Home, away from home.
The problems
On-campus housing is expensive & low-quality

"I believe that on-campus residence is too expensive"
80 responses

"I believe that living on-campus would force me to lower my living standards"
80 responses
30% cheaper to live off-campus

$2,320 average savings
Lack of experience with rental process

How much experience do you have with renting off-campus
80 responses
Rental process is long and complicated

- Find roommates
- Search for a house
- Confirm with roommates
- Try to schedule viewings
- View the house
- Search and compare
- More viewings
- Apply for the house
- Print-sign-scan-send lease
- Collect deposit from roommates
- Move in
- Collect rent from roommates
- One person pays
- Reaching hosts for repairs
The Solution
A platform that helps students through every step of the process.
Intelligently sorted results suggest the best option for the student based on budget, commute time, and personal preferences.
Five Steps to moving in

1. Home matching
2. Roommate matching
3. Viewing scheduling
4. Online application
5. Electronic lease signing
Tools for a peaceful tenancy

- Rent Payment
- Host & roommate messaging
- Inspections and walkthroughs
- Utility cost monitoring
Cost for students

$0
