Report to Student’s Union

The Athletics and Recreation Fee
Principles

• Transparency
• Accountability
• Partnership
• Collaboration
• Consultation
Key Points

• Transparency
  – Students pay about $5.5M in A&R Fees
  – Students want to know what their fees pay for.
  – Athletics and Recreation fees pay part of the cost for non-tenured academic and non-academic staff to provide sport and recreation services to students.
Key Points

• Accountability
  – Who is responsible for the allocation of the funds and therefore the provision of services?
  – The Dean of the Faculty of PER delegates the responsibility to the two Directors; Ian Reade and Cheryl Harwardt

“With ONEcard, we're able to generate a report based on a group- we're able to generate a list of the individuals with a specific group (ie. Varsity Game Access) that had successful swipes. We would be able to send this report to the RO, and the RO should be able to categorize it accordingly for you”

…For example – to find out what Faculty the students are from…”
