External Advocacy at the UASU

Presented by VP External Adam Brown to Students’ Council

July 2, 2019
Overview

- Advanced Education and Government
- Internal Structure
- Edmonton Student Alliance
- Council of Alberta University Students
- Canadian Alliance of Student Associations
- Questions
Objectives

1. So Council can follow the many acronyms involved in external advocacy work
2. To show the UASU’s external political operations in greater clarity
3. To demonstrate the continuing importance of external advocacy
4. To answer any questions re: external advocacy
Advanced Education and Government
Divisions of power re: advanced education

- Article 93 of the Constitution: In and for each Province the Legislature may exclusively make Laws in relation to Education...

- **Provincial responsibilities:** legislation (tuition, fees, types of PSI’s, etc), operating funding, health funding, employment programs, infrastructure funding

- **Federal responsibilities:** loans, employment, research funding, intellectual property, infrastructure funding, citizenship and immigration, tax policies, savings programs, Indigenous programs & initiatives, Statistics Canada
Internal Structure (UASU)
Executive

General Manager

- **Recent wins:** student loan changes, investments in work-integrated learning opportunities, investments in research, committee presentations, investments in Indigenous access, PM meeting, etc.

- **Coming up:** GOTV, Abacus poll, election priorities document, Indigenous student engagement, SuperCon, ED search
Overall takeaways from our external advocacy

- Being non-partisan is one of our greatest assets
- Our success has come from a strategy of relationship-building and collaboration, as opposed to being combative
- Working with all kinds of student associations creates a stronger student voice
- UASU has a strong legacy.
