

**Date: January 10, 2022**

**To: Students' Council**

**Re: Board of Governors Representative Report #18**

---

**Dear Council,**

I hope everyone enjoyed the break and took some much-needed rest. The only update I have for the council is that I am meeting with Logan Mardhani-Bayne who is helping facilitate the strategic planning process on Monday. We will be discussing student outreach and how to further seek input from the student body for the University Strategic Plan.
