Levy Package Proposal

FAMF Renewal Statement
January 15, 2011

Proposal for the renewal of our Faculty Association Membership Fee (herein, “the Fee”) for the Business Students’ Association (herein, the “BSA”) which serves as the Faculty Association for the University of Alberta School of Business (herein, the “School of Business”).

Purpose: The membership fee is proposed based on the following rationale:

The BSA has progressed as a Faculty Association to the point where the organization is currently offering significant academic support and growth opportunities for its members therefore, the fee will be used for two purposes. Firstly, the BSA sees the importance of the other business clubs and their ability to provide students with learning opportunities outside of the classroom. Our clubs provide a wide variety of topics for business students to focus on and as a result a large portion of the fee is used to support these clubs. Secondly, the BSA strives to help the School of Business be represented in positive light to other business schools. As a result, the remainder of the fee is set up in the form of a conference fund that allows students to access financial support to go on conferences and represent our school.

Amount and Timeline: The amount of the Fee shall remain unchanged at $7.50 per student per semester for all Business Students starting in Fall 2011 and continuing until the maximum of 4 years have elapsed.

Scope: A Business student is anyone enrolled in the School of Business and is a member of the BSA as per the BSA Bylaws. The Fee shall apply to all undergraduate students, both full-time and part-time, in the School of Business. This does not include any semester for which the student is placed in a work term as part of the School’s Cooperative Education Program.

Allocation: The money received from the Fee will be prioritized for disbursement based on several criteria, ranked as followed:

1. Academic benefit
2. Maximizing benefit for the greatest number of individuals
3. Proven financial need
4. Promotion of the School of Business and its Departments

Once the fee is collected it is placed in an account that is separate from the BSA’s operating account and will only be used for these two purposes.

Eligibility: Any member of the BSA, as dictated by its Bylaws, is eligible to receive moneys from the fund. Business clubs, including departmental and non-departmental, as well as Faculty sponsored conferences and events are also eligible to receive funding.

Refund mechanism: The Fee, or any individual’s portion of it, may be refunded upon student request. Refunds will only be provided for the semester in which they are currently enrolled. The student will be required to complete a form by stating that they have received a refund and all refunds will be tracked in order to ensure that double refunds are not granted. All forms will be
maintained in a locked filing cabinet for a period of at least one year. Refunds may only be granted with signed approval of the Fund Administrator and the BSA President.

**Management:** All funds are to be managed by the Fund Administrator, known as the Student Activity Fund Director, will be responsible for tracking all disbursements, refunds and requests for funds. The Fund Administrator, the BSA President and the VP Finance will serve as the sole signatories on the fund's bank account. The Fund Administrator will be selected by the same process the other directors of the BSA are selected which is through an application process with the final decision coming from the BSA Executive. Requests for funds will be handled by the Fund Administrator and all disbursements will require approval of the BSA Executive Committee as outlined under the Association's bylaws.

The BSA thanks you for your time and commitment regarding the BSA Fee. If you require any additional information with regards to the BSA Faculty Association Membership Fee, please contact the writer, Clint Peter, at (780) 281-0217 or cpeter@ualberta.ca.

Invite to Levy Town Hall
Sent to All Undergraduate Business Students
Business Student Levy Town Hall
Monday December 5th
4:00pm
BUS 1-9

As some of you may be aware, the Business Faculty has in place a small student levy that comes through from your tuition. It is $7.50/semester per business student and it is up for renewal this year.

This town hall will give you a chance to show your support or voice any questions you may have in regards to the levy.

What is the levy used for?
- The levy is used to send business students to conferences.
- The levy is used as allocated funding for all business clubs with the exception of the BSA

Does the BSA use the levy in their budget?
- The student levy is not used in the BSA Operating budget. The funds are kept separate to be used for the conference fund and student clubs.

Why we need you!
We need your support to renew the levy. This levy is imperative for student clubs to be able to provide the amazing services they do to our faculty and allows students to go to world-class business conferences, they might otherwise not be able to.

We look forward to seeing everyone on Monday!

2010/2011 Pledge and Code of Conduct

Students attending a BSA Approved Event, Conference or Conference using funding obtained from SAF, BSA Conference Fund, BSA hereinafter “BSA Approved Event” are required to meet all of the standards of this agreement and are bound by the provisions of the University of Alberta Code of Student Behaviour in its entirety.

This Pledge and Code of Conduct applies to all students attending a BSA Approved Event, regardless of their home institution, and applies to any BSA Conference, lodgings, restaurant, or any other venue that is attended by the student.

Students are asked to refer to the entire Code of Student Behaviour at:
http://www.uofaweb.ualberta.ca/gfcpolicymanual/content.cfm?ID_page=37633#38305

Please read all of the following pages and initial every page. You will be held responsible for knowing the expectations and terms of the following pages. These are all excerpts from the General Faculties Council (GFC) Policy Manual – section 30. Code of Student Behaviour combined with the expectations set forth by the BSA 2010-2011 Executive.

I, ____________________, have read and understand the Code of Student Behaviour as outlined in the GFC Policy manual and the additional Code and discipline set by this document. I agree to all of the conditions set both in the Code of Student Behaviour and this document. I am fully aware that any breach of disciplinary measure that results in monetary loss will be my own responsibility to repay in full. I am also aware that a breach could result in my expulsion from the delegation. I understand that delegate fees are non-refundable and will not be returned in the event of an expulsion from the delegation.

I, ____________________, pledge that I will at all times while attending the BSA Approved Event, or while in transit to and from the BSA Approved Event, or in any activity related to or sponsored by the BSA Approved Event, conduct myself at all times in a professional manner, obeying all the terms of this document, showing courtesy and respect for all other delegates, speakers, sponsors, Faculty members, Faculty staff and guests, or any other person associated with the event in any way. I further pledge not to participate in any activity that could result in harm, whether physical, legal or in reputation, to the BSA Approved Event or the University of Alberta School of Business.

Faculty Letter of Support
To Whom it may Concern

Re: Business Students’ Association Renewal of Faculty Association Membership Fee

I have been advised by the Business Students’ Association that they are seeking a renewal of their Faculty Association Membership Fee. I have been shown the documentation in support of this proposal that outlines the purpose of the fee, the uses to which it will be put and the process for allocating the funds. I am confident that the Business Students’ Association has put together a good proposal for renewal that addresses the major areas of concern with any such fee.

The Business Students’ Association is recognized by the Alberta School of Business as the representative of Business students and one of our major assets. The BSA works to keep Business students involved with the School both academically and socially by sponsoring major events and providing financial support for students to attend events in other universities. We are pleased to support their application for a renewal of the Faculty Association Membership Fee as this will help them continue the excellent work they have been doing until now.

Please let me know if there is any further information I can provide.

Yours truly,

Elaine F. Geddes, Associate Dean, Undergraduate Programs

Alberta School of Business
Please note that the BSA is working on reorganizing our constitution therefore the numbering of these bylaws will be updated in the upcoming months; however, the content will remain unchanged. If Students’ Union or the Audit Committee wishes a copy of the finalized constitution including these bylaws, we would be happy to include it with our financial submission at the end of this academic school year.

3.0 Lifetime
3.1 The term of the FAMF is four years, barring any event that would dictate otherwise. Such events include an opposing referendum that adheres to Students Union guideline, the ceasing of the BSA as a Faculty Association, or a clear misuse of funds as determined by Students Union or the School of Business.
3.2 Any increases to the amount shall be enacted only upon a referendum that adheres to Students’ Union bylaws. To prevent successive increases and referendums, no referendum shall be held within three years of the current referendum passing

5.1 The moneys received from the fee will be placed in a separate account from the BSA’s normal operating expenses.
5.2 The BSAF director will review all applications for funding requests from this account and the VP Finance or President will approve decisions.
5.3 The funds in this account will be disbursed in the following order:
   1. An initial, equal amount payable to all Students’ Union and School of Business approved Business Clubs to support their club’s initiatives. The amount is to be determined by the governing year’s Executive and BSAF director.
2. A second installment of funding set aside to be available for all Students' Union and School of Business approved Business Clubs to support their club's initiatives upon the successful review of a supplementary funding application. This application is to be approved by the BSAF director, VP Finance and President and may be submitted at any point during the academic school year. Refunds will only be provided for the semester in which they are currently enrolled. The student will be required to give the BSA confirmation, in writing, that they have received a refund and all refunds will be tracked by the VP Finance to ensure double refunds are not granted. All forms will be retained for a minimum of one year. Refunds must be approved by the BSAF director and President.

8.0 Management

8.1 The funds are to be managed by the BSAF director, who will be responsible for tracking all disbursements, refunds and requests for funds. The BSAF director and BSA President will serve as the sole signatories on the fund's bank account. The BSAF director will be selected through the interview process by the BSA Executive and their sole task will be to manage the BSAF account. 9.1 The BSAF director will compile a statement of disbursements at year-end for the BSAF account. The BSA Executive will approve these statements and compile a report for Students Union indicating how moneys have
been spent in accordance with the requirements of Students' Union bylaws.
