it was an emotional meeting and tensions were high. Clarified that her concerns were directed at both the University Administration and professors. Expressed concern that forcing international students living in other timezones to attend classes for mandatory participation lacks compassion. Noted that she does not appreciate criticism of her assertive and confident style of argumentation when it gets results for the students that elected her.

2020-21/6

QUESTION PERIOD

BATYCKI: Inquired as to whether Draper consulted larger facilities that offer practicums or co-ops in addressing the Experiential Learning Policy.

DRAPER: Responded in the affirmative. Clarified that Batycki is referencing a University Policy. Noted that there are gaps in the University Policy and broad consultation is ongoing.

DIXON: Inquired to Kidd as to the status of developing spaces for students who parent, such as designated breastfeeding areas.

KIDD: Responded that the SU is in talks with the Dean of Students and change is forthcoming.

FOTANG: Inquired to Ley as to whether the Alberta Government's proposal to create post-secondary administrative superboards would result in the abolition of GFC and the Board of Governors.

LEY: Responded that it is not yet clear how superboards would function or impact the existing governance structures at the University.

LARSEN: Commended Dixon for her work at the January 25 GFC meeting in focusing on the issue that international students are forced to attend online classes from different time zones.
