Re: Board of Governors Representative Report #22

Dear Council,

Wow has this ever been a dramatic election campaign. I hope everyone has had the chance to see everyone's campaign and make an important decision about their representatives next year. Unfortunately I have another commitment I need to attend tonight so I will; not be able to make it to council tonight. If anyone has any questions please feel free to contact me.

These past couple of weeks have been a lighter agenda for me given the noise of the elections and my absence for reading week. On February 27 I had the opportunity to attend GFC, apart from this I have no other major updates this week.
